

Prayer

Unlocking the Unseen Realm (Pastor Vaughn, Part 9 of 11, YouTube only)

The main purpose of prayer
is to keep us connected
to the Kingdom of Yah
while we're being perfected!

Yahshua will reign until
all enemies are defeated.
When death itself is conquered,
the restoration will be completed!

Yahweh longs to reunite
with earth and all mankind.
That's why He devised a Plan
working it out through time.

When the earth again is pure,
Yahweh will return
to enjoy His new family
for which long He has yearned!

Then Yahshua will hand over
the Kingdom to His Father Yah
and be subject unto Him,
O HalleluYAH!

Yah will then become
All in All!
For all will have His Spirit
and all will love His Law!

But for now we must pray
Thy Kingdom come
over every situation,
and over everyone.

Father's Plan is working
all things together for good.
Trust in His Wisdom
to do what He should.

When their blindness is removed,
they will see and believe.
And the blessings of truth
they will gladly receive!

Forget about heaven -
that's not our destination.
We are being trained
for earth's restoration!

Don't look for signs and wonders
before you believe.
That's how Satan plans
the church to deceive!

The greatest sign is happening
in this very hour!
The lost House of Israel
is being restored to power!

There is a special place
Yahweh wants to meet us.
It's in a "little room"
where Satan can't defeat us!

Not everyone's invited.
It's off limits to most.
Here we are united
with the Holy Ghost!

Soon the church will be preaching
"the Kingdom is coming here!"
and realize the Sabbath
is the day they should revere!

The truth is being revealed,
there is nothing new.
A glorious day is coming for those
who obeyed all they knew!

But for us in these final days,
we must continue to pray
for His Kingdom to come
and bring that brighter day!
