

The Sheaf and the Scepter

Chapter One

(Pastor Vaughn)

This book is dedicated
to the rejected and misunderstood
who, embracing a higher calling,
seek only what is good.

For those who seek more
than personal salvation.
They want to be involved
in Yah's Kingdom foundation.

Embrace this ancient principle
and apply it to our lives.
Then Yahweh will reveal to us
what we need to make us wise.

Joseph was hated by his brothers
because of a dream he had
of their sheaves bowing down to his.
This made them very mad.

Joseph is a shadow
but not of Messiah alone.
He is a shadow of you
who will one day have a throne!

You stand out in the crowd,
refusing to bow down
to false systems and deception
because of the truth you've found!

Yahweh has a dream
of His sons on earth to rule
when Yahshua returns,
so He puts them in a school!

While the church dreams of Heaven
and leaving this earth,
you are looking forward
to your new birth!

But much must be done
to make you qualified.
You must pass every test
to become ratified!

You will be mocked and scorned.
You'll be rejected and hated.
For obeying Yahweh's Word,
you will be berated.

Will you stand strong
and honor the Feast Days?
Will you allow the Holy Spirit
to teach you Yahweh's ways?

Like Yahshua, you must suffer
as you learn to obey.
It's the road to the throne,
there is no other way.

Yahshua endured His suffering
that He might be perfected.
For this same purpose
you have been selected.

Yahshua is now the Author
of eternal salvation.
But only the obedient
will hear this declaration.

Follow the pattern of the Son
and pass every test.
Through your obedient suffering,
Yahweh plans to save the rest!
