

The Sheaf and the Scepter, Chapter Eight **(Pastor Vaughn, May 2025)**

One Bread, One Body – The Mystery of the Second Loaf

The journey from sheaf to loaves
takes forty-nine days.
This is a testing time
to purge us from old ways.

Yahshua was the first loaf.
He willingly paid the price
to become our Bread of Life.
Now it's our turn to sacrifice.

There must be a second loaf
to feed a hungry world.
We must be sifted, mixed, and placed
in the oven of the Word!

Everything will be tested,
your motives and loyalty.
All idols will be burned
to prepare you for royalty!

This process is painful.
All resistance must go now.
Every ounce of self-will
must yield to the Spirit's plow!

These two loaves are a symbol
of the Bridegroom and His Bride.
She's being made into His image
to rule by His Side.

The fire that is required
is self-crucifixion.
You must be transformed
in the oven of consecration!

The harvest soon will come.
We are preparing now
to feed a hungry world
who at His Feet will bow!
