

The Sacred Simplicity of the Sabbath

Pastor Vaughn, Chapter Three

The Sabbath as a Sign of Ownership

It's not just a day of rest,
it is a royal seal.
It proves His ownership,
making it real.

It's not just about rhythm.
It's also concerns rule.
The Sabbath declares Who owns
time, creation, and ... you!

It is Yahweh's mark
of identity and allegiance.
The divinely appointed sign
for all of His regents!

It speaks loyalty – not legalism.
When you rest, you make it known
you belong to Yahweh -
you are not your own!
