Part 9

“The Seed of God Vs. the Seed of the Serpent & the Mixed Multitude”

By Pastor Shane Vaughn, First Harvest Ministries

The title of today's lesson is “In Search of the Seed”. We're going to search today for the seed. Yahweh loves seed. Why? Because seed has life in it. The only thing on earth that contains life is the seed. And that's why Yahweh forbid the mixing of the seeds. I would like to start there today if I may. Let's go to Genesis 1:12 and we're going to find out one of the primordial commandments in the scripture.

Genesis 1:12

And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind, and God saw that it was good.

So the first thing that we see here is that every seed must produce after it's own kind. I don't care what anyone tells you, Yahweh puts a difference between people and things. Some things are considered holy, others are considered unholy. You can't mix together unholy seed with holy seed. You cannot mix that together. Deuteronomy 22:9. We're going to find this in the Torah—how much Yahweh hates mixture.

Deuteronomy 22:9

Thou shalt not sow thy vineyard with different seeds, lest the fruit of thy seed which thou hast sown, and the fruit of thy vineyard, be defiled.

Listen ladies and gentlemen, if you plant two seeds together, one's good and one's bad, the bad will overtake the good every time. You must be very careful on this journey out of Babylon to know which seed you are part of. Ladies and gentlemen, there are two seeds in the earth. Only two. You can find that story in Genesis 3:15. Yahweh said that the woman would have a seed and the serpent would have a seed. That's the only two seed lines in the world.

One seed line would be identified by the word rebellion. And the other seed line would be identified by the word obedience. There are two. Serpent seed is the rebellious. The seed of God is the people of obedience. Never forget that. Never forget the two seed lines because brothers and sisters, you are one of the two.

Now notice something about these seeds. They grow up in the same garden. They grow up in the same church. But they will always identify themselves by their fruit. And what are the two fruit? What did I just tell you are the two identifying traits of the seed? Someone tell me the two fruits. *Rebellion and obedience*. Right. That is always the telling sign of what seed line you are part of.

So today we're going to find out if you're serpent seed or if you're the seed of God. Listen, if you're serpent seed, you'll be just like your father the devil, rebellious. And you'll know that and it will come out. All's we need is a little time and it'll always come out.

Abrahams' Seed Must Be Properly Understood

All Israelites cannot properly understand your identity without knowing the truth of THE SEED. Where do you come from?

You must know that Israel of the New Testament, and this is very important, is the exact same as they were in the Old Testament.

There is a thinking in Christology, in Christianity, that the Israel of the Old Testament is not the same as the Israel of the New Testament. That thinking must come out of your brain. That's called replacement theology and it's dangerous. You have to

know today, and I'm going to teach it to you, that the Israel of the New Testament is the exact same seed line as the Israel of the Old, and you need to be assured of that.

In the New Testament, the seed of God are real humans that exist around the world on planet earth today. And they did not change into some new entity when Christ died as taught by Christianity. Follow me closely. The natural seed was not replaced by a spiritual seed but rather a **spiritual seed GREW OUT OF a Natural Seed** and that SPIRITUAL SEED will be reunited with that NATURAL SEED.

I hope you heard what I just said because the Holy Spirit taught this to me all night last night. The natural seed line of Israel will produce the spiritual seed, but it will be the spiritual seed that will give life back to the natural seed. Does anybody follow me? Yes. Alright. You've got to understand who Israel is. If you're watching today for the first time, your life will change, your mind will change, your thinking will change, when you can tell me the difference between a Jew and

an Israelite. Your mind will change when you can tell me the difference in the state of Israel and the house of Israel. Somebody tell me the difference in the state of Israel and the house of Israel. *The state of Israel are the people of natural Israel. The Israelites are the twelve tribes.*

The state of Israel is a “state” over in Palestine that has the tribe of Judah there. But that is not the “house of Israel” because after these were separated the house of Judah was not referred to as the house of Israel any longer. They were referred to as the house of Judah. The northern tribes were referred to as the house of Israel.

You have to know the difference. If not, you will lose yourself in the New Testament. The reason very few people are qualified to teach the scriptures to you is they do not know this basic unit or key of Bible interpretation. The state of Israel in the land of Palestine, in the land of Judea, is not the house of Israel. The house of Israel is scattered all around the world primarily in the nations of Great Britain, America, Canada, Australia, Scotland, Ireland and many of the Commonwealth nations. You need to know that basic Bible fact today.

Now someone tell me the difference between a Jew and an Israelite. *They are both the seed of Abraham, of Jacob. They're all Israelites, but the Jews are the tribe of Judah.* Ok are Israelites Jews? *No.* There we go. And if you don't know that difference, you can't interpret the Bible, it is impossible. Every prophecy teacher you listen to, if they cannot answer that question (I promise you they can't) then they're not qualified to teach you the scriptures. That is the key and you must know today who you are brothers and sisters.

Let's look at the Total Overall Plan of Yah

I want to go to Psalms 147:19-20. I want to look at the total overall plan of Yahweh in these two verses. This is going to get very intense today so make sure you take good notes.

Psalms 147:19-20

19 He shows his word unto Jacob...

He shows his word to who? *Jacob (Israel).* I want you to hear what Yahweh just said. The only people he shows his word to is Israel. Can you all let that sink in? The only people Yahweh shows his word to is Israel. Finish reading that and I'll break that verse down.

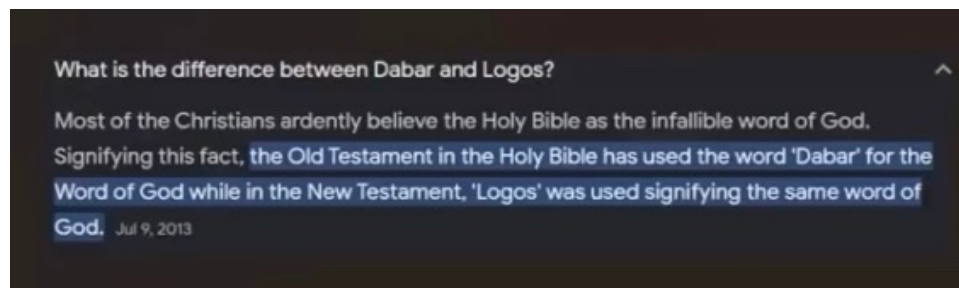

19 He shows his word to Jacob, his statutes and his judgments unto Israel.

20 He has not dealt so with any nation, and as for his judgments, they have not known them. Praise Yahweh.

No other people besides Israel has known the judgments, the statutes—none of them were in a covenant with Yahweh except the natural seed line of Israel. Now I want to break this verse down for you. Let's go look at it. Psalms 147:19.

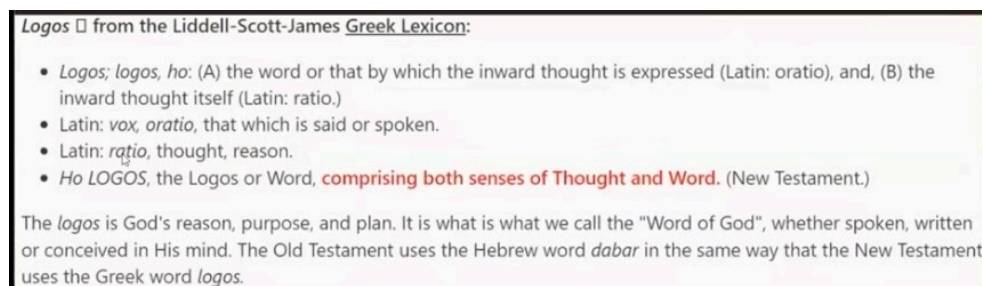

He shows his word to Jacob (Israel). What is the Hebrew word that I've taught you a million times? It is what? *Dabar*. Dabar is the Hebrew word for *word*. Whenever you begin to study the word *debar* you're going to find out it means "a speech or a collection of thoughts that make a speech, thoughts turned into words". And so here is what Yahweh tells them.

Let me show you a few things here to help you understand this better.

It says what is the difference between Dabar and Logos. So, in other words, in the New Testament, *Dabar*, the equivalent is *Logos*. Most of the Christians believe the Holy Bible is the word of God signifying this fact. The Old Testament in the Holy Bible has used the word Dabar for the word of God while in the New Testament Logos was used signifying the same word.

Now let me show you the meaning of Logos. It's important that you understand this because if not you will not comprehend John 1:1 and you'll misinterpret like everybody else does.

Let's look at it. Logos: "the word or that which the inward thought is expressed, the inward thought, that which is said or spoken". But look at the third Latin meaning. *Ratio*. "Thought or reasoning". Where do we do our reasoning at? In our minds. Thoughts are formed in the mind. Words are thoughts expressed. The Logos is Yahweh's reason, his purpose, and his what? *Plan*. It is what we call the word of God whether spoken or conceived in his mind.

The Old Testament used the word Dabar in the same way the New Testament used the Greek Logos. Ladies and gentlemen, the word Logos is best understood as THE PLAN OF YAHWEH. A plan that started in his mind and was spoken forth in a speech from his lips.

Now let's go back and read Psalms 147 and read it with those interpretations. Let's see what Yahweh is truly saying.

Psalms 147:19
He shows his plan unto Jacob (Israel)...

The only people who know the plan of Yahweh is Israel. Why? Because the plan is hidden in the what? In the feast days. Come on now. Can I say this? No Christian, no Baptist, no Catholic, no Pentecostal, knows the plan of Yahweh. Did you all know that? No Mennonite, no Amish. Nobody knows the plan of Yahweh except for Israel. Because why elder? Only Israel keeps the Sabbath and the feast days.

And the entire plan that's revealed to Israel starts with Passover and ends with the Last Great Day. Contained within those feasts is the plan! Yahweh only reveals his plan to Israel. And that's you! Listen, there is no one in the church you came out of who knows the plan. I want you to grasp that. They know the cross, they know the Holy Ghost in the Pentecostal church, and they know maybe the second coming they talk about once a year maybe.

But what about after the second coming? That's when the plan gets started. And nobody knows anything about it. Glory to God. Only Israel knows that plan. And brothers and sisters, he said I've not told this plan to any other nation or any other church or any other people. Why? They have the seed of the serpent. They walk in rebellion. They won't keep the Sabbath so they cannot know the plan, I can't trust them with it. They do not keep the feast days. I cannot trust them with the plan or the secrets of that plan.

Ladies and gentlemen, for those of you who don't believe in joining a secret society, you're part of one. Hallelujah. Ha, ha, ha! *That's right. Amen. The spirit of obedience.* Amen. The spirit of obedience is where the plan gets revealed.

Brothers and sisters, you need to read that scripture over and over. He shows his plan to Israel.

Now let me tell you something about that word Dabar. DABAR in the Hebrew. Where do you think the word abracadabra comes from? From that word Dabar. Dabra = Dabar. And what does abracadabra mean? Satan has perverted that word for magicians. But the word abracadabra means:

“I create my plan as I speak.”

So in other words, ‘my plan is to turn this rabbit into a butterfly. That’s my plan up here (head), and it’s going to happen when I say abracadabra’. Dabar is when Yahweh’s plan is spoken in the Dabar and I create my plan as I speak. Amen? And that’s where Satan gets abracadabra. He knows the power of that word Dabra (or Dabar which is the same word).

He knows that the plan is revealed unto Israelites. And brothers and sisters, the reason that Satan tries to stop my voice, and the reason people fight me over the stupidest stuff is because—Satan does not care if we know the plan. But oh when we begin to declare the plan, when we begin to advertise the plan, when we begin to voice the plan, when we begin to create the plan, when we preach about the plan!

That’s why the Bible said ‘I sought for a man to stand in the gap because I know the plans I have for you, but I need a man who will bring those plans in the earth as they are in heaven—in the Dabar word of God in your mouth’. The Bible said the word of faith is even in your mouth. Brothers and sisters, we create what God says when we say amen to it, and when we preach it, and when we declare it, we become the ABRACADABRAS of God !!!

Life and death in the power of the tongue. That’s exactly right. The power of life and death is in that tongue. When we begin to tell men and women you must keep the Sabbath, you must keep the holy festivals, we are advertising now what Satan has hidden in the Catholic Church, in the Protestant church. They took the plan and did away with the plan.

Oh, but that plan has never died. Yahweh’s always had a remnant who was declaring the plans of God, and those people are Israel! Hallelujah. Glory! You are the abracadabras of Yahweh! Glory, glory, glory. Tell your local magician you want the word back. If the pagans want their stuff back, we want our stuff back! Hallelujah. You can have your Christmas, give me my abracadabra. Glory to God. Hallelujah. Dabar—learn that word. Learn that in the word is where the plan is.

For example, let me show you all something. There's a secret drawer right here in my house. I've never shown you all this before. Today's a special day for you. There's four envelopes, my most prized possessions in the world. You can take my bank account, but don't take these. Why? This is every paper I wrote sitting in prison 20 years ago. I want to show you something when God arrested me and changed my life.

You see these two notebooks? One day when I'm dead and gone, you all can put them in a museum. This is where the message—everything I teach to you is handwritten by my hands day and night, night and day where I wrote this message in these two books. In those two books is where it started.

But there's something I want to show you here. Hallelujah. By the way, the other night did anybody see me posting all these thoughts on Facebook one after the other and they were a little bit unusual for me the way I was posting them? I was reading these books, the thoughts Yahweh was giving me in prison. Yeah for those watching 20 years ago, I did something I regretted the rest of my life and if you can't handle it I'm so very sorry. It's my testimony.

I want to show you all something. *Why you're here today*. Amen. Hallelujah. It changed my life. Glory, glory, glory. I want you all to look at this page right here. When I was sitting there these words came to me. Let's see if I can zoom in on it. Can you all see those words? *First Harvest Ministries*? The Father spoke to me. I'm going to read to you what he said when I was at the bottom, when I had nowhere to go. When my life was over, he said...

You will create a movement. I will use you to call forth a covenant people. They'll be known as the First Harvest.
They will declare the love of God, the law of God, and the life of God. They will be a millennium ministry.
And then you will create a national church that you will name. (He told me the name of it and I'm not releasing it yet, one day I will) And then he told me the name of our TV program, the Hope of Israel. And on and on and on.

Brothers and sisters, that was nothing but a thought. What you're looking at on your screen today started right here (head), as a thought from God. I want to tell you something. If you ever underestimate the power of a seed-thought from God, you've just wasted your whole life if you don't listen to those seed-thoughts of God.

And that thought came to my mind and when it did I wrote it down. When I got out I began to speak it. When I married my wife Karen, I would tell her what God

was going to do one day. That's when we had three or four people sitting in our church. I was making video after video after video that nobody was watching for years. And my wife said...honey before I met you—my wife's got a notebook too. And guess what's written down in that notebook. The same thing. We didn't know each other. I said we didn't know each other. *Hallelujah*.

She's writing the same year I'm writing. Both of us writing in a book. *Hallelujah*. And she knew nothing about the Sabbath day, nothing at all. And guess what's written down in her book. "You will keep my Sabbath". That's when she was just a Pentecostal girl, knew nothing about the Sabbath day. "You will keep my Sabbath".

And then, guess what else is written down in her book. "You will reach the nations through cameras but it will not be television". Now she told me that when we first married and we argued over that because I said...honey the only way you're going to reach the world with cameras is on television, ha, ha, ha. I had no idea about these little cameras coming because of Covid and what God was going to do to reach the nations.

In other words, I'm trying to make a point to you today. Every plan of Yahweh begins as a thought. And when you put an abracadabra to that thought, when you put a debar out of your mouth, you create the plan as you declare the plan! *Hallelujah!*

She said to me years ago...and our ministry will be like an underground railroad. We had no idea about what that meant at the time. And here you all are at different stations all over the world hiding out today in this "underground railroad". *Hallelujah*. To Yahweh be the glory for the things he has done. I told the elders at the elder's retreat. I said...brothers you all not ever need to worry about me getting a big head ever. I said...do you know why? Because there was nothing I did to create this. Yahweh used my preaching, but it was strictly by the sovereign hand of Yahweh. I could never take credit for it. I could never think—he did it so sovereignly.

You know, some men build great churches over time, and they could look back and say...see what I built. But Yahweh built this one overnight, and he said to me...see what I built! *Hallelujah. Hallelujah. Amen. Glory!*

Pastor that story sounds so much like Joseph when he was prophesied to become the king, but he had to be "put in the ground in prison" before he was raised and became a king. But notice what he did brother. He told the plan. He told his father and his brothers...I'm going to reign over all of you. He was the abracadabra of God. He created as he spoke. That's why Yahshua said...

everything I do I don't do on my own. I do as my Father speaks it. I just declare it. Hallelujah. Amen.

Let's continue now. You all it took me all that time to teach one line. Hallelujah. Glory. Hebrews 8:8. I'm going to show you that the New Covenant can only be made with whomever the Old Covenant was made with. I want you to hear me ladies and gentlemen, brothers and sisters. When we get into the New Covenant you need to understand who that New Covenant is given to and who it's not.

Hebrews 8:8

For finding fault with them, he saith, Behold, the days come, saith Yahweh, when I will make a new covenant with the house of Israel and with the house of Judah.

Who is the new covenant for? *House of Israel and Judah*. Not one Gentile is part of that covenant. Not one. Did you know that? Those of you who grew up in Christianity, did you know when you're walking around screaming...I'm a new covenant believer—not unless you're an Israelite you're not. Because the new covenant is not for Baptists, it's not for Catholics, it's not for anything except an Israelite. And when people tell you...*well I'm not a Jew, I'm not an Israelite...* then don't dare claim to be a new covenant believer because the New Covenant was created with the exact same people that it was created with in the Old Testament. The natural seed line of Abraham.

I want you to let that sink in today because most people don't grasp what I'm saying, they truly don't. The promises of the old covenant was made to the fathers. Who are the fathers? *Abraham, Isaac and Jacob*. Amen. The covenant was made to them and their what? *Their seed*. That's right, their seed, their descendants, their children. But brothers and sisters, the new covenant is given to the exact same people. Quit over-spiritualizing this new covenant. There is no new covenant for a Greek or a Gentile or anyone. Only the House of Israel. You need to know that or else you'll be deceived in the last days.

Have you heard of the middle wall of partition? A lot of people talk about Jesus came to destroy that middle wall of partition. They think that's between the Gentiles and the Jews. No, no, no. That's between the Jews and the Israelites. You can learn all about that wall of partition in the book of Isaiah. I believe it's chapter 11 for those who want to study that.

So with that said, no group of people who have not broken the Old Covenant needs to be redeemed under the New Covenant. I'm just going to let that percolate in about five minutes somebody may get what I just said. I'm going to say it again. Only the people who broke the Old Covenant needs redemption

under the New Covenant. Oh my God from heaven help me. *Hallelujah. There it is.* Mmmm. The Bible said he reveals his covenant and his word only to Israel, his statutes and his judgments. That natural seed line of Abraham or the only people on earth that ever broke that old covenant. Anybody else who was not Israel never broke a covenant because they were never part of a covenant.

So therefore the only ones who needed to be redeemed from breaking the law were those who were UNDER the law, and Yahshua said...I only came for them! Come on now! Nobody else needs redemption except those who have broken the law. And the only way you can break the law—as a matter of fact, there's something that's called the law of lenity. You're going to see that in Donald Trump's coming immunity trial. It's called the Law of Lenity.

Alright, the law of lenity, or the rule of lenity, simply means if the law is unclear (you all mark it down, you heard it here first before I teach on it on Toto's show). You're going to see the Supreme Court go to the rule of lenity. That's how they're going to crawl out of this mess, watch what I'm telling you. The rule of lenity says if there is ambiguity in the law, and there is in the 14th amendment—there is ambiguity. What does that mean? It's not real clear.

Presidential immunity? Ambiguity. It's not real clear. The rule of lenity says if the law is not clear that everyone has a right to be warned that something is wrong before they can be condemned for it. The rule of lenity says if there's ambiguity in the statute, you must rule in favor of the defendant.

Let me tell you how Trump's about to win in the Supreme Court with the rule of lenity. Do your own research. The rule of lenity. And you'll be ready for my show Tuesday night. The rule of lenity. If you or I go to prison, or jail, or before the court, and they try to put us up on a rule, and that rule is really hard to understand the way it's written, it's not clear, they have to rule in your favor. That's what's about to happen in the Supreme Court. Watch what I'm telling you.

And that is what happens for anyone that the covenant or the law was not made clear to. Come on now. It says in Psalms 1:47 he only gives his word to who? Israel. His statutes and his judgments. So if he did not give them to the rest of the world, they get the law of lenity. It was not made clear to them. They get the last great day. They get the great white throne. That rule of lenity applies.

That's why Yahshua said it would be more tolerant for them at the judgment, for Sodom and Gomorrah than the Jewish people. He said to him that knew not to do good and did not do it, he gets the law of lenity. Israel is without excuse and some of you sitting under my ministry are without excuse, there's no second chance for any of you darling. No, no, no. There's no law of lenity for anybody in this room

today because it's been made clear who you are. Oh hallelujah. Oh you're sitting in the most dangerous class you've ever sit in because week by week we're taking away your excuses by the word of Yahweh. Amen. It's time to get over your petty grievances. It's time for some of my local church members to get over some of these little petty grievances and get on with it. We've got work to do! This is a national church not a local church. Hallelujah. Thank you Father. Oh blessed be the name of Yahweh.

I want to explain to you before we read Galatians 4:4-6, 28. I want to teach you something now. We're going to get into something very interesting. The word Christ is not the last name of Yahshua, ok? All your life in the Christian church we always said Jesus Christ, almost like that was his first and his last name, ok? Christ is not the last name of Jesus.

You've got to know that. Why? Because when you read your Bible your translators made a dreadful mistake. They capitalized the word Christ every time it's written. And when you read it, you automatically assume it's talking about Yahshua. If that's the case, how many false Christs arise? Amen? Hallelujah.

Christ is NOT the surname of Jesus/Yahshua

- We have been conditioned to think CHRIST is the last name of the Son of God. And therefore anytime we see the word – we PRESUME it is referring to the MAN, Yahshua.
- **Christos** – simply means ANOINTED and what does anointed mean? SET APART or HOLY - SEPARATE
- **Gal 4:4-6 & 28**
- **Heb 11:26**
- **2 Cor 6:15**

Alright, I lost you. Let me say it again. If Christ is Jesus, then how can many false Christs arise? Alright. Let's do this. Let's read Galatians 4:4-6, 28.

Galatians 4:4-6, 28

4 But when the fulness of the time was come, Yahweh sent forth his Son, made of a woman, made under the law,

5 To redeem them that were under the law...

Hold on, what did we just read? Yahweh sent his son to save ONE GROUP OF PEOPLE. Those who were UNDER THE LAW. Whew! Do you see that? He only came to redeem the natural seed line of Abraham in this first harvest. Now in the next harvest he'll get the other nations. But right now, in the age of the church, if you will, he is only redeeming those who needed to be redeemed. And that was not everybody on earth. Only the lost sheep of the house of Israel.

How much plainer can it be? You just sat there and read that Yahshua came to redeem—somebody say one group of humans. *One group of humans*. Boy the church hates when I teach like this. It takes away their whole multicultural church, everybody mix and come on in. Boy when you begin to talk about Yahweh's seed in the earth verses the seed of Satan, you'll cause Christians to lose their mind. *What do you mean pastor?*

Listen, in this day and in this hour, he is only focused on those who were under the law, Israel. Keep reading.

5 To redeem them that were under law, that we might receive the adoption of sons.

Oh hallelujah. See, only Israel will be adopted as sons. The missing manchild is the lost tribes of Israel. Do you understand? Now, many other people will be part of the church, but only those who were under the law will be adopted as sons.

Go ahead sister. *You know, that's why the church says you're not under the law.* Woah, that is so good! That is so true. *They're telling the truth. Amen.* They're telling the truth.

Go ahead sister. *Ok so I understand this but if he came to redeem Israel, the house of Israel, again, where does our family fall because they're still Israel but they're not called in...so.* Ok. I'll try it again. I'm going to try to explain it so everybody comprehends that. Not all of Israel will be called in this age. Only REMNANT Israel. As many as the Lord our God shall call. Your answer sister is in Acts 2:39. You can go read it. The promise is unto you, the Jewish people, and to those who are afar off, the lost tribes of Israel.

As many as Yahweh shall call. Remember the Bible said only a remnant will return. Remember when Israel went into Babylonian captivity, only a remnant came back with Nehemiah to build the walls of Jerusalem. The rest of them stayed out there in Babylon. So right now not all of Israel is going to be in this first calling. Just the remnant of Israel. Got it? Ok, amen. Let's keep going.

So what do we do? The Bible said for us to pray for all men that they might be called. Your daily job is to intercede for the Father to call your loved ones into this first calling. That's why the Bible said the believing parents sanctify the child because the believing parents are going to intercede on behalf of the children that they might be called into this because they are our inheritance. We can pray that prayer for our children and our grandchildren that they will be called into this same calling. Amen.

And pastor I can testify to that real quick. I've been praying for my mom and my dad and my brother, and all of them daily, and not only that, but being that light that Yahweh wants us to be, and it's coming to fruition—they're coming to church, they're hearing the message, they're receiving it. I give you my word elder, and everybody in this room—if you get serious about getting on your knees and calling your children, your family's name to Yahweh, and your prayer is:

Father, I request, I pray, that you would draw them,
drag them, call them to this calling.

I promise you the Bible says he hears the prayers of his people. It may not happen today or tomorrow, but I give you my word that seed line will be preserved by your prayers. Amen. Hallelujah. But even better than that—let's back up. For you parents that still have young children, you don't have to do like us that made a mistake. What was our mistake? Not raising them in the house of Israel.

That really brings them in if you can bring them to Sabbath and teach them these ways. Many of us didn't do that. We were lost in Babylon. If you've got a small child now, I promise you, you can raise them in the way they should go literally. And when they are old they will not depart from it. Amen. Oh if we could just live our life. Now we're depending on grace to get our kids now. I didn't say if you raised them in the church. I said if you raised them in the house of Israel. Amen.

Brother go right ahead. *Pastor I'm just curious about that request of prayer for our children. What about our children who have passed on?* They will get that opportunity at the resurrection when they stand before the great white throne judgment. They will be known as the house of Israel, and your prayers will work even after they're gone brother. Amen. I love you brother. You hang tight. Hallelujah.

6 And because ye are sons, Yahweh has sent forth the Spirit of his Son into your hearts...

Why did I receive the Holy Spirit? Because I was already a son. Ain't nobody hearing what I just said. *Oh hallelujah. He's already called us sons!!* Come on now! Come on now. Whew! He said he knew every hair on our head in our mother's womb. He knows the seed. And if I just read that right, now I may be reading that wrong, but I thought it said that he only came to redeem those who were under the law that they MIGHT BE THE SONS. And that the reason he sends them the Holy Spirit is because they were ALREADY SONS. *Hallelujah.* Good God from Mt. Zion. Honey, this is Holy Ghost fire right here. Keep reading.

...crying, Abba, Father.

Now how do we know they are sons? Because they don't call him God anymore. They don't know him as the God of their imagination. These people cry "Abba Father". In other words...yes Father, I'm now an obedient son. Abba Father. Yahweh becomes dear to their heart. They love what he loves and they hate what he hates. They become one with their Father instead of their elder brother!

Christianity will bring you to the son. But the house of Israel will turn your hearts to the Father. Listen. The voice of Elijah will turn your heart to the Father. Brothers and sisters, and Christ himself will bring you to the Father. He always points to the Father. Hallelujah. You cry Abba Father and yet you grew up in a church, and so did I, who didn't even know who our Father was. Hallelujah. True sons cry Abba Father. Yes Lord. Yes Lord. Hallelujah.

28 Now we, brethren, as Isaac was, are the children of promise.

Now listen to that. We brethren. Who was he just talking to at the beginning of the verse? Those who were under the law. Now let Acts 2:38-39 make sense for you. The promise is unto you and to your children and to the lost tribes, and to many of them that the Lord shall call. And brethren we are the children of the promise. What did he just say? No one else on planet earth are the children of the promise, or the seed of God. No one right now. No one else but those that were under the law. We are the children of promise. Or in other words, the seed of God.

We are the children of promise. I want you to remember. Who were the children of promise? Someone tell me. *Israel*. What does that mean? That means the promise was given to no one else. What promise? Wait a minute. The New Covenant was built on better what? Promises. So the New Covenant, if it's a covenant of promises, and we're the children of promises, then that means that the New Covenant is only for the lost sheep of the house of Israel. Hallelujah.

Oh glory to Yah. Read Hebrews 11:26 now. Now you might know why the whole world's not getting saved. Now you might know why nobody's interested in going to church. It's only for the seed. Alright now let's talk about the word *Christ*.

Hebrews 11:26

Esteeming the reproach of Christ greater riches than the treasures in Egypt, for he had respect unto the recompense of the reward.

Who is that talking about? What individual? This scripture is referring to a man. What man? This is referring to Moses. And what does it say about Moses? That he chose to suffer the reproach of Christ. I'd like to know how that's even possible when Christ didn't come till 4,000 years after Moses existed. *The reproach of the*

anointed. Awww listen. There's the word *Christ*. Now is that word Christ capitalized? *It is*. It should not be because immediately you just thought that Moses suffered the reproach of Jesus Christ. But that's not true. That is not true at all. Learn that Christ does not always mean Jesus. Let's read another example of that. 2 Corinthians 6:15. And I'm going to come back and show you what this word Christ means. Well let me do it now. It's the Greek word (Strong's G5547) *Christos*. And it just means "anointed". That's all it means.

Now what does anointed mean? Set apart, holy, separate, for special use or a special treasure. It's anointed. It's different than anything else in the room. When we anoint people to pray for them that person has been anointed. That means they have been separated—the whole church wasn't anointed, just this person. Anointed means separate, holy, set apart. So what did the scripture just say about Moses? It just said Moses chose rather to suffer with the 'holy people' or the 'anointed people' rather than Egypt.

Why is this important? Because you're about to find out what you always thought was Christ is not a man. It is a "christ-ed" people. Oh hallelujah. It is an anointed seed departed from the other seed of the world. It is a completely weird seed. What do I mean by weird? Peculiar. And if you're part of that seed, guess what one of your identifying traits will be? Weird and peculiar. Amen. You will be the weird people on your street. You will be the weird people in your church. You'll be the weird ones. Why? Because the seed you come from is a weird seed. Ha, ha! Hallelujah. The seed you come from is a HOLY SEED in an unholy world. Hallelujah.

Now Moses chose to suffer with the anointed people, or the holy people Israel. Do you remember when he killed that Egyptian for touching the Israelite? Do you remember that story? That's when he chose to suffer for the seed of God rather than this world. There will come a day in your life when you will choose to suffer with the seed people. Hallelujah. You'll suffer with the seed people, the anointed people, the holy set apart people. Holy doesn't mean perfect. Holy means set apart.

He rejected Babylon. That's what he did to go to the seed people. Folks say it again. Holy doesn't mean perfect. *Holy doesn't mean perfect*. Because God chooses those things that are not yet holy and calls them holy until they get holy. Hallelujah. You need to go watch my series called Goodbye Guilt* and I'll explain to you how God says you're without sin even while you still got it. You need to understand that. Hallelujah. Glory, glory, glory.

[*firstharvest.tv/video/2606](http://firstharvest.tv/video/2606)

Now read 2 Corinthians 6:15. I'm going to show you another scripture that shows you the same thing.

2 Corinthians 6:15

And what concord hath Christ with Belial? or what part hath he that believes with an infidel?

Alright here again no mixing of the seed. Yahweh hates mixture! He hates when Israel mixes with Christianity. He hates it. He hates when we mix this seed. Listen to me! Some of you still have heartstrings back to your Church of God, your Church of Christ, your UPC. You still have your heartstrings back there. I want to give you a warning child and I want you to listen to me. The minute you try to mix that which is holy with anything that's not, you will bring the wrath of Yahweh upon your garden.

You cannot mix this thing. *I want to go back where they've got programs for my children.* Their program is no better than the public school's program. It teaches them lie after lie after lie. What is there to go back for?! *Brother Vaughn, my kids need an alternative.* Let me tell you what the alternative is. A parent that actually cares enough to pay attention to that child, that will literally sit down and say... hey let's learn the truth together. So you don't grow up like a zombie in a dead world. Hallelujah. Hallelujah.

Some of you parents, you're children control you. You have the backbone of a spaghetti noodle. I've got people right now who leave my church because I pick on their little precious babies. Let me tell you something and you hear me well. The minute you let a child lead you, that's no better than Biden leading America, that's the exact same thing. Amen. As for me and my house we will serve Yahweh. Ok, I'm meddling now. Alright. I'm trying to be a shepherd to you. I'm trying to tell you. You all better get them spoiled kids off the throne of your house mama and daddy.

There's people who don't want to hear the truth pastor. They don't want to hear it because Jezebel don't want you making her kids mind because she might have to mind her husband if you get them to minding her. I don't back down for anybody. I preach the truth, you can take it how you want it, but I'm telling you the truth. You're all letting your kids run your house. And the Bible talks about children will rule over them. Go read it in the book of Isaiah.

In the church today children are running the church. *I don't believe that.* Really? Then why is the first thing you look for when you go to church is a children's program? Huh? Huh? They got a children's program—it's called your house! You

don't have to bring them to church to be taught! You are the priest of your homes. That's the problem. You're dropping your kids off at every kid's program. That's where they get molested and lied to and everything else in the world. Shane get back to what you were preaching. Alright I will. Hallelujah. Glory, glory, glory.

Boy you don't like it when I go to pastoring. No, you just want a teacher. But I'm going to tell you a pastor will get your house in order. A pastor will get divine order in your homes. Hallelujah. Praise the Lord. There's some of your children, if you didn't whip them, I'd whip them for you. Ha, ha, ha! When I see how they treat their parents.

God is calling us today to get our houses in order. Mine are grown. There's nothing I can do about mine now. But I promise you, if I could do it over—now they've never disrespected me one day in their life. But I tell you what, if I could do my children over, I would've raised them in the house of Israel. Oh I would have. Amen, amen, amen.

Alright, let's read what fellowship has Christ with Belial. It's not the word Baal, it's Belial. Now what do I want to point out here? You immediately think that Christ is Jesus and Belial is the devil. But that's not true. The word *Belial* should not be capitalized. Because guess what belial means. *Wicked*. That's all it means—wicked. And guess what Christ means right there. *Anointed, holy*.

Can I reread it? Yes sir.

2 Corinthians 6:15

So what accord has the anointed with the wicked? What part does the believer have with the unbeliever.

Come on now! Ha, ha, ha. Doesn't it make sense now? Amen. What fellowship has the holy with the unholy, the believer with the unbeliever? That's why when people tell me— the first sign of rebellion in our local church—I want them gone. Why? I'm not trying to build a church darling. No, we're trying to build the house of Israel and there's no room for rebellion in that house because what fellowship has holy with unholy, obedient with rebellious, wicked with...I tell you what, I'm going to have to clean house at the local church, I feel it coming. Glory to God. Hallelujah.

That's why you all don't need to move down here. We don't play down here. You don't need to move here, you can't handle it. Hallelujah, ha, ha! Go ahead. *That was my thing, that scripture, I'm going to divide the holy from the unholy in my dream, the one that I gave you the other day at church*. Oh yeah. Amen.

Do you know the problem with our people—when Yahweh moves the unholy, people cry about it. Let me tell you, you all better grow up. You better understand what Yahweh is doing and get your emotions out of the way. You're part of work that your mind is not ready for.

Oh but Yahweh saw it. You see, I don't pastor like any Baptist pastor, any Pentecostal pastor. I pastor by the word. And that's how we do it. Why? God's getting ready to explode this thing. People are hungry. They're hungry for truth. God's people are hungry for truth. Amen.

Alright, I got to try to move along. Hallelujah. Let's go to Genesis 17:17-19 and let's find out who the promise was made to. Boy I lost about 5 people when I got on those young-uns. Hallelujah.

Genesis 17:17-19

17 Then Abraham fell upon his face, and laughed, and said in his heart, Shall a child be born unto him that is an hundred years old? and shall Sarah, that is ninety years old, bear?

18 And Abraham said unto Yahweh, O that Ishmael might live before thee!

19 And Yahweh said, Sarah thy wife shall bear thee a son indeed, and thou shalt call his name Isaac, and I will establish my covenant with him for an everlasting covenant, and with his seed after him.

With his seed after him. Who is the covenant with? From that scripture, someone tell me who the covenant is with. *Isaac*. And who else? His seed after him. Now it's fixing to get very deep in here because the Christian church has taught you that that is referring to Jesus Christ. Come on now. But it's not. This promise was made not to all of the seed of Abraham, but to the seed of one. Isaac. Abraham had seven sons, right? Many sons.

But the children of the promise can only come through who? *Isaac*. Isaac. All the other children of Abraham are not the children of promise. Only the children of Isaac. Now read verse 17:7.

Genesis 17:7

7 And I will establish my covenant between me and thee and thy seed after thee in their generations for an everlasting covenant, to be Yahweh unto thee, and to thy seed after thee.

I'll establish the covenant with a group of human beings on planet earth. One. You Abraham. Your seed Isaac. And then all the seed that come after him in their generations (plural). Brothers and sisters, underline "in their generations". Here's why—because I'm ready to blow Christian theology out of the water on who this seed is. They all think this seed is Jesus. Uh oh. I'm going to make some of you nervous here.

In their generations. My question to you today—has this seed, and the generations of this seed, disappeared from the earth? If it has not, then you can never take the covenant away from those generations of seed from Isaac. I really need you all to listen closely. The covenant is with Abraham, Isaac, and every generation of that seed line after Isaac and will have this covenant. Those are the ones who will be given the 10 commandments. Those are the ones who will come into the fulness of the covenant in the New Covenant. Those are the ones who are under the law. Only these people.

And the covenant is with them only. Now the Christian church says that that seed is gone from the earth. Did you all know that? The Christian church knows nothing about that seed—they think that seed is the Jewish people, and they think that God is done with the Jews now and he's turned to the church. I'm going to bust that all out of the water today.

Brothers and sisters, if that seed line of Isaac—and by the way, that would not be the Jewish people—that would be the lost tribes of Israel in America, Great Britain and the commonwealth nations of the world. That seed is who carries the covenant throughout their generations. How long elder? Maybe I misread it. *In their generations*. How long after that? *An everlasting covenant*.

So Jesus cannot come and annul that covenant and replace it? *No*. He sure can't. That's why he's called the mediator of the covenant Oh we're about to get somewhere with this.

Now the Catholic Church, when they changed it all, loved this interpretation because they are the replacement and they think that men can just come and join the church of their own free will and be part of the New Israel. The protestant church thinks the same thing. That's why they say...whosoever will let him come. No, no, no. Yahshua said those words, but he said it on the LAST GREAT DAY. He said it for a reason. 'Whosoever will let them come' because that's when they will be allowed to come in.

So let's keep studying now. Let's go to Galatians 3. Now here I'm getting ready to come to the two verses—I've been building up to these two verses because you have been lied to. I had to build up to these two verses. Because what I'm about to

teach you goes against every Christian doctrine I've ever heard. I got this about 2 o'clock last night after the Lord touched my body. He began to show me, and I want you to see this with your own eyes. We're going to Galatians 3:16. Read it slow so I can interrupt you.

Galatians 3:16

16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many, but as of one.

The Christian church read that verse like this: Yahweh made a covenant with Abraham and his seed, a promise that he gave to them. But now he's done with that covenant to that particular seed, the many seed. And now that promise just goes to one. And who do they say that one is? Yahshua. Ladies and gentlemen, they are wrong. Do you see the name Jesus Christ in that verse? No you don't. You assume it says that.

Here's what it says: Yahweh made a covenant with Abraham seed, not of the many. Who's he talking about? Not of Ishmael or the other seven sons of Abraham. Not of the many, but of the one. We always thought that one was Jesus. That one is ISAAC. *Oh hallelujah. And to thy seed which is anointed.* And unto. He made the promise with the ANOINTED SEED, the seed of "christ". The anointed seed. The other seven sons did not have the holy anointed seed. Only Isaac did!

That's why the verse we read earlier said that 'we brethren are the children of promise'. Why? Because the covenant is with the seed. Jesus didn't come and knock that natural seed line out of the covenant! He came to restore that covenant to that natural seed line of Isaac!! Oh the wonder of it!!! *Hallelujah, hallelujah. The Christos.*

The Roman Catholic Church has tried to make the whole Bible about one man. Brothers and sisters, the whole Bible is about "one new man" made up of the natural line that's been called to faith in Christ, and they've now become the spiritual remnant seed of Israel! *Remnant Israel hallelujah.* Oh hallelujah. Oh that we understood these things. They're totally removing you out of the picture completely. Why? They don't want you to know who you are. They want you to think you're a Baptist the rest of your life.

My beloved brothers and sisters, you listen to me. Read that verse again and let's break it down even further.

Galatians 3:16

16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many, but as of one.

Listen. Not to the many seed. We thought that meant not to natural Israel anymore. Not to the many. But now just to the one man Yahshua. Do you see what I'm trying to teach you here? Do you see how they totally took that natural seed line and did away with it? They did it on purpose. They did it on purpose to destroy the manchild. *They aborted it pastor.* They aborted the manchild.

Brothers and sisters, that seed, that covenant, is still to the ONE, not the many seed of Abraham, not Ishmael, not the seven sons of Abraham. No, no, no. To the one. Isaac. Amen. Alright let's now go to Galatians 3:29. Here's another example of this.

Galatians 3:29

And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise.

Alright. Now if you be what? Christ's. Do you see the word Jesus Christ there? *No sir but they've got it capitalized.* They've got it capitalized. If you be the anointed. You are the chosen. If you are the elect, if you are of that seed of Isaac. Who are the children of promise? Only Isaac's seed line. Do you see? If you are anointed, if you have been chosen in the elect, then you are Abraham's seed. In other words, all the other sons of Abraham, the Muslim and so forth, they are not the children of promise. You're not Abraham's seed unless you're Isaac's! Amen. Oh the wonder of it. Hallelujah.

Read that verse again and I want you to read it like we always thought it said. We always thought that verse said...

If You be (Jesus) Christ's...

If you be the seed of Jesus. And yet it doesn't say Jesus. It says if you are chosen, if you are called, if you are the anointed seed from that seed line, then you're the children of promise. And the Holy Spirit will find you because that seed created the lost tribes of the house of Israel. And Yahshua said...I did not come to save the world, I came to seek and to save that which was lost. The only thing that was lost is something that originally was found. Come on now.

And the only thing that was found was Isaac's seed line. Yahshua said they got lost after king Solomon and I've come to reunite them, I've come to bind them back together. Brothers and sisters, you need to understand.

So brother Vaughn, where does Jesus fit into all this? Oh I'm glad you asked. Yahshua is our elder brother, but guess what seed line he had to be part of to be anointed and to be the Christ and the Messiah. Come on—I need help now. Come on now! He had to also be of Isaac's seed, Abraham's seed. That's why his genealogy is so very important. So what does that mean?

He came as our elder brother to begin a new creation. The Bible calls him the beginning of the creation of the Elohim. That's in the book of Revelation. He came to redeem us back to the covenant. Why? We had left the covenant. We thought we were Gentiles. We thought we were Baptists, Catholic. We didn't know who we were. We were without the covenant.

So Yahshua had to come as a kinsmen redeemer meaning he had to be kin to those he was redeeming, the lost tribes of Israel, the holy seed line! And redeem us back to Yahweh. So what am I saying? Listen carefully. Just because you're part of the holy seed line is not what will reunite you to the Father. No, no, no. Not anymore. Now you have to come and be identified in the elder brother that paid the pascal lamb, the Passover lamb. When you come through him there's a new creation now. But it's not a new creation replacing the old seed line. It is a new creation coming out of the old seed line !!! Hallelujah. Glory. I hope you all caught that because I can't repeat it. Hallelujah.

The first of the first fruits. THE FIRST OF THE FIRST! That's what Yahshua is. Listen, No, no, no. You cannot be in the first resurrection just being the natural seed. No, no, no. Now you can in the second resurrection, but not in the first one. In the first one you've got to be called out of natural Israel, natural Isaac's seed, and you've got to come back through the pascal (Passover) lamb and be born into a new creation man which is the manchild. But brothers and sisters, without Christ that's impossible. That's why, my beloved, listen to me carefully.

The anointed people will be attracted to the anointed word, the anointed Messiah. They will hear the voice of Elijah when he speaks and they will understand that that is the seed that they came out of, so that's the seed they're going to go back to—the fathers—Abraham, ISAAC, and Jacob. Oh hallelujah. Oh the wonder of it. I said it...oh the wonder of it. Hallelujah. That's why Yahshua, brothers and sisters, is the root of David and the seed of David. How can that be? Because, beloved brothers and sisters, it was the WORD. It was the anointed word coming forth to Abraham, the covenant that produced David.

That covenant, and that word, that plan, was in Yahshua. David came out of that plan. Yahshua began that plan and he ends that plan. Brothers and sisters, if you are in this room today it's because you are part of a SEED that cannot fit in the garden of this world. It only fits in the Garden of Eden. *Oh hallelujah. Glory! You*

cannot grow in the Christian church. If you're part of this seed, you can only grow under the same anointed word that anointed the seed. And that's where you grow in the Garden of Eden! *And that seed never died. That seed was hid in the earth.* It was hid in the earth FOR SUCH A TIME AS THIS! Hallelujah. Ha, ha, ha! Glory! Hallelujah. Whew!

Here's my question: If that seed was Yahshua, that means all the generations between Abraham and Yahshua have been disinherited from the covenant. It could not have been confirmed to Isaac and Jacob. Why? Because according to Christianity the covenant was always just going to Jesus. But that's impossible. Because it's to the seed in their generations—from Isaac until Yahshua there was a covenant seed. It wasn't waiting for Yahshua. No, no, no. It was waiting for the sons of the seed to be revealed in Yahshua.

It was always brothers and sisters—listen, think about what I just said. I want to make it plain. The Bible said Abraham, Isaac and Jacob were the fathers. But according to Christianity, the covenant was to Abraham and Christ only because the seed was Christ (Jesus). Well how did Isaac and Jacob get into the covenant? Anybody with me? How did their sons get into the covenant if it was waiting for Jesus? *It was in the seed hallelujah.*

Listen. It took that holy anointed seed to bring forth Yahshua. He couldn't be born outside of the covenant. He had to be born in people who were still people of the covenant. Romans 15:8. Let's read. I feel like I'm stretching you all's brains too much today and I don't want to do that. *No it's good.* Are you sure? *Yes sir.* Ok, I don't want to give you too much. Alright. Just making sure. *I think sometimes we're just wowed by it pastor. Keep bringing it pastor, keep bringing it.*

Everybody say right now: "Father anoint my ears to hear the word." Hallelujah. Hallelujah.

Now are we diminishing the role of Yahshua? Far be it. We're enhancing the role. We're proving to you there had to be a covenant seed that was not waiting on him, it was already here, and it produced him. He came from the covenant people, the lost tribes of Israel.

Romans 15:8 **Now I say that Jesus Christ....**

Now hold on. Why doesn't it just say Christ there? Because Paul makes it clear there were times when he used Jesus Christ and there were times when he just

used Christ, all depending on the context. Here he makes it clear. He's not talking about anointed people here. He's talking about the anointed Messiah. And what does he say about that Messiah?

...was a minister of the circumcision for the truth of Yahweh, to confirm the promises made unto the fathers.

He didn't come to bring the promises. He came to establish or confirm the promises. We always had the promises. We were children of the promise. Listen. He is not the New Covenant, and the New Covenant was not made with him. No. He is a minister of the New Covenant. All he came to do was to shed the blood that every covenant requires to be a valid covenant. *He was a minister of the covenant.* That's right. A servant of the covenant.

But you are the heirs of the covenant. He came to die for the covenant because every covenant must be ratified with what? Blood. Don't give up your covenant to just one man. That word joint heirs means something darling. You are that anointed seed line that carries this covenant as you are identified in the Messiah. Amen. Hallelujah. Let's go read Ezra 9:2. We're going to find who the holy seed is.

Ezra 9:2

For they have taken of their daughters for themselves, and for their sons, so that the holy seed have mingled themselves with the people of those lands, yea, the hand of the princes and rulers hath been chief in this trespass.

What was the trespass? They took the holy seed and mingled it with those who are not part of the covenant. If you want to watch a church fall, let people start coming in who are not part of this covenant seed. Maybe they heard professor Toto and they sort of liked him. You see—everyone who comes for Toto doesn't hang around. Why? Because you can't mingle. This here doesn't have anything to do with politics. This is a whole different deal right here.

Brothers and sisters, that verse is powerful. You cannot mingle the holy seed. Any of you ladies and men watching me right now, if you date outside of this message, you are mingling the seed. If you marry unequal you'll live the most tormented life. Don't mix the seed line. They don't mix.

I'm going to prove to all of you that the seed is not Yahshua alone. I'm going to show you in this verse of scripture the reason Yahweh allowed Yahshua to be killed was for one reason.

Isaiah 53:10

Yet it pleased Yahweh to bruise him, he has put him to grief, when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of Yahweh shall prosper in his hand.

Yahshua does not have a seed. But THE seed which is the tribes of Israel were placed into him. We are now hidden where? In Christ. Yahweh took the seed and put it in the seed and killed all of us on the cross so we could all be resurrected in the heavenly places so that Yahshua could see THE SEED. Whew! The manchild is the seed! You all that's so powerful. He killed him so that he could see the seed. In other words, the seed that was already on planet earth needed to be restored back to the covenant. And now with the restoration of the covenant, the seed now has the New Covenant, the promises are theirs, and Yahshua's death will bring those promises to pass through the seed.

That's why I tell you to discern the body. Yahshua has seed. We are hidden in him. When he died he said he would see his seed. Do you know what that word "see his seed" means? He would watch over that seed. That word "see" —go look it up, I don't have time right now to show you, but he literally will gawk over it.* Now you know why he's in heaven at the right hand of the Father making intercession for the seed 24/7. He's like a hawk, an eagle—he's SEEING HIS SEED. Hallelujah. Glory!

He's got to intercede for you that your faith fail not so that you don't do like the first natural seed line and die in the wilderness. He's praying for you that your faith fail not. That's what he told Peter. I want you to know today every one of you have a high priest in the heavenlies. And that high priest is praying for you. Honey, you've got somebody praying for you who knows how to get a prayer through to his Father. AND HE'S PRAYING THAT YOUR FAITH FAIL NOT !!! That he might see his seed when he returns.

Every one of you are wanting to see him when he returns. He's wanting to see his seed when he returns. That's what he's looking for!! Whew! Glory! I'm about to lose it. My, my. Hallelujah. Glory. Glory. I said he's going to SEE HIS SEED children. Why? You are the seed line of this earth. You're not serpent seed. You're the seed of God!

* "see" in this verse in Isaiah 53:10: Hebrew word *Raah* (Strong's H7200): to see, look at, inspect, perceive, consider, have vision, to look at, regard, look after, see after, observe, give attention to, discern, distinguish, to look intently at, gaze at, take heed, stare, view

Now that you know who you are, now you've got to walk worthy of the seed, you see? I'm getting ready to mess with you now. You were all excited a minute ago... *I'm the seed!* You sure are. And that seed bears life in it. It doesn't bear strife in it. It doesn't bear rebellion in it. It doesn't bear backbiting, back talking defending yourself. It doesn't bear any of that. It bears the life of the word.

You will prove to the world if you're the seed of the serpent or if you're the seed of God by the natural outflow. You don't even have to work at it. You just have to release the light that was given to you at baptism and the infilling of the Holy Spirit. What does that Holy Spirit do? It waters the seed. Glory. You were born with that seed. The Holy Spirit comes to water it and to bring it to life in your life. Hallelujah. Let's read now. Let's go to 1 Thessalonians 2:12 and Deuteronomy 7:6.

We must now walk WORTHY of the SEED

- 1 Thess 2:12 – Deut 7:6
- We are the SEED that brought forth the seed and is being brought forth by the seed – YAHSHUA is the TITULAR HEAD of THE SEED but HE IS NOT THE SEED ALONE
- Isa 62:12 – Daniel 12:7
- They were BORN with a HOLY CALLING – our calling is to BE SEPARATE UNTO YAHWEH !!!!
- Exodus 33:16 - Lev 20:24 - Neh 9:2
- Exo 19:5 - Duet 14:2 - Duet 26:18-19 - Psa 135:4 - Titus 2:14 - 1 Pet 2:9

1 Thessalonians 2:12

That ye would walk worthy of Yahweh, who has called you unto his kingdom and glory.

Your job now is to walk worthy of the what? The calling. What is the calling? It's the seed in you, the predestined elected seed that you were born with. He said before you were born, I knew you by your name. And now that you know who you are the law of lenity will not apply to you anymore. The rule of lenity. *Oh but brother Vaughn, they don't keep the Sabbath.* Honey you better grow up. I said you better grow up. *Well they don't...* You better grow up.

They are not the anointed seed. The law of lenity won't work for you. Why? The Bible said he opened their eyes that they might understand the word. Did you know that the Bible said that? He has opened your eyes that you might understand this book. Now that means the seed's in you. If the seed's in you, you now have to walk worthy of that seed. Amen. *Well brother Vaughn what'll happen if I don't?* Just go read your Bible and go back to the Old Testament where your natural seed line came from. Watch them going through the wilderness for 40 years—many of them did what? They died without reaching

their destiny. They died in the wilderness of religion because they weren't like Caleb and Joshua willing to go into their calling on the throne! Amen.

Sister go right ahead. *So pastor, and I'm talking in general, everyone who's been in this truth and they heard the truth and they went back into celebrating Christmas, working on the Sabbath. This applies to them because they already heard the truth?* Oh yes, they're all dead. They're dead in the wilderness now. They'll be good Christians and they'll come up in the second resurrection and they'll have a 30-fold position in the kingdom. But they will not be in the manchild, they will not be in this 100-fold.

Folks we're working for something. We're working for the 10 cities, not the 5 cities. No, the 10 cities, Luke 19 tells you all about it. So every one that has heard it, they died in the wilderness. They're dead. They've gone back to dead religion that produces death.

Deuteronomy 7:6

For thou art an holy people unto Yahweh thy God, Yahweh thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.

Oh my, my, my, my. Now the Christian church would have you to think that that no longer applies—it's all in Jesus now, he was that special treasure. No darling. He wants to see his seed. The seed is the treasure. Isn't that a beautiful verse? That verse is beautiful. How does that verse we just read fit in with "God is no respecter of persons"? Ha, ha, ha. I want to tell all of you something. That doesn't mean what you think it means.

He's no respecter of the fake image you're putting on, your face. He couldn't care less who you think you are. That word *person* there means mask. No, he's not affected by your mask or facade. He's not affected by who you think you are. He knows who you are. This seed is special. I believe it says you're going to be above all people on the earth. Does that not mean ruling and reigning over those people? Amen?

Boy the Christian church hates this message because we're all equal. Don't you ever believe we're all equal. There is a seed line on the earth today. They're going to live a different life than all Christians. They're going to be so sold out to the seed that they're going to start looking like the seed. Their elder brother lived the seed—Yahshua—he's their pattern. As they look at him, they start becoming what he became. Oh the wonder of it. Isaiah 62:12.

Isaiah 62:12

And they shall call them, The holy people, The redeemed of Yahweh, and thou shalt be called, Sought out, A city not forsaken.

Now you know the funny thing about that? There wasn't anything holy about the children of Israel. God had to beat them everyday. Awww, but he speaks those things that be not as though they (already) are! He said they were holy and that's enough! The expectation was that they would hear him call them holy, and they would walk worthy of what he had called them. And only two did it. Caleb and Joshua. The rest of them never measured up to what he called them, and they died. I'm looking for someone today with a Joshua and a Caleb anointing on their life that says 'I'm going in. I'm going in to walk worthy of this calling'. Hallelujah.

Firstfruit Salvation is only for the ANOINTED SEED

- Isa 14:1 – Ezekial 20:5

- Matt 24:31 – 2 Tim 2:10 -

Alright, let's talk about the first fruit of the anointed seed. Habakuk 3:13. It's an interesting scripture. One of the main reasons for the lesson today in Israel 101 is I want you all to understand something. You're part of a predestined elected seed. But you see, here's the problem. Even the Baptists believe in predestination and all the Calvinists. What makes us different is they believe in predestination to salvation. In other words, these people are going to hell, these people were born to go to heaven, that's it. That is a horrible view of predestination.

We don't believe in predestination for that. We believe there's a predestined seed to rule and reign over all the saved people. That's the difference. We don't believe it has anything to do with salvation or hell for that matter. It has to do with ruling and reigning with Christ. There is a seed on the earth that was chosen to rule all other nations. And that is Israel. Not the state of Israel but the House of Israel.

Habakuk 3:13

Thou went forth for the salvation of thy people, even for salvation with thine anointed, thou wounded the head out of the house of the wicked, by discovering the foundation unto the neck. Selah.

Ok, so it says here that you went forth (talking about Yahshua) for the salvation of whom? *Your people*. Even salvation with thine anointed. In other words, your and my salvation will come from Yahshua. But their salvation (of the whole world) will come from whom? *The seed*. The anointed seed. That word anointed in the New Testament would say Christ if you understand that.

You went forth for the salvation of Israel, even for salvation with thine anointed. You wounded the head out of the house of the wicked. Who is the head of the house of the wicked? HaShatan. By discovering the foundation unto the neck. Now it's very important that we realize that the salvation that we're experiencing right now is ONLY FOR THY PEOPLE. If you don't understand that you're going to truly miss out on knowing who you are. Psalms 105:6-15.

Psalms 105:6-15

6 O ye seed of Abraham his servant, ye children of Jacob his chosen.

So who is this written to? *Israel, Jacob*. Oh you seed of Jacob, his chosen. So this whole thing now is written to one group of people.

7 He is Yahweh our Elohim, his judgments are in all the earth.

8 He has remembered his covenant for ever, the word (the *dabar*) which he commanded to a thousand generations.

The *dabar* which he spoke to a thousand generations. Now here's the question: If that covenant is only in Christ, if that covenant, that seed was Christ, then where is this thousand generations that the covenant was given to? You see, this is to the seed of Isaac.

9 Which covenant he made with Abraham, and his oath unto Isaac,

10 And confirmed the same unto Jacob for a law, and to Israel for an everlasting covenant,

Forever. Israel you have a covenant in that natural seed line. You need to never forget that.

11 Saying, Unto thee will I give the land of Canaan, the lot of your inheritance,

What was the inheritance? What was the covenant promised to the seed line? To rule over the earth. I will give you the land and that will be your inheritance. The meek shall inherit the earth.

12 When they were but a few men in number, yea, very few, and strangers in it.

13 When they went from one nation to another, from one kingdom to another people,

14 He suffered no man to do them wrong, yea, he reprov'd kings for their sakes,

Listen. He allowed no man to do them wrong. Now I'm about to show you a verse of scripture that you need to understand completely.

15 Saying, Touch not mine anointed, and do my prophets no harm.

You see that verse doesn't just apply to preachers. "Touch not mine anointed." It applies to everyone in that anointed seed line. Don't touch them. They're protected. They have a supernatural protection over them. Don't touch them. Now he does separate the preachers from the seed when he says "do my prophets no harm". So in other words, the prophets and the children of Israel are considered the anointed.

Guess what they're considered? The christ. What does christ mean? The anointed, right? So you are actually, everyone here, is the Christ, the manchild. Do you get that? You are the Christ. You are the many-membered "Christ" (anointed). You are the anointed. Yahshua is the HEAD of that Christ. Yet you are the BODY of that Christ. You are the body of the anointed people. He is the head of the anointed people. Amen.

You see how somebody could leave here and say...*Pastor Vaughn's teaching that we're Jesus*. See that's your problem. You're not listening. I never said we were Jesus. We're definitely not Jesus, Yahshua. We're christ. We're anointed. Amen. And once you realize that you're separated seed, you're anointed seed, your life will start making sense to you. You'll stop resenting those people who treat you wrong. You'll understand they've been called to treat you wrong, that's their ministry, they're proving who you are. They're proving that you're the seed! Amen. Revelation 11:15-16.

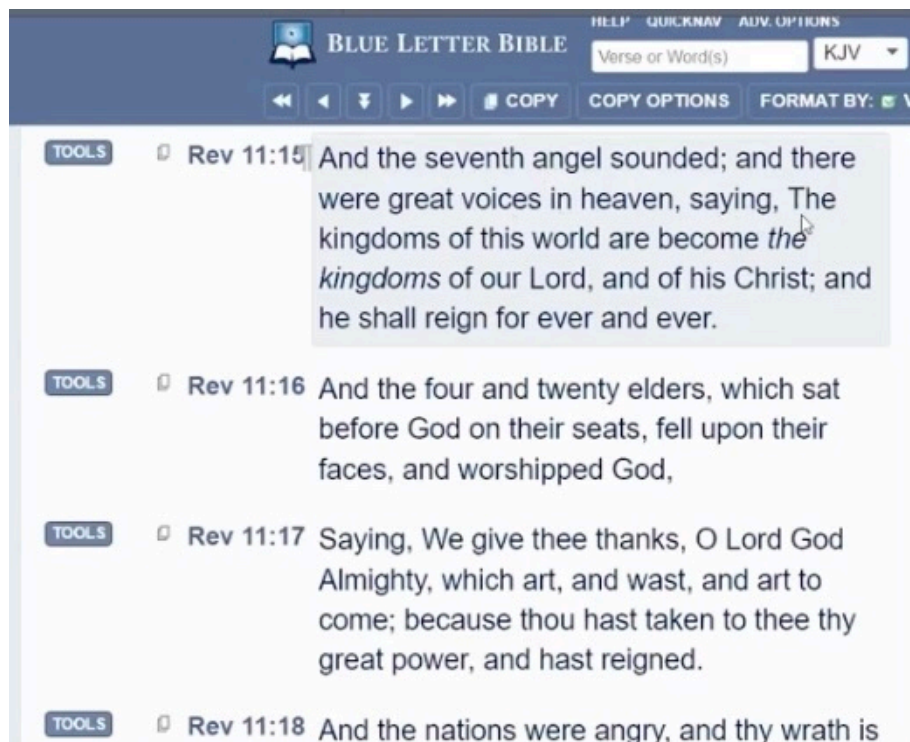

Revelation 11:15-16 (BOY)

15 And the seventh angel sounded, and there were great voices in heaven, saying: The kingdoms of this world have become the Kingdoms of our Father, and of His Messiah, and He will reign forever and ever.

Revelation 11:15-16 (KJV)

15 And the seventh angel sounded, and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of our Lord, and of his Christ, and he shall reign for ever and ever.

This is even where the Book of Yahweh got it wrong, ok? They put the word Messiah. In the King James the word is Christ. They're making the same mistake. They're identifying this as the Messiah or as Christ. But I'm going to show you where that's not the case. Let's go back and read that. As a matter of fact, let me pull it up on the screen. I want to show you how to break this down so you can see what it's truly saying.

Now notice that the word Lord is capitalized. Now what does that mean when it is capitalized? *It's Yahshua*. It's Yahshua. Now what does that mean if it's not capitalized? The word Lord there is *kurios* (Strong's G2962). This is not Yahweh. This is *kurios*, lower case lord. Master. It's a title of honor and reverence. It's the title given to the Messiah. *Kurios* means someone in supreme authority, a master.

So, this verse is telling us...let me pull it back up because I want you to see it. I'm going to prove to you what it means.

(see next page)

Now let's go back and finish reading it.

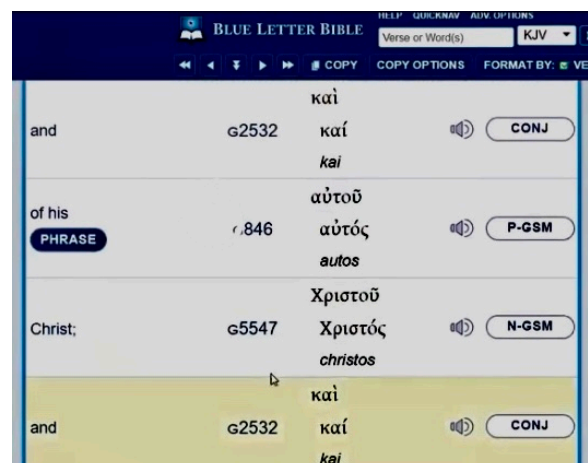

15 And the seventh angel sounded, and there were great voices in heaven, saying, The kingdoms of this world are become the kingdoms of Yahshua, and of his christ...

Now how can that be? Ha, ha, ha! *Hallelujah. Glory.* The kingdoms of this world —what is the dominion mandate? That you and I are going to rule over the kingdoms of this world. So they're not given to Yahweh because Yahweh gave them as an inheritance to who?

Yahshua and the joint "heirs" which are all of us.

And then together, with Yahshua, we'll give it all back to Yahweh after the millennial reign. So notice that word Christ is capitalized, it should not be. Why? Here you go...

Right there. It just means *christos*. And christos simply means what? Anointed. You've been reading all day long that you are the anointed seed, you are the christ, you are the christos.

So the kingdoms of this world are not being given to Yahweh here. They're being given to Yahshua and the joint-heirs, the many brothers who will make up the government of the nations of this world.

Now let's continue to read that. It gets interesting. Read verse 16.

Revelation 11:16

And the four and twenty elders, which sat before God on their seats, fell upon their faces, and worshipped God.

Alright we have a total different entity that's being worshipped. Watch this. They used the word God here which is not kurios. It is *theos*. Theos here is God the Father or the first person of what the Catholic Church calls the Trinity. It is literally supreme God, supreme divinity. So what you have here is the kingdoms are being given to Yahshua and his brethren, and then the elders turn around and don't worship Yahshua or the brothers. They turn and worship Yahweh. Amen.

And they say "we give thanks to thee Oh Lord God Almighty". They are not talking to Yahshua. Look at Lord God Almighty on the screen (below).

They are using the word Almighty which is *pantokrator*. Pantokrator (G3841) means "he who holds sway over all things, the ruler of all, the omnipotent". This is Yahweh.

This is Yahweh that's getting the worship. Yahshua and his brothers are getting honor. Yahweh is getting the worship. It's so beautiful to behold. It's really that simple brothers and sisters. Amen. Praise the Lord.

Alright, now I'm going to prove to you that that is who I said it was in Daniel 7:13-18 because what we just read in Revelation is the fulfillment of a prophecy in Daniel. They're going to line up perfectly.

Daniel 7:13-18

13 I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they brought him near before him.

Here's the same picture. What did we just read in Revelation? One like the son of man. Who is that? Yahshua. And where is he standing? Before the throne of Yahweh, the Ancient of Days, the Eternal One which Yahshua is not, Yahweh is. Notice what's happening here. Yahweh is sitting on the throne.

14 And there was given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him...

Alright, we just read in Revelation where the kingdoms of this world have become the kingdoms of Yahshua. Daniel is a prophecy of the exact moment that we just read about in Revelation. It is here that Yahweh is giving Yahshua dominion and authority over the nations of this world which is the millennial reign.

Now my question to you my beloved: If Yahshua was preexistent, if he was coequal, coeternal, if Yahshua already had all of this stuff before his birth as you've always been taught, why is it not given to him when the Ancient of Days gives it to him at the last day? Did that make sense? Ok, alright. Yahshua does not get any of that until we get it. Now hang tight.

Yahshua gets nothing if we don't deliver it to him. Now I'm about to read that to you. We are the seed that is bringing all things to perfection so that he can see his seed, alright? Read the next verse.

...his dominion (government) is an everlasting dominion (government), which shall not pass away, and his kingdom that which shall not be destroyed.

Who is his government? The seed. You and I are his government. President Trump was elected president. That is symbolic of Yahshua, not literally so don't get dumb on me, ok? But President Trump appointed a cabinet or a government that would do what? Run the nation in his place. Ministry of Transportation, Department of Labor, Department of Revenue. Do you follow me? Do you think President Trump can run all of that? No, his government does. Alright, so Yahshua is given the dominion and then he creates his government from his seed, the tribes of Israel. Read.

15 I Daniel was grieved in my spirit in the midst of my body, and the visions of my head troubled me.

16 I came near unto one of them that stood by, and asked him the truth of all this. So he told me, and made me know the interpretation of the things.

So Daniel said...I saw this, but I didn't understand it. Do you know why Daniel? Because none of this is mentioned in the Torah. Daniel was Torah-observant. Even he knew nothing about the plan. Because when they kept the holy days in the Old Testament, they had no idea what those holy days were representing. They were doing it for religious reasons.

But in the last days it would be revealed to the true Israel the plan. Now Daniel said...what is this about? And now he goes up to an angel, probably Michael, and asks him...what is this? Read.

17 These great beasts, which are four, are four kings, which shall arise out of the earth.

18 But the saints of the most High (Yahweh) shall take the kingdom...

Who will? The saints of Yahweh. I thought the kingdom was just given to Yahshua in the verse right before. Yahweh gives Yahshua the kingdom. But the saints, or the seed, or the anointed ones—remember in Revelation where we just read—it was given to Yahshua and his christ, or his anointed? Here it is, alright?

...and possess the kingdom for ever, even for ever and ever.

Hallelujah. Who's going to possess the kingdom? Not Yahshua. The saints! Boy whenever you get the plan—when you get the plan, you'll shape up. We've got work to do. We're being prepared. Training for reigning is more than a motto, it's a mandate. It's a mission. We're literally going to take the kingdom and rule it forever. That's what Israel was supposed to do in Canaan land. They were supposed to rule over all of those other countries. This is the dominion mandate brothers and sisters. Here it is.

I've been teaching on the dominion mandate for weeks. You just saw it. Yahweh, Yahshua, and the christ. Hallelujah. You'll catch that in a minute. Yahweh, Yahshua, and the christ. Now Revelation will make sense to you where we just read the Lord and his christ. Amen.

Go ahead sister. *Yes the Israelites had to use weapons to defeat all their enemies, and now we use the sword of the word of God.* Come on now. I tell people all the time—Yahweh told Israel...I'll go before you and destroy all your enemies...and yet he never destroyed anybody. Why? He told them...pick up your sword, I'm going to give you the strength, the anointing, to destroy your enemies, I'm going to go before you and prepare the way, my angel will. But you're going to do the fighting.

Brothers and sisters, the restoration of the millennium government will not be done by Yahshua. Teaching the law from Mt. Zion, Mt. Sion, will not be done by Yahshua. It will be done by you. Amen. Thank you Father for helping us know these wonderful things. Alright, Isaiah 14:1.

Isaiah 14:1

For Yahweh will have mercy on Jacob, and will yet choose Israel, and set them in their own land, and the strangers shall be joined with them, and they shall cleave to the house of Jacob.

Isn't that interesting? They've already got their own land. Here we are—now there's another land being prophesied about. Not to Judah. NOT TO JUDAH. They have theirs over in Judea. But he said to the house of Israel...I will give them their own land and strangers (or immigrants) will flock to their land. Are you hearing me? Hallelujah. Glory.

He said I'm going to give them (not Judah the Jewish people), but the house of Israel—I'm going to give them their own good land, and strangers will come and live with them.

Go right ahead. *So you were saying like the Father and the son, and the Ekklesia—that's the true unity!* There you go! That's the truth. *That's the true oneness. That's the trinity! Ha, ha!* You just said it. Sister you said more than you realize. *Oh no, oh no.* Ok if you get it, you get it. Elohim. Let us make man...Elohim. I've always taught that is the God-Family. We're not trinity because that limits God to three persons. Hallelujah. No, no, no.

We are Elohim. Yahweh reproduced in billions and billions of his seed in the earth. Hallelujah! *That's so beautiful, thank you.* Oh you're welcome. You get it. It's not a Trinity darling. It's an Unlimity, there's our new word, write it down. It's an UNLIMITY. Hallelujah.

Sister go right ahead. *I just learned a beautiful thing about the breastplate and the stones. The onyx stone is Ephraim and Manasseh, correct? And those are on the shoulders of the ephad.* That's correct! *They're above the breast.* That is so

true, they are. And the government will be on his? *Shoulders*. Hallelujah. Ephraim and Manasseh. Amen. They have the birthright blessing. Judah has the scepter blessing, but we the birthright, the elder brother blessing.

Sister? *I'm confused on one issue. I know that Judah and Israel come back together and become one nation.* Correct. *So how does that affect then the ruling of the nations? Do they rule with us or what?* So yeah, when Yahshua returns, the Bible said that he will introduce himself to the tribe of Judah. He blinded them on purpose so that we could come. And then those two sticks will become ONE again. So the gates that go into the New Jerusalem—there's a gate there for the tribe of Judah. *Do they rule and reign then along with us?* Yes ma'am, they're part of that house of Israel at that point.

Ok thank you. Right now sister they're divided. Right now they're not known as the house of Israel. *Right.* But that day will come when Yahshua will reunite the houses and now you'll have instead of 10 tribes, you'll have the full 12. Now you might know why the city, the New Jerusalem, measures 12 x 12 x 12 x 12. 144. Amen.

Brother you're next. *Just this pastor, there's so much revelation coming out today.* I told you all Yah poured it into me last night. *It's wonderful, hallelujah.* Thank you my brother. Listen guys, if you knew who you were, you'd act like it, you'd live like it. Oh yes you would. Say it again elder. *You'd rise up Israel.* Yes sir, you'd rise up Israel. Let's continue. Ezekiel 20:5

Ezekiel 20:5

And say unto them, Thus saith Yahweh, In the day when I chose Israel, and lifted up mine hand unto the seed of the house of Jacob, and made myself known unto them in the land of Egypt, when I lifted up mine hand unto them, saying, I am Yahweh your God (Elohim).

Your God. Israel. He's only known as the GOD OF ISRAEL. Why? Because only Israel is the apple of his eye, and only Israel is his firstborn son. Now yes like Abraham he has many sons. But Israel will be his firstborn son. Yahshua is not the firstborn son. Yahshua is the FIRST of the firstborn son. Yahshua is the beginning of the creation of Elohim. Oh if you ever get that saints it will transform you to know what's really going on.

Now I want to move forward. I want to bring you into the New Testament. I want to carry all those scriptures into the New Testament and talk about this chosen seed. Now we're about to start talking about something very important. When you get into the New Testament, this same chosen seed is translated in Greek to

EKLEKTOS. Eklektos is translated as CHOSEN OR ELECT. Now let's just look up the word *elect*. I want everybody to watch this. I just picked any scripture that had the word elect in it.

2 John 1:13

The children of thy **elect** sister greet thee. Amen.

Right there, elect has the Greek word *eklektos* as I just told you. Now why is this important? Because I'm ready to tell you who the church is and who the church isn't.

BLUE LETTER BIBLE	VERSE OR WORD(S)	KJV

KJV Translation Count — Total: 23x		
The KJV translates Strong's G1588 in the following manner: elect (16x), chosen (7x).		
Outline of Biblical Usage [?]		
I. picked out, chosen		
A. chosen by God,		
i. to obtain salvation through Christ		
a. Christians are called "chosen or elect" of God		
ii. the Messiah is called "elect", as appointed by God to the most exalted office conceivable		
iii. choice, select, i.e. the best of its kind or class, excellence preminent: applied to certain individual Christians		

Now the word *eklektos* (Strong's G1588) means: picked out, chosen. Didn't Yahweh tell Israel all in the Old Testament...I chose you, I picked you out above all other nations?

Choice, select. Look at this one: the best of it's kind. Oh hallelujah. Read that. The best of it's kind. What's our kind? Humans. The *eklektos* is the best of the humans, or the choicest.

I like this one: excellence or preeminent. And oh I like this: applied to certain individual Christians. It means favorite. Now, why is this important? Let's hit that root word. I love doing root words. *Eklegomahee*. Eklegomahee: to pick out, choose, to pick or choose out for one's self, choosing one out of many. Choosing, choosing, choosing. I love word studies. Alright, so the *elect* is really the *select*. God selected the elect, ok?

Now, Yahshua said...my sheep know my voice, and another they will not hear. They will not hear any other Messiah but the true Messiah. When you try to tell my sheep that I am the Creator, when you try to tell them that I am coequal to Yahweh, or coexistent or coeternal with him, they'll reject it. They know the true Messiah. I'm telling you today if you know who Yahshua is and who he isn't, that's because you're the sheep of the true biblical Messiah.

Acts 13:17

The God of this people of Israel chose our fathers...

Read it again. Read the first part slow. Everybody focus on these words. The God of Israel, what did he do? He chose the fathers. Now maybe—how long were you in church that you didn't know what it meant when Elijah would turn the hearts of the children back to the fathers? Here they are. Yahweh chose our fathers.

So who in the world could Luke be writing to in the book of Acts? He's only writing to Israel. Our fathers. Because only Israel has Abraham, Isaac and Jacob as their father. Read what he did.

...and exalted the people when they dwelt as strangers in the land of Egypt, and with an high arm brought he them out of it.

He exalted the people. Ladies and gentlemen that's about to happen again. What happened in your Bible is about to happen again. Yahweh is going to give you the Midianites, the Jebusites, and every other "-ites". The nations of this world. The dominion mandate is going to find the seed that will rise up and walk worthy of it. Amen. And I believe that's the calling of First Harvest Ministries—is to find those people. Hallelujah. Thank you Father.

Now, read Matthew 24:31. Who are the only people in the world who cannot be deceived? The elect, or the eklektos. Because why? Yahweh has chosen them not to be deceived by opening their ears that they might understand the scriptures. I want to show you the elect if I may before you read that. Luke 24:45. Now this is after he got through preaching to a bunch of people. Before verse 45, he's preaching to everybody else, but in verse 45...

Luke 24:45

Then opened he their understanding, that they might understand the scriptures.

Folks until you find a pastor who will help you to understand the scriptures, you've not found a shepherd after his own heart. Yahshua opened their understanding. They could understand the scriptures. Do you know why? Because the only people who can understand it are people who've been chosen to have their understanding opened. Hallelujah. That's why the world doesn't get it. Quit fretting over those who don't get what you get. Do you not understand now? Rejoice. Hallelujah.

Matthew 24:31

And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of heaven to the other.

Who's he going to gather whenever he returns? Is he gathering everybody? Is he gathering all Christians? No, no, no. From every grave yard in the world and for those who are still alive, he is only gathering the Ekklesia. The only ones he is gathering are the chosen, anointed seed of Isaac. The ten lost tribes of Israel.

He just told you who he's going to gather. I've read to you how many scriptures showing who the elect are. That's all he's gathering folks. He's not gathering saved people, he's gathering seed people. Ah, hallelujah. Oh the wonder of it.

2 Timothy 2:10

Therefore I endure all things for the elect's sakes...

Wait a minute Paul. Paul, you're suffering for who's sake? For anybody who says they believe in Jesus, anybody who wants to join the church? No, no, no. I'm suffering for the ekklesia's sake. Why? Tell me why—read the next part.

...that they may also obtain the salvation which is in Christ Yahshua with eternal glory.

That they might also obtain the salvation. Because only them has it been given to. The elect. You see, the Jewish people from whom Paul comes from (he was of the tribe of Benjamin, Philippians 3:5), and Paul comes from the house of Judah (salvation is to the Jew first). Salvation first went to the Jewish people. Paul was a Jew. Now that's who it first went to, but he said...now I'm going to go out and suffer not for the Gentiles. I'm not going out here for the Gentiles, I'm going for the elect that they also might receive the salvation of that the Jews received first.

And you were always taught that Paul was going out there to save the world. No, I'm going out to suffer for the ekklesia, the elect, those who are of the seed line.

NOW --- THE CHURCH !!!!! De-Mystified

- The word for CHURCH is EKKLESIA and what does it mean? CALLED OUT but FROM WHAT?
- The Old Testament equivalent of EKKLESIA / Assembly is KAHAL – or CONGREGATION
- The KAHAL was called out of ISRAEL AT LARGE to Congregate at THE TEMPLE. The MIXED MULTITUDE that had attached itself to ISRAEL were not allowed at THE TEMPLE, only the natural seedline of Abraham.
- Numbers 11:4 & 33-34
- Exodus 12:37-38 ---- NEH 13:1-3

Now let's talk about the church. Let's talk about this big word "the church". Let's demystify that word. The word for church is what? Ekklesia. Now brothers and sisters, we're about to get to the good stuff. What does ekklesia mean? *Called out*. Awww but there's the great mystery God revealed to me at 2 o'clock this morning. Ha, ha, glory to God. I'm trying to figure out how to drop this hammer on you all. How do I want to approach this? *In full force*.

Brother Vaughn, the church has been called out of the world. No darling. God showed me last night. No, no. He's not calling the church out of the world. No, no, no. Let's go see what he's doing.

The Old Testament equivalent of Ekklesia is the Hebrew word *KAHAL* or congregation, alright? Now the Kahal was called out of Israel at large together at the temple. Let's go to Nehemiah 13:1-3. But before we read it, I've got to explain a few things because I'm getting ahead of myself. Oh Lord help me now. Why don't we do this. Let's hold off on Nehemiah. Let's go to Numbers 11:4. I'm ready to teach you about something called "the mixed multitude".

Numbers 11:4

And the mixed multitude that was among them fell a lusting (craved other food), **and the children of Israel also wept again, and said, Who shall give us flesh (meat) to eat?**

I want you to notice something. Let me bring you back. I'll tell you what, let's come back to Numbers 11. Let's go to Exodus 12:37-38. I've got to create a picture here for you all.

Exodus 12:37-38

37 And the children of Israel journeyed from Rameses to Succoth, about six hundred thousand on foot that were men, beside children.

Ok so we have probably a million Israelites who are leaving Egypt going to Tabernacles (Sukkot), ok? But that million people are the seed line of Isaac. All million of those people are the seed line. They are the holy people. But while they're in Egypt the power of God (Yahweh) moves and many people saw the power of the God of Israel. They were impressed by that power. And more importantly they didn't want to go to the hell that this God could create.

They didn't want his wrath on them. So they decided to join the "church" too. But they're not holy seed. Somebody put your spiritual ears on and stay with me, ok? Read what happened in the next verse.

38 And a mixed multitude went up also with them, and flocks, and herds, even very much cattle.

Alright. So these people wanted to join the church TO KEEP FROM GOING TO HELL! Are you listening now? *Sounds like the modern day church. Nothing new under the sun.* They don't want the wrath that they just saw falling on them, and plus, this God has miracles and signs and wonders. Revival—come on I'm about to preach to you—I'm about to bust this thing all the way out and show you who the true church is. Hallelujah.

So they all joined to the sacred seed. You listen to me and you listen well! This sacred seed is always surrounded by the "church". Ha, ha, ha, ha. *Wow hallelujah.* You'll always find the seed hidden among the tares. Always, ok? The wheat. Now, what happened? I'm going to show you what happened.

These people begin to march with the church. They begin to march with the church and brother and sisters, this multitude fell in step with God's army. 'Oh yes, would anybody like to be saved tonight to keep from going to hell?' 'Put my name on the book preacher, I don't want to go to hell.' 'Alright, you come on.' 'Anybody want to come to God so you'll be blessed in your finances?' 'I do!' 'Well come on up darling. Anybody want to come so you'll be healed in your body?' Eery time. 'I do!' 'Come on!'

Notice there's nobody being invited that wants to come and suffer with Christ. No, no, no. Oh so here they come, alright? They are walking with God's holy seed. And guess what else they did brothers and sisters. This mixed multitude submitted temporarily to the authority of a man named Moses. But it never lasts too long. Oh God I'm about to preach. Mmm, mmm. Come on now.

They said...Moses is our pastor! They joined Moses' church. And submitted to him it looked like. Yes they did. They were ready to be part of the church, they wanted to be saved. How long did this last? Well I'm going to show you in just a minute. They made it all the way through Passover. Oh yes they did. They went all the way—how do we know that? Because we see this mixed multitude at Mt. Sinai.

They went all the way to Pentecost. They were present when the law was given at Mt. Sinai, and can I tell you what they said at Mt. Sinai along with the seed? "All that you have command we will do". Ha, ha, ha. They agreed about the Sabbath, they agreed about the holy days, they agreed with the message. Yes they did.

Who were these people? The people of the mixed multitude had witnessed God's strength. The mixed multitude partook of Passover, God's grace. He allowed them to join the church. They experienced good church services with Israel! They were there worshipping the golden calf. And now you wonder where they got the idea from. Is anybody hearing me? Now you wonder where Israel got that idea from.

There is a church hiding the true church! They're traveling with the church, they're showing up with the church. But when will they show their colors? Oh we're getting there, ha ha ha. We're getting there. And let's look what else they did. Let's read Exodus 12:47-50. Here the Torah is being given, the law of God. You've got a congregation of Israel and then you've got a house of Israel.

Exodus 12:47-50

47 All the congregation of Israel shall keep it.

Everyone who's joined the congregation will keep the law of God. Read.

48 And when a stranger shall sojourn with thee, and will keep the passover to Yahweh...

So strangers can join the church and they can even keep the Passover. They can show up in their white dress, and their black heart. They can walk with the true seed...for a little while. Just wait. I'm about to blow this out the water. Just wait. Read.

...let all his males be circumcised...

They will even get baptized. Read.

...and then let him come near and keep it, and he shall be as one that is born in the land, for no uncircumcised person shall eat thereof.

They can come and look like an Israelite. They're allowed to come and be recognized as one of the congregation. Verse 49.

49 One law shall be to him that is home-born, and unto the stranger that sojourns among you.

50 Thus did all the children of Israel, as Yahweh commanded Moses and Aaron, so did they.

Alright. He says there's going to be one law for the stranger and the house of Israel. Now read Numbers 9:14. We're getting somewhere you all. Can anybody feel the hammer about to drop? Alright! Ha, ha, ha. Glory! It's swinging, it's swinging. It's coming.

Numbers 9:14

And if a stranger shall sojourn among you, and will keep the passover unto Yahweh, according to the ordinance of the passover, and according to the manner thereof, so shall he do, ye shall have one ordinance, both for the stranger, and for him that was born in the land.

So everybody is going to look like Israel. They're all going to say Shabbat Shalom. They're all going to wear a talit. I'm going deeper. They're all going to be so excited about the commandments! They're going to buy a set and put it on the front of their house. Oh, and every one of them's going to buy a shofar. Uh huh, they're all going to look like the seed. They're all going to grow up together, both Israel and the mixed multitude that are not of the seed of God. They're of another seed and they're trying to look like the congregation.

They both experience God's power. They both experienced the deliverance from Egypt, that's right. That's right, they got set free from sin at the Red Sea. They both experienced the shaking at Mt. Sinai. They felt the power of God, the ten commandments they agreed to obey. They both ate manna and drank water from the rock. They both were baptized in the Red Sea.

They were partakers with Israel, but who were they? Well, they're called the *mixed multitude*. What does that mean? They didn't come from a single identity, weren't just Egyptians. They didn't come from a family with a genetic pure breed or anything. This is a mixture of Baptists and oh Catholics, and oh it's just a mixed multitude. They all come into Israel. They want to join. They're impressed

with the knowledge that they're hearing. Oh they want to join, they want to be part of this.

Now the Hebrew word for multitude is *rab*. It means great or large, ok? Big church. Come on. Multitude means large. Mixed. Mixed. The only other place you find this word *mixed* in Hebrew which is *ereb* is in a story about the lepers. Leprosy is a type of sin. If you don't get rid of sin God will tear it out of the garment. The leprosy of sin was in this mixed multitude.

Now I want to take you now and show you in Numbers 11:4 where this mixed multitude—I want to show you as far as they could go with the true seed. I'm ready to show you how they always reveal themselves no matter how much good church they have with you. Here is where the mixed multitude nearly destroyed the true seed.

Numbers 11:4

And the mixed multitude that was among them fell a lusting, and the children of Israel also wept again, and said, Who shall give us flesh to eat?

(BOY)

The rabble (disorderly mob) of the mixed multitude with them began to crave other food, and again the children of Israel started wailing, and said, If we only had meat to eat!

Hold on now. Began to crave other food. Ha, ha, ha, ha. Watch this now. The mixed multitude was getting to where they could not digest the food of manna that Yahweh was feeding them. The mixed multitude. The King James Version says they were lusting. They began desiring to get free from the manna, from this message. And notice what happened. They, the mixed multitude, was not satisfied with the message. And then what happened?

Now the seed, the true seed, all of a sudden, they start getting hungry for something else. Why? Because you allowed the mixed multitude to stay in the church. You allowed the mixed multitude to influence the true seed of Israel, and now that mixed multitude is going to bring some of that true seed and they're going to all die in the wilderness.

Now all of a sudden the true seed starts listening to the murmuring of the mixed multitude. I want you to listen to me. A true Israelite, when you're feeding them what you're getting here, they have no complaints, do you understand? They have no complaints. They're being fed with heavenly manna. They couldn't care less who was chosen to be an elder, who was chosen to be a minister. They couldn't

care less, they're being fed! There's no complaints on their lips, they don't care who's living at the Home of Hope or isn't. They don't care about all that junk, they're being fed! They're all Israelites. All Israelites want is manna! Glory!

But that mixed multitude, they start lusting for something that isn't right. *Well I don't understand.* I've got a letter sitting on my desk right now from somebody who doesn't understand this or doesn't understand that. Let me tell you something. You—you better be satisfied with manna. **YOU BETTER BE SATISFIED WITH MANNA.** Because I'm going to tell you, all this other junk, you're going to wind up right where Paul begged you not to do.

Paul said in Hebrews chapter 4...he said...I pray, I fear unless you wind up just like true Israelites did in the wilderness, who died in the desert. Why? Because they began to complain. But it was not true Israel that started complaining. It was the mixed multitude who influenced true Israel. *The church left that out when they taught us that story. They never talked about the mixed multitude so we always thought it was Israel.* I know, right, but it was not Israel. It was that mixture of people that mixes the seed.

Go ahead sister. *Simple, southern terminology...it depends on who you hang around. That's it.* There you go, and that's what happens sister. Now let's read the rest of these verses.

...and again the children of Israel started wailing, and said, If we only had meat to eat!

Who did? The children of Israel started wailing. Did you read that? They started wailing. They didn't start the wailing. The mixed multitude started the wailing and then the children of Israel followed. This is what happens when you allow one ounce of rebellion to stay in the church unchecked. You listen to me. I get rid of rebellion so fast around here. People will look up, you'll be gone, don't ask me where they went, do you understand?

Listen! Rebellion has no place in an Israelites mouth. No place. No place.

Brother? *Pastor for context, was this after Korah's rebellion or before Korah's rebellion?* This is before. *Ok, and we were just studying Torah this week where we actually see them come down off the mountain where Moses comes down with the tablets, and Yahweh said he's going to destroy the people. But Moses begs him not to. And then Moses goes and sends the Levites through and slays 3,000 of the people who were in rebellion.*

That's right. But the mixed multitude started it all. Up until this point brother the church had been growing, they had been to Passover together, they had been to Pentecost and Tabernacles. They had been to all of this together. *But their eyes were still looking back like Lot's wife. Absolutely. And desiring the food from the pagans who the Babylonians were giving them food. They didn't want the true food of Yahweh, they didn't want the word, they wanted it just in the way they looked on the outside. They were faking it.*

Absolutely. And what did they say? Why did we come out here? There's garlic and onions in Egypt...there's children's programs, they have dramas, and what are we doing out here? You see, an Israelite can endure the wilderness because of the manna. I hope you heard what I just said. An Israelite can endure the wilderness because of the manna! And isn't it something—the Bible said they would get just enough until the next revelation comes. Then all of a sudden you've got fresh revelation every morning, every time your preacher preaches, it's a fresh revelation. You're getting a fresh word every time.

Israelites are fine with that. Mixed multitude? They want to know where the money's going. *Hey pastor can I add something to that? Yes sir. Real quick. And right before the millennial reign for that 7th day he gave them double portion.* Yes sir, absolutely, didn't he do it. And that's where we are today. Those who will make it to the end will get that double portion.

Let's keep reading. Go to verses 33-34 of Numbers 11.

Numbers 11:33-34

33 And while the flesh was yet between their teeth, ere it was chewed, the wrath of Yahweh was kindled against the people, and Yahweh smote the people with a very great plague.

34 And he called the name of that place Kibrothhattaavah, because there they buried the people that lusted.

(BOY)

33 But while the meat was still between their teeth, before it was chewed, the wrath of Yahweh was aroused against the people and Yahweh struck the people with a very great plague.

34 Therefore he called the name of that place Kibroth Hattaavah, meaning, Graves of Craving, because there they buried the people who had yielded to craving.

The place of craving is where you will die unless you're craving manna. Do you know who died? It was not just the mixed multitude. It was some of the true church. Why? Because this mixed multitude was allowed to travel with the church. Yahweh said let the tares grow with the wheat. Do you know why? Because those tares will prove to you sir who the real wheat in your church is. Let them grow up, that's right. They'll go and try to find one to complain to and as soon as they find out that person's going to come tell the pastor, now they know not to come fool with you anymore because you're true wheat.

They like to find people who won't say anything to the pastor. Let me tell you something. God loves authority and until you submit to it, I don't care how much Sabbath you keep, that was the problem with these Israelites. They loved the Sabbath. They fell in with this mixed multitude. They loved it all. They didn't like the way Moses was doing things. All he was focused on was giving them manna. They needed more attention from him instead of just teaching them the word. He ought to be doing this and doing that.

You better know that a true Israelite—they're like...*pastor I love you...you don't even have to speak to me...preach that word because that's what I crave, the manna.* The manna. Hallelujah. I don't want to be the mixed multitude. Hallelujah. I want that manna! Glory, glory, glory. Give me the manna.

Now, I started off asking you who the church is today. Now I'm ready to show you. You thought I had lost my place but I hadn't. Remember I was saying...who is the ekklesia, or the kahal, the congregation? Let's go read about them. You're about to see who the church is today. Nehemiah 13:1-3.

Nehemiah 13:1-3

1 On that day they read in the book of Moses in the audience of the people, and therein was found written, that the Ammonite and the Moabite should not come into the congregation of Yahweh for ever,

2 Because they met not the children of Israel with bread and with water, but hired Balaam against them, that he should curse them, howbeit our God Yahweh turned the curse into a blessing.

3 Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitude.

Ok. Ok. Ha, ha! Ok sister you just saw it didn't you? Alright, what is Nehemiah doing? Rebuilding the what? The temple. The third, no that would've been the second, but you get my point right? Nehemiah's building the third temple who only Zadokites can serve in. Guess who cannot serve in that temple? They read

the law of Moses and they see that the mixed multitude, the Moabites, the Ammonites, they don't qualify to enter into the 100-fold ministry. They don't qualify to serve in the temple. And the Bible said that as soon as they read the law that a separation happened, and Israel made the mixed multitude leave their presence or else the temple would have been defiled.

I've come to tell you today. Come out of her my people. No darling, that's not the world. No. That's the mixed multitude of Christianity, and the Kahal today is being called out of that mixed multitude of rebellion, and to come inside the third temple and build it up for the Master's use. Hallelujah. Hallelujah. Yahweh is calling the church today. The church today is the ekklesia, but guess who's not the ekklesia? The so-called church. What's the word for multitude? Large. If you want two words that describes the church today—large and mixed.

Large and mixed. This hour you're not being called out of sin, you're not being called out of the world. Every one in this room was called out of the mixed multitude, every one of you. Some of you will make the journey, some of you won't. But I plan to meet a few of you in the kingdom of Yahweh, hallelujah, ruling and reigning with Christ for all eternity. Hallelujah.

Until you COME OUT – you are in the CHURCH not THE EKKLESIA or KAHAL

The mixed multitude. Guess what else was mixed. Does anybody know what else was mixed? You remember those ten toes in Daniel's vision? The ten toes were mixed with part iron and part clay. But Yahweh raised up another church that came rolling down the mountain and it destroyed that mixed multitude and built the true kingdom of God on all of the earth!! That's the day we're living in! That's the moment we are in right now! The stone is rolling by predestined power! Hallelujah! *Amen, amen, amen. Glory! Teach it pastor!*

Now who were those ten toes? Watch this, watch this! That's those ten lost tribes that got mixed in with the world. They didn't answer the call of the remnant Israel. Ha, ha, ha. They thought just because they were Abraham's seed that they didn't have to come into Christ. But I want you to know today—those ten toes

right now are ruling the world. Every nation that rules the world is part of those ten toes right now. It's the lost tribes of Israel, the wealthiest nations in the world. Read Matthew 21:44.

Matthew 21:44

And whosoever shall fall on this stone shall be broken, but on whomsoever it shall fall, it will grind him to powder.

That rock that came rolling down the mountain, what did it do to those ten tribes? What did the Bible say? They turned into powder. They literally turned into powder. We're living in a moment right now where every member of this elected seed who accepts Yahshua as your Messiah, and you come into the seed life, you are literally falling into the rock, on the rock. God is raising you up right now to let this rock, not roll over you, but for you to get in this rock. Let's read Hebrews 4:2.

Hebrews 4:2

For unto us was the gospel preached, as well as unto them, but the word preached did not profit them, not being mixed with faith in them that heard it.

The mixed multitude heard the same message. Listen to what he said. This message was preached to us and to them. Why did it not stick? It was not mixed with faith. Faith that would have the power to believe the message. Let's read 1 John 2:19.

1 John 2:19

They went out from us, but they were not of us, for if they had been of us, they would no doubt have continued with us, but they went out, that they might be made manifest that they were not all of us.

If they wouldn't have gone out, you wouldn't know who the true seed is. If they wouldn't have left, you wouldn't know who the true seed of Israel is. It was their departing and your remaining that reveals who you are. Glory. Glory.

- **Why Join Movement?**
- Why do these unconverted people join our Movement and why do they stay in it and even try to control it? Because they are convinced of the theory of the truth of the message, and hope to sweep into the kingdom with it and thus partake of the benefits and privileges of "the inheritance of the saints in light." They have been thrilled with the descriptions of the Heavenly Canaan and want to share in its joys and glories. They have also heard about the seven last plagues and are anxious to escape them. They are controlled by selfish motives and while they are in the movement their hearts and interests are centered in the world or Egypt.

I want to close with these words. Why do people join our movement? Why do they stay in it? And even try to control it. Why are they even attracted to it? Let me explain. Because they are convinced of the theory of our truth. Does that make sense to you? They are convinced of the theory of the message, but not the tribulation of the message. Does that make sense to you?

They love the theory of the coming kingdom. They love the theory of becoming like Christ until they have to answer not a word. They love the theory of this message. Oh, they love the dynamic knowledge until they have to submit and come under authority. Then all of a sudden the message isn't so pleasing anymore to them. And they get hungry to see what other YouTube channel can tell them about the Nephilim without them having to come under accountability.

They start looking for a way out, takes them about two months. You can see it in their eyes. Listen guys, here's why. You cannot be in this message for the theory of it. The theory—it's going to be sweet to your mouth but bitter to your belly. Yet if you're a true Israelite you'll love even the bitter because you know it's manna from heaven.

They love the idea of sweeping into the kingdom of God with us, partaking of it's benefits to get the inheritance and to rule and reign. They love that theology until you teach them that in order to rule and reign you have to be a servant to everybody. That part they didn't sign up for. It amazes me when people move here to help us in the work. They act like we're going to be living in the glory 24/7 here. Until we hand them a night to cook, or a trailer to paint, or a way to serve one another.

Then all of sudden the glamour of it fades away and it becomes a community of workers, a community of people working. Why are they working? Because we believe this message we're going to rule and reign. Oh yeah yeah yeah! High five! I've got it! But we also know that if we are not preferring our brother right now, we will mishandle authority in the coming kingdom. So Yahweh gives us a church like First Harvest that turns us into servants! And then when that happens all of a sudden in the theory of this message they get hungry. *Well let's see what old Brad Barton's talking about over here. Let's see what old Julie Green's prophesying.*

They get hungry for more knowledge. Oh come on now. Come on now! They don't want to eat the food, they want to taste the food. The message I preach is the hardest message you will ever hear. But I give you my word, if you're still here, it's because there's a predestined seed in you that is a gluten for punishment. You love it. Hallelujah. Hallelujah! Why? It's changing you! Hallelujah. It's rearranging you! Hallelujah.

But what happened? What happened when all these people purged? All these people were shaken out, they were cleaned out, and not one of the rebels or the mixed multitude was allowed to enter with the manchild into Canaan land, into the kingdom, the government. Now you know what Canaan land is. It's the new body that will have great authority. The rebels are not allowed to go in there because all they see are giants. All they see is 'this is too hard'.

Read Numbers 14:22-24 before I close. Whew, I just felt that flying man. Hallelujah. I know when he's speaking. Glory. Hallelujah. Mmmm. Awww. Hallelujah. Blessed be his name. Glory, glory, glory. The Spirit of the Lord is moving across this congregation. The Father is planting this message in somebody's spirit-mind right now. You must not grow weary in this well-doing for you will reap if you faint not. If you don't listen to that mixed multitude. If you just eat the manna. Ha, ha! Glory, glory. Blessed be his name. I feel his presence right now. The Spirit of the Lord takes his word and plants it in every one of you that you might endure till the end. Praise the Lord.

Numbers 14:22-24

22 Because all those men which have seen my glory, and my miracles, which I did in Egypt and in the wilderness, and have tempted me now these ten times, and have not hearkened to my voice,

23 Surely they shall not see the land which I swore unto their fathers...

Wow. Wow. I want you to hear what you're reading. Not one of them. They partook of Passover, oh they came and danced at Pentecost, they experienced those Tabernacle blessings. But not one of them who rebelled against me. Now if we're not careful we'll think Yahweh is talking about himself personally, how they rebelled against Yahweh. No, no, no. They rebelled against Moses, Yahweh's proxy, Yahweh's representative on earth.

The Bible said they murmured against him. Nobody ever murmurs against God. Do you think those children of Israel were murmuring against God? They knew better. They thought they would murmur against the preacher, murmur against Moses. And Yahweh's saying here...because you murmured against me, not one of you are worthy to enter in to what I promised you. What did I promise you? Oh, the dominion mandate. I promised you that you would rule and reign over the nations. I promised it to you. But not one of you's getting it because you had something to complain about instead of thanking me for that manna. You didn't like it. Keep reading.

...neither shall any of them that provoked me see it.

You're not going to see it. Only Joshua and Caleb.

24 But my servant Caleb, because he had another spirit with him, and hath followed me fully, him will I bring into the land whereinto he went, and his seed shall possess it.

Numbers 32:11-15

11 Surely none of the men that came up out of Egypt, from twenty years old and upward, shall see the land which I swore unto Abraham, unto Isaac, and unto Jacob, because they have not wholly followed me,

WHOLEHEARTEDLY. You didn't follow me wholeheartedly. You followed me but not wholeheartedly. Read through verse 15.

12 Save Caleb the son of Jephunneh the Kenezite, and Joshua the son of Nun, for they have wholly followed Yahweh.

Two. There's your two witnesses. There's Spirit and Truth. There's Joshua and Caleb. There's the church of Philadelphia and the church of Smyrna. Is any of that making sense to your spirit-mind? There's the TWO. There were only two churches in the book of Revelation that Yahweh had no complaints against. The rest of them? He removed their candlestick. Only two made it. The double witness, the Old Testament, the New Testament, old covenant, new covenant. It's always in that double witness.

13 And Yahweh's anger was kindled against Israel, and he made them wander in the wilderness forty years, until all the generation that had done evil in the sight of Yahweh was consumed (dead).

14 And, behold, ye are risen up in your fathers' stead, an increase of sinful men, to augment yet the fierce anger of Yahweh toward Israel.

15 For if ye turn away from after him, he will yet again leave them in the wilderness, and ye shall destroy all this people.

Do you know where it all started? The mixed multitude way back. Way back. It all started at the mixed multitude when they complained about Moses. Do you know why the children of Israel wandered for 40 years? The mixed multitude. If they would've gotten rid of the trouble in the church, and if they wouldn't have cared who thought it was cruel by doing it.

If they would've gotten rid of the rebellion they would've entered into the Canaan land in just a few day's journey. Has anybody ever thought about that? Forty years? Forty years!! Yahweh was waiting for that rebellion to die. And them two men crossed over.

I want to encourage you today—eat this manna. What you're being fed is the revelation of the house of Israel. Eat the manna. Eat the manna and be happy with it. And you will be the true church, the called-out assembly who Yahweh is preserving in the earth.

So today, what have I taught you? There is a group of humans on earth that are being called right now, not everybody. Who are those humans? They are the anointed seed from Isaac. There's millions of them around the world. Some of them are hearing the call to turn back to the fathers of the faith. And in so doing, they're leaving the mixed multitude. They're leaving the rebellion. They're leaving it to follow wholeheartedly after God.

I could've said all of that in five minutes. It took me five hours. Hallelujah. I said what did I teach you and I could've said all that—that's so funny! Hallelujah. Glory, glory, glory. Amen. Well Yahweh bless those who have hung out with me today. Amen.
