

The Sacred Simplicity of the Sabbath

Pastor Vaughn, Chapter Nine Prophets Who Pleaded for the Sabbath

Jeremiah warned the people:
“Destruction is on the way
if you refuse to keep Yahweh's Law
and honor the Sabbath Day!”

Returning from Babylon,
Nehemiah rebuked them again.
They were dishonoring the Sabbath
by becoming merchant men.

The prophets did their best
to get Israel's attention,
to keep a relationship with Yahweh
instead of incurring His suspension!

We are hearing the voice of Elijah
calling us back to Yahweh.
Let us listen and respond
by honoring the Sabbath Day!
