

# **The Mazzaroth**

(Pastor Vaughn, Part 8 – fhtv.tv #2020)

Aries is a picture  
of Pisces becoming a ram.  
Aries started out  
as a gentle lamb.

As it matured,  
it grew two strong horns  
from all it endured -  
the rejection and the thorns.

The two natures they represent  
are needed to win this fight.  
You must be kind and loving,  
but relentlessly stand for right!

Learn that your emotions  
are your biggest enemy.  
If you don't ignore them,  
you will never be free.

The tests and trials you go through  
are meant to prepare you.  
Yahweh knows what you need,  
and He will not spare you!

If you would rule with Him,  
let go of this life.  
Trying to hold onto it  
will only bring you strife!

Forgive everyone  
and fulfill the Royal Law.  
Love everyone as yourself  
and you will never fall!

Grow in grace and knowledge,  
and if you pass His inspection,  
you will rise to meet  
Yahshua in the First Resurrection!
