

THE MISSING MANCHILD

Part 1

“Abortion Revealed”

By Pastor Shane Vaughn, First Harvest Ministries

Tonight I'll be preaching to two groups of people. I'll be preaching to the church and to America. So you're going to have to once again follow me on those two different levels. Matthew 2:8-18 is where we'll start.

Matthew 2:8-18

8 And he sent them to Bethlehem, and said; Go, search diligently for the young Child (or the manchild) and when you have found Him, report to me again, so I may also go and worship Him.

9 After they heard the king, they departed; and lo, the star (the Mazzaroth), which they saw at its rising, went before them until it came and stood over the place where the young Child was.

10 When they saw the star they rejoiced with exceedingly great joy.

11 And when they had come into the house, they saw the young Child with Miriam His mother, and fell down and worshiped Him. When they had opened their treasures, they presented gifts to Him: gold, and frankincense, and myrrh.

Yes they gave their money to a man. Hallelujah. Gold, frankincense and myrrh. That's what financed Yahshua's ministry his whole life. That was worth almost a million dollars what they brought him.

12 But being warned by Yahweh in a dream that they must not return to Herod, they set out into their own country by another route.

13 And when they had gone, behold, the angel of Yahweh appeared to Joseph (remember that word Joseph) in a dream, saying; Get up, take the young Child and His mother, and flee into Egypt. Remain there until I bring you word; for Herod is about to seek after the young child (the manchild) to kill Him.

14 Then he got up, took the young Child and His mother by night, and left for Egypt;

15 And remained there until the death of Herod. And so was fulfilled what Yahweh had spoken by the prophet, saying: From Egypt I have called My Son.

16 Then Herod, when he realized that he had been outwitted by the wise men, was exceedingly angry, and dispatched orders to kill all the boys in Bethlehem and its surrounding territory, who were two years old and under in accordance to the time he had ascertained from the wise men.

17 Then what was spoken by Jeremiah the prophet was fulfilled;

18 A voice was heard in Ramah, lamentation and bitter weeping; Rachel weeping for her children refused to be comforted for her children, because they were no more.

Father, we thank you. We ask for your help tonight because truly without your help we are nothing. Oh Lord, touch the lips of your unprofitable servant tonight. Oh Lord, what are we without you. Nothing Lord. We're just old pieces of flesh. But Lord, if you'll take our tongue and put a coal of fire on our lips, all of a sudden, the unholy will become holy, the unclean will become clean, the pitiful will become powerful. We thank you Father for anointing your word tonight. Now anoint your people that they might hear what 'thus saith the Spirit' to his church. Amen.

I want to preach to you tonight about the "Missing Manchild". That will be the name of this series...the Missing Manchild. There's several fundamental principles I have to teach you tonight before I can truly get to where I think the Lord wants you to get to tonight.

Tonight I'm going to venture into a very important subject. It is the subject of abortion. Now, not the political side of abortion. But rather the prophetic and the spiritual side of abortion. Tonight you will hear me preaching about abortion, and if you're not careful, you'll think I'm preaching *about abortion*. Okay? So my point is you'll have to follow me down four different paths tonight.

The first path is called *Pashat*. The second path is called *Remez*. The third path is called *Derash*. The fourth is called *Sod*. I'll be preaching on all four levels so you be careful that you don't lose me on the Pashat level. Amen? Because you're going to hear me talk about abortion. You're going to hear me talk about things that sound political to you. There'll be a few times when I mention Trump. You'll think I'm preaching about Trump.

You will have to have an ear to go where I'm going tonight. On the first level you'll think that I'm talking about a natural abortion, and I will be, but I won't be. Alright? You'll think I'm speaking about the physical act of abortion. I will be, and I won't be. Alright?

You are required tonight as students of the Spirit and the scriptures to hear *behind* what you're hearing. Amen. For if you will hear me tonight, you will enter into the mind of Yahweh for this moment of time that you have been chosen to live in. Amen. Amen.

You have no idea the hour that you're living in. But at the end of tonight you will know the hour you're living in prophetically. There was something that happened less than a year ago that you nor I understood what was really happening. I want to talk to you about the spiritual importance of the overturn of Roe v. Wade.

All my life, since I've been alive, 50 years, there has always been a federal right to an abortion...Roe v. Wade. It just so happened that Roe v. Wade was passed in the year I was born. I never put these pieces together until this week. In 1973, to abort me would've been illegal. My mother was 14. If anyone would've had a right or excuse to abort her child, it would've been my mother.

Fifty years ago. I need everybody to listen to these numbers. 50. In the year that I was born, abortion became the law of the land. Simply meaning every woman has a guaranteed federal right. Now we're only focused on the federal tonight. The states don't matter. Here's why. George Washington did not dedicate the states to Yahweh. He dedicated the *United States*, ok? The whole nation, as one, the federal level. George Washington was a federal president. He was the federal head of all of the states of this union.

That nation, not the individual states, as a whole, was dedicated to Yahweh. In days gone by if you wanted an abortion, you would have to sneak down an alley way somewhere in Guadalajara or somewhere where the little witch lady is killing babies in a back bedroom with a clothes hanger because there was a time in the world where everybody knew you didn't kill babies. Everybody knew that. It wasn't even negotiable. It was never a "*do you think it's right*". Nobody had that conversation. You don't kill dogs. You don't kill babies. You just don't kill human children.

So, in 1973, the federal government passed the law illegally of Roe v. Wade. Now I want to take you back way before Roe v. Wade. I need you to hear me because it's going to get so good in here in a little bit. Anytime Yahweh was about to release the Man of the hour onto the scene, the Manchid, the one that Yahweh was going to use to bring forth his kingdom, anytime there was about to be a major shift

from one glory to the next, what was the sign of the season of shifting? Abortion on a wide scale. Anytime God was about to do something, Satan always predicates it with abortion. Let's read Exodus 1:15-16. If you're not careful you'll think I'm preaching on abortion tonight.

Exodus 1:15-16

15 And the king of Egypt spake to the Hebrew midwives, of which the name of the one was Shiprah, and the name of the other Puah,

16 And he said, When you do the office of a midwife to the Hebrew women, and see them upon the stools, if it be a son, then you shall kill him, but if it be a daughter, then she shall live.

If it's a manchild. Do you want to know why these stories are in your Bible? Let me show you something. In a few minutes I'm gong to take you to Revelation. And I'm going to show you the same spirit in the book of Revelation. Have you ever wondered why God put these stories like that in your Bible? Because what you've got to know about your Bible is that it is all the same story. Nothing ever changes in the Bible.

The Torah is the *seedbed* for the book of Revelation. So the reason the Father's putting the stories over here is so when you read Revelation, you see the whole thing in one nutshell, ok? Notice what's happening here.

Manchildren or sons of God are about to come forth. *Now, brother Vaughn, the sons of God are always coming forth.* But there are seasons where there's about to be a shift! Where there's about to be something happen to bring forth the next level of glory on the earth! Anytime God's getting ready to release the next move of God, it will always, always, be predicated by an increase in abortion.

Moses was a type of who? Christ. He was the prophet of the Old Covenant or the messenger of the Old Covenant. Yahshua is the messenger of the New Covenant. Moses and Christ. Moses told the children of Israel that Yahshua would be raised up as a prophet like him among the brethren. So we know that Moses and Christ are one and the same as far as their ministry.

Around the time Moses was born, the Egyptian pharaoh demanded that all the manchildren be killed. Now the daughters can live. There's a reason for that. You listen to me. In the homes of America today, that same spirit is still trying to kill the masculinity father all over this nation. Let the daughters live. But kill the manchild. Because from him will be the head and if we can ever destroy the head, we've destroyed everything. That's why he's turned our boys into femininity

sissies. That's why he's turned our young boys into girls. Because there is an assignment on the manchild.

Right before Moses was born, there was an uptick in abortion. But notice...not back-alley abortions, but the government itself, Pharaoh. The government authorized it! The head of the nation signed it into law. Take it out of the back alleys and now just start killing them all over town. Now what was the king's motive? Same as ours. Exodus 1:9. Why did the king want to kill the male children? For the same reason that we do it.

Exodus 1:9

And he said unto his people, Behold, the people of the children of Israel are more and mightier than we.

Population control. When they try to sell abortion now, it is for population control. Overpopulating the earth.

Now, let's move forward. Moses was a type of Christ. We're going to find the exact same word-for-word thing at the birth of Christ. We find the same thing happening in Matthew 2:16-18 where we just read. Whenever the next Moses, whenever he's ready to be born...same thing. Kill the manchild.

Now, when we get to the story of Matthew where Yahshua is about to be born and he sends out an order for abortion—whenever that happened—they quoted the words of Rachel. If you don't know who Rachel is—she was Jacob's wife. From her comes Jacob's son Joseph who Ephraim and Manasseh came from, which are the children of Israel.

But notice what it says about Rachel. It says that her weeping could be heard after she was dead because she was weeping over her lost...the Lost Tribes. But why does Matthew refer to her in this particular setting? Why does he talk about Rachel weeping over her children? Because the children of Israel, the manchildren, have all been slaughtered and therefore Rachel is weeping for her children.

Now, one thing you have to remember is that Rachel had a son, and she is weeping now over these boys. One of those boys was Joseph. He was lost and presumed dead in the story. His brothers sold him as a slave into Egypt.

Alright, Moses is the type of Christ. But now we have Joseph, one of Rachel's children who she is weeping for because Joseph is the holder of the birthright. Why is Rachel weeping? Because the birthright was given to Joseph. And if we

lose the seed of Joseph, we lose the birthright holders in the land. Ok, I have to get this to your mind is why it's taking me a while here on this.

He was presumed dead. His brothers sold him as a slave into Egypt. And then Rachel is weeping for her children. Now there's a book that's not in the Bible. It's the book of Jasher. And in Jasher, there is a story told that when Joseph was being escorted to Egypt by the slavedrivers...when he was gone to Egypt, they passed by Ramah on the way to Egypt. Everybody thinks he's dead...his daddy...everybody.

But the story says when he got to Ramah, on the slave route, he saw his mother's burial place. And it says in the book of Jasher that he went and grabbed her tombstone, and that is why she was weeping because she had lost her son.

When you begin to understand this, you'll start tying it altogether—that Rachel is a prophecy of her weeping over Joseph's children. *Well brother Vaughn, who are Joseph's children?* Well let me break it down further—Joseph had two boys by the name of Ephraim and Manasseh !!! Hallelujah. I'm trying to get there. I'm trying!

Joseph had two boys, Ephraim and Manasseh! Rachel was weeping over the slaughter of the children of Ephraim and Manasseh! Great Britain and the United States of America! You listen. Rachel was weeping over Roe v. Wade thousands of years ago! Because Roe v. Wade was the hairy government and the pharaoh government that went after the children of Israel!

You see, this is not regular abortion. In America and Great Britain and in the Commonwealth nations, these are the children of Ephraim and Manasseh, that Rachel is their grandmother, and she is weeping over the slaughter of their children.

So ironically, when Yahshua is about to die, we wonder why he refers to Rachel because Rachel was not of the tribe of Judah. Yahshua was a Jew-ite. Why is Rachel weeping over a Jew? And that is why you have to understand why they refer to this prophecy because what people do not understand is that the first time that Yahshua came was a Judah-ite. He had to qualify for the kingly lineage of David which is the tribe of Judah.

Therefore this prophecy about Rachel weeping over her children is not about the first birth of Christ. It's about another time when Christ will not longer come as a Judah-ite. But he will come in the ministry of *Joseph*.

Now, Matthew links the story of Yahshua right there directly to Rachel which is odd. Now remember at the time this message was given from Herod to kill the

boys, that would've only been Jewish boys! Because the lost tribes had already been lost. Why is Rachel weeping? That's not her children. Alright? That's not the ones. Joseph's was hers that she wept over.

So this is proving to us something that this prophecy about weeping over children would not be before his first coming. It'll be right before...hallelujah...hallelujah... the second coming! Now God knew this was about to happen so he told Joseph and Mary...take Yahshua the child into where? Egypt! Amen. For his protection.

Now Moses was three months old when he was taken into the house of Pharaoh (Exodus 2:2). And Yahshua was three months old when he went into Egypt. Follow these. Moses was three months old and went into Egypt. Here's Yahshua, three months, old going into Egypt as well when they took him there for his protection. Watch these stories. Three months later when he was six months old (after he had left Jerusalem) and went to Israel, the magi came and brought him gifts.

Now I know that you were taught all your life that at his birth the wise men were there. No they were not. They were six months behind. You can read in Matthew 2:11, when they found him, he was in the house, not the manger, not the sukkah. He was six months old. Now I realize some of you are bored, and I'm sorry, but I've just got to do it this way tonight.

That night the magi were warned to return by another way than they had originally come. Joseph was told...take them into Egypt. Now this is all interesting because here's our current question. *What does this story have to do with Rachel weeping over Joseph?*

Now, *where did Joseph go?* To Egypt. And notice what happened when Joseph went to Egypt. He had to die, be put in the ground, and resurrected, and then raised up at the right hand of the Father (right hand of Pharaoh), given a name above all names in Egypt. You must recognize the *Joseph ministry* in Yahshua. Because Yahshua had to also be thrown in a pit, and notice what happened. He had to die in that pit (remember what they said...*he's dead*). Well the whole world said Yahshua was dead too...come on now.

But he had to be resurrected out of that, and then the Bible said that he went and ruled in Egypt, not heaven. Hello? He didn't go and rule Israel. He went and ruled the nations of this world! He went into sinful Egypt and was elevated to next to the pharaoh...the only one higher than him was Pharaoh. The only one higher than Christ is Yahweh. Do you understand? Glory! Hallelujah. It all works together parenthetically. Now if you're not careful, you'll miss the connection.

His second coming will be as Joseph to get the birthright. He came the first time as Judah to get the throne. But he still does not have the birthright! Amen. Most Christians are aware that Christ is coming two times. He came the first time as the tribe of Judah. Why? Why do you think the genealogies are so specific to bring him back to David? Because the first coming he had to qualify genealogically for the throne of David, alright?

But most people are unaware that this second coming will be as a manifestation of Joseph. Now you have to understand that. Because this is the only way this verse of scripture will make sense for you. Remember what they did to Joseph's coat. They dipped it in blood. Why do you think in the book of Revelation, the Bible says when he returns, his vesture will be *dipped in blood*? He'll have a coat of blood as well. That will be the Joseph Ministry.

There are two works of Christ completed in the Bible. Now I've taught you before on the the two birds of Torah (for some reason I cannot find that sermon on fhtv.tv).

All end-time truth is not found in the book of Revelation. It's found in Torah. That's the problem end-time prophecy teachers make. They want to go to the New Testament for end-times, but they don't understand the end-times is a repeat of the beginning. There'll be a new heaven and a new earth just like there was in the beginning. End-time prophecy is in the Torah.

Let's turn to the book of Leviticus 14. And there's a story here that you need to know about. I've told some of you before but I'm just going to touch on it again.

Leviticus 14:2-14, 19-20

2 This shall be the Law for the leprous or diseased person, for the day of his cleansing when he shall be brought to the priest:

3 The priest shall first go outside the camp, and examine him. If the person has been healed of his leprosy or infectious skin disease,

4 The priest shall instruct him to take two live, clean birds, and some cedar wood, scarlet yarn, and hyssop; and bring it to the priests.

5 Then the priest shall instruct that one of the living birds shall be killed over fresh water in a clay pot.

6 He is then to take the other living bird and dip it, together with the cedar wood, the scarlet yarn, and the hyssop, into the blood of the bird that was killed over the fresh water.

Here's what he said. Leprosy is sin. Notice what they said about leprosy. If you declare that you've been healed of leprosy because you went to the cross outside the camp...it isn't enough. Nothing's finished. It's just getting started. I'm losing some of you so let me try this again.

In Torah, if you had leprosy, and you had received by faith your healing of your sin...you had called on the Lord Jesus Christ with your mouth...you're still outside. Why? Because you still have sin although you got *saved*! And they don't want you coming into the church bringing your lifestyle of sin talking about "you're saved".

He said you tell the priest to go outside, and you go check out that "healing". And if they have truly been healed, then it's time to get them baptized in fresh water! The only time they could come into the church is when they were ready to be baptized! They're outside the camp talking about "*I'm saved!*" The Bible said if you are, you're going to have to come into the camp after the priest examines your "salvation" and he'll bring you to be baptized in water!

This was the first mention of baptism. You don't have to go to the book of Acts to prove baptism. Go to the Torah. But notice what had to happen. When you come in to be baptized, watch this, the first bird you had to kill. Now why are we killing the first bird? Because the second bird is powerless without the death of the first bird.

They would kill the first bird. But then the second bird had to live forever. You couldn't kill that bird. No, no, no. They took the second bird and took the blood of the first coming of Christ and applied it to the second coming of the second bird. The Bible said they dipped the second bird in blood. His vesture will be dipped in the blood of that first bird.

Here's what that means brothers and sisters. Until that next bird comes, you may be saved, you may be sanctified, but you are not fully and completely born again without the second bird!

7 Seven times he shall sprinkle the one to be cleansed of the leprosy or the infectious disease... ..and pronounce him clean. Then he is to release the living bird in the open fields.

Let me tell all of you something. There's a scripture in the Bible that has been so misquoted and I hate to tell you because you like this verse. It says: by his stripes we are healed. By his stripes ye are healed. We thought he was talking about a

headache. But the Bible said he took upon him the disease of us all. Our disease was not leukemia! Our disease was not a headache! Our disease was not cancer!

Our disease was leprosy! Our disease was sin!!

“By his stripes, you were healed...of sin!”

Glory! He healed your leprosy! And the reason people don't know that is they don't know the story of the leprosy. They read Torah and there like...*what's this mean, what's this talking about two birds?* Oh, but when you come into Israel you'll know the two birds because you'll begin to experience the two-bird ministry.

Seven times. In other words, one dip won't do you. Oh no honey. You've got to be baptized in the Holy Ghost more than right up there (pointing to the baptismal behind the pulpit). You understand? Baby you've got to get baptized seven times which means until you're complete, until God's finished the work in you, until you have matured!

Don't come in here and tell me...*I remember when I got the Holy Ghost.* That's the last thing you should remember. I want to know...did you get it today? Did you get it this morning? Did you get it again tonight? You've got to be baptized over and over and over! Until you're healed completely!

Look, we can get you healed of leprosy by the blood, but we can't get the disease out of you unless we keep baptizing you! My God...the Bible says be filled with the Spirit. Hallelujah.

...and pronounce him clean...

Seven times. And pronounce him clean. Oh I like this! See here comes that message Goodbye Guilt...and pronounce him clean. Speak those things which are not as though they already are! Oh hallelujah! I might be a little dirty still, but HE SAID I'M CLEAN !!

He's still going through the seven times, but the priest is pronouncing him clean before the seven times is over with! God will pronounce you clean while you've got scars! He'll pronounce you clean while you've still got a broken arm, while the leprosy is still oozing out of your skin! Glory!

Then he is to release the living bird in the open fields.

Doesn't that sound like that Azazel goat to you all? Come on now! The two parts of Christ's ministry, if you don't understand that, then you're not looking for his second coming. That's why people don't want him to come. They think it was finished at Calvary. Darling, it's not finished till the bird flies! Do you understand what I said?! It isn't finished till that second bird flies !! You need a bird!

But brother Vaughn, didn't he say on the cross it is finished? The suffering was finished of the first bird, but it was just beginning the ministry of the second bird! Gotta let that bird go. Let him go where? Yahshua said *I go to my Father*. Let that bird fly. The first bird's on a cross, dead. Judah is on the cross, dead. That's the king. He qualified for the throne. But now he's flying away as Joseph to be exalted at the right hand of God!

8 After this ceremony, he may come into the camp...

After this ceremony, then he can come into the church. Not while you're out there screaming I've been healed of leprosy. Uh uh. After the preacher checks you out. Then we've got to get you in the water. And then we've got to work on you seven times, you understand?

And then...I don't care if you moved here. I don't care who you are. You're being checked out seven times baby by this preacher right here! Do you understand? Someone just told me that the reason someone left the ministry is because they told this person at Tabernacles I overlooked them as an elder. And now you know why I overlooked you. Hallelujah. Every time I've been about to ordain the wrong elder, God moves them. Hallelujah. Why? Because in the camp, we can't have any corruption. You can't be oozing your leprosy on everybody else, talking about you being cleansed! No !!!

Brothers and sisters, once you go in the water, if you thought ... no, no, no, that was the first of seven baptisms. Do you understand? Don't get confused by that word seven. We're not talking about a literal seven. Seven means completion. Until God completes the transformation in your life, keep baptizing me. Keep baptizing me in the Holy Ghost. Hallelujah.

...but he must stay outside his tent for seven days.

In other words, he can't go into the millennial reign yet. Listen. Come on now.

Then the person to be ceremonially cleansed must wash his clothes...

Got to start dressing different. Yep. Got to start tightening that skirt a bit off your behind. Come on now. No man of God should ever have to see underwear on a

woman's skirt ever, ever! Never! I'm going to tell you all something—see—my grandmother put something in me—it's holiness. I'm telling you something. We are different than the world. I said we're different! And if you're not willing to be different, you won't be here long because we don't let up on it. We get stronger and stronger and stronger as the Holy Ghost matures us!

I want to tell all of you something and I want you to hear me, and you may not like it and I couldn't care less. I really mean that. I hear everybody talking about the good old days of the church...back when people walked in and if they were sick, they were healed. If they were broken, they were delivered. The church was powerful. Everybody talks about, oh, I remember thus and thus.

Let me tell you what they never talk about. They never talk about what made the church powerful. Holiness! There's nobody that wants that part anymore. You want to get rid of looking different so you can still have power, listen to me! God's people, like Samson, must be different to have power with God!! Amen! Holiness. God's calling us to holiness. Every one of us. Separated.

How you're talking out of your mouth...God's people don't cuss. God's people don't run one another down. No. We only speak that which is lovely, that which is pure. God's people don't go around, you know, smoking everything we can get our hands on. We smoke a "peace pipe" because he's the prince of peace. Hallelujah. Look, we don't need what the world needs. *Brother Vaughn, I just need this.* No, you need God. You need prayer. You just need dedication to this message.

Well God made it. He made poison ivy too. Go smoke it! Praise God. They try to get me on that weed stuff. *Well God created it.* He created poison ivy...do you want to smoke it? Then go, alright? Just like he created every animal, but some you can't fool with. He said you can eat the ones I created for you to eat.

Anything that gets you out of your normal personality is from the devil. If it changes your personality, yeah, if it changes your personality, that's what Satan loves is to get into your personality.

I'm telling you what. If you're taking medication and you see a change in your personality, go tell the doctor, uh uh, give me something else. Why? That's why even though we'll tell anybody I don't believe anyone would go to hell, or anything like that, for a thing of beer. I'll tell anybody that. But I see what it does. It changes personality! And when you do one, you'll do two. Sometime you need to draw a line and say, that's my line! That's my standard. I don't want anything to do with the appearance of evil. I've never regretted my sober life one day! I like going to bed without a headache, and waking up without one. I like knowing what

I did when I did it. I just like that, hallelujah. Satan can get in your mind and get you thinking....

This has nothing to do with two birds...ha ha! But it really does—seven times, hallelujah.

...shave off all his hair, and bathe with water; then he will be ceremonially cleansed.

That meaning his beard because that's where the maggots and all that stuff gets in that beard and he said go shave it all off.

9 On the seventh day he must shave off all his hair: he must shave his head, his beard, his eyebrows, and the rest of his hair. He must wash his clothes, and bathe himself with water; and then he will be clean.

We've got to get all of them lice and louse out of you. Ahh, when you come to holiness, then God may make you take everything off for awhile. Why? We've got to get all of them old ways out of you. We've got to get everything you were connected to, everything that was connected to you. Every old friend, every old place...everything you were connected to! We've got to clean it all off! Amen. We don't preach a hard message here. We preach a straight message. And we live in a crooked world, so people think straight equals hard. He said get it all off.

Now why couldn't a man just stand outside the camp screaming *I'm clean? I'm saved! I accepted Christ*. No. He said come in here and get baptized. And then get baptized at the prayer meeting we're going to have tomorrow night. And then get baptized at the next revival meeting. Keep getting baptized. And while you're at it, come on, we're going to tell you how to dress, come here! Whew! These Jezebel spirits get scared when they think I'm going to go there.

Listen to me! We're going to make you clean it all up! *Well brother Vaughn, ain't no man gonna tell me what...* I know...that's your problem. Why do you have a pastor? No, I'm serious. Why do you have one? If you want somebody to just read the word to you, I've got tapes where they read the Bible to you.

But if you find a Moses, he'll say come on, let's shave all the hair off, let's get all the louse off of you, all the lice. Let's clean it all up! Why? Because you can't say I'm clean—you've got to clean up! You've got to clean up before you're allowed to serve in the house of God.

Now what is that going to do with all these preachers I hear saying...we don't need to clean the fish up before we catch 'em. That's why you've got a church full

of basses. Because you're just catching fish. No, no, no. We're not here to catch fish. Here's the problem. When you put a net in, you'll catch octopuses, snails, fish. You'll get everything in that net.

And they'll come to this church. They'll jump in the net, they'll dance with us in the net, until it's time to say...now get it all off. It's time to change. The way you tell the difference in a believer and a make-believer is how they respond to authority correction.

Could you imagine telling Moses right there...*huh uh Moses, I claim the blood outside the camp, I'm saved, I'm coming in.* You're not over the church—God's over the church. You're right and he put me over it, so anything else you want to talk about? *Ain't no man gonna...*let me tell you something darling, your lesbian spirit is going to get broken in this house, or you won't be here long. I'm going to tell you something. There's a man of God here that loves you enough to look you in the eyes and say we've got to get you cleaned up! We've got to shave it all! We've got to rip it all! We've got to get you as clean as he says you are!

Now I want you all to notice what happened before they had to cut the beard, before they had to shave everything off of them. And don't be carnal-minded. We're not talking about beards. We're talking about things growing on you that shouldn't be growing on you.

But before he told them that, notice what the priest did before that. Declared them clean! Goodbye guilt! (for more on this message, see the three-part sermon series "Goodbye Guilt-Unleashing the Power of the New Covenant in Your Life" starting at... firstharvest.tv/video/2606.) Here's what he said. Before the person cleaned up, the priest said you're clean. Now, because you love that word...now get out and walk worthy of it!! Walk worthy of your calling! Make it sure!

I didn't say you were clean when you clean up. I said you're clean *because* you're cleaning up! I didn't say you'd be clean tomorrow or the next day. I didn't say ten years from now you would be clean. But I said we'll know that you love the prophecy that you're clean because you start cleaning up! Glory! That is the ministry of the second bird. The first bird declared you clean. But the second bird is the one flying in your head everyday actually cleaning you up!

It's that second bird that's been set free in an open field. Do you know what that means? Round and round we go. Right when you're getting ready to do something you used to do, here comes that bird flapping. He'll fly right over you every time. Oh yes he will! He'll drop a little blood on you on his wings reminding you that you are clean. Act like it! YOU ARE CLEAN! Act like it! You ARE clean!

Pastor I don't look clean. I don't feel clean. But YOU ARE !!! It all depends on how you treat that second bird. Everybody loves that first bird, he's dead. That first bird's dead. He don't bother you. He lets you believe on him and be saved. He doesn't fly into your mind when you try to think on something you've got no business thinking on. Right when you were thinking about how you didn't like somebody in the church, here comes those fluttering wings saying, uh uh, you're clean. Right when you decided you weren't going to be used anymore by people, here comes that bird saying, you better die. You better be willing to die for all people.

In verse 9 ...and then he will be clean. Now isn't that something? In the verse earlier, the priest had already declared him clean. Oh hallelujah. Do you remember when I preached about *imputed* righteousness verses *infused* righteousness? What starts off as a prophecy ends up as a condition! You were clean. The cross called you clean. But now, brothers and sisters, if you go through the process of the second bird, you will be clean!!

Yes sir. He speaks those things that are not. The priest declared them clean before they shaved. But it was because they *believed* they were clean, that they started becoming clean. Glory! That's why Paul said you make the blood of Christ an open shame when you trample on it, when you take grace as a license to stay unclean. He said, oh no. He said make your calling and your election sure!

Oh pastor, you told us that we were the elect. God knew us before the foundation of the world. He called us. We're the children of Israel. You told us that already. That's because I was trying to get your crazy mind to quit thinking like a gentile so you would take on the law of the house of Israel! Glory! We haven't even got started...God help us tonight.

I like this. Even though he's clean on the seventh day, it doesn't compare to what's about to happen to him on the eighth day.

10 On the eighth day he must bring two male lambs and one ewe lamb, each of the first year and each without blemish, along with three-tenths of an ephah; about 6 quarts, of fine flour mixed with oil for a grain offering, and a log of oil; about 2/3 of a pint of oil.

Now this is requiring the outpouring of the Holy Ghost. The oil represents the Holy Ghost. I read in my scriptures one place, I can't remember where, but I'm sure it's in there, that in that day, I'll pour out my oil on all flesh on the 8th day, hallelujah!

11 The priest who is to pronounce him clean, shall present both the one to be cleansed, and his offerings, in front of Yahweh at the entrance to the Tent of Meeting.

12 Then the priest is to take one of the male lambs, and offer it as a trespass offering, along with the log of oil. He shall wave both in front of Yahweh as a wave offering.

This is Yahshua the priest you all. Notice what the priest does. He takes the ones who have been pronounced clean and brings them to the tabernacle...to be cleaned!

13 Then he shall kill the lamb in the place where he kills the sin offering and the burnt offering; in a holy place. Just as the sin offering belongs to the priest, so also the trespass offering belongs to the priest. It is most holy.

14 The priest is to take some of the blood of the trespass offering (which comes from that second dove), and put it on the lobe of the right ear of the one to be cleansed, on the thumb of his right hand, and on the big toe of his right foot.

Why? Because every time you look at it, it's to remind you of a bird that's still flying, dripping that blood onto your life. He is your intercessor. He is applying the blood to you every single day, calling you clean until you get clean! Just a taste is all you've got.

Let's quickly move, I'm out of time. Let's go to verse 19.

19 Then the priest is to kill the sin offering, and make atonement for the one to be cleansed from his uncleanness. After that, the priest shall kill the burnt offering,

20 Offering it on the altar together with the grain offering. So the priest shall make atonement for him; and he shall be clean.

I just saw there's a high priest somewhere, and for seven days he's interceding. For seven days, there's a work being done. But on the 8th day— on the 8th day— he shall be clean—the whole world—joy comes in the morning! Hallelujah. Praise God. We must move quickly now.

Now that I've taught you about the two birds. Brother Vaughn, I thought you were talking about abortion. Oh I got so far to go. Hallelujah. Go with me and I'm

going to show you the second bird. Revelation 19. We live in a church age that's focused on bird #1. Hallelujah. You try to bring somebody in to get them cleaned up and they get told that's legalism.

Revelation 19:11-13

11 And I saw heaven opened, and behold, a white horse, and He Who sat upon him was called Faithful and True, and in righteousness He judges and makes war.

12 His eyes were as a flame of fire, and on His head were many crowns. And He had a Name written that no man knew, but He himself.

13 And He was wrapped in a tallit dipped in blood, and the Name of Him is called: Yahshua The Salvation of Yahweh.

I want you to notice something brothers and sisters. Do you see the second bird is flying in an open field right there? He said I saw the heavens open, and here comes bird #2 with his vesture, his tallit dipped in the blood of his first coming.

Now, what does any of that have to do with Joseph? Now that we've explained the two works of Christ, we need now to turn to the two *manifestations* of Christ. Watch the "twos". Remember the two goats? These twos are everywhere.

Now I had to teach you the two comings so you would understand that even though the birds, if you will, were one and the same, they were yet totally different. The first coming of Yahshua was to nail down his genetic claim as a member of the tribe of Judah.

The genealogical record in the book of Matthew says that Yahshua was born of the tribe of Judah, of the house of David. He came the first time to prove his lineage in order to be eligible to receive the scepter to rule the earth. All believers know this but what's not understood is that Christ comes the second time not for the right to the throne, but to establish the throne.

I want to prove this to you, and to do it, we've got to go to Genesis 49. I want to show this to you.

Genesis 49:22-26

22 Joseph is a fruitful bough...

Joseph is a what? A fruitful bough. Judah's not a fruitful bough. Only Joseph.

...even a fruitful bough by a well, whose branches run over the wall,

23 The archers have sorely grieved him, and shot at him, and hated him,

24 But his bow abode in strength, and the arms of his hands were made strong by the hands of mighty Yahweh of Jacob (from thence is the shepherd, the stone of Israel).

25 Even by Yahweh of thy father, who shall help thee, and by the Almighty, who shall bless thee with blessings of heaven above, blessings of the deep that lieth under, blessings of the breasts, and of the womb,

26 The blessings of thy father have prevailed above the blessings of my progenitors unto the utmost bound of the everlasting hills, they shall be on the head of Joseph, and on the crown of the head of him that was separate from his brethren.

Joseph was separated from his brothers. I want you to hear me tonight. Every one that Satan is after right now will be just like Joseph, separated from the brothers of the church. Now you see why Yahshua said who is my brother? He was separated from his own family to prove that he was eligible for the birthright.

Notice all that's promised to Joseph is not promised to Judah. The Jewish people have never fulfilled this. Never. They've never had a bountiful anything ever. Their fruit doesn't go over the wall. Oh no. The Jewish have never qualified for the Joseph blessing.

And Judah, the first coming of Christ, why do you think his little flock is so small right now? He's not yet at his Joseph ministry. Come on now. You see, right now it looks like he's got the smallest thing on the planet. That's because he's still under his Judah anointing. You see? A little flock.

But the Bible said about Joseph, he's going to have so much fruit that you can't even keep it in the walls. It's going to go everywhere when he comes into his Joseph ministry.

1 Chronicles 5:1-2

1 Now the sons of Reuben the firstborn of Israel, (for he was the firstborn, but, forasmuch as he defiled his father's bed, his birthright was given unto the sons of Joseph the son of Israel...

The sons of who? Joseph. Not the Jewish people! The birthright does not go to the Jews. My Lord. You sitting over here admiring “God’s chosen people” and they’re wonderful, I love them. But the birthright doesn’t go to the Jews. The birthright goes to the sons of Joseph! My God from Mt. Zion! They go to the ones that’s in Yahshua the Messiah. They go to the ones that’s part of the seed of Abraham, Isaac and Jacob!! Come on now!

...and the genealogy is not to be reckoned after the birthright.

Oh? Uh oh. *Brother Vaughn, I know I’m from the tribe of so-and-so.* I’ll tell you something. I don’t care what tribe you’re from. You better be in Joseph’s tribe when it’s over with, do you understand? Do you understand me? He said right there...I don’t care what your genealogy says. That’s why Paul said don’t get bogged down in foolish genealogies. Why? Because at the end of this thing...

Only one tribe matters and that’s the sons of Joseph!

They get the birthright. Now the Jewish people get the scepter. There’s a difference. The scepter is where the throne will be established, Jerusalem. That’s a Jew, we got you. But the birthright of that “joy coming in the morning” of the inheritance of all the earth, that belongs to the house of Joseph. Listen to what he says in verse 2.

2 For Judah prevailed above his brethren, and of him came the chief ruler, but the birthright was Joseph’s.)

Now change that word Judah to what it should say. Though the Jews prevailed over the other brothers, and from them came the leader. Who’s the leader? Yahshua! From them came the leader, but the *birthright* belongs to Joseph!

The birthright belongs to Ephraim and Manasseh,
the sons of Joseph!!

Whheehhh! The birthright is the kingdom of God itself. Judah got the scepter. What does that mean? The king would be born of Judah, but the birthright and the sons will be born of Joseph! My God why doesn’t that make you excited?!

You’ve got a birthright. And it’s to rule and reign. That is the birthright with Yahshua. You see, Yahshua is of Judah in that...he gets the scepter. But you get the birthright which means you become equal to rule and reign with the king yourself! That is the birthright. Whew!

Now, Rachel was weeping for Joseph's children. Brothers and sisters, I want you to hear me. The birthright belongs to those who will be identified in Christ. Now we thank God for our natural genealogies. We thank God to know who we are. But I want you to hear me. I don't care if you're from the tribe of Levi or whatever tribe you're in. I don't care. The birthright...if you want to rule and reign with Christ, you will have to come into the family of Joseph. Of Ephraim and Manasseh.

When you understand that that's where the birthright goes, all of sudden you start seeing yourself as Birthright Holder. And that changes you. In a family, if you were the oldest brother, all of the responsibility of all of them comes on you.

Brother Kendrick tells the story of how his father died early, and he became the man of the house with sisters. That changed him. All of sudden, he's not just Frank running around doing what he wants to do. All of sudden, he becomes the birthright holder. All of a sudden, he becomes responsible to be an example to the girls of what a man looks like so they can see a godly man and what he looks like!

When you begin to realize that you're the birthright holder, you'll get so dissatisfied with being saved, you'll get focused on being sanctified! And glorified. Now, since you're the birthright holder, I've got to tell you something now. Rachel is weeping for her children because why? Because just before Yahshua's to return, there's going to be a group of people born onto the earth to take the birthright.

And because Satan knows what time it is...*brother Vaughn, why didn't he do this a hundred years ago...*you don't understand...Satan knows the timing better than you do. He knows how to count to seven better than Christians. Let's see, he counts 4,000, 4,500, 5,000, 5,500, 6,000, 6,567...ahh...it's getting close. So that same spirit that came up in Pharaoh, that comes up in Herod, says STOP IT BEFORE IT HAPPENS! STOP IT NOW!!

Because he knew in 1973 I would be born! Hallelujah, do you understand? To bring a voice! To bring an entire message. If he could've killed me he would have!! Abortion became legal one month after I was born. He was working to even take me out! God knows, and Satan knows, we've got to have every child that's supposed to be born as birthright holders!!

He couldn't kill me in the womb. I wish my grandmother was alive and she could come and tell you. It's in her book she wrote. Go read the story in her book about my birth. Just go read that story. It's in her book. She talks about how my birth was such a miracle. And how that my little 14-year-old mother, 80-something pounds, little girl, was in hard labor (no epidurals in medicine then) for 32 hours. I was stuck in the canal. They said that my mother was in so much pain that my

grandmother said that she wanted to faint for her. It was so heart wrenching what she went through to bear me.

And grandmother tells a story...there was an old prophet in those days from Louisiana, old man, brother Hoyt. She said my mother was about to die. Everybody knew that she could not keep going. And this old prophet, brother Hoyt, she revered him as a prophet of God. And they said that brother Hoyt was told by God to go to sister Gatlin's house. They said that when he walked in he had on a pair of overalls.

She said he walked up to the door where I was being born and she said that he spoke out and said *RELEASE THE CHILD !!!* And she said immediately I came out of my mother's womb that day!! I want you to know Satan was after the birthright holder! Satan is after these children that's going to carry the birthright!!

When I came out, my dad and my grandmother tells that I was black and blue, I wasn't crying or making a noise, and the cord was wrapped around my neck. And they tell the story—all my family knows it. Finally, my grandmother told her to go and breathe into my nostrils. So she was the first breath in my life actually. Amen. Amen to God! It was a prophetic breath. Glory to God! She breathed into my nostrils and I began to live.

But I tell you, when he couldn't kill me there, he tried to kill me from the hands of a stepmother in a tub of water. But I've got news for you. If God's got his eye on you, I don't care who does what. The angels of God surround those that are his!! No devil in hell can stop a birthright holder!

No devil in hell can stop a birthright holder !!

Whew! Hallelujah. Glory to God! And then me and my wife get the Holy Ghost at 4-years-old at the same altar, at the same church, same pastor. I want you to know when your steps are ordered of the Lord, Satan knows it and he tries but he never wins ever. He's after the birthright holder.

So as we now come to the second coming of Christ, and it's going to take me three weeks to get through this, so I'm going to close here. But as we come to the second coming of Christ now, it shouldn't surprise you that the same order that was given for Moses, the same order that was given for Yahshua, is being given for the sons of God that are being birthed in this hour to take the birthright!

It should not surprise you the legalization of abortion in the past few decades. When viewed in the light of scripture, we should understand this is another

attempt to kill the birthright holder at his birth. It's not possible and here's why. It's a mystery God kept secret from Satan. Satan is looking for a little baby boy. But I've come to preach to you tonight—it's not Jesus Christ, Yahshua, that Satan's after this time. Oh no, he knows he can't kill Christ.

His attempt now is to kill the *Body of Christ*. Read 2 Thessalonians 1:10. I've come to tell why abortion has been legalized. You listen to me! Every child that's gone down a drain. Every child that's gone into a waste paper basket. Every little precious child that Satan's gone out to destroy, he knows that among those children are birthright holders that's waiting to take his throne and rule in his place!! He's angry!! I'll show you who these abortionists are after.

2 Thessalonians 1:10

When he shall come to be glorified in his saints...

Ahh. Yahshua's coming the second time in who? He tried to kill the boy 2,000 years ago. But now that he's found out the secret that Yahshua is going to be glorified in the saints, now he said alright Herod, kill them all. Why? Because I didn't know he was going to come in the saints! I didn't know that. I didn't realize that till lately. I didn't know that he's not my problem anymore. He's going to be glorified in the saints !!!

It's abortion time, do you understand? But hey, I'm not talking about real abortion. That's one thing. I'm talking about another abortion in God's church. And oh I'm going to talk about that next time. I can't get to it tonight. But you need to understand the hour we're living in. Let me tell you something. The lies of a preacher are just like the scalpel of an abortion doctor! Do you understand me?! It is abortion happening in the house of God to desecrate, emasculate, the sons of God!

The lies of a preacher will abort your potential to be a birthright holder because you're trying to get to heaven!! Nobody heard what I just said. You've got a king about to be born you're treating like a queen! You've got a king ready to be born and you're trying to tell him like a pauper, he doesn't have a throne—he's going to get a cloud in heaven! NO!!!!!! I want my birthright!

I love what 2 Thessalonians says. He's going to be manifested. Why do you think you've got to meet him in the air? Because it isn't him coming back—it's us coming back. Do you understand? That's why we've got to kill them all. And if we don't kill them in the abortion clinic, we'll send them to the Christian church and kill them in their mind. We'll destroy their desire for a birthright!

We'll have little dead babies sitting in a church. And they're all sitting on a pew, no life in them, no vision for their future. They're alive but they're dead. They're alive but they're aborted! They have no desire for the birthright!

I told you I wasn't preaching about abortion! Yet I am! The biggest abortion doctors in the world are Christian preachers! They tell you...believe on the Lord Jesus and you'll be saved and they're done with you. Like an abortion doctor that brings you almost out the womb and then puts a shot right in your neck. You are powerless! Christianity will turn a prince into a pauper. It'll take a prince's mind and give him a cabin in glory land somewhere as a pauper!

They'll teach you not to think too highly. *Whatcha mean you're going to rule and reign...who do you think you are!* Baby you can't abort me! I know who I am! I know who my daddy is! I know my birthright! You cannot take my tongue out of my mouth! If you don't have a pastor who's teaching you your birthright, you're being "aborted" while you are in church.

He's going to be glorified in his saints. Oh wait a minute, you might have a preacher that tells you that you don't need to worry about getting cleaned up. *The blood makes you clean. There ain't no works.* You see, they're aborting you darling. Can't nobody tell me what holiness is. They're aborting you darling. Don't you understand? You've got so much potential to be an elder brother. You've got so much potential to rule in the family of God!

But because they told you you were just a Christian, you're just a believer, they're aborting you! God is going to raise up a ministry that will deliver kings from the womb of the church! My God, I'm trying my best to tell you who we are! I'm trying to show you who this ministry is. We are calling forth kings from the womb of the church!!

Kings keep the Sabbath day holy. Kings walk on the king's highway! Kings walk under the discipline of tutors and mentors. When I see young preachers who don't want a father in the Lord, that's because they're turning into anything but a king. If you know your destiny in God. I want you to hear me and hear me well.

Some of you are so addicted to your little YouTube preachers who won't hold you accountable, but they teach real good. I want you to know something. Kings aren't learning stuff. Kings are becoming something! Do you understand that? Kings are transitioning to who they are called to be.

Alright, I'm going to read something to you. You're not going to believe what I'm getting ready to tell you. I know I said I was about through, but if I stop now, you all are going to miss this part right here. I've got nowhere to go. Hallelujah. I tell

you if you've got any place to go more important than this you're not a king any how. Hallelujah. No, I'm telling you. If you're sitting there looking at your watch, you're an aborted dead Christian, that's all you are.

King's don't look at clocks. Kings—they learn what they've got to learn. Amen? I don't allow a clock in this church. I ought to forbid watches too. Why? We're on business for the king here. We've got some changing to do. We've got to shave off some beards. Oh yeah, we've got to shave some stuff! Whew whew! We've got to learn how to love one another when we don't.

Please don't argue with me on how you feel about the royal family, but do you know why King Charles is able to sit on his throne? Do you know why? He minded mama for 70 years. Do you know why Harry will never sit on a throne? He couldn't mind mama.

Mama's the church, do you understand? Your mother is the church. You see, Harry is out there fleeing while William stayed right there at mama's house! He stayed on at home learning to curtsy and bow...I'm not going to do that! Of course you're not because you're a bastard, not a prince! They don't think Harry's Charles son anyway. They think he's the bodyguard's baby. He wasn't born with any royal blood evidently. You'll see the difference. Harry chases after Jezebel.

Alright, I want to read this to you now. It's a prophecy in Hosea about the end time.

Hosea 9:11-17

11 As for Ephraim, their glory shall fly away like a bird, from the birth, and from the womb, and from the conception.

Who is Ephraim? We are. From the womb. Our glory. What is our glory in America? Our children. They'll fly away like a bird. They won't be any more. From the womb in America. Right before the coming of Yahshua, this curse would come to America.

12 Though they bring up their children, yet will I bereave them, that there shall not be a man left, yea, woe also to them when I depart from them!

Woe to them when I depart. Here's what you're going to see in America when I depart.

13 Ephraim, as I saw Tyrus, is planted in a pleasant place...

I put Ephraim in the most wonderful continent in the world. I put him in a pleasant place. The United States of America. Him and Manasseh, Britain. I put him in the choicest place.

...but Ephraim shall bring forth his children to the murderer.

Woe! But America! When I send judgment on you, you'll start giving your children to the murderers!

14 Give them, O Yahweh, what wilt thou give? Give them a miscarrying womb and dry breasts.

They're going to have a womb that keeps miscarrying. It's a euphemism for abortion. And dry breasts. No women are going to want to breastfeed anymore. I want to tell you something. All the breasts will dry up because nobody wants to be bothered with being a mama. When I send judgment on America, you're going to see that the breasts are going to dry up. There won't be any more breast milk. It'll all be formula. Fake food.

15 All their wickedness is in Gilgal, for there I hated them, for the wickedness of their doings I will drive them out of my house, I will love them no more, all their princes are revolvers.

16 Ephraim is smitten, their root is dried up, they shall bear no fruit (what is fruit? Children), yea, though they bring forth, yet will I slay even the beloved fruit of their womb.

Uh oh. Uh oh. When I depart from America for a season of judgment, I will no longer protect their unborn children. Hmmm.

17 My God, Yahweh, will cast them away, because they did not hearken unto him, and they shall be wanderers among the nations.

Alright, now I need to talk to you before we get out of here tonight. Divine judgment on Ephraim is coming for sin. Now in Biblical law, in the Torah, judgment always fits the crime. It is meant to correct us by making us eat our own cooking. That's Torah. Judgment? We think of judgment as annihilation. No, no. Judgment is sent for correction, ok?

Somebody said, *brother Vaughn, God's going to have to judge America for the blood of all these children.* You've got it wrong. He judged America when he allowed the blood of all these children. In 1973, judgment came to America. And

when you understand that modern abortion is not going to bring judgment. It is the judgement of Yahweh on our nation.

Now I've got to go back further than that, and I'll come right back to this. This is about to get so good. Listen, you've got to hear what I'm about to tell you. Let's go back further than abortion and I'm going to show you where the judgment on America started. Now I've got good news tonight. His name is Donald Trump and Yahshua the Messiah, so hang tight.

Here's when judgment started in America. Mystery Babylon gets it's power and it's ungodly laws from a succession of Babylonian empires that Daniel saw in the book of Daniel. These empires were to rule the world until the sons of God were ready to take over the earth. In 1914, which if you add those numbers up, it comes out to 15. ($5 + 1 = 6$). So in a 6-year...1914...something was created called the Federal Reserve Act.

President Wilson signed it into law in 1914. It was the beginning of the judgment of God on America. It was exactly (in 1914) 2,520 years after Babylon became an empire. It's still an empire, Babylon. Mystery Babylon.

Now, Woodrow Wilson signed the Federal Reserve Act in 1914, and then in 1916, let me tell you what followed. Now you're not going to think anything about it at first till I show it to you in the Torah. In 1916, something called the 16th Amendment was established. And what did that do? It created what? Income tax. The most illegal tax in America.

It laid the foundations for the wooden yoke that God was about to put on America. I want everybody to tell me in this room if you didn't have to pay income taxes what kind of life you could have. Your founding fathers would turn over in their grave if they knew you had to pay money for working. It's illegal. The income tax is illegal. That is *your* money for *your* work!

What if you went to work for me tomorrow brother, I sent you out there to work and you made \$100 and I took \$60? How do I have the right to take your work money? The founding fathers feared that that day would come. Because in America we didn't pay income taxes for almost 200 years—until Mystery Babylon was sent by God to bring judgment on the workers of America.

I've got to write a \$30,000 check to the IRS and I haven't wrote it yet because I'm crying over it. I could use that for God's work. The income tax was the beginning of God's judgment on the workers of America! Now if you don't believe me, that's your mistake because I'm ready to prove it to you.

The Federal Reserve System is the head of the modern worldwide financial empire—the Federal Reserve System. You may not know this, but there’s nothing “federal” about the Federal Reserve System. Our government has to beg for money from it! Stay with me. I know it’s late, but I don’t care.

The world financial empire is a private banking corporation run by a secret coalition of kings of finance that are Class A stockholders in that private corporation. Even the U.S. Congress is not allowed to know who sits at the top of the Federal Reserve Bank. As a matter of fact, in 1970, Fed chairman Arthur Burns refused before Congress to tell them the names of the head of the Federal Reserve. Go study it. He wouldn’t give them their names.

The 20th century was the century of our Babylonian captivity. Just like in Daniel’s day, it was a great financial success. Many had become wealthy because of this system—just not you. Watch carefully. That system is competing directly with the kingdom of God that’s coming to earth—when every man will not have a Federal Reserve bank where everybody at the top is getting rich. But every one in the world will walk in the abundant blessings. That day is coming.

I want you to understand what I’m telling you right now. It’s competing with the kingdom of God for the inheritance of the birthright. If we’re going to rule the world, and they are ruling the world, they’re our competition. They want the birthright in order to rule the world, but it belongs to Joseph’s children.

The world empire conquered America in 1914, and then it’s used American troops and money to gain control of the rest of the world! It is the Federal Reserve that pays for every war. It is these people that finance war. They’re making so much money off of Israel right now—they love war—they control the world.

Now, here’s what you’ve got to understand. When they conquered America, they took our troops and sent them all over the world. And now they control the world because America is broke! Do you all not understand? America has no money. I want you to think about that. We’re more broke than you all are. America is broke!

When I see all this money we’re sending overseas, and I’m like, we don’t even have any money—whose money are we sending? Private banker’s money that rules our government!

Now what does this have to do with the coming of the Lord? Everything. Babylon is falling. Here’s what you’ve got to understand. They now have taken over the world with our troops, but I want to show you just like the Bible said. That system is crumbling. *What do you mean brother Vaughn?* The value of the dollar’s

dropping like a rock. And the nation's are becoming to discontented to keep under their control now.

The bankruptcy of this system is what will bring in the Kingdom of God. And it's about to happen. It's about to happen! When this system goes bankrupt, it will usher in the Golden Age of the Kingdom of God.

Now, how's that going to happen brother Vaughn? What's going to happen?
See, you've got to stay with me. I'm sorry. It's late now that we've done passed the tired threshold, we might as well just push on through. Amen? Hallelujah.
Because I was tired a minute ago, but I'm not now.

In the Torah, there are two laws of captivity. Everything goes back to Torah. I'm not going to read it to you, but in Leviticus 26, you'll read the laws of captivity. And in Deuteronomy 28. It tells the reason why God will take his people and put them in bondage.

America! You above all nations have known the law of your God. You, above all nations, know the Gospel of Yahshua the Messiah. And you, above all nations, will be held to the highest account for what you know, and we've allowed. America has violated the law and the will of God, and for this reason, God has put us as a nation into captivity.

He does so because our forefathers made a covenant with him knowing full well that if we ever forsook God, he would bring judgment upon the nation just like the did the house of Israel. There are two forms of captivity. Deuteronomy 28:48 and I'm not going to read it...I've got to roll.

Deuteronomy 28:48

Therefore, you will serve your enemies, whom Yahweh will send against you, in hunger, in thirst, in nakedness, and in dire need of everything; and He will put a yoke of iron on your neck, until He has destroyed you.

The first one is called a yoke of iron. Do you know what a yoke of iron does? It's put on an ox so that the ox can serve it's master. It's defined as conquest, destruction, and removal of people into a foreign land. There are two measures of captivity that Yahweh mentioned in the Torah. The yoke of iron is when they would come, put you all in handcuffs—that's the yoke of iron—and march you to Babylon as slaves. You would leave the land. I'm glad to tell you that's not the yoke of iron America's under yet. Listen now. Hallelujah.

There's another yoke. You can read about it in Jeremiah 28:13. It's called the wooden yoke.

Jeremiah 28:13

Go and tell Hananyah, saying; This is what Yahweh says: You have broken the yokes of wood, but you have made yokes of iron in their place.

Yoke of iron. Yoke of wood—that's a lighter form of captivity. Under the yoke of wood, you can read that what happened to the people, if they got the yoke of wood from Yahweh, they were allowed to stay in America. They were allowed to stay on their land under the wooden yoke. But they were placed under taxation. Are you listening?

You were allowed to stay there, but the empire that took you over, they put such a burden of taxation upon the people, that you're now taking your hard-earned money and giving it to a government. That's when a wooden yoke gets put on a nation. That's when you go to work and you're working half for a government that does nothing for you.

Imagine sister, if you could take a full check home. But you see, in 1914, Yahweh called for the wooden yoke to be placed. American workers, when they were serving God, paid no income tax. They got every dollar they worked for. Now they paid taxes on things they used as the founders said. When you buy things you would be taxed, but not on your labor. It's ungodly to tax your labor. That's what happens to slaves. I'm trying to show you when the wooden yoke came on the nation.

God brought judgment on America and he put us into tribute to this Babylonian Federal Reserve System that we're all slaves to now. Part of the wooden yoke judgment. There's another part to it. The protection of your children is taken away. If you were under an iron yoke, like China, there'd be forced abortion—only one child. But under the wooden yoke, abortion is just allowed voluntarily. I know it's late. I just need you to hear me. Keep in mind while abortion is bad in America, if we were under the iron yoke, it would be forced upon you.

God has judged America. *How do we know he's judged America?* From the millions of children that are dead. In 1914, he taxed us. In 1973, he took his protection away from our children. I'm teaching you something about abortion you never thought of. You thought it was abortion bringing judgment. I've come to tell you abortion is the judgment.

God judged America with a wooden yoke. And why does he give a wooden yoke? To keep you out of the iron yoke. It's his warning that if you think this is bad, keep going the way you're going, and you'll find the iron yoke. God said in Deuteronomy 28:4, 18, listen to this.

Deuteronomy 28:4, 18

4 If you obey my law... **Blessed will be the fruit (offspring) of your body...**

18 But if you don't obey me... **Cursed will be the fruit (offspring) of your body...**

In 1973, Roe v. Wade legalized abortion. This was a prophetic time-marker because it was 2,000 years after Yahshua's abortion command went forth.

Now I want you to see something now. Thirty years later, right after that, when Roe v. Wade went into place, I want you to see something that happened all of a sudden by President George Bush. He signed a law on November 5, 2003 that banned partial-birth abortion. All of a sudden things began to change in America.

Listen guys. I want to ask you a question. Did anybody in this room ever believe or dream that you would ever see Roe v. Wade ever overturned in your lifetime? I've come to tell you something tonight. I've come to tell you that judgment doesn't last always! I need you to hear me now. Oh hallelujah! I'm about to show you something now!! Hallelujah!

In November of '03, all of a sudden George Bush signs a ban on partial-birth abortion in America. The judgment is being slowly lifted. Glory to God. In 2006, South Dakota passed a law banning all abortions. What's happening? For 50 years we couldn't get anything done with abortion. All of a sudden—and the world's more wicked than it's ever been. How? What's happening?

I'll tell you what's happening. The wooden yoke always comes before the iron yoke! Listen to me now. Whew! What we're seeing ladies and gentlemen is a pattern emerging for the ending of the judgment on America. I want you to hear me! You listen well. You were born to live at this time...ooh, hang tight!

Now go with me to 2016. Find a man who had no support from anybody, going up against the Clinton machine. He was 11 points behind on election day. Hillary's speech was already planned. (I'm trying to tell you when God raises up a man why he does it! I need you to bear with me now.)

There's no way Donald Trump could win! NO WAY! If you think they cheat at the polls, Yahweh cheated a little bit at the polls that day too!! Hey!! God knows how to work those machines like they do!

God took a man and put him on the throne. And this man, out of every president in history, was the only one in a 4-year window that appointed 3 Supreme Court Justices! The only one! Ginsburg dies right at the last minute of his presidency. Jezebel gets off the throne. Why? Judgment. Our 50-year judgment's coming to an end.

Watch this! God raised up a man and he said...oh guys have you ever thought...I don't think we realized the miracle of the overturn of Roe v. Wade. *But brother Vaughn, it didn't get rid of abortion.* And it never will. But listen to what it did. It took Herod's name and Pharaoh's name off it federally—so the government is sanctioning it!!

God raised up a man who appointed three judges that, without those three, our children would still be dying today. I want you to hear me and hear me well. The first 6 months of this year (2023), God used Donald Trump to save 32,000 of our children. 32,000 of our children are alive today because the judgment was ended with Roe v. Wade!

Now, what does that have to do with where we are now? I want to tell you what it has to do. The judgment. When God gave us his servant as president, it lifted a judgment from off our nation, and it opened a window of opportunity for what? It opened a window of opportunity for 2 Chronicles 7:14.

If my people will now turn from breaking my Sabbath, from forsaking my holy days, from eating what they want to eat. If my people will turn. I thought to myself because the Lord's been given me all this this week. I said now help me now. What about Biden? He said oh no, you don't understand. If I wouldn't have allowed it to happen that way, I wouldn't have had as much time for Trump to come back and for my people to get it right!

You see! Oh, hallelujah. Listen now. Oh, glory to God! And I said, oh Lord, I'm sorry Lord, but if this is our window to keep the iron yoke off of us because that's what's next...if this is our window...and Trump is coming back to keep that window open so we can restore some kind of godliness to the nation, I said Lord, but here's the problem.

I said, but America's still not turning. He said, my son, listen to what I said. He said since that day that Trump was removed, my people have turned from their wicked ways! They have begun to turn all over this nation! The turning is now! The restoration is now! The window is open. It is time for the church to turn to the commandments of Almighty God!! Hallelujah!

God told me, if *my* people. If they're just saved people, they're just walking in rebellion. He said look...look at your stack of letters. I went to the post office. He said look at that stack of letters. That's people who are turning from their wicked ways! That's people who are taking their foot off of my Sabbath.

He said that's not too late. He said all I need is my people to just start obeying my law, working on my commandments. I will open the windows of heaven and pour out a blessing on this nation!

The window is open !!!

All over this nation, people are beginning to turn. It didn't say sinners would get saved. It said my people would turn. *But brother Vaughn, what's wicked about?* When you break those, that makes you wicked. But he said I'm opening a window now. I did it with the rise of Donald Trump and the removal of abortion.

I want to declare to the world and all you left-wing lunatics. I want you to hear me and I want you to hear me well. You can cry about it. You can scream about it. And you can moan about it. But abortion is no longer authorized by the government of the United States of America! The window is open. The curse has been lifted for revival! And the time is now! This nation is depending on God's people to turn from doing it your way.

I've kept you long enough tonight. God help you for sitting this long. Ooh, hallelujah. Glory, glory, glory. May the weight of this message rest upon you tonight. May it rest upon you. May the weight of it...the responsibility of it...saints you hear me, you have been called for this window.

The reason God's called us to stand right now, he doesn't want to put that ox, that yoke of iron—he doesn't want that for this nation. But if we don't get it right, I prophesy...if we don't get it right as a church right now, you will not recognize this nation in the next 10 years. This is our last window for Yah's people to turn. He doesn't need for your neighbors to turn.

If you're watching me right now and you're a believer in Christ, and you're walking in rebellion to his word...he is calling his people to quit rebelling against my law. It's on you now. He said it's not on me. I'm holding off on the yoke. It's on my people to turn...pray. He said if you'll pray, seek my face, I won't let that level of judgment come.

We've been under a level where our government authorized the killing of our children, but not any more! Hallelujah. Hallelujah. To Yahweh be the glory. Hallelujah! Hallelujah!

Brother, would you play that song for me. Holy Ground. I really believe that right now, we're in a special moment where the Lord wants to touch your heart tonight with this message. I know he gave it to me all week in a hotel room by myself. And I've not even got started. I've got a ways to go with this message of the Manchild.

But I want you to know saints of God, these families and people right here, when they moved here, have turned from their rebellion. That is my people turning from their rebellion to say...do you know what God...I'm going to a place that I don't know, but I'm going to learn how to obey you, how to walk in your ways.

Folks, that's a revival! That is a revival, and it's happening all over the world. It's happening! My mailbox is full! God's raising up people who are walking in holiness. Let's all just come and stand together and ask the Holy Ghost to just put the weight of this moment upon us.

We are standing on holy ground
And I know that there are angels all around
Let us praise Yahshua now
We are standing in his presence on holy ground

We are standing on holy ground
And I know that there are angels all around
Let us praise Yahshua now
We are standing in his presence on holy ground

For surely the presence of the Lord is in this place
I can feel his mighty power and his grace
I can hear the brush of angel's wings, I see glory on each face
Surely the presence of the Lord is in this place

Oh surely the presence of the Lord is in this place
