

# **THE HEAVENLY SCROLL—The Mazzaroth part 3**

## ***In Search of the Throne***

By Pastor Shane Vaughn, First Harvest Ministries

Welcome back to our series on the Mazzaroth. In the last lesson we found out that it is not Satan who created the Mazzaroth. It was Yahweh. It was Yahweh Who named every constellation, and He stretched them out. The picture you see here is of the Mazzaroth. It's a very, very important picture that you are looking at here, because contained in this picture when you start from left to right, and you start going around the circle, what you are going to find is the MESSAGE of First Harvest Ministries.

I'm proud to tell you today that we are one of the few ministries on Planet Earth that teaches the Mazzaroth completely. We preach every detail of it in this ministry. We preach the WHOLE GOSPEL that begins with Virgo and ends with Leo, and everything in between. Thank you Yahweh, for the hungry souls that are here today.

Let's talk about the HOUSE OF SIGNS or MESSAGES. If you look below,

these are the pictographs; these are the symbols or the signs. The question we all have is why did Yahweh use pictographs in the Mazzaroth to preach the Gospel? Why didn't He do it with language? Who has an answer for that for me today? Why did He use pictographs? *Because it cannot be*

*changed.* Absolutely right. Because language changes, but the meaning of these pictures will never change. You may change the word *stop*. What is the word *stop* in Spanish, Sister Caly? *Parada*. You may change the language but it doesn't matter. If I am in Spain and I see that red sign with the octagon shape, I don't care if it says *stop*, or if it says *parada*, or what it says. I know what it means. Therefore, there is MEANING in the signs of the heavens. As the earth orbits around the sun every year, the sun from our view will rest for thirty days in each one of these houses.

When you see ARIES, you see the RAM. When you look at LEO, you see a LION. When you look at SAGITTARIUS, you see a MAN with a BOW. TAURUS is a BULL. VIRGO is a WOMAN. CAPRICORN is a GOAT. AQUARIUS is a MAN with WATER. GEMINI is TWINS or the TWO WITNESSES; I'm getting ahead of myself. LIBRA is a man with two SCALES. PISCES is the TWO FISH. CANCER is a CRAB. SCORPIO is a SCORPION. These images are pictographs of the outline of the groups of stars known as a Constellation.

For example, look at a constellation, the way the stars fit in that constellation. The ancients drew pictures of the outside, and that's how they came up with these pictures. Here's what I want everyone of you to understand today: Throughout ALL of history in every culture, their number never changes; not through all of history! Their number never changes from TWELVE. Their images never change. Their names never change. They remain the same in every culture, as far back as the Sumerians, the Egyptians, the Babylonians. No matter how far back you go, you will never find a change in this Heavenly Scroll, or the Mazzaroth.

*Pastor, there was a thirteenth constellation that just appeared; the snake.*

Yes, ma'am, I'm aware of that. It was Satan, the snake, exalting himself above the Throne of Yahweh. He was perverting the Mazzaroth; it was not the original Mazzaroth. It had twelve, so Satan added the thirteenth one. Thirteen is always the number of rebellion.

What I want to show you ladies and gentlemen, is the oldest Mazzaroth that we have ever found in antiquity. It is so old, that it is believed that this is the ORIGINAL Heavenly Scroll that Enoch saw when he went into the heavens, or where the stars dwell. I'm going to show you the Heavenly Scroll as it was first seen by Enoch. This is not quite as fancy as our modern one, but this is how Enoch saw the Heavenly Scroll, and how it was deciphered in ancient times. This is the ENTIRE GOSPEL written in the STARS before a Bible was ever written. The Bible that you hold in your hand MUST line up with this Bible. It must line up with this Original Bible.

I want you to notice that this is almost six thousand years old. Notice that six thousand years later, the numbers, names, and pictographs remain the same. Brother Morgan, let's read Psalm 147:4.

**Psalm 147:4 He counts the number of the stars; He calls them by name.**

So who named the Mazzaroth; the constellations? YAHWEH. What you are looking at is not evil. It came from Yahweh. Satan wants you to think it is evil so you will quit looking at it. If you LOOK at it, there is one symbol that stands out above all of them. It is that lion at the very end: LEO THE LION. He doesn't want your focus on the Beginning and the End. I have always

taught that there are two books of the Bible that Satan hates the most. What are those two books, for those who sit under my teachings? *Genesis and Revelation*. If you look at this Mazzaroth, you'll see Genesis right on the left of Leo the Lion, and Revelation, with Leo the Lion. As you are looking at this heavenly scroll, you are looking at the Beginning and the End; you are looking at Genesis and Revelation.

Satan does NOT want your focus on the ENTIRE story. That's why he created the Christian Church. The Christian Church with the Pope of Rome gives you the beginning of this story, but they do not give you the end, or most of it in between. That is our job. What you are looking at below is a DIVINE Portrait to witness the WHOLE GOSPEL to All of mankind.

The modern day Gospel must line up with this Original Gospel in the stars, but what happened to this Divine Portrait?

This is what happened: The NEPHILIM had to DIVERT man from the TRUTH BEHIND THE STARS and get them focused ON the stars. Humanity HAD to be Corrupted so they could not qualify to take Satan's position and RULE and REIGN over the Earth. It is so important that you understand this. You must get this, brothers and sisters. The Nephilim had to divert man from the truth. How did he do that? He took their eyes off of the MESSAGE and got them focused on the STARS. They literally could not see the forest for the trees. And now, what did every pagan religion do? They built graven images to these stars; and these fallen Nephilim.

They built graven images to Virgo. In fact, her graven image still sits in your local Catholic Church. It is called *The Blessed Mother*. These graven images of Virgo have been worshiped ever since the days of Semiramis. Why do you think when the children of Israel came out of Egypt that they were living in the Age of Taurus? If you go back to that time, they were living in the Age of Taurus.

What is the symbol of Taurus? *A Bull*. And now you might know why they built a golden calf or a golden bull. Because this was the constellation they were living under, and they worshiped the constellations, rather than the Creator. They worshiped the Creation more than the CREATOR. That is why this ministry is calling you back to the heavenly scrolls, and getting your eyes off of the Constellation and BACK to the MESSAGE of the GOSPEL that the Constellations are telling the entire world.

The only way Satan could divert mankind from their Creator and their Father, their Elohim, YAHWEH, was to get them focused on the constellations. The stars have also always represented the angels as well, so therefore, this is the worship of these fallen angels. Let's go to the book of Enoch chapter eight, verse three.

Before I continue, the book of Enoch was in the original Scriptures. It was quoted by Yahshua Himself, by His brother James, by Peter, and all of the early Church. It was almost in your King James Bible, but they took a vote between Enoch and Revelation, and chose the book of Revelation.

**Enoch 8:3 Amezarak taught all of those who cast spells and cut roots, Armaros the release of spells, and Baraqiel astrologers, and Kokabiel portents, and Tamiel taught astrology, and Asradel taught the path of the Moon.**

Amezarak is one of the Nephilim. Portents are potions. The path of the moon is witchcraft. Now let's go to chapter nine, verse six.

**Enoch 9:6 and nothing can hide itself from Thee. Thou seest what Azazel hath done, who hath taught all unrighteousness on earth and revealed the eternal secrets which were (preserved) in heaven, which men were striving to learn.**

Azazel is Satan. Men were not striving to learn the secrets. They were striving to learn the Scroll, and now these angels came down and revealed to them how to interpret the eternal secrets in the Heavenly Scroll.

Now let's talk about exactly what the Heavenly Scroll is. Look at this picture. This picture is from the 6th century. It was excavated from a Jewish synagogue. All major synagogues had the Mazzaroth at the very center of their synagogues. This Mazzaoth comes from the 6th century Hebrew faith. I want you to notice that you literally have three circles or wheels, if you will. If you look on the outside of the Mazzaroth, you will see four living creatures.

What are these four living creatures doing? You're not going to believe it: they are protecting the Mazzaroth. What is the Mazzaroth? The Throne of Yahweh. Remember, the title of this

series is *In Search of the Throne*, because Throne means Government, Order, Law. Alright? These four living creatures, according to the book of Revelation, protect the Throne of Yahweh. It's going to get a little deep today; you're going to have to stay with me.

I want you to notice that out of all these four living creatures, look at the one in the top right hand corner. He is the only one that is carrying what? A *SCROLL*. Yes, HalleluYah. Yes, he is. That is why this is called *the Heavenly Scroll*. When we get to the book of Revelation, this scroll is going to make so much more sense to you, because the four living creatures carry the Heavenly Scroll, and they protect the Throne of Yahweh.

The Mazzaroth, or the word Zodiac that everybody is scared to death of, comes from the Hebrew word *zodi*, or *sodi*, which means *the way* or *step*. When you look at the picture of the Mazzaroth you see what? The WAY from the beginning to the end. The secret is that the Mazzaroth, with its 12 cardinal signs, and 36 underlying signs, is a prophecy of the everlasting human Messiah that rescues us from the dragon, and becomes the Lion King. That's why when you get to the book of Revelation, you are going to see so much about the dragon.

This entire story is about a man, not a god. Nowhere in this Mazzaroth do you ever see a god coming down from anywhere. You see a HUMAN Messiah that goes to war with the dragon, and comes out a Lion King! Now you see why Satan through Disney tried to pervert the Lion King. Because that is the TITLE of Yahshua! HalleluYah! Amen! Now do you know what Yahshua is referred to in the Bible? He is ORION. He is *the son of man riding the clouds* in the Milky Way. Yahshua written in the stars, beloved, before He was ever written in the Bible. Let's prove that.

Notice the four living creatures GUARD the Throne, and the Mazzaroth which IS the Throne. In the book of Revelation, how many were worthy to open the scroll? ONE. That's why out of those four living creatures, only one has the scroll because only one fulfills the Scroll.

Only one completes the Heavenly Scroll, therefore only one is WORTHY to open the Heavenly Scroll. HalleluYah! Only one starts out as a SEED and winds up as the Lion King! Oh, what a Mighty God we serve!

**Revelation 13:8 And all who dwell upon the earth will worship him—whose names have not been written from the foundation of the world, in the Book of Life of the Lamb Who was slain.**

Now what does that mean? According to that scripture, when was Yahshua killed? *From the foundation of the world.* How is that possible? *It was in the Plan.* It was written in this Heavenly Scroll, the Plan: the Word that was WITH Yahweh, the Word that WAS Yahweh, the Word that was In The Beginning with Yahweh. You are looking at it right now.

In the Beginning WAS the Heavenly Scroll—The Plan—it was written out in the Beginning. Yahshua did not die on Mt. Calvary. He died in that Plan. He died in that Scroll, and then one day TIME caught up with this Plan and in the FULLNESS of TIME He came forth and DIED, but He was already dead in the Plan.

One of these pictures has YOU written all over it! I'm going to show you where You were in this Heavenly Plan. The PERFECTION of Yahweh is Satan's greatest threat. When you trust in His Perfection, you can never doubt Him. I Peter 1:20.

**I Kepha 1:20 Who truly was foreordained before the foundation of the world, but was manifest in these last times for you;**

Isn't that what I just told you? What was manifest already WAS. HalleluYah! What did Peter say? Read it one more time and listen closely.

***Who truly was foreordained before the foundation of the world, but was manifest in these last times for you;***

Where was Yahshua foreordained? *In the Mazzaroth*. In the Heavenly Scroll, in the Plan, or in the Debar—the Hebrew word for *Plan*. In the Heavenly Scroll, the Plan, the Debar: Yahshua was ordained THERE. That's why He said, "I came from heaven." It doesn't mean He came from heaven. He came from Shamayim. What does it mean? Where the stars dwell. So Yahshua said, *"I came from the Heavenly Scroll, where the stars dwell. I was in that Scroll, that all of you Jewish people know how to read. You've been reading it for generations. You know the Mazzaroth. I came from there."*

According to Peter, that is exactly where He came from because He was preordained in that Scroll, and in the fullness of time, the Scroll came from the stars and walked among men. HalleluYah! The Scroll was manifested here on earth! HalleluYah! Because, as it goes in the heavens, THY WILL BE DONE ON EARTH as it is WRITTEN in the HEAVENS. If He died in the Scroll, let Him die on the earth! That's what Yahshua meant when He said, "It is written." When He died, what did Yahshua pray? THY WILL be done on the earth, just like it is written in the Heavenly Scroll."

**Revelation 6:14 And the heaven departed like a scroll when it is rolled together; and every mountain and island were moved out of their places.**

John is seeing a vision, and he is telling you what he sees. But where does his vision come from? This is important. We always think he was getting these visions out in the third heaven somewhere. Oh no! He was getting his vision from the heavens. He said, "I looked to the heavens, and it was opened to me like a scroll." That's how he knew about the dragon. That's how he knew what the future held. He wasn't getting it from some third heaven. He was just reading the Scroll. HalleluYah!

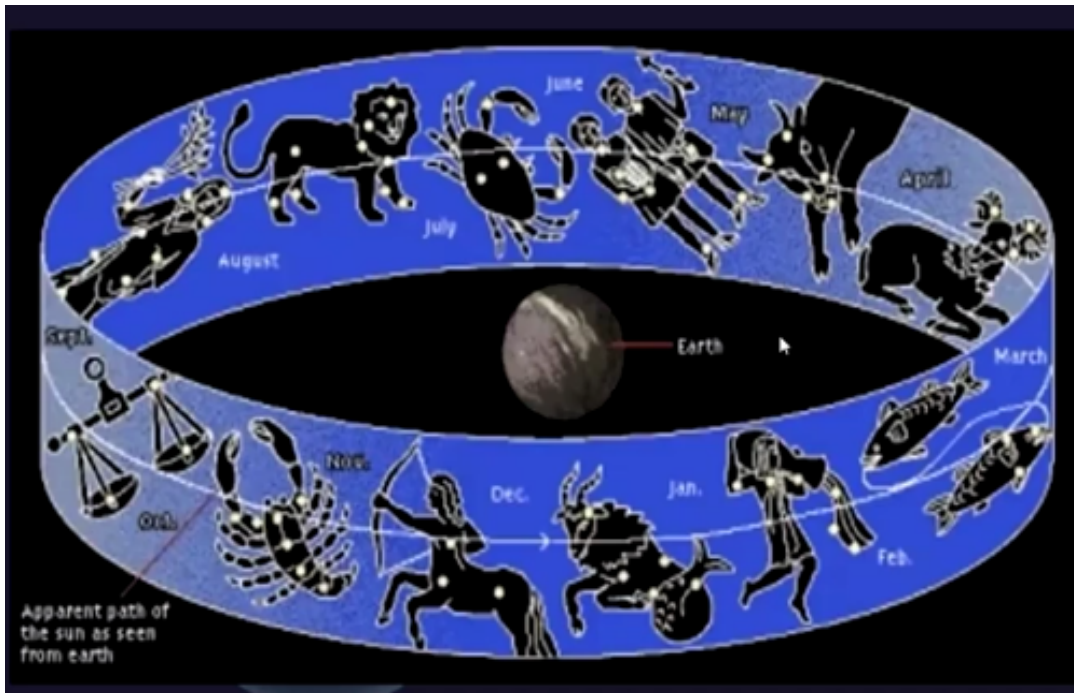

Here is what he said: *I lost all focus on the earth. I no longer saw the mountains or the islands. I no longer saw the earth, but I saw the Heavenly Scroll.*

**Isayah 34:4 And all the host of heaven will be dissolved, and the heavens will be rolled together like a scroll; all their host will fall down, as the leaf falls from the vine, and as figs falling from the fig tree.**

Do you know why that is, beloved? Because the story will have been fulfilled. It will have ended. There will be no more need for the Heavenly Scroll. That's why there will be no more sun in the New Jerusalem. That's why there will be no more night. There will be no NEED for a Heavenly Scroll. It's going to dissolve once it is FULFILLED! HalleluYah! You won't need a Bible in the Millennial Reign. You can throw your Bibles away when the Bible COMES! Oh, HalleluYAH!

You will not need your TORAH when the LIVING TORAH is ruling over Planet Earth. Do you understand? Praise Yahweh! I get so excited over Truth. He said that He stretched out the stars. The image below is what He means by that. This is how He stretched it out in the heavens. The signs created by Yahweh are laid out across the ecliptic plane like a scroll, and

read like a pictograph as the Sun goes through each sign every month, those signs proclaim the Plan of Salvation.

Where did Yahweh prophecy The End? *From the beginning*, I'm going to show you what that means. When we get to Virgo, you're going to fall out of your seats when I show you the meaning that He knew the End from the Beginning.

**Psalms 119:89 Forever, O Yahweh, Your Law is settled;  
unalterably established, in heaven.**

Wait. Whoa! Thy Word, Thy Plan, Thy Torah is settled not in the Bible that you are holding in your hand because man messed that up. But it has been forever **SETTLED WHERE THE STARS DWELL!** Why do you think Satan wanted to get into those stars? Why do you think that there are astrologers on every corner? Because they tried to take over the Throne of Yahweh, but through the remnant House of Israel, Yahweh is **REDEEMING** His Throne.

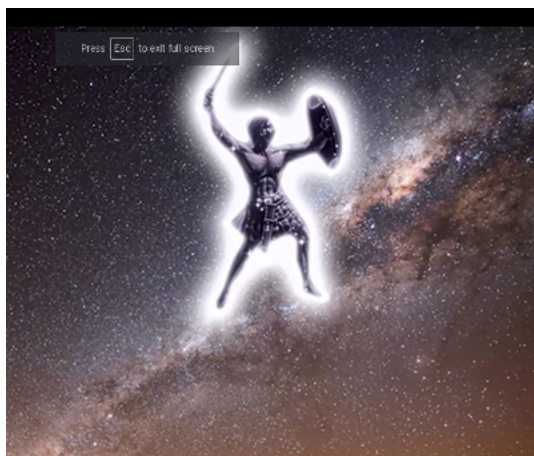

He is going to REVEAL His Throne to those who love His Throne.  
HalleluYah!

**Isayah 46:10 Declaring the end from the beginning, and from ancient times *those things which are not yet done*, saying; My counsel will stand, and I will fulfill all My plan;**

That's powerful. When did He declare the end? When did He tell us what the end was from? *The Beginning*. VIRGO! From Virgo! And I'm going to show you in a minute when we get to Virgo, exactly what He means by it. Then from ancient times. How long have they been studying the Mazzaroth? *From ancient times*. They have been studying the constellations from ancient times, and in there you see the end when you look at the beginning, because the end and the beginning are connected together.

*I will do everything written in that Plan*. If anyone today is worried that the world is out of control, that Climate Change is about to destroy us all, you haven't read the Plan. I see no fear at all. I see no reason to fear because He said, "I will do everything written in that Plan." HalleluYah! The Mazzaroth will give you more faith in the perfection of Yahweh.

Now let's go talk about Orion. Who is Orion? Orion is *the Son of Man* in the Heavenly Scroll that you are looking at.

That constellation is Yahshua in the sky. He came from heaven because He was always there. He's in the Heavenly Scroll.

**Iyyob 9:9 He is the Creator of the Bear, Orion, the Pleiades, and the constellations in the south.**

So Orion is mentioned specifically in the Word of Yahweh. And when you look at

Orion in the sky, it is referred to that He is the Son of Man. Now read Job 38:31.

**Iyyob 38:31 Can you bind the chains of Pleiades, or loose the band of Orion?**

Can you change anything about Orion? Can you change anything about the Son of Man? Let's go to Revelation.

**Revelation 14:14-18 And I looked, and behold, a white cloud,**

Where did he look? He said, "Behold, I looked, and I saw something in heaven." Where did he look? The Scroll. Listen to what he said he saw.

**and upon the cloud One sat like the Son of Man,**

*I saw One sitting in the clouds like the Son of Man. Read.*

**having on His head a golden crown, and in His hand a sharp sickle.**

**15 And another malak came out of the House, crying with a loud voice to Him Who sat on the cloud: Thrust in your sickle, and reap; for the time is come for You to reap; for the harvest of the earth is ripe!**

Keep that phrase *the harvest of the earth* in your mind.

**16 And He Who sat on the cloud thrust in His sickle on the earth; and the earth was reaped.**

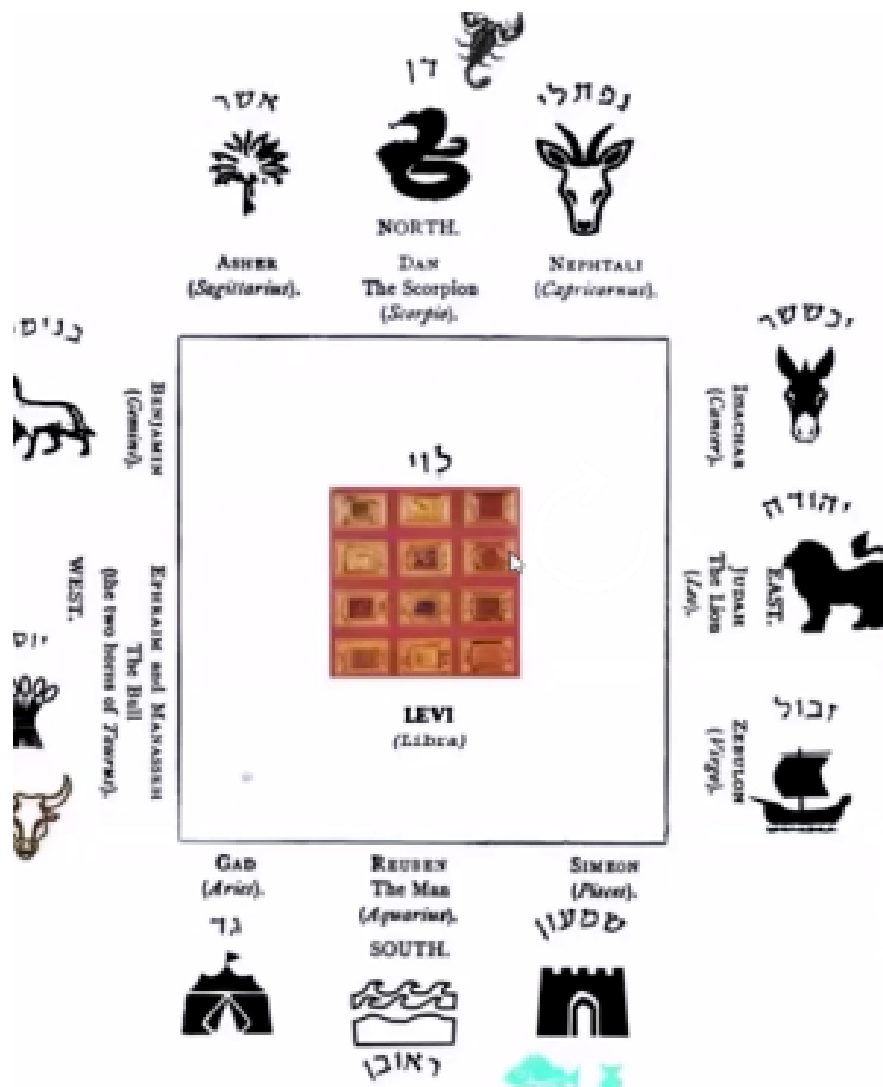

So this Son of Man was not on the earth. This Son of Man is in something that John is looking at. He sees this in the Milky Way; he sees this as something that is up there. He sees Orion, as Orion is described.

**17 And another malak came out of the House which is in heaven, he also having a sharp sickle.**

**18 And another malak came out from the altar, who had power over fire, and cried with a loud cry to him who had the sharp sickle, saying: Thrust in your sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe!**

In this verse we see that John is looking at the Heavenly Scroll, and Yahshua is not on the earth, but He is in the heavens.

There is something I want to show you. Let's go look quickly.

I want to show you that The Twelve Tribes of Israel were named after the Mazzaroth. The Temple of Yahweh is in the center of this picture. What did John say he just saw? He saw an angel coming out of the Temple. What is representing the Temple in the Mazzaroth? THE SUN! That is why Yahshua is the Sun that rises with healing in His wing.

Now notice carefully this diagram. In the days of the Bible, the Twelve Tribes would camp around this Sun, or this Temple. Why Twelve Tribes? Why not eleven? Why not ten? Why not five? I really need your attention now. Because this IS the MAZZAROTH! *As it is in heaven, so shall it be on earth!* What did Yahweh tell Moses? How did He tell him to build this Tabernacle? After the pattern he saw in the heavens that He showed to him from a mountain top. This is good stuff that you need to understand. In other words, let heaven come to earth.

Let me show you how these Twelve Tribes are named after the Mazzaroth. Let's go find the Tribe of Judah on the right. My Lord, what was on Judah's banner? THE LION. Yes! That's why He's the Lion of the Tribe of Judah. Brothers and sisters, their banner was positioned in the East because Yahshua will return in the Eastern Sky. There is only one door to the Tabernacle and it was on the East.

Now let's go find the Tribe of Dan, and find out what Dan's emblem was. He was the SCORPION. He is on the North. Every Tribe of Israel was after the Mazzaroth. Let's go find Ephraim. His constellation is Taurus THE BULL. He is on the West. Let's go find Reuben. He is Aquarius, His banner is A MAN, and positioned in the South. Look, he had WATER in his banner. This is a picture on earth of the Mazzaroth in heaven. THY PLAN be done on earth as it is WRITTEN in heaven.

Now I want to talk to you about Daniel. Daniel was the greatest astrologer of all time. As a matter of fact, every king and emperor sought after Daniel. Daniel was one of the wealthiest men in history because he was paid by the greatest kings and emperors for his service. Daniel was a eunuch. What

does that mean? He had no children.

Daniel dedicated his life to teach his ability to interpret dreams, his ability to interpret the stars. His ability to interpret, he taught to the Chaldeans. The only ones that found the Messiah were astrologers. The Bible called them Wise Men. Why? Because they looked to the Heavenly Scrolls. They were

trained by the master astrologer himself, Daniel.

They delivered to the newborn King the wealth of Daniel. Do you know the wealth they brought to Yahshua would finance His life? Do you ever wonder why He didn't have to work in the carpenter shop? The wealth was brought to a King by these Chaldeans. No one else found Him at His First Coming! Not the kings, the High Priests, not the Zealots, not the Army of Herod; no one in Israel at all; only those who knew how to read the Heavenly Scroll.

And only those who can read the Heavenly Scrolls will be able to find His Second Coming. The only ones who knew He was coming the first time are the ones who will know He is coming the second time—those who have looked UP because their redemption draws nigh. That doesn't just mean to lean your head back. There is a reason He said, "Look up! Look up and see when your redemption is getting close!" HalleluYah!!

**THE ONLY ONES WHO FOUND HIM THE FIRST TIME ARE THE ONES WHO WILL SEE HIM THE SECOND TIME!**

**Matthew 24:30 And then will appear the sign of the Son of Man in heaven; and then will all the tribes from the earth mourn, and they will see the Son of Man coming in the clouds of heaven with power and great glory.**

Listen to what He said. He told his disciples when they asked how to find His Coming, to just look up; there will be a sign in the heavens of the Coming of the Son of Man. Just like the only ones who found the newborn

King 2,000 years ago—the astrologers who knew how to read that Scroll—so too, the only ones who will know the timing of His Second Coming will be astrologers. All of you looking for the Sign of the Son of Man, which is a sign in the Mazzaroth known as Virgo, are what we would call spiritual astrologers.

What is the SIGN of the Son of Man? Let me show you. How are we going to know when He is coming the next time? There is going to be a certain sign that He comes under. It's the EXACT SAME STAR that He came under the first time! What is the SIGN of the Son of Man? It's the sign of a woman giving birth to a son among the stars. It is what Yahshua the Messiah called the Sign of the Son of Man. It is when the planet Jupiter moves INTO the womb of the constellation Virgo. This is the STAR OF BETHLEHEM. Once inside of the womb of Virgo, it goes into motion and it literally bounces around inside of her for exactly nine months. Then Jupiter exits out of the birth canal between the legs of Virgo, and that was the Star of Bethlehem. That's how these astrologers knew it was time for the SON to be born, because it was being born in the HEAVENS! HalleluYah!

*Pastor, one quick question. I know it was 2020 when we saw the Star of Bethlehem again. Yes. That ought to tell you something. Remember, they saw the Star of Bethlehem years before they saw Yahshua. How many of you have seen the Nativity scene? It's all a lie! How many of you have seen the Wise Men sitting there with baby Jesus? That's a lie! Do you know how many years after they saw the star it took them to travel by camel? He was three years old when they finally saw Him. They saw the Star before they saw the Man. Oh, HalleluYah! HalleluYah!*

**Revelation 12:12 Therefore, rejoice *you* heavens, and you who dwell in them! Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because she knows that she has but a short time.**

How does Satan know he has a short time? He sees the signs. Because Yahshua comes first in the Heavenly Scrolls before He comes to earth.

What constellation was the sun moving through in every late September during Sukkot, when the Messiah was born? Virgo. Yahshua was born under the sign of Virgo which comes in late September, early October. That's how we know when He was born. That's why Isaiah said, "Behold, a virgin will give birth to a son." This is how the Chaldean astronomers knew when to begin looking for the birth of the Messiah. He would be born in late September when the sun is moving through Virgo, and she would be clothed with the Sun as we see in Revelation chapter twelve.

The sign of the Son of Man in the Mazzaroth occurs every 2,000 years, marking what the Bible calls AGES. Today I can't teach you about ages; I don't have time. But roughly, every 2,000 years we go into another Age on the Mazzaroth. When Yahshua came He was transitioning into the Age of Pisces. That Age has lasted 2,000 years and now we are transitioning into the Age of Aquarius.

But every 2,000 years, once again, that sign of the Son of Man comes around. It was there whenever Abraham was called out. That sign of the Son of Man was there. It was there when Yahshua was born, and now that same sign returns in the heavens to herald the return of the King, and the Age transitioning from Pisces to Aquarius on Yom Teruah, which is the Feast of Trumpets.

Ladies and gentlemen, when this sign of the Son of Man comes, as it came in 2020, what that tells us is that we are now at the transition between Pisces and Aquarius. We are transitioning now and the sign has been given. That's why you have been called to this ministry, to prepare yourself for the Second Coming of the Son of Man! HalleluYah!

We are in the twilight. We are so close now. I want to teach you how to read the Heavenly Scroll. I am going to try to get through the first three signs today. The question is this: How do you read the Heavenly Scroll? How do you know where it starts and where it ends? Afterall, it's one great big circle. How do we know the starting point?

Evidently, Enoch knew where it started. Noah knew, and Methuselah. And Shem and Abraham all knew where it started. Evidently, the Nephilim knew where it started. The reason I say that is because there is a mysterious object on planet Earth that no one can explain. No one understands where it came from, how it got there, or even why it is sitting in the middle of the desert. No one can understand how anyone could have built this with their limited ability thousands of years ago. In this object that our ancestors left on the earth, is the key to where the Mazzaroth ends, and it begins. What am I talking about?

This is an ancient key left to us called the SPHINX, This is a mysterious mythical figure that is half woman and half lion. She begins with a woman, and ends with a lion. Notice that picture on the right where the sphinx is secretly telling mankind something. Do you see the sphinx talking to mankind, whispering a secret in its ear? Do you understand that the woman is listening as the sphinx is whispering a secret message? The sphinx is a combination of the two sides. It tells us where the story begins and where the story ends. It begins with a virgin and ends with a lion. We believe it was built by the Nephilim.

Now, I want to teach you the Heavenly Scroll. When you look at the Scroll's message, it starts on the left and ends on the right. The sphinx starts with a woman and ends with a lion. Oh HalleluYah! How wonderful! We are going to take the first three pictographs and interpret them for you, as we start telling the story that Yahweh wrote in the stars. We're going to start with VIRGO, LIBRA, and SCORPIO.

I want you to notice these three images carefully. Take note of them. I want you to notice in Virgo, that in one hand she's holding a seed. In her other hand she is holding a stalk of wheat, or in other words, a harvest. Yahweh said He told us the end from the beginning. In her hand is the beginning. Remember, the Bible said, *a corn has to fall in the ground and die to produce a HARVEST*. Who is that harvest, beloved? YOU ARE!

That's why you were predestined, preordained. What it means is He told the End in the BEGINNING! He said there would be a harvest of sons from the original SEED SON! In one hand she holds a seed; in the other hand she holds a harvest. That was a prophecy of an end time harvest. Cast your sickle in the earth!

Now ladies and gentlemen, I want to talk to you about Virgo. Let's go to Genesis 3:15. I'm getting you ready to give you the first part of the story of Virgo. Here is the commencement of ALL prophecy.

**Genesis 3:15 And I will put enmity between you and the woman, and between your seed and her seed; He shall bruise your head, and you shall bruise His heel.**

What is the first prophecy in your Bible? You just read it. This is the first prophetic word in your Bible: about a woman and a seed. And the entire Mazzaroth is about that war between the seed. Notice she holds a seed in her hand, but Yahweh gave us all a message: *Have no doubt. That seed will survive. I don't care what happens to the seed; it's going to produce a great company of sons of Yahweh, of elohim of the God family.* What starts out as a Son of Yahweh, will turn into MANY sons of Yahweh.

This is a prophecy that a woman has a seed. This is a direct reference to Virgo the Virgin. It is a prophetic announcement. This is a revelation that will unfold and develop through the entire Mazzaroth. Virgo is represented as a woman with a branch in her right hand. She has a seed in one hand and a branch in her other hand. The name of this sign—Virgo—is *bethulah* in Hebrew. Let me explain what *bethulah* means.

Unfortunately when we think of a virgin we think of someone who has never had sex. That's not what the word *virgin* means in Hebrew. In Hebrew it just means a young lady; that's all it means. For some reason we think the word virgin is sexual. I don't know where that came from, but virgin for Virgo is a bad translation. When we see the word virgin, it means a young lady, which should have been a virgin in times past. Where do you think we get Bethulah Land from in our songs? It's from *bethulah*.

Here is the interesting thing about *bethulah*. In Arabic it means *a branch*, so the two words are connected. In Latin it is *virgo*, which means *a virgin*. But in Arabic it means *a branch*, *bethulah*. Now in Genesis 3:15, she is presented only as a young lady, but in later prophecies she is known as the stock of Israel, the seed of Abraham, the line of David, and she is to be a young lady. There are two prominent prophecies about Virgo and her seed. One is connected with the First Coming. Let's read it: Isaiah 7:14.

**Isayah 7:14 Therefore, Yahweh Himself will give you a sign: Behold, a virgin will conceive, and bear a Son, and will bring forth the sign that Yahweh Of Hosts Is With Us; Immanuyah!**

He said, “I’m giving you a sign. It’s the first sign in the Mazzaroth. I’m going to bring to earth what you’re seeing in the Mazzaroth—*Thy will be done on earth as it is written in the Heavenly Scroll.*” The Virgin that had a SEED, you’re going to see that same sign, but I want you to notice the jump from the seed to the BRANCH. Let’s read about this branch in Jeremiah 23:5. Let’s read who this branch is.

**Yeremyah 23:5 Behold, the days come, says Yahweh: that I will raise to David a righteous Branch, and a King will reign and succeed, and will execute judgment and justice in the earth.**

He said a BRANCH is coming. That branch is a government of kings that is coming to govern and execute judgment on the earth! Let’s read Zechariah 3:8.

**Zecharyah 3:8 Hear now, O Yahshua the High Priest, you and your companions who sit before you; for they *are* men wondered at. For behold, I will bring forth My servant the BRANCH.**

There He is! There is the branch that we see in Virgo’s hand. Now Zechariah 6:12, and then Isaiah 4:2.

**Zecharyah 6:12 Speak to him, and say; This is what Yahweh of hosts says: Behold, the Man Whose Name is the BRANCH! For He will branch out from His place, and He will build The House of Yahweh!**

My God, that was powerful! A man’s NAME is the Branch, and He shall Branch Out and build the Third Temple! HalleluYah!! I told you all that the Branch was not Yahshua alone. I told you that was a vision of you. That was

the Third Temple branching out of the BRANCH! What did Yahshua say? I AM THE VINE OF THE BRANCHES! You were in the hand of Virgo in the Beginning! The Father saw *every* branch of this Vine. The Father saw the branching out of the Branch. He saw YOU, beloved!!

If you're sitting in this Bible Study today, He knew you by name before you were ever born. He saw the ENTIRE branch that would hear the call, and would look up and see the Heavenly Scroll, and then see themselves IN the Heavenly Scroll, and then be able to tell the devil when he says you're worth nothing; when he says you're nothing but a man—*NO! I AM THE BRANCH THAT WAS IN THE BEGINNING AND WILL BE IN THE END! Move back devil! I see myself! Yahweh pictured me as the branch in Virgo's hand.* HalleluYah!

Let's go to Romans 8:29. This is where the Church gets predestination wrong. I believe in predestination, but not the way the Calvinists do. No! Predestination simply means *Written In The Plan*.

**Romans 8:29 For whom He did foreknow, He also did foreordain to be conformed to the image of His Son, that He might be the firstborn among many brothers.**

That He might be the Seed of the many branches to those WHOM HE FOREKNEW! Do you hear that? If you are being conformed to the image of Yahshua the Seed Son, He knew you before you were born!! How did He foreknow you? He drew a picture of you in the storybook. It was the branch! He knew you'd be in that branch because He knows the end from the beginning! He told Jeremiah you were going to be in the branch. I'm so glad to know He drew a picture of me! He drew a picture of you; oh yes, He did!

**Isayah 4:2 In that day will the branch of Yahweh be beautiful; brought to prominence, and glorious; promoted to honor, and the fruit of the earth will be excellent and comely for those who are escaped to Israyl.**

Whooooo! IN THAT DAY—the Millennial Reign, the SEVENTH DAY—we, the branch, will FINALLY be Beautiful, Glorious, Perfected, Matured, and the Fruit of the Earth! GLORIOUS! HalleluYah!!

Ladies and gentlemen, the first part of the Heavenly Scroll is the Virgo virgin. Now let's go look at the next sign in this story. We're going to look at Libra. I want you to notice WHY the Father put that branch in Virgo's hand at the beginning. Because the rest of the story gets ugly, and He needed you to know from the Beginning that you would be alright and that this seed would never die. He needed you to know the End from the Beginning. He needed you to know in the Beginning how the Story ends with a Great Harvest. HalleluYah!

What is the sign of Libra? It is a man or a woman with a set of scales in their hands, and indeed these scales are UNBALANCED. The scales are deficient; they are unbalanced. We saw in the first picture, the Coming Seed of this woman, but now in the second chapter of the Story, we are going to talk about the beginning of the DEATH of this SEED.

The name of this sign, Libra, contains three bright stars which tell us this entire story. The brightest of the three stars is named Zubenelgenubi. What does Zubenelgenubi mean? It means *The Purchase* or *The Price Which Is Deficient*. What does that mean: the purchase price which is deficient? It's real simple. It means that mankind, which is going to be the Harvest, started out in a deficient state.

They have been weighed in the balance and found deficient, or lacking, or wanting. So the story says: *Yes there is going to be a Seed, and yes, there's going to be a Harvest, but before that happens, MANKIND is going to fall into DEBT and OWE A DEBT that he can NEVER pay. He is going to owe the debt of SIN, and the Scales of Justice are going to become unbalanced. This is a verdict that is going to be issued before Yahweh even created a*

*man*. Man has just been catching up with the Story, but He created the End before the Beginning, but now He says that man is going to fall into the DEBT OF SIN. The wages of that sin are going to be DEATH.

There is another star in this constellation called Zubeneshamali. Zubenelgenubi means *The Price Is Insufficient*, which means you do not have the PRICE to cover your SIN. But what does Zubeneshamali mean? It means *The Price Which Covers* or *The Submission Price*. Go and read in the book of Revelation chapter five and verse nine, it says they sang a new song saying, *You are worthy because You were slain, and has redeemed us to Yahweh by the BLOOD*.

What the scales are saying to you is, “You don’t have what it takes to cover the debt.” Your price of doing good works, and your price of killing a lamb or killing a turtle dove will never add up. It will never balance the scale. But the second star said, *There is One that’s coming Who has the price, which is submission, to balance them back out, and pay the sin debt*. Blessed be His Holy Name!

*Brother Vaughn, where am I in this story?* Let me show you. I want everybody to look at Libra. There you are. You’re coming up short in this story. You owe a debt that you cannot pay, but He paid a debt that He did not owe. The prophecy said Sin was coming, but the SAVIOR was coming as well. This is the Story, children. HalleluYah.

What causes the scales to get out of balance? That comes in your next sign: SCORPIO. I want you to notice this man fighting with a snake. Look under his left foot. Look closely. What is under it? A scorpion. *Oh death where is thy sting?* Do you see that scorpion under his foot? This man does not represent Yahshua. He represents you. Look at this picture. That’s YOU in this picture

who causes the scales to become unbalanced as the venom of the snake comes in you as the snake bites you, and the scorpion stings you with the sting of death. That's why the scales are unbalanced.

I want you to notice something in this picture. of Scorpio. We see a gigantic scorpion. What is the scorpion trying to do? Sting the heel of the man struggling with the serpent. I want you to notice the message. Where is this scorpion? It is under the foot of the man. I want you to read Romans 16:29. That scorpion is going to come to you all of your life. He is going to hit you in the foot trying to slow down your journey toward maturity. That serpent is going to bite you, but I want you to hear what Paul says about this.

**Romans 16:20 And the Father of peace will crush Satan under your feet shortly. The mercy of our King, Yahshua Messiah, be with you.**

Under whose feet? OUR FEET. Now look at that picture and see YOURSELF! Yes, he's going to bite you, he's going to sting you, and he's going to cripple you with death. But I read in the Bible: *Oh death, where is Thy sting*. Because in the end, the branch is going to put their feet over the enemy. That's why the Bible says that you shall tread on scorpions! And you shall take up snakes. Look at that picture. Yahshua said you shall cast out devils. He wasn't talking about you walking around trying to cast a devil out of everybody. He was talking about you casting the snake out of your life, and the scorpion from under your feet. Go ahead, Brother Anikewich.

*Luke 10:19; you said it. He gives us authority to trample on serpents and scorpions, and over all the power of the enemy; and nothing shall by any means hurt you. HalleluYah! Scorpio was telling you that from the beginning.*

Now when you say, *Thy will be done on earth*, here is what you're saying: *Father, just like Scorpio has his foot on that scorpion, I pray that You let it be done in my life. Give me victory over the scorpion; over every*

*addiction, everything that is biting me. Give me that power! Thy will be done on earth like it is written in the heavens! HalleluYah!*

**Psalm 91:13 You will tread upon the lion and adder. The young lion and the dragon you will trample under your feet.**

You're going to trample them under your feet. I want you to hear me carefully. Here's what Yahshua told you in the Mazzaroth; here is what He said: *Beloved, look at the End by looking at the Beginning. Look at Virgo and see that I've drawn a picture of you. But until you get there, you are going to be bitten by the scorpion like Yahshua was. You're going to be bitten by the snake, the little dragon which is the snake. It's going to bite you and then the scales are going to be unbalanced. But I'm promising you through these pictures that there is One Who will give you power over them and balance out the scales.*

I don't know where you're watching me from, but everyone in this class, I want you to hear this: If your church is not teaching you power over sin, then look to the heavens. It will teach you power over sin. It doesn't teach you salvation, it teaches you Power over the Scorpion, over the Snake, and the Dragon! That's why Yahshua said He didn't care if your preachers are lying to you that you just need to be saved. You better LOOK UP and READ that you're going to fight it EVERY day, but He will give you power over it!

He said, "I won't give you a cop out saying, *Don't worry about the battle; the battle is already won.* That battle is everyday. That snake is everyday. That addiction is everyday. That old personality is everyday. Those emotions are everyday." But I serve an everyday God Who gives me power by His Spirit everyday. He gives me POWER over the scorpions in my life. HalleluYah! Everybody, hear me: You've got power.

I want to say something to you all now. If you go to a modern church today, the first thing they will tell you is that the Law of Yahweh has been done away with; Jesus nailed it to the Cross. He got rid of the Law, and therefore, you can no longer break the Law. The Church says you can't break the Law

anymore because there is no more Law, therefore, you don't need to try to live holy. They tell you to just believe in Jesus, your Savior.

That message is going to send so many people outside of the Kingdom of Yahweh, because according to the verse we're about to read, you don't get salvation to ignore sin. You don't receive the Holy Spirit or the Seed that was in Virgo's hand. That Seed is the Word of Yahweh. You don't get that Seed to ignore Sin. Read why you get it.

**Romans 6:14 For sin will not rule over you. For are you not under the Law, and therefore under *Yahweh's* undeserved pardon?**

Let me explain what that means real quickly. What is sin? Transgression of the Law. Here's what he said: When you receive the Holy Spirit, sin—which is breaking the Law—shall NOT rule over you anymore. Because of that, you will not be under the Law, but under Grace, or Yahweh's Undeserved Pardon. But the moment you break the Law of Yahweh, you come under the penalty of the Law.

In other words, if you don't want to come under the Law, don't speed. How many of you understand that if you aren't breaking the law, you don't come under the law? C'mon now. If you aren't speeding, you won't come under the handcuffs. Do you understand? As long as you're not breaking the law, you will not come under the penalty of the law. You've been given Grace and the Holy Spirit, which gives you power over sin. So now, you don't come under the penalty of sin, or the law. You have power now, over that scorpion, so that you do not come under its influence. Amen.

I sure hope this has helped some of you today. I pray that you've been blessed by the teaching of Yahweh. I pray that you will leave here knowing who you are. I love every one of you and thank you so much for your love, your tithes, your offerings, your gifts. Thank you everyone for your faithfulness to this message. Next week, we'll pick up with the rest of the story, and then I'm going to tie it all into the Feasts of Israel.

I'm going to take some questions now. Sandra Broliar, go ahead.

*First I want to say that I feel like a kindergartener at Harvard. It's new and has opened my brain and I lay awake at night thinking about all the Lord has said. I want to first thank you for the teaching, and I have a question. You have taught us about wavelengths and things. When we are looking at the heavens, we're looking at matter, right? Correct. When talking about the Mazzaroth, when and how will the transition from the physical to the spiritual occur?*

The Bible said the heavens will be dissolved. That's what it means by that—matter will be dissolved at that time. Matter was created for SEVEN DAYS only. After that, we are no longer governed by matter. Then we are all spirit, and we transition into the spiritual dimension. I don't know the depths and the details, but I do know Yahweh only created TIME for seven days, or 7,000 years for a purpose. After Time is dissolved, that's when the Stars are dissolved. That's when the Story is dissolved. That's when we will have no need for the Sun and no need for the Moon; because now we don't have a Story to tell. At that point, we enter into ETERNITY.

*Okay. I have a question because of the 1,000 year reign. Is everybody there in the spirit?*

No, Ma'am. Only those who have come up in the First Resurrection will be spirit bodies in the Millennium. Everyone else, your neighbors, will still be human flesh and blood. You will be human flesh, but not blood. You will be in your new theophany, or your new body on the earth during the Millennial Reign as the government in New Jerusalem. However, the rest of your neighbors will just carry on. They will die, which is why the Bible says there will be death in the Millennium. After the Millennium when Yahshua has put all enemies under His foot, the last enemy is DEATH, then He will hand it all back to the Father.

*And that's when Time ends?*

That's when Time is No More, according to John. That's when the stars dissolve. That's when the heavens melt away. That's when everything in this dimension comes to its finality. Then, I believe we go back to the Garden of Eden. We go back to that eternal nature of things.

*I have another question about the speed of the waves of the frequencies. I'm thinking about the outer part of the Mazzaroth being one speed, and the inner circle being another. So when those come into the same frequency... Alignment... then it will turn into the spiritual?*

I believe that the third heaven is even a higher speed than the Mazzaroth.

*Is that why they're trying to build these big accelerators? Satan is in that business. Oh yes. If you will read Ezekiel's vision of the Throne of Yahweh when he saw the four living creatures and the wheel, he said that everywhere the wheel moved, the creatures moved. He was seeing the Mazzaroth in heaven. But there is a third heaven which is even more vast, and faster than the Mazzaroth. There is going to come a time after the Mazzaroth in the Seventh Day when you are going to have a slowing down and a speeding up, and a click, click, clicking until everything comes back into perfect alignment. Sister Angela Schumer.*

*I come from the modern day church and all this is brain boggling for me, but I love it. The Mazzaroth, the way I looked at it, was so wrong. Do you have any recommendations for further study on the Mazzaroth?*

Yes. His name is E.W. Bullinger. He has the best book. He is one of my favorite authors. He wrote *The Witness of the Stars*. He is one of the most prolific that I have ever read. That's who I recommend. Also, since you're just starting out with us, let me recommend you read our e-books which are all free of charge. You can find them at our website: [firstharvestchurch.org](http://firstharvestchurch.org). I recommend a series that starts off with *Have You Heard the True Gospel?* They are very short so people can just do a quick 20 minute read. Take

those booklets and start with that one. There's about twenty of them available and that will give you a foundation. Sister Caly Sewell.

*Just to wrap my head around it; so the way the Zodiac was presented to us by Satan is actually the real circle? Is that correct?*

Yes. The FOCUS was wrong. That's the only thing that is wrong.

*I heard what you said, but I know the Bible also speaks about the Second Resurrection. The matter will not be dissolved until that happens? Correct. We're going to have a Millennial Reign where everybody knows everything the right way, and regular people who are not resurrected are going to die. So those people are coming in the Second Resurrection?*

Yes. Keep in mind that you are the first harvest. That means that you have been given a very unique opportunity that all of mankind has not been given, nor will they be given. Only in this Age—the Age of Pisces—is the first harvest being built, or the branch, being put together.

I don't know if anyone has ever noticed, but on military uniforms there is always a branch insignia because a branch represents government. So we are the government that is being built from the Seed, Yahshua. No one else will be able to come into the government but the bride of Yahshua. Remember, the wedding takes place at the beginning of Sukkot, or Tabernacles, or the beginning of the Seventh Day. So the wedding has already happened. Everybody else will just be guests at that wedding.

I watch people who are not faithful and it breaks my heart because you don't understand what you've been called to. This is not a regular ministry. We're not just a screaming ministry. This is a MOMENT. It's not even a ministry, it's a moment that we've all been called to. Yahweh's training us for reigning. Don't miss the moment. Sister Melton, go ahead.

*You said Yahshua was there before Yahweh created man. Can you elaborate on that a little bit?*

Have you ever built a home? To build a home, you start off with the story first. You start off with the blueprints. You draw that home and you know that it's going to be hard work. You know it's going to be hot outside. You know that you are going to be drenching sweat. You know somebody will probably shoot themselves with a nail gun or hit themselves with the hammer. So do you not write the story? Do you just not do the blueprints because there's going to be some trouble there, or do you look at the end of the story and see the house? HalleluYah!
