

**ISRAEL 101**  
**Part 11**  
**“Hosea & Gomer—An End Time Prophecy”**

By Pastor Shane Vaughn, First Harvest Ministries

Let's go and open the word of God. We're going straight to the book of Hosea today. Hosea 1 and begin at verse 1.

**Hosea 1:1**

**1 The word of Yahweh that came unto Hosea, the son of Beeri, in the days of Uzziah, Jotham, Ahaz, and Hezekiah, kings of Judah, and in the days of Jeroboam the son of Joash, king of Israel.**

So this verse is telling you who the author is. His name is Hosea. It tells you who his father was, and at what time period he was a prophet to the house of Israel. Now you need to know this about Hosea. Hosea was a prophet, not to the Jewish people (you might want to put that in your notes). Hosea was a prophet to the lost tribes of the house of Israel. That's who his calling was to—the house of Israel.

Now, why is that important? Because every Christian that you know of, every minister you know, believes that Hosea was writing to the Jewish people. Now why is that? Because they don't know what you know. They don't understand what you are so blessed to understand—that there was a difference in the two houses.

Now first I want to explain to you what the name *Hosea* means so that you can understand. The Blue Letter Bible says that Hosea or Hoshea or Oshea = salvation. Interestingly when you click on the root of it, it is Yahshua which means savior. Now what would happen if I were to call Hosea a savior? They would crucify me again on Right Wing Watch for calling a man a savior. But in fact Hosea was a savior. His name is Yahshua which means salvation.

Now I want to show you that the name *Yahshua* or *Hosea*, they're both the same name, means deliverer as well. But it was also the name of who we often call *Joshua*. If you go to Numbers 13:8,16, when it speaks about Joshua, notice what it says.

**Numbers 13:8**

**8 Of the tribe of Ephraim, Oshea the son of Nun.**

He was of the tribe Ephraim, Oshea, the son of Nun. Verse 16.

**16 These are the names of the men which Moses sent to spy out the land. And Moses called Oshea the son of Nun Jehoshua (or Yahshua).**

Now why am I showing you all this? So you can understand who Hosea is. Hosea is a shadow of Yahshua, ok? You need to understand that as we progress into this study.

Now Hosea is going to act out a play in the book of Hosea. Hosea is going to be the main character and there's going to be one other protagonist main character and we'll study that other character in a moment. So in this play we're about to read Yahshua is going to be the husband of the bride of Christ. He is going to be an intercessor. What is Yahshua doing for us right now? He is interceding for one group of people. Who is Yahshua interceding for at this time? *Israel*. Specifically the lost tribes, remnant Israel of the lost tribes.

Now Yahshua said ... I don't pray for the world right now; it's not time for the world. And by the way, do you all realize how blessed you are to understand that? Do you know how so few people understand what I just said? So in this story, in the book of Hosea, this is NOT about the Jewish people. It is imperative that you understand that when reading the book of Hosea.

Now he's going to be an intercessor and you're going to watch Hosea walk out in his physical life—you're going to watch him walk out a prophecy concerning the house of Israel. That makes him a type of Christ or a shadow. Now Hosea is going to marry a whore in this story. In this drama, I want every one of you in this study today, in your mind, to be sitting in a theater looking up at the stage, and watch the acts of this prophecy playing out on a stage before you.

So our protagonist is going to marry a whore even though he is a type of Christ; he is a holy man. He, Yahshua/Hosea/Oshea or Joshua (isn't that amazing how all those names flow throughout the scriptures because the whole Bible speaks of Yahshua) is going to experience the pain of adultery. And in this story you're going to see Hosea experience the pain of being married to a whore and this is the story of you and I.

If you are an Israelite the whole book of Hosea is a story about you. In this story you're going to see a tragedy. You're going to see the bride of Hosea (or the bride of Yahshua) divorce. You're going to see the pain of divorce, and yet you're going to see the greatest redemption and restoration—this entire end time message is a message of restoration.

You're going to see the failure of Israel, but you're going to see the success of Yahshua. You're going to see a tale of tragedy and triumph all in this story today.

How many of you love a good book that tells of tragedy and triumph? Amen. It makes a great movie that you all are a part of. Every one of you are cast members of this movie.

Alright, now you're going to have to be patient with me today because I'm going to get into some analytical, boring things, ok? There going to seem boring because I've got to lay a foundation of historical facts before I can get to the good stuff. So if you're taking notes it's going to get a little analytical here. But you must understand the historical context of the book of Hosea, and only when you truly understand the history can you understand the future. So that's why we've got to concrete the history today so you can know the future.

Now, Hosea, according to verse one, is the son of Beeri. The word *Beeri* means "my fountain". The word *beer* means a fountain or a well. Now you know why people drink beer like it's coming out of a fountain because beer literally means fountain or well. Just like the town of Beersheba means "the well of promises". So in this story, the Hebrew word for Beer, the root word is Baar. Isn't that interesting? You get a beer from a bar. And what does the word bar mean? Well remember *Dabar*? Bar means "to make clear, to make plain, to engrave".

So, therefore, the Father, Beeri, in this story is Father Yahweh. And so it is through his son Yahshua that he is going to make plain. What does bar mean? To make plain, make clear, to explain, to engrave. He is going to make clear to the world his mercy and grace through Hosea marrying a whore. So "Father Beeri" is going to make his character and his love perfectly clear through his son.

And that is why the son says "when you've seen me you've seen the Father". Amen. When you see me I'm going to make the Father *clear*. I'm going to make the Father *plain*. You know what kills me is that people think that Yahshua is the good guy and Yahweh is the bad guy. That's how we've always thought of it. But in fact, all Yahshua is doing is making plain the goodness of Yahweh. Amen. He has come to *engrave* on your mind the greatness of his Father Yahweh because he gets a bad rap. Marcion hated Yahweh because Yahweh seemed to be the evil one or the bad one.

So Hosea is a picture of Yahshua representing the Father's love and to clarify the Father's nature towards an adulterous wife. Hosea is an intercessor, not just someone who prays for another person, but someone who walks out the prophecy in his own life. His heartache of a failed marriage is a living prayer. And this, in the book of Hosea, you're going to find the plan of God for the whole world.

Now, Hosea prophesied during the time of four kings according to verse one. We're still in verse one everyone. His prophecy spanned a time period of four

kings. Name the four kings for me elder. *Uzziah, Jotham, Ahaz, and Hezekiah*. So he's telling you the time period that he was alive giving his prophecy. Now Hosea actually lived in Jerusalem (that's why he mentions the kings of Judah). That is not the kings of Israel. That's the kings of Judah. His prophecy was given during their time. That means what? That means Hosea gave his prophecy years before he watched it with his own eyes come to pass.

Now, who is another prophet who was living at the exact same time as Hosea? *Isaiah*. Isaiah and Hosea are both prophets that lived during the reigns of Jotham. How long did Jotham reign? Sixteen years. Ahaz reigned sixteen years. So during all of these reigns, Isaiah and Hezekiah are both prophesying. So when you read those two books now, when you read Isaiah, when you read Hosea, it is all about the lost tribes. That means that Hosea began to prophesy about 50 years before Isaiah. It's imperative that you know this, and I realize and told you that it's going to be boring at first because you've got to see where this is leading. Isaiah prophesied 40 years before Isaiah's ministry began.

Now Hosea married a woman by the name of Gomer. We are given very few hints about his marriage to Gomer, but we do know that they were married long enough to have 3 children (keep that in mind—Hosea and Gomer had 3 children). After the third child she leaves him for another man or to become a harlot. By the time that Uzziah dies those 3 children are all adults. Hosea lived to a very old age. He prophesied during the last 40 years of Uzziah's reign. He prophesied during the 16 years of Jotham's reign. He prophesied during the 16 years of Ahaz's reign.

So that's 72 years that he prophesied, and then he prophesied into the reign of King Hezekiah. So therefore, we know that he was preaching for 75 years. That means he started preaching when he was 20 years old and he lived into his 90's. Now we know that according to 2 Kings 17:1 that he lived long enough to see his prophecy come to pass.

### **2 Kings 17:1**

**In the twelfth year of Ahaz king of Judah began Hoshea the son of Elah to reign in Samaria over Israel nine years.**

Alright, now do you know if you didn't have this ministry, when you read this verse, you would be very confused? It says Ahaz is king of Judah, and then Hosea is king of Israel. You would not understand that. So what do we have going on here? Over in Jerusalem Ahaz is king. Who was Ahaz (I'll explain it in a moment). But notice who becomes king after Hosea gives his prophecy; guess who becomes king of Israel. Another Hosea. Do you see that? Ok, notice that carefully. Hoshea which is Hosea is now king of Israel in Samaria and he reigns 9 years.

Why is that important? Because you're about to find out how Hosea gave a prophecy, lived it out with Gomer, and then was alive to see Hosea fulfill the prophecy with another Gomer right in front of Hosea's eyes.

Are you all with me still? I realize it's a little tedious. Is everybody still with me? *We are pastor.* Ok, alright. I know you all aren't jumping and screaming, but you will when I get done.

*Will you repeat that? I have a little baby here. Just the part about the king Hosea—he wasn't related to Hosea was he?* No ma'am, totally unrelated. As a matter of fact Hosea the prophet lived in Jerusalem, but Hosea the king is in Samaria in Israel. *Ok thank you.* Where was the headquarters of Israel everyone? *Samaria.* Thank you. Headquarters of Israel was Samaria. Where's the headquarters of Judah? *Jerusalem.* There you go. Is anybody learning anything?

Alright now, we need to understand Hosea the prophet is different from Hosea the king. Hosea gives a prophecy before Hosea the king comes on the throne. But here's where it gets very interesting. When the Assyrians captured Israel, the 10 tribes of Israel, they did not call Israel by the name of Israel. Guess what the name of Israel was when she was captured by Assyria. They renamed her. *Gomer.* Who said Gomer? There you go. When Israel was captured by Assyria they changed her name to *GOMER.*

So now who was king of Israel when Israel was captured by the Assyrians? Hosea was. And what's the name of the woman that king Hosea is king over? Gomer. Her name to the Assyrians was Gomer. Now that name throughout history, as you begin to study today, was pronounced two different ways. *Gimmri* or *Ghomri.* It's spelled both ways in history. And guess who was alive to sit back and watch the story. Oh it's so powerful.

Decades earlier the prophet Hosea marries a whore named Gomer, and this prophet sits back and watches a king, by his name, marry a woman by the name of his wife Gomer. He watched it fulfilled before his very eyes. Amen. The Assyrians never called Israel by the name Israel. Why is that? Because when you divorce a woman you take your name back from her. And Yahweh divorced Israel, and therefore, Israel (the name belongs to Yahweh), takes her name away from her and renames her Gimmri or Gomer or Ghomri. And the Assyrians renamed her.

Now the Assyrians—why did they name her Gomer or Ghomri? Why did that happen? Where did they get that name from? It's very simple. The Assyrians began to do business with Israel years before they conquered Israel. As they were doing business with Israel, guess who was king of Israel at that time? *Omri,* King

Omri. Later it was pronounced Beth-Ghomri or Bit-Khumri or Bit-Humria. And I'm going to show you right now. I'm going to show you this historical proof so you understand.

Merrill Unger's book, Archeology and the Old Testament, says on page 243,

*"... The initial contact between Israel and Assyria evidently occurred during Omri's day, for from that time on Israel appears in cuneiform records as Bit-Humri ('House of Omri'). This official appellation was applied to Samaria, the capital city. Moreover, the designation of an Israelite King became Mar Humri ('son,' i.e., 'royal successor of Omri'). Tiglath Pileser III's reference to the land of Israel over a century later by its official name Bit Humria evidences the significance of Omri as a ruler in the history of Israel."*

This is from the encyclopedia. It says the initial contact between Israel and Assyria occurred during Omri's day. For from that time on Israel appears in all the records as Bit-Humri which means what? House of Omri. This official appellation was applied to Samaria, the capital city. Moreover the designation of an Israelite king became *Mar Humri* (or son or royal successor of Omri). Tiglath Pileser III's reference to the land of Israel over a century later—that's 100 years later—what is Israel being called? Bit Humri which proves that Omri was the ruler of the history of Israel.

Now why is this important? You're going to find out when I start proving to you who Israel is today.

Now Omri, or Humri, was originally pronounced GOMER or GHOMRI. I'll show you that now. All the proof you need is in the encyclopedia.

*"It is noteworthy that the Assyrian form of the name Yaua ('Jehu') shows that the unpronounced aleph at the end was at that time sounded, so that the Hebrews must have called him Yahua ('Hehua'). Omri was likewise pronounced in accordance with the older system, before the ghain became ayin. Humri shows that they said at the time Ghomri."*

Omri was pronounced in accordance with that system as what? GHOMRI, ok? I hate having to teach like this because it slows my roll down but I've got to explain to you all of these things so you understand who we're talking about here.

Now I'll show you another graphic. Watch this. Later on they became known as Cimmri instead of Omri as the language began to change, and according to the encyclopedia...watch this.

*"Progenitor of the ancient Cimerians and Cimbri, from whom are descended the Celtic family."*

Omri was the progenitor of the Cimerians and the Cimbri, from which are descended the Celts (earlier pronounced as selts, more modern as kelts). So the Celts came from these lost tribes. Gomer is where these Celts came from.

This is all historical information and that's what makes Hosea's prophecy so remarkable because it portrays Israel as a harlot wife by the same name that the Assyrians knew the nation of Israel. There is no doubt that Hosea's wife Gomer was the wife of Hosea the prophet and the nation of Israel. The name Gomer literally means "complete". That's what the word Gomer means. It's derived from the root word *Gamar* (pronounced gaw-mar) which means what? The end, to cease, to leave off, to fail. Her very name prophesies what?

### THE END OF THE HOUSE OF ISRAEL.

And this prophecy is going to reflect that over and over and over. The end of the House of Israel. Have you ever wondered how we were so lost, how we totally disappeared from history? I'll tell you. The End. THE END! Those bones are going to be very dry. Not just dry. The end, over, notta. Gomer's end was illustrated with her failed marriage to Hosea.

However, that's the root word of the name Gomer. Oh hallelujah! Awwww, the root word is *Gamar* which means THE END! But Gomer actually has a fuller meaning. It means complete. Even though Gomer is a type of the end of the house of Israel, I'm going to prove to you that she's also going to represent the COMPLETION of the house of Israel after it has ended. Amen. Is anybody awake today? Hallelujah. *Amen*. Alright.

So Gomer means the end *and* the completion. It's both names but the name means both things. Gomer's end was illustrated by her failed marriage to Hosea. Yet at the same time her bondage is going to lead to the full completion of the plan of Yahweh for all humanity. The first is a negative; the second is a positive. The first meaning of her name is the end of her marriage. The second meaning of her name is the redemption of all mankind.

So, you need to know today the book of Hosea is not a story about the Jewish people. Do you know how many people don't know that? How about 80-90% of Christianity thinks this is about the Jewish people. Why am I harping on this? Because I have one ministry—that ministry is to be a voice of Elijah to turn your

hearts back to the fathers of Israel. Not the fathers of the Jews, but the fathers of Israel: Abraham, Isaac and Jacob.

So this story is about Joseph, not Judah, who carries the birthright. Now why is this story so unknown to the Christian church? How did we get so lost? I'm going to explain it. Ezekiel 34:6. Let's turn there.

Before you read that, I want to show you how the church has failed. The church is looking for lost souls. Every church you know of has altar calls seeking to save the lost—lost souls. But here's where they failed. Let's read.

### **Ezekiel 34:6**

**My sheep wandered through all the mountains, and upon every high hill, yea, my flock was scattered upon all the face of the earth, and none did search or seek after them.**

Wow. Wow. How did we get so lost? Nobody ever sought for them. Nobody was ever trying to save the lost sheep of Israel. They were trying to save the Jews. *Hallelujah*. Everybody's trying to get the Jews saved. Nobody's reaching for the LOST SHEEP OF THE HOUSE OF ISRAEL !!! *Hallelujah pastor, you are!!* Ha, ha. Glory!

The Baptist church—they're trying to save lost sinners. The Pentecostal church is trying to get sinners saved. Nobody is seeking after the lost tribes! Why? Because they think they're dead! Glory to God. Did you see that? Nobody seeks after them. And now you know why when Yahshua came he said...I'm only here to seek after the lost sheep of the house of Israel. And any true ministry today that has the ministry of Christ, they're only looking for the lost sheep of the house of Israel. Amen.

That's how you will know that you are in a true end-time ministry. They're looking for the same thing Yahshua was looking for. *Hallelujah. Hallelujah.* So how did Bible students get so lost? How did they not look for us? How did they not look for the lost tribes? Because they didn't realize that Yahweh took his name back from us. And so, when they're looking through history, they're looking for the word Israel, and they can't find it in any of the records. There's a reason for that.

Because our name was no longer Israel. It was Gomer! And therefore, when they're looking through history, they're not looking for the groups of people known as the Ghomri. They don't know to look for the people known as Khumri or Humria. If they would've known our name they would've traced us all throughout Europe by the historical record.

But they're looking for the name Israel or the name Jew. The reason we got so lost is we're divorced. It would be like right now if every one of you were trying to look for someone, a lady who you knew from way back and you knew her from the name Johnson. And you're searching all over Facebook for Johnson. But she was divorced since then, and now her name is Smith. You don't know to look for a Smith, and therefore, she's lost.

She won't be lost if you'll know her new name and just look for it throughout history. You'll find her! *Hidden*. Hidden on purpose. Why? She's divorced. *Has to come through Yahshua*. Come on now. She's been what? Put away, hidden from the world. Hallelujah. She has been hidden all throughout Europe where she traveled. She was hidden.

The entire foundation of prophecy teaching is missing this key ingredient. Go listen to them. Go listen to Perry Stone. Go listen to Baxter. Go to listen to all of them, Jack Van Impe. They're all wrong. Do you know why? They're missing what end-time prophecy is all about. They thought end-time prophecy was about the Jews. Ha, ha. No. End-time prophecy is about Gomer because the word Gomer means "complete". Prophecy will be complete when Gomer has been redeemed. She will complete the story! Glory!

The Jews don't come into the picture until time shall be no more and the seventh day begins. But the sixth day is complete when Gomer is returned to Hosea—Yahshua! *Hallelujah. Hallelujah*. Glory, glory, glory. *Oh when this happens...* Come on now, it is happening. Gomer must be re-identified. Hallelujah. Hallelujah.

That's why the apostle Paul says...in times past you were Gomer (you were Gentile). You're name was mispronounced. You're name was misidentified. But now you have been reunited with the Commonwealth of Israel—no longer Gomer (or no longer Gentile). Hallelujah.

Until you understand the story of Gomer and Hosea, you cannot understand prophecy. You cannot understand what Yahweh is doing in the last days. You cannot understand it at all—until you understand end-time prophecy. Amen? Praise Yahweh.

Now I want to explain to you a little more in depth. Then we're going to bring this story together. Let's read verse 2 of Hosea chapter one. It took me 47 minutes to teach verse one. Let's see what we can get out of verse number two.

## **Hosea 1:2**

**The beginning of the word of Yahweh by Hosea. And Yahweh said to Hosea, Go, take unto thee a wife of whoredoms and children of whoredoms, for the land has committed great whoredom, departing from Yahweh.**

Hosea, go marry a whore because Hosea I want you to feel and experience what I, Yahweh, Beer, have experienced. I want to make it plain through you what I've experienced with this adulterous people called the House of Israel. Hosea, before you marry her you already know it's going to be a painful marriage. Yahweh is making plain that he knew before he married Israel on Mt. Sinai that it was going to be a painful marriage.

He saw the end from the beginning. He knew she was a whore and yet took her in her condition because he called her what she was going to be—complete—even though he knew in the beginning she would be an end failure. *Oh hallelujah. Amen? Amen and Amen. He calls things that are not as though they are.* Hallelujah. Gomer means a failure, the end. Oh but there's another meaning to the name that Yahweh saw from the beginning, and it means COMPLETE.

Let's read how Yahweh knew in Ezekiel 16:8 that he was marrying a whore. I want you to read this verse; one of my favorite verses in the Bible because this is the story of you and me.

## **Ezekiel 16:8**

**Now when I passed by you, and looked upon you, behold, your time was the time of love...**

Alright, listen carefully...I chose you Israel out of love for you. He said...but I knew who you were before I loved you. I knew you were a whore. I knew you were a Sunday worshiper instead of a Sabbath worshiper. I knew you'd become a Christmas keeper instead of my feast. You always want to go chase after your whorish other men. I knew who you were. I knew you would forsake my commandments. But listen to what I did. Read.

**...and I spread my skirt (or wing) over you...**

Oh I put my talit over you anyhow. I covered you with my skirt. I covered you with my talit, and I covered your whorish nakedness. Read.

**...and covered your nakedness, yes, I swore unto you, and entered into a covenant with you, saith Yahweh, and you became mine.**

I entered into a covenant with you in spite of you. I saw Gomer as not being the end what her name means. But I saw her being the COMPLETE PLAN of Redemption that I had in my mind before I ever created the world. So while you were naked I went ahead and covered you up anyway. I tried to call a tramp a lady. I tried to call a whore a wife. And in fact, I did call you that and I told you that you would become what I said you would become—I covered your nakedness. I wish somebody would say amen to that. Hallelujah. *Amen. Amen. Hallelujah, I'll say amen. Hallelujah. This is good pastor. Hallelujah.*

There's a song that says these words:

He saw not what I was, but he saw what I could be  
When he reached his hands to where I was he took a chance on me  
All he had to hope for was a possibility  
But still he saw not what I was, he saw what I could be

That's what he did for Israel. He saw what she would be. And he covered her nakedness until the tramp became a lady. *Pastor, is this mystery Babylon?* Oh yes, oh yes. And the skirt that he's going to cover her with when he calls her out of that Babylon is his talit. That's why we wear talits today. It is a symbol of his skirt covering a sinner even though he said we are without sin—we know better, ha, ha, ha! Even though, hallelujah.

The Bible says...he that is begotten of God doth not sin. But we know that we do, but that's ok because with his skirt—there's a prophecy in the skirt—oh my God. There's a prophecy and an identity in the skirt that...

**WE ARE GOMER AND WE ARE COMPLETE BEFORE WE'RE EVEN COMPLETE!**

Goodbye guilt! *Oh hallelujah* (arms raised high). *Hallelujah in the name! Hallelujah. Hallelujah.* That's right sister, we have a bloody backup, we have a bloody backup!! Until we get up! Glory. We are seated together with Christ right now in heavenly places even though we don't deserve it. That's why when people say we preach works here I want to laugh at them. Our entire message is that we're covered by the skirt of redemption until the tramp acts like a lady. We are already called a lady while we're a tramp! Hallelujah.

I don't know about you but I'm thankful today. Whenever Yahweh married Israel he knew it wouldn't be a happy one—not for him. He understood from the beginning. The reason Yahshua had to experience the pain of rejection by the

Jewish people is to make it plain through Yahshua what Beeri (or Yahweh) experienced with ancient Israel. Brothers and sisters, he knew Yahshua had to experience the pain that Yahweh experienced. Why? He was here as the proxy of Yahweh. You see, Yahweh married Israel at Mt. Sinai. Moses officiated the wedding. The marriage contract was the Torah. But Israel continually committed spiritual adultery by going after other gods.

Imagine what Yahweh sees and experiences when his entire church, 99% of them, would rather go celebrate Halloween than Passover. His wife will celebrate in a few days Valentine's day. Do you understand what happened at Valentine's day? It's worse than 50 Shades of Gray. That's Lupercalia (an ancient Roman celebration). Do you understand that you're celebrating the bondage of women, the beating of women? Go study Lupercalia and you'll never celebrate Valentine's day again ever.

*Can I ask you a quick question? Go right ahead. Can sometimes the Spirit of Yahweh put that desire not to do something before you even know why you're not wanting doing it? Oh yeah, it's in the seed inside of you. Because that's why I hated Valentine's day. There you go. Hallelujah. There you go because the seed was already in you.*

*Well brother Vaughn we need to celebrate love. Oh darling, we do. We celebrate a love your mind can't comprehend. We celebrate it every Sabbath day. We celebrate the love of God shed abroad in hearts one for another. Amen? Amen. Hallelujah. I don't think I have a full teaching on Valentine's day. I'll try to put one up this week so you all can understand the totality of it's meaning.*

But imagine what Yahweh sees and experiences when his wife wants nothing to do with him. So sad to see a wife who's got a good husband—he provides for her, loves her. But yet she's sexually attracted to every other man but him. That's what you did to your Father. I want you to hear me. Every one of us, we chased after the sun god on Sunday morning all of our lives rejecting the Sabbath of Yahweh. We were Gomer chasing after every other god except for Yahweh.

Let's read verse 3 of Hosea chapter 1.

**Hosea 1:3**

**So he went and took Gomer the daughter of Diblaim, which conceived, and bare him a son.**

Now we know that Gomer was the daughter of Diblaim. She got pregnant from Hosea and they had a son. Now Gomer is the official name of the dead tribes of Israel. When Yahweh took his name back he renamed us "whore" — Gomer. We

became the whore who could not be faithful to her husband. Historians all agree that the name Israel was changed to Ghomri that derived from Omri the Israelite king. Omri was one of Israel's greatest kings in history. We read in Micah 6:16 that the statues of Omri and all the works of Ahab are observed. So Omri was the great king of Israel. Omri means "pupil of Yahweh".

### **Micah 6:16**

**For the statutes of Omri are kept, and all the works of the house of Ahab, and ye walk in their counsels, that I should make thee a desolation, and the inhabitants thereof an hissing, therefore ye shall bear the reproach of my people.**

Now Omri became the king of Israel in 1 Kings 16:23. He reigned for 12 years and guess who his son was? Ahab. Ahab reigned for 22 years. And who was Ahab's wife? *Jezebel*. Where did Jezebel want to rule? Over Israel. And she still does today. Why do you think in the book of Revelation he said 'I have something against you. You're still allowing that woman Jezebel to rule Israel my people'. *Wow this is good pastor*. Thank you elder.

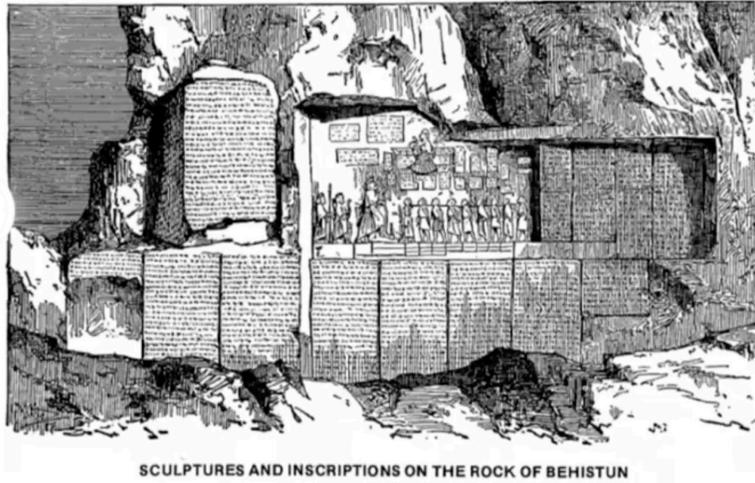

Now the Assyrians could not have called Israel by her name. They had to call her by the prophetic name "the end of Israel". What does the name Gomer mean? The end. So now that the end has come for the house of Israel, she has to be called the name that means the end, Gomer. Gomer. Gomer. Gomer. That was the end.

As we study we begin to find out some historical documents that prove this for us. I'll show you here. The first one I want to show you...

This is known to all historians—it's called the black obelisk. If you've ever studied on the black obelisk, on that particular stone is the Black Stone of Shalmaneser. On that stone it shows King Omri paying tribute to the king of Assyria. It also shows there all of the history after the lost tribes leave the land of Israel.

Now there's another one I want to show you real quickly. Very famous; you need to study it if you can. And this one's so interesting. I studied on it till 4 o'clock this morning. And now I'm wanting to go look at it with my own eyes.

This is called the “Rock of Behistun”. On this rock, if you will look which is modern day Iran, is a listing of all the people that the king of Assyria ruled over. This shows who the king ruled over—all the tribes, all of the nations King Darius, king of Assyria, ruled 23 different nations. Listed on this rock is one of the nations that he ruled over. And the name of that nation is Gimmri (which is Ghomri which is Gomer). This is why we were lost to history. Our name was taken away from us and that’s why we were lost to history.

Now as history goes on, on this rock (if you want to read it), there’s another name that was derived from Gimmri. And it’s all on this rock. What is that other name? *Saca*. Another way it’s spelled is *Sacae*. Now guess who mentions the *Sacae*? The Greek historians. Now we can trace the *Sacae* from the Gimmri (or Ghomri or the Gomer) to Greece where the Greeks write about this people known as the *Sacae*

But by the time we get to Roman history, now the name *Sacae* is written in Latin, and someone guess how the name *Sacae* is written in Latin in Roman history. As the *Saxons*. All of Europe is populated by the Celts and the Saxons which is the lost house of Omri. This is Gomer. Historians know very well that the Israelites were known as the *Saca*. How did they know it? From the Moabite stone, the Black Obelisk and the Behistun Rock.

Now where did the Gimmri *Saca* immigrate into Europe? Through the Caucus mountains. Remember what we read earlier? That my people were scattered throughout the high mountains. Remember that verse? We were scattered through those Caucus mountains all throughout Europe and then through the nations of the world.

There was a divine purpose. Let's read about it. Why did Yahweh allow our name to be changed? Why did he allow us to get so lost for so long? Because if we would've been found any sooner, the plan could not have been completed. Yahweh hid us on purpose so that we would completely lose our sense of identity and so that historians would lose sight of who we were. Jeremiah 50:6. *Pastor that reminds me of a treasure when you hide it you don't tell anybody where it's at.* Ahhh that's good elder. The segula is hidden because even Satan didn't know where this segula was. Hallelujah.

### **Jeremiah 50:6**

**My people have been lost sheep, their shepherds have caused them to go astray, they have turned them away on the mountains, they have gone from mountain to hill, they have forgotten their resting place.**

They're evil kings. Why are my people in the mountains? Why did he say we were in the mountains? That's the journey we went through after we left Assyria—the Caucus Mountains. Why did we go there? Because the kings of Israel who turned their backs on Yahweh, their shepherds, turned us aside and we forgot our resting place which was the land of Israel. We forgot who we were.

Let's go to the book of Ezekiel. Watch all these prophets—do you know every major prophet in your Bible talked about you more than they did Jesus? Hallelujah. Oh isn't that wonderful? Oh, shepherds after my own heart. They're not going to be trying to save the world. As a matter of fact, God will give them platforms overnight so they can find those lost sheep. Hallelujah. Oh hallelujah. Come on now! Duplicating the ministry of Christ. Ezekiel 34:4-5, 16

### **Ezekiel 34:4-5, 16**

**4 The diseased have ye not strengthened, neither have ye healed that which was sick, neither have ye bound up that which was broken, neither have ye brought again that which was driven away, neither have ye sought that which was lost, but with force and with cruelty have ye ruled them.**

Oh, antichrist has ruled the church. The church is called "my people". They call themselves God's people. The antichrist has ruled the church through the pope of Rome. That you have created another church of Gentiles dominating my people, the lost sheep of Israel, and not even searching for them, not trying to find out who they were. Read verse 5.

**5 And they were scattered, because there is no shepherd, and they became meat to all the beasts of the field, when they were scattered.**

Now go to verse 16. I love this verse. He said none of you are looking for the lost sheep. None of you preachers in Christianity. He said you're dominating the church. You're ruling a church, but you're not seeking the lost sheep. This was an end-time prophecy. But I like what Yah said in verse 16.

*And we were lost to the beast, that would be the beast of the world. That's right. The beast of Babylon. The beast that gives the antichrist power. We were fed to the Christian church. Amen.*

**16 I will seek that which was lost, and bring again that which was driven away, and will bind up that which was broken, and will strengthen that which was sick, but I will destroy the fat and the strong; I will feed them with judgment.**

The fat and the strong is Babylon. The fat and the strong is the church with all the money, all the television stations. All of the fat and the strong. I'm going to destroy Babylon. But when I begin to destroy Babylon, I personally will begin to gather the lost sheep by raising up proxy shepherds—that I can use their voices and I will feed my sheep with more than hoopla and churchanity. I will feed my sheep with more than prophetic words and false gimmicks. I will feed them and teach them how to judge the clean from the unclean, and the holy from the unholy. I WILL DO THIS SAITH YAHWEH. *Whew-hoo hallelujah.*

And I will take a little Mississippi preacher and have him store up the food, and then when the time is right, I will create a platform when the next morning all the newspaper headlines is "Who is Shane Vaughn?". That's what they all said. I will do that and I WILL FIND MY PEOPLE THAT NOBODY IS LOOKING FOR !!! *Hallelujah!! Oh thank you Father!*

Once I had a meeting with an elder. I don't know if they're here today or not. But elder and I was having a meeting. Do you know what he told me? He works in the "industry of internet". He told me...he said...pastor Vaughn, do you know how much people pay to create a platform? Do you know how much they pay for us to get them in all the right Google spots and just to get a following? I'm not sure the number he told me, elder are you here today?

*Yes, I was just saying that companies spend millions, and when I say millions, 5, 6, 10 million dollars to build a platform, build a following, and some of them go out of business trying to do it to get where they need to be.*

And this one was created overnight elder. *Yep.* In one day. Isn't there a prophecy that says in one day a nation would be born, yeah, I think there's a prophecy in the scriptures that says IN ONE DAY A NATION WOULD BE BORN. Come on

now. The nation of Israel. Do you all understand that when I push the live button on my re-stream, in an instant, 20,000 people gather immediately between Roku, Rumble, Facebook, YouTube? All of them together. Do you all know that was supernaturally created? Oh God when I think about it I can't even think straight.

Do you know that months before that happened Yahweh told me to buy the best cameras that we could buy to prepare? He told me to store up the food when I would get discouraged because nobody would come to my church, nobody would listen to me preach. Nobody. And I kept on preaching. I kept hearing him say "store up the food". And I kept saying...it's going to be rotten because nobody's going to eat it. OH hallelujah!

Right now I don't have time to make as many videos as I used to make. I'm too busy now. But in those years when I wasn't busy, we were storing it up. Why? Because it's a prophecy. I will gather you all. I will gather you supernaturally. I'll do it. I'll do it supernaturally. Hallelujah.

*Pastor in that chapter he says "I will" twenty times. I will. I will, I will. Do you know why this lesson is so important to you guys today? I know it sounds a little historical and you know, you try to stay awake while I teach. But here's the problem. Before now you had no idea how the whole Bible is about finding you. Amen. Hallelujah.*

I always thought Hosea was talking to the Jewish people, and one day the Jews would come to Jesus. That's what I thought! And it has nothing to do with the Jews. It had to do with people who thought they were Americans, people who thought they were Scottish, people who thought they were South Africa. They didn't know they lost their resting place; they didn't know who they were.

But with one voice! I said with one voice "I will turn the hearts of these lost children back to the fathers—Abraham, Isaac and Jacob".

*Pastor Isaiah 66:8? Go ahead.*

### **Isaiah 66:8**

**Who has heard such a thing? who has seen such things? Will the earth be made to bring forth in one day? or will a nation be born at once? for as soon as Zion travailed, she brought forth her children.**

*One day!* (clap clap clap!) Hallelujah! Saints I've repeated over and over, the platform was born in one day! *Oh hallelujah.* We didn't spend a dime. Hey, if it's Yahweh's deal, it's Yahweh's bill. You heard me. Hey can I just say something? Has anybody in this church ever heard me raise up an offering one time except

for the regular? I mean, come on, you can't say that about most podcasters and preachers, right? I've never one time asked you to give a dime. Why? If it's Yahweh's deal, it is Yahweh's bill. Here's what he'll do. He's got Israelites out there right now with money in CD's and they're about to die; they don't want it to go to their ungrateful kids, and they'll send it to the house of Israel. *Amen!* Do you understand? There's so much money out there and Yahweh knows every bank account. He knows. He'll raise up stones to pay for his message! Hallelujah.

Do you know if I was still having to work full time with my business, I wouldn't be here today? I couldn't do the work I do. Do you know that? Do you know Yahweh said 'ok you're done son'. I use to sit—I would be so embarrassed—I would sit under that tent, and somewhere deep inside of me I knew this day was coming. And I would sit there and I would look up to God, and I would say to him...this is not what you promised. But honey I was faithful. I was a tither, and I was loyal.

I used to sit there and wonder...God I have no retirement. My income is 1099, I have no social security. All my life I never paid a dime into Social Security because I've always been my own boss. I said...Lord I have no retirement. There's no way I can do your work. There's no way I can afford to ever devote my time to your work. And I'm going to tell you something. One day God spoke to me. It's retirement time son, I've got you now. I need you to go to work. I tell you he's paid every bill. And he takes care of every need. Why? Because you can't out give Yahweh—I dare you to try. I said I dare you to try!

I gave him my life and now he takes care of every need. He raises up people from Hong Kong. He raises up people that you would never dream would finance his work! We don't play manipulation games here. You've never heard me say...send \$2400 dollars for 2024, oh come on right now, if you'll send \$2424, \$24, 24 cents for 2024. I don't play those games. No sir. Now we do ask you to support Professor Toto with the Patriot's Buying Club and the gold coin, but that has nothing to do with the work here. God has always provided for this work supernaturally. Why? I'm trying to teach you something.

I'm trying to teach you the platform was built and paid for by the Spirit of the Lord! Hallelujah. In one day. So everybody right now go to Cash App and send \$2424 for 24! Hallelujah! Ha, ha, ha! Praise the Lord. Amen. Hey we've got about 800 here so if everybody sent \$2424 wow hallelujah. Praise the Lord. I'm totally kidding guys.

Now let's continue. I want to read to you 1 Peter 2:10.

### **1 Peter 2:10**

**Which in time past were not a people, but are now the people of Yahweh, which had not obtained mercy, but now have obtained mercy.**

Where you once were not a people, but now you are the people of Yah. You did not have mercy, but now you have received mercy. Do you know that is a direct quote from the book of Hosea? Let's go to Hosea 2:23 and now it's going to connect together for you the New Testament and the Old Testament. I'm going to show you how the entire New Testament is not about the Jewish people. It is about you.

### **Hosea 2:23**

**And I will sow her unto me in the earth, and I will have mercy upon her that had not obtained mercy, and I will say to them which were not my people: Thou art my people, and they shall say: Thou art my God.**

1 Peter is quoting that promise so don't tell me Peter didn't know about these lost tribes of Israel because he is referring back to the story of the lost tribes. Now you were not a people, but now you are. Only when you know the story of Hosea will you understand the ministry of the apostles. I'm going to show you right now that Peter knew who he was writing to.

Until Yahshua came the lost tribes had never been reached because the Jews knew that God was done with them; he had divorced them and only been married to the Jews. So therefore the Jews had this superiority complex as the new wife. And what do you always want to do with the old wife? You want to hide her. Come on now. They're the new wife; they're the only wife now and that other wife has been put away. So therefore they didn't seek for her. As a matter of fact they wanted her dead. Why? So that they can get the money from the husband when he dies. Hallelujah. And the old wife will get nothing. Amen? Praise the Lord. *And that's with the Jews today.* Amen, it's still there.

Now Peter was writing — I'm going to show you in case you thought he was writing to Gentiles — I'm going to prove it. Let's go read 1 Peter 1:1. Let's read who Peter wrote this book to.

### **1 Peter 1:1**

**Peter, an apostle of Yahshua Messiah, to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia,**

Who was he writing to? See we always thought he was writing to all the people in Galatia, all the Gentiles in Cappadocia, all the sinners in Asia—all of these people that's now going to come into the church. *These Gentiles, that's who he's writing to pastor.* You better go back and read it again. Who is he writing to? Read it.

**Peter, an apostle of Yahshua Messiah, to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia,**

Did it say he's writing to the people of Galatia? No. It says he's writing to a certain group of people who have been scattered in those places—the strangers of the covenant, the divorced wife that is now a stranger. She's not welcome back to the husband's house; she's now a stranger. *Gomer.* Gomer is a stranger and she is now scattered and considered to be a Gentile. But Yahshua told these apostles before he left—he told them about these lost sheep. He told them...I've come to find them and when I go you're going to find them. And when I go I'm still going to have people who are going to continuously search for them. Amen.

*My Bible says "I'm writing to God's chosen people who are living as foreigners".* There you go. That is exactly right. What Bible is that? *New Living Testament.* Amen. They got it right. Many times it's called the dispersion because they were dispersed all over the world.

*(Another translation, TPT, says "From Peter, an apostle of Yahshua the Anointed One, to the chosen ones who have been scattered like seed into the nations living as refugees.")*

Now let's go read in James 1:1 and see if the apostle James was trying to save the world, if he was writing the New Testament letter to the world. Do you all know that the book of 1 Peter in your Bible was written, it tells you "not to everybody", it was not written to Gentiles? It says it's written to the chosen people that are scattered throughout the Gentile world. You see, now you all are starting to get use to this knowledge. But how many of you remember when you first came to understand this? Amen? I'm trying to concrete it for you more and more and more so you can know.

**James 1:1**

**James, a servant of Yahweh and of the Lord Yahshua Messiah, to the twelve tribes which are scattered abroad, greeting.**

To the tribes that are scattered abroad. So there's a New Testament book in your New Testament, James, that's not written—it's not even written to Gentiles. It's only written to the lost sheep. That's why I tell you that not everyone's qualified

to read the Bible. That's why some people pick it up and it's the most boring book they've ever read. Others pick it up and it's life, it's food.

*Matthew 10:5 is another good one. Read. That's Yahshua telling the disciples.*

**Matthew 10:5**

**5 These twelve Yahshua sent forth, and commanded them, saying, Go not into the way of the Gentiles, and into any city of the Samaritans enter ye not.**

**6 But go rather to the lost sheep of the house of Israel.**

**7 And as ye go, preach, saying, The kingdom of heaven is at hand.**

Amen. Amen. That's the direct command from Yahshua, and his Christian church is not doing any of it. I said they're not doing any of it at all. At all, at all, at all.

Now I want to show you historical evidence from Josephus. Josephus was the great Jewish historian. Notice what he says in his writing. I'll share it with you now

*"Wherefore there are but two tribes in Asia and Europe subject to the Romans; while the ten tribes are beyond Euphrates till now; and are an immense multitude, and not to be estimated by numbers." [Antiquities of the Jews, XI, v, 2]*

Josephus says there are but two tribes in all of Asia and Europe subject to the Romans while the 10 tribes are beyond the Euphrates river right now. They are an immense multitude, not to be estimated by numbers. That's the Joseph people. That's the fruitfulness mandate. Josephus tells us, at the time he was alive, they knew that there were ten tribes that no man could number. Josephus knew that the Jews were not Israelites. Hallelujah, I'm going to prove that to you right now.

Let me show you more historical facts so you can understand this great truth. Josephus said that the Jews were not Israelites. Let's read it.

(see next page)

Josephus knew that the Jews ("two tribes") were not the Israelites ("ten tribes"). More recently, The Jewish Encyclopedia has written:

*"As a large number of prophecies relate to the return of 'Israel' to the Holy Land, believers in the literal inspiration of the Scriptures have always labored under a difficulty in regard to the continued existence of the tribes of Israel, with the exception of those of Judah and Levi (or Benjamin), which returned with Ezra and Nehemiah. If the Ten Tribes have disappeared, the literal fulfilment of the prophecies would be impossible; if they have not disappeared, obviously they must exist under a different name."*

Josephus said 'all of the prophecies of Isaiah were about these people, and nobody knows where they are; we can't find them. To the world they're dead, they're lost'. But he says 'if they are lost the Bible is dead because none of the prophecies can be fulfilled without them because they will complete Gomer, complete the prophecy!'

So Josephus says 'if they are still alive, the only way they can be is if they were renamed something else and we don't know what that name is. But we know that that's got to be the case', he said.

When God hides his wife, his ex-wife, he doesn't want anybody finding her. Hallelujah. He wants to keep that old girl barefoot and pregnant. Hallelujah. He wants her hidden out at the house. Glory. Glory!

So where do prophecy teachers get it wrong? They think the prophecies are about the Jewish people Benjamin, Levi and Judah. They don't know. They have no idea that the name Israel was removed. Let's read 2 Kings 17:23.

### **2 Kings 17:23**

**Until Yahweh removed Israel out of his sight, as he had said by all his servants the prophets. So was Israel carried away out of their own land to Assyria unto this day.**

What did he say? He completely removed them from the face of the earth, from his sight. He didn't even want them using his last name. He said...take your maiden name back where. You ain't carrying my name. Israel belongs to a people who are ruled by God. It's not a name; it's a description.

Israel belongs to Sabbath keepers. Israel belongs to holy day keepers. Israel belongs to covenant keepers. Israel—that name! That's why the Bible says...take not the name of the Lord thy God in vain! You can't wear the name, you have to

bear the name! If you don't use the name, you'll lose the name! What is Israel? Someone who God rules. Someone who Yahweh has conquered. Though that whore had not been conquered—so he said 'give me my name back'. I'm removing you from my sight. Go back to your maiden name Gomer, whore, Gentile, heathen, "the end" !!

Why have I taught you this today? Because I want to say something to every one of you. The current Jewish state in the land of Palestine has taken upon themselves a name that they're not worthy of. The name Israel does not belong to them. We thought the fig tree bloomed in 1948. Darling they're not the fig tree. Israel is. And she just started blooming not long ago. Hallelujah. *Hallelujah!!*

Whew! Go ahead brother. *That makes sense because that's why the land of Israel is not even blessed.* That's right. It can't be because it took a name that doesn't belong to it. Now they could've named it Palestine. They could've named it Judea, Jew whatever. But they're carrying a name that means "Yahweh rules these people". And honey they've got as much sin as America does. They just had a pride parade right down the streets of Jerusalem.

*Is that a usurper?* Yes ma'am. And that's why the Bible said that those who call themselves Jews that are not is the synagogue of Satan! I want you to hear me today. If you don't understand that yes they are Jews, yes, and they are our brothers, and yes, God's got a plan for them in another time. But I've got news for you. The time clock of the end times is not connected to the Jews. It's connected to the valley of dry bones. It's connected to the lost sheep of the House of Israel !!! Because when Gomer is "complete" that's when the story is over !!! And then Yahweh turns to the Jews. Glory!

Go ahead sis. *Yahweh has cast Israel back into the field, and the field is the world.* Come on now !!! That's where I'm headed in just a few minutes, ha ha ha! Brothers and sisters, you all don't even understand. That's why when people leave this ministry my heart breaks for them. I'm like...do you understand, do you get it, do you realize that the bone must be connected to the bones? Do you get it? The days of islands are over.

There is a gathering of the house of Israel under a shepherd after his own heart. Not to go have another little Bible study and a Zoom meeting with somebody. But under shepherds after his own heart! I'm looking for that scripture. Love that scripture; it's one of my favorite ones.

### **Jeremiah 3:15**

**And I will give you pastors according to mine heart, which shall feed you with knowledge and understanding.**

In that day, I will give you shepherds after my own heart. They won't be shepherds you voted in. They won't be shepherds you hired from the cemetery (the seminary). No, no, no. That's what the Christian church does and dominates the people. No, no, no. I'm going to raise up shepherds that I vote in and no man can vote out who will guide you not with prophecies, not with words of knowledge, not with gifts of the Spirit. Oh no. But they will guide you with understanding.

How many of you are starting to understand more than you've ever understood before? Then you might be living in that day. Hallelujah? *Amen*. You might be living in that day! Glory! *We are living in that day! Hallelujah. Hallelujah. Hallelujah. Thank you pastor, thank you!* Oh hallelujah! *And that which was confounded is now understood*. Come on now. He's opening the eyes of the blind.

When they said...Yahshua, are you the Messiah or should we look for another? He said...you go tell them the eyes of the blind are being opened, you go tell them the ears of the deaf are being unstopped, the dead are being brought back to life. He wasn't talking about physical dead people and physical blind people! He was talking about the lost sheep of the House of Israel who were very dead, very dumb, very blind! *Hallelujah*.

And when you find a ministry today that's opening your blinded eyes and unstopping your deaf ears, and bringing your spirit back to life, you have found Christ! You have found the Messiah! You have found shepherds after his own heart that will fulfill his ministry! Glory, glory, glory! *Hallelujah*.

*Pastor? Go ahead. It's like the scripture says, wisdom is the tree of life, and we are eating of that tree of life. Hallelujah.* And didn't even Satan himself know that the moment you eat of this your eyes will be open and you will be like Yahweh? Hallelujah. Brothers and sisters, there's some of you watching me right now, you won't be here next year. And you know that don't make me happy. That makes me sad because you are allowing petty junk—you can't see the forest for the trees. Uh huh. You don't understand what's going on here. And therefore you allow a little petty grievance to distract you from the forest.

If you plan to be here in the final gathering, you better understand what's happening. The knee is connecting to the leg bone. And the leg bone is connecting to the hip bone. Ha, ha! And the hip bone is connecting to the backbone. And the backbone is connecting to the neck bone! And the neck bone is connecting to the head bone. And the head bone is connecting to the ear bone. Hear the word of the Lord! Hallelujah!

I've got to let that black preacher out of me once in awhile. Hallelujah. Glory! Whew! Ya'll ain't heard him before. Hallelujah. *Hallelujah*. I grew up preaching in them black churches. Awww yeah. Mmm Mmm. *Don't stop now*. Ahhh! Hallelujah. Glory, glory, glory. Hallelujah. Whew! Ya'll I'm feeling good now. I said I'm feeling good in my soul.

Say thank you pastor. *Thank you pastor*. Hallelujah. *Thank you pastor*. *Thank you pastor*. *Hallelujah! Thank you so much pastor!*

Ok let's read verse 4. I'm going to leave in a few minutes, but let's try to get to verse 4. The reason is I've got to go early today. So let's read verse 4 now.

**Hosea 1:4**

**And Yahweh said unto him, Call his name Jezreel, for yet a little while, and I will avenge the blood of Jezreel upon the house of Jehu, and will cause to cease the kingdom of the house of Israel.**

I tell you what. We better stop there because when I get on Jezreel that's going to take a whole day because Jezreel gets so good. Alright, so we'll call it a wrap right there. Amen. Praise the Lord.

I pray that you've received everything you were supposed to receive today from the word. *Thank you pastor*. *This was good*. *More manna*. *Thank you*. *Thank you so much*.
