

Lesson Two IN SEARCH OF THE THRONE

Welcome to the Sky School! Today, we're going on a journey to find something very special—Yahweh's Throne!

But guess what? It's not just in a castle or up in the clouds. It's written in the stars!

**The stars show us Yahweh's throne,
His law, and His King!**

- What the “heavenly scroll” really is
- That the sky has 12 “houses” (just like a kingdom!)
- Why Virgo and Leo are so important
- That Yahweh's law and government shine from the heavens!

Did You Know? The Bible says Yahshua was “slain before the foundation of the world.” That means His story was written in the sky... before the earth was even made!

(See Revelation 13.8)

WRITTEN IN THE STARS

Before
there was
a Bible made
of paper...

Before Moses got the 10 Commandments...

Before Yahshua was born in Bethlehem...

There was a **scroll in the sky!**

WHAT IS THE MAZZAROTH?

The Mazzaroth is the name
for the twelve star signs
Yahweh made in the sky.

It's a **GIANT STORYBOOK**
in the stars!

These 12 pictures
(like Virgo, Leo, Libra)
are houses in the sky.

Each house tells
a part of the plan.

And guess what?

The stars don't just
sparkle—they *speak!*

These 12 pictures
(like Virgo, Leo, Libra)
are *houses* in the sky.

"Day after day,
they pour out *speech*."

Psalm 19.2

Each house tells a part of the plan.

Word Challenge: Circle the words that belong in
Yahweh's sky story:

throne

pizza

Virgo

lion

chocolate

Leo

THE SKY IS HIS THRONE!

Did you know?

The Bible says
Yahweh's throne is
in the heavens—
but that doesn't just
mean way up high
in space...

It means the **stars are His throne**—and each constellation is a seat in His government!

Just like kings sit
on thrones to rule
with laws,
**Yahweh placed
His law and order**
in the sky.

The stars don't change.
They follow a perfect path again and again.
That path is called the **Mazzaroth**.

Yahshua said: "I AM the Way!"

He walks the path of the sky—from
Virgo to Leo—from Promise to King!

LESSON TWO: IN SEARCH OF THE THRONE

MEMORY VERSE

“The heavens
declare the *glory*
of Yahweh!”

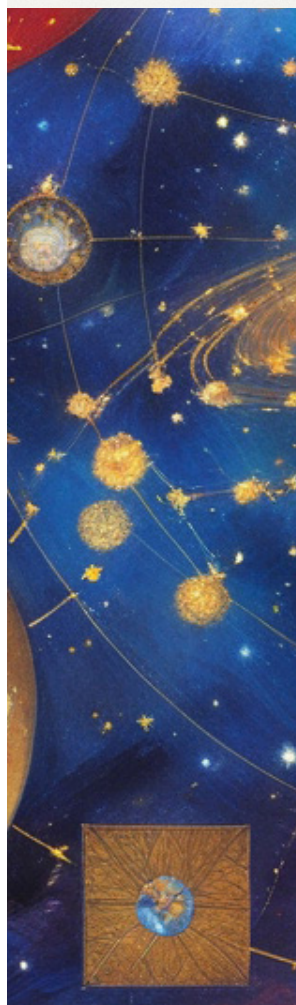

—PSALM 19:1

FUN FACT:

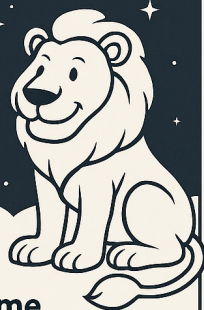

shamayim

It means: Where
the stars dwell.

Yahweh’s throne is ther!

LESSON TWO TAKE-HOME THOUGHT

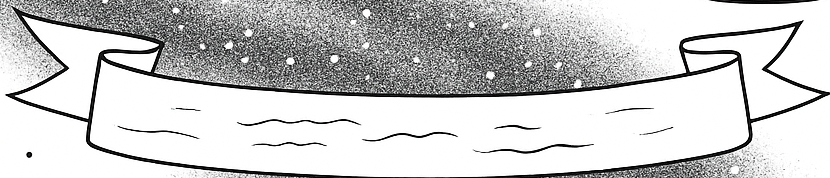

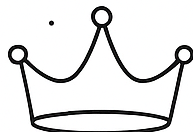

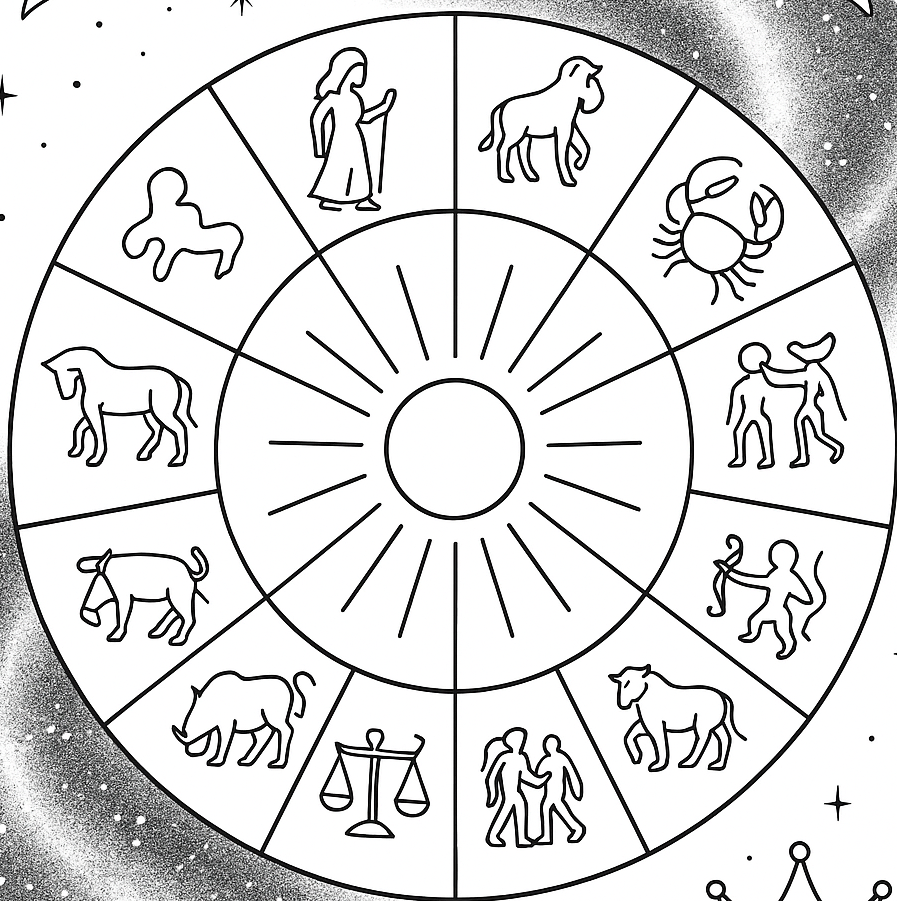

Next time
you see the stars
at night, look up and say:

**“That’s my Father’s throne!
That’s His government in the sky.”**

**We don’t worship the stars—we
worship the One who made them!**

**Yahshua is the Way, the Truth,
and the Light. He is the
King of the Stars!**

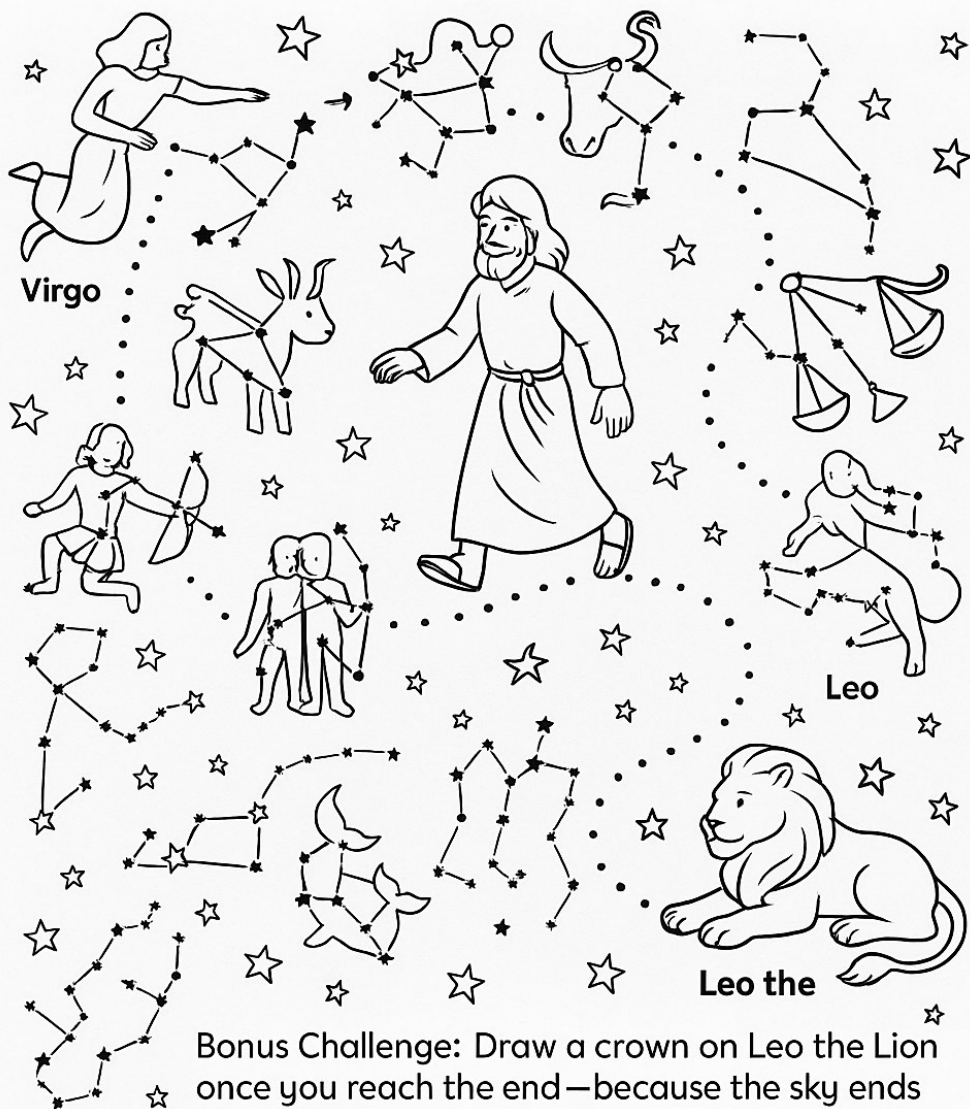

Thy Throne, O Yahweh,
Is in the Heavens!"

Map the Sky Path!

Help Yahshua walk the Way of the Mazzaroth! Draw a line from Virgo (the Promise) all the way around to Leo (the King)! Then color the stars and constellations as you go!

Bonus Challenge: Draw a crown on Leo the Lion once you reach the end—because the sky ends with **VICTORY!**

Bonus Challenge: Draw a crown on Leo the Lion once you reach the end—because the sky ends with **VICTORY!**

OPENING PRAYER

Yahweh, Our Heavenly Father,
Thank You for placing
Your throne in the
heavens!

Thank You for the stars
that show Your plan –
from Virgo the Promise
to Leo the King.

Help me follow the Way
of Yahshua and trust
in Your heavenly story!
Amen

LEO

WORSHIP SONG

Virgo, Virgo, shining bright.
Telling of the coming Light.
Leo, Leo, brave and strong,
You will rule and right all
wrongs.

Stars that sparkle in the sky,
Show Yah's throne
way up high!
