

# **Scriptural Science 101 - Part 5**

(Pastor Vaughn, fhtv.tv #3171)

## **The 30-60-100 Key**

Patterns, context, and concept keys  
will create a paradigm.  
No matter what we've been told,  
it will stand the test of time.

The laws of nature, physics, and science  
all started out as a theory.  
Observing these patterns in the Word  
brings answers to our query.

When we use the "Kingdom Key",  
we'll learn of Yah's intention  
and we will understand our Bible  
in a greater dimension!

Whatever someone tells you,  
make sure to read it for yourself.  
Open up your Bible -  
don't leave it on the shelf.

There is a wonderful tool  
that will help us study.  
It's called "Blue Letter Bible"  
and it's free to everybody!

Many righteous men and prophets,  
the disciples heard Yahshua say,  
wanted to hear what we've been told  
but it wasn't for their day.

They didn't know about the Kingdom.  
They didn't have the key  
to understand Yah's Plan  
that we now hear and see.

The parable of the sower  
makes it very plain.  
There are three groups of people,  
and they're not all the same.

The 30-fold are those want  
only a heavenly mansion.  
They give no thought or effort  
to spiritual expansion.

The 60-fold want more.  
They read their Bible and pray.  
But when it comes to sacrifice,  
the world holds greater sway.

The 100-fold live to give  
and receive a greater blessing.  
They give their all to Yahweh's call  
and overcome all testing.

The 30-fold produces the least,  
60-fold is in between.  
But the 100-fold is destined  
to become Yahshua's Queen!

These 3-fold patterns  
exist throughout the Word.  
They will help us understand  
the teachings we have heard.

The truth we glean from all of this  
isn't even hazy -  
we're either giving Yah our all  
or we're self-centered and lazy!

Salvation is given to all,  
but those who really love Him  
will strive to do all He asks  
and put no one above Him!
