THE AWAKENING OF THE WATCHERS

How many understand the difference between fallen angels and demons? Most people think that fallen angels and demons are the same thing. BUT THEY'RE NOT.

Now, why is it important for you to understand this? Because, as a believer, every one of you have power and authority over demon spirits, but you do not have power and authority over angels. Not even fallen angels. Keep that in mind. You have power and authority over demons, but not fallen angels, and remember Satan is a fallen angel.

Now, why is this important? I want to try and help you to understand how to effectively do spiritual warfare. How many of you have seen the *Pentecostals*, the *Charismatics*, the *spirit-filled* people say, "Let's get together and we're going to go to New Orleans and we're going to call down the angel or the principality over the city of New Orleans?"

YOU'RE WASTING YOUR TIME!

We're going to teach it to you tonight—that they have a legal right to be there. For those watching me around the world, the only thing that you have authority over is demonic power.

So what is the difference? Let's turn to *Job 38:4*. Now, first we're going to answer the question; when were the angels created? I'm going to warn you—we're going very deep tonight, so you're going to have to focus or you will get lost.

JOB 38:4-7

Where were you when I laid the foundations of the earth? Declare, if you have understanding. Who has laid the measures of it, if you know? Or who has stretched the line upon it? On which are the foundations of it fastened? Or who laid the cornerstone of it? When the morning stars sang together, and all the sons of God shouted for joy?

So we know from this scripture that when the earth was created, THE ANGELS WERE ALREADY IN EXISTENCE. Because the sons of God are always the angels of God. So this verse says that when God created the earth; the angels already existed!

Let's go to *Nehemiah 9:6*. Now, the reason you must know the origin of fallen angels is because they don't have the same origin as demons.

When were demons created? When a certain group of fallen angels known as THE WATCHERS came down to violate the DNA of humanity! The fallen angels that descended to earth from heaven to watch over mankind they are the fallen son of Yahweh but they are not demons.

They are specifically THE WATCHERS. They're called NEPHELIM. Now, their offspring; before the flood were the hybrid giants that tormented mankind, known as "*Men of Renown*" in the Greek culture they were referred to as THE TITANS. After their physical bodies were destroyed in the flood, their disembodied spirits are now known as Demons.

Nehemiah 9:6

You, even you, are Yahweh alone, you have made heaven, the heaven of heavens, with all their host, the earth, and all things that are in it, the seas, and all that is in it, and you preserve them all, and the host of heaven worships you.

Now, who is the host of heaven? The sons of God?

THE ANGELS. So we have two witnesses. How many witnesses do you need to create a doctrine? At least two.

We have two that confirm for us that when Yahweh created the earth, the angels were already in existence. SO, THEY WERE NOT IN EXISTENCE WHEN HE CREATED THE HEAVENS. He created heaven before he created the angels. And then he created earth after he created the angels.

Now, when you see **morning stars** in your Bible, that is what? The angels. When you see **sons of God** in your Bible, that is also the angels. When you see **host of heaven**, that is the angels. Learn this terminology when you're reading your Bible.

Now, very soon after the creation of earth which was perhaps millions of years ago (*I've already taught on that so I won't go back over that tonight...if you're listening here, go look up our teaching called Before the Beginning...it will explain what I mean by that.*)

So, let's go read *Ezekiel 28:12-15*. This is going to talk to us about how angels were introduced to the earth.

EZEKIEL 28:12-15

Son of man, take up a lamentation upon the king of Tyrus, and say unto him, This says Yahweh, You sealed up the sum, full of wisdom, and perfect in beauty.

Ok, who is he talking about here? Who was perfect in all of his ways at his creation, besides Yahweh? HaShatan. This is a parable about Satan. So, originally he was perfect, beautiful—an angel.

(verse 13) *You were in Eden, the garden of Yahweh*

Alright, where did Yahweh send HaShatan to govern? Eden.

Whenever Yahweh placed Adam and Eve in Eden, that was Satan's garden. That was the headquarters of Satan's government, which is modern-day Turkey in that area there.

...every precious stone was your covering... YAH loves jewelry so much that he covered Satan with jewels. Now, what were those jewels?

...the Sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold,

There's a total of Twelve (12). Now, why are there Twelve stones there? Because that was his badge of Heavenly authority. Because he first wore the ephod before the high priests did.

These twelve stones that Satan wore denoted him as the arch-angel, the highest angel on earth. That was his authority. Now, later on, those exact same twelve stones were transferred to whom? The high priests. That's called the *URIM THUMMIN*.

When Yahweh spoke to the children of Israel, He spoke through the *URIM THUMMIN*. The priests would go up to the *URIM THUMMIN* and ask it a question and the stones would light up as the voice of Yahweh would come through them.

These are the stones that HaSatan, Satan, originally wore in the garden of Eden.

...the workmanship of your tabrets (tambourines) and of your pipes were prepared in you in the day that you were created.

The what was prepared for Satan? His glorious voice !!! Even the mountains (governments) belonged to Satan—HaSatan. He was the governing angel of this planet.

(verse 14) ***You are the anointed cherub that covers, and I have set you so, you were upon the holy mountain of Yahweh...***

What is the set-apart mountain or the holy mountain of God? You'll read about it all throughout your Bible—MT. SION. Why do you think the 144,000 will be standing on MT. SION? Because we're finally taking the mountain that we're supposed to have taken in the book of Genesis. That's why in the book of Revelations we're on MT. SION because this was Satan's mountain where his government, headquarters, were.

(verses 14-15) ***you have walked up and down in the midst of the stones of fire. You were perfect in your ways from the day that you were created, till iniquity was found in you.***

That is the beginning of HaShatan, not as an angel because he was an angel before this. BUT THIS IS WHEN YAHWEH MADE HIM GOVERNOR OF OUR PLANET. This is so important that you understand this...because the church does not understand this. And we have to understand it because, how can you conquer an enemy that you know nothing about his origins or his rightful authority?

Now, do you know about Gabriel? There's a scripture where Gabriel is talking to Satan. And do you know that Gabriel wouldn't rebuke Satan? What did he say? He said "*Yahweh rebuke you.*" Now why was that? Because God loves hierarchy and order and government. And HaShatan was over Gabriel in this original angelic order. So, Gabriel has no right to rebuke Satan.

Now, I want to point something out. There's one thing that YAH hates more than probably anything. Yahweh hates mixture. He hates this word ...Hybrid!

What is a hybrid? Alright, I've taught you all before, what kind of animal cannot have children? A hybrid. And give me an example of a hybrid animal. A mule. Because that's a horse and a donkey sleeping together, crossing, and a male mule can go with another female mule and they can never have a mule. Why? Because they break the laws of Yahweh. Hybridization... God hates it. Why? Because it is not original. Why? We're going to go over this right now.

The first commandment in the word of God was found in your Bible in Genesis 1:11-12. Let's read it.

Genesis 1:11-12

And Yahweh said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth, and it was so. And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind, and Yahweh saw that it was good.

That is the first command you will find in your Bible. That's the first one. Every seed, every apple seed, every apple must produce an apple. Every grape must produce grapes. Why? Because that's how Yahweh created it in it's original form.

Genesis 1:21

And Yahweh created great whales, and every living creature that moves which the waters brought forth abundantly, after their kind, and every winged fowl after his kind, and Yahweh saw that it was good.

Ok, did the whales have cats for their children? No! What did they have? Whales. That's God's order.

Genesis 1:25

And Yahweh made the beast of the earth after his kind, and cattle after their kind, and every thing that creeps upon the earth after his kind, and Yahweh saw that it was good.

So, if anything is created that's not after it's kind, it is a hybrid monster. It's a monster. Because a monster has no life in it. It's a hybrid monster.

Genesis 1:27-28, 31

So Yahweh created man in his own image, in the image of Yahweh he created him, then he created the woman from the man. And Yahweh blessed them, and Yahweh said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it, and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth. And Yahweh saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day.

Ok. Now what did God, Yahweh, place his stamp of approval on? Every thing that He created the way He made it. Anything that's outside of that order, the way that it was in the original, it's not very good! IT'S THE OPPOSITE OF GOOD. That's why you can never have a homosexual marriage. Why? Because it's not the way Yahweh created it. I don't hate anybody. But I've got to preach the truth. And the truth is we must produce after our own kind.

Now, the first angelic rebellion was before Genesis Chapter One. But tonight I want to talk to you about the second angelic rebellion. And it is in Genesis chapter 6.

Genesis 6:1-2

And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God (angels) saw the daughters of men that they were fair, and they took them wives of all which they chose.

Who did we just say the sons of God are? The angels. So let's replace that word 'sons of God' with the angels. Ok, now these angels saw the beautiful daughters of men. What is interesting about this, by the way, is that one of the woman's most beautiful features is her hair that makes her different from a man. Men don't typically have long beautiful flowing voluminous hair. Men are not supposed to have the most gorgeous hair in town. Women have beautiful hair. And that's why Satan wants you to cut it off the second he can because he hates your hair, your undeniable femininity. It is a glory unto you.

Now, I want to explain something. How many of you remember reading in the New Testament when Paul was instructing the ladies to cover their hair? Do you know why he told them to do it? Because of something. "BECAUSE OF THE ANGELS."

That's in your Bible. But the reason Paul told them to *cover their head* in the worship service was because of this angelic rebellion.

And they came to these women in Genesis 6:1 and they slept with them. And what did this break? The first command that God ever gave. What did God say? Don't cross the species. He didn't say it couldn't be done. It can be done. But he said don't cross those seed lines. Keep them pure.

Now, before I go any further, I'm getting ready to read off the next slide and we're going to be reading from the book of Enoch.

For those watching by video, Enoch is not scripture, but it is great historical support to scriptures. THE BOOK OF ENOCH was considered scripture by the Nazarenes and by the Essenes. It was considered scripture in the New Testament in the early days. Whenever they went to the caves of Qumran, they found over 20 copies of the book of Enoch. Twenty copies of Enoch was found at the Qumran caves, and also, 15 copies of the book of Jubilees. We don't consider it scripture, but we do take it as historical support.

Enoch 6:1-2 (R.H. Charles version)

And it came to pass when the children of men had multiplied that in those days were born unto them beautiful and comely daughters. And the angels, the children of the heaven, saw and lusted after them, and said to one another: Come, let us choose us wives from among the children of men and beget us children.

Now the book of Jubilees 5:1.

Jubilees 5:1 (R.H. Charles 1917 edition)

And it came to pass when the children of men began to multiply on the face of the earth and daughters were born unto them, that the angels of God saw them on a certain year of this jubilee, that they were beautiful to look upon, and they took themselves wives of all whom they chose, and they bare unto them sons and they were giants.

What were the results of these children being hybridized? They were what? Giants. What's the first enemy of Israel? A giant. These children were giants. They were ferocious inbreds just like when cousins go together and the child's deformed or whatever the case may be. Or a father rapes a daughter and there's something wrong, it's not right. Well, these were giants, it wasn't right. They were messed up the moment they were born.

Those angels that fell from heaven originally were called THE WATCHERS. They had been ordained by Yahweh to watch the children of his creation and to protect them. But rather, they molested them. These watchers had authority over these humans and they went and robbed them of their innocence.

In Genesis 6:4, the Bible calls this nephelim by two different phrases.

Genesis 6:4

There were giants in the earth in those days, and also after that, when the sons of God (angels) came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

What were they called? Mighty men of old and men of renown. These were the enemies of God. And that's why I tell people who aren't living for God they're in rebellion. That's why you're an enemy of God. These were the first enemies of God. They were men that were horrible.

Enoch 7:1-6 (R.H. Charles version)

And all the others together with them took unto themselves wives, and each chose for himself one, and they began to go in unto them and to defile themselves with them, and they taught them charms and enchantments, and the cutting of roots, and made them acquainted with plants. And they became pregnant, and they bare great giants, whose height was three thousand ells, Who consumed all the acquisitions of men. And when men could no longer sustain them, the giants turned against them and devoured mankind. And they began to sin against birds, and beasts, and reptiles, and fish, and to devour one another's flesh, and drink the blood. Then the earth laid accusation against the lawless ones.

What are these angels called? Lawless!!!

Now why am I teaching this lesson tonight? I want to ask everybody that's watching me around the world and in this room one question. I want you to go back in your mind. Let's go back to when I was a young boy. Let's go back 25 years.

Does the world today freak you out compared to just 25 years ago? Oh yeah. When you look around, how many times have you caught yourself looking at something that for a moment was almost normal to you, and then you scratch your head and say, my God, WHY AM I NOT SHOCKED AT WHAT I'M SEEING?

There's been a change in our world. I remember when I was a boy, 25 years ago, we didn't know anything about things we know about today. And not only that, you could go back 2,000 years from when I was a boy, and nobody in those 2,000 years knew anything. Nothing changed. For the last century, nothing's changed. I mean little things, but not the nature of man.

Something is happening in our world and you need to know what it is. THERE'S A CHANGE. Twenty-five years ago, had you ever heard of a plane flying through a twin tower killing 3,000 people? Had you ever heard of that? Had you ever heard of it being normal of a wedding venue in your town being perfectly fine marrying two men?

No. I'm not condemning, I'm just telling you—25 years ago, you hid if you were like that. Now, admittedly, we've always had sin, but never this blatant, in-your-face, a total takeover of sin.

That's what tonight's lesson's going to be about. I want you to understand the proof is in the pudding—how close we are to the kingdom of God. Just think about it, a man standing on the interstate and just shooting drivers down that's driving by. HAD YOU EVER HEARD OF ANYTHING LIKE THAT BEFORE?

Where's it coming from? Oh, video games. Yes, but who's in the video games? Who's creating them? There's a takeover of our world OF A CERTAIN GROUP OF ANGELS THAT YOU MUST BECOME AWARE OF TONIGHT.

YAHWEH wants you to know what time it is and where we are.

Jubilees 5:2 (R.H. Charles 1917 edition)

And lawlessness increased on the earth and all flesh corrupted it's way, alike men and cattle and beasts and birds and everything that walketh on the earth-all of them corrupted their ways and their orders, and they began to devour each other, and lawlessness increased on the earth and every imagination of the thoughts of all men (was) thus evil continually.

All men. Evil took over all their thinking. Go and get in Walmart's line and step in front of somebody or butt in front of somebody. There was a day when somebody would say "excuse me" now they pull out a gun and shoot you.

Because, what happened in Jubilees 5:2, the reason lawlessness increased in the earth, was because of these fallen angels and what they had done to mankind.

We read in the previous verse that those giants, the humans couldn't keep feeding them, they didn't have enough food to feed them. So the giants started eating the humans! And have you ever heard someone say, "Everybody's turning on each other? There's a Spirit behind that to destroy mankind.

Jubilees 5:2 says that their thoughts were continuously evil. I don't know about you, but I don't even recognize the world I live in anymore. Because men's thoughts are continuously evil. The world we live in now HAS SUDDENLY CHANGED, there's got

to be a reason for it and there is.

So, there are two identifying traits to the pre-flood era when the Nephelim ruled our planet. Those three traits were:

Number 1... **ILLICIT MARRIAGE.**

What is illicit marriage? Abnormal Marriage. What's more abnormal: ANGELS AND HUMANS OR A MAN AND A MAN? ANIMALS AND HUMANS? We're there. What's going on ??

Tonight we're about to show you what's going on in the world. I know in Canada I saw it, and I think Switzerland. You can marry your dog now. Put him to bed with you. You can SUD-DENLY do it all. Now, I want to make a point here. See how we think it's strange that angels slept with humans? In God's eyes, it's just as strange that men sleep with men and vice versa...it's just as strange. Why? It's crossing the seed line up, the original creation order is completely upside down.

You're going to see just before the coming of the Lord when the Nephelim have been released back upon the earth, and we're getting ready to talk about their release date.

When that happens, **ILLICIT MARRIAGE IS GOING TO BE THE SIGN** that the Nephelim have been released back on the earth. Now stay with me!

This is why the Bible never has to be updated. What they did then—it's the pattern of what would happen at the end. The beginning—the end.

The sign that the Nephelim have been released from their prison and allowed to roam the earth again will be a sudden return to illicit marriages. Now you remember that!

Now, let's talk about something else.

Number 2 - **The Killing Of the Human Race with no**

shame and no regard for the dignity of life.

What did it say the Nephelim did to each other, to the humans? Devoured them. Killed them. Do you want to tell me the difference in the nephelim killing humans and humans aborting babies?

So, the next sign that the nephelim have been released on the earth is when killing and death no longer matters, it becomes normal, and humans start killing their own.

Two signs the nephelim are back. I just asked you, 25 years ago, did you see any of it? When did Roe v Wade come in? 1973? Around that time frame? Before that, you'd go to prison if you killed an unborn child. But now, you can kill them coming out of the womb. Something has changed children—in the mind of humanity. And we're going to talk about what that is.

So, now we know what the two traits of the nephelim were. Number 1 is illicit marriage, and number 2 is killing humans with no remorse and no shame. Have you ever seen a day when we kill more humans in mass shootings? There's something happening. You better watch.

Number 3 - Lawlessness

THE 3RD TRAIT OF THE NEPHELM IS LAWLESSNESS. You never heard in the church 30 years ago that the law had been done away with. People preached holiness. Now lawlessness has started through the “*ministers of light*” in the pulpit that Satan has sent nephelim spirits to, to preach lawlessness in the church.

Matthew 24:37-39

But as the days of Noe were, so will also the coming of the son of man be.

What existed in the days of Noah? Why did God send the flood? To destroy the Nephelim. They were walking the earth and were perverting men to such a level that YAHWEH pitied the condition of mankind.

So God sends a flood to destroy the Nephelim from manifesting and existing among mankind.

Well how do we know that? Because you're going to have the exact same traits that's going to bring society to the point to where "*I've got to wipe them out*".

Now read what he said right before he comes back...as it was in the days of Noah.

(verse 38) ***For as in the days that were before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark.***

Now, what were these nephelim angels doing? The Bible says they were eating the human's food, right? And, therefore, after they ran out of food, they started eating humans. And what else? There'll be illicit marriage. There'll be divorce on every hand. It'll become a thing where you expect people to divorce four times now.

I'm trying to show you...NEPHELMIM'S BACK. And I'm going to show you where they've been and why they're just now coming back.

Marrying and consuming: eating and drinking. It's not just talking about eating. It's talking about consumption of your desires, your fleshly desires. What does eating and drinking represent? Your flesh out of control "*just like the animals*". The age of the monstrous animal is coming back.

(verse 39) ***And knew not until the flood came, and took them all away, so will also the coming of the Son of man be.***

Alright, they'll be out of control at the coming. You know, a hundred years ago society was in control. Now, they wear their pants down to their behind. They're out of control. They're animals. A hundred years ago, nobody wore their pants down to their behind. They didn't. Why? We were a controlled, genteel and polite society.

Now these nephelim have come back and our children are turning into those hybrid animals!

Jubilees 5:6

And against the angels whom he had sent upon the earth, He was exceedingly wroth, and He gave commandment to root them out of all their dominion, and He bade us to bind them in the depths of the earth, and behold they are bound in the midst of them, and are (kept) separate.

Notice carefully, A separate place! Remember this. THE WATCHERS, THE FALLEN ANGELS—there are two sets of them. There's the general fallen angels who are free on the earth. But the watchers there were two-hundred (200) angels who were called the Watchers. They were sent to a place called TARTAROO in Greek which means *prison*.

Now, how many of you remember when Yahshua came out of the grave and the Bible said he went and preached to spirits in prison? This was those two-hundred (200) angels that were kept separate because they are so evil! They're not just rebellious angels; They're perverted angels; They're murdering angels. They've been held back from humanity until such a time as our Lord is ready to return.

They were held in prison because they are the strongest of all angels. And God said, take them and bind them and don't let them mess with humanity. Do you know why? Because if he had not bound these two-hundred watchers, the six days of man would never have happened. We would've killed each other in the first day.

And you wonder where mass shootings is coming from? I'm getting ready to show you what's being released on our earth... you better stay with me now. If these angels had not been sent to prison for these six-thousand (6000) years, what did God say? I give to man six days. What would've happened if these angels had been free those six days? There would be no flesh on the earth.

You see, the fallen angels, there were millions of them...but they did not sleep with women. They did not devour, they didn't do that. These were a special breed. They must be because they were sent to watch over the earth. They must've been a special powerful group of angels.

So they were sent to prison and they were told in Jubilees 5:6 to keep them separate.

Enoch 10:11-13

And the Lord said unto Michael: Go, bind Semjaza and his associates who have united themselves with women so as to have defiled themselves with them in all their uncleanness.

(verse 12) *And when their sons have slain one another...*

Ok, what do the sons of this Nephelim do? They kill each other. They love war. They love their guns. They are a murdering group.

Verse 12 continued

And when their sons have slain one another, and they have seen the destruction of their beloved ones, bind them fast for SEVENTY GENERATIONS...

Now when you see the words “*bind them*” that’s talking about the two-hundred watching angels, the Nephilim who slept with these women. Bind them. How long? For seventy generations.

Bind these angels that’s causing all of this murdering, these illicit and perverting angels. Bind them for Seventy generations.

...in the valleys of the earth, till the day of their judgement and of their consummation, till the judgment that is for ever and ever is consummated.

UNTIL IT’S TIME FOR THEM TO COME TO JUDGEMENT. They’re not always going to be bound. But at their very end, when it’s time for the judgement...they’re going to be released back upon the earth to usher in the end of days and to cause the prophesied destruction among the sons of men, this destruction will be the precursor to the return of The Messiah of Israel.

(verse 13) ***In those days...***

Now in what days? The ending of the 6th day which is where we are, and the 7th day. What’s going to happen to these angels? They were shut up for 70 generations. At some defining point they will be released because their 70 Generations of punishment will reach its end.

When they have completed their role in the end time, then they will face the judgement seat of Christ to be sentenced to the only sentence fitting for an eternal creature; eternal torment. They’re going to be shut up for all eternity in the fires of torment.

This is why this ministry does not believe in eternal torment for human beings. These are angels. They cannot what? They can't die. However for the human, what's the wages of your sin? Death. NOT ETERNAL TORMENT. Don't turn Yahweh into a worse tyrant than Hitler and then become bewildered when His creation has no desire to serve Him.

Who did Yahweh say he created the lake of fire for? HaSatan and the fallen angels. Now if Yahweh knows everything and He said that we as human beings would spend eternity in the lake of Fire, then why didn't he create the lake of fire for us? It wasn't for us because we can die.

The Bible said he had to create the lake of fire for the angels—the 200 watchers, the fallen angels. Why? Because that's their just punishment. If you have eternal life and you cannot die, I can't give you death for your punishment. I can only torment you for all eternity. Yahweh must have a place of eternal separation for these angelic villains so they might never again cause such monstrosities in the Coming Kingdom of God.

And yet we tell humans that God's going to do to them the very same thing that will be done to the Nephelim, eternal torment for as long as Yahweh lives! And we wonder why they hate our God.

Now this rebellious, dark army is to be held back for how many generations? Seventy! And then they're going to be released on the earth again.

Now, to calculate a generation...a generation is 70 years. You better get this. I'm going to show you something that's going to make everything make sense to you.

Now if you've got seventy 70's, that will give you 4,900 years. Noah's flood took place in 2892 before Christ died. Noah went into the ark in 2892 BC.

At the same time the angels were sent to the prison of invisibility, no longer able to manifest among humans and seek to alter the very DNA of the Sons of God that have been begotten upon the earth today by the Holy Seed or Spirit of Yahweh.

A judge gives everybody a sentence for so long. Their sentence is Seventy generations. 4,900 years they were told they would be in prison so they could not affect humanity. Add that to this and you come up with 2008 ($2892 + 2008 = 4900$) Or $4900 - 2892 = 2008$.

These dates are rough dates and only intended to give approximate timetables not exact ones. With this calculation in mind, what we are finding is that in the early 2000's is when the prison sentence of the Watchers, the Nephilim expired and they were released from their sentence and allowed to return to humanity with their evil influences. Most assuredly in this time frame of the early 2000's is when things begin to change so quickly that no one could keep up with the drastic damages to society. This is when it all started.

When was 911? 2001. Now watch this! When did homosexual marriage become normal? Take your timeline and follow it. You will see when these angels were released back on the earth and as a result everything is falling apart. As it were in the days of Noah, *"So shall it be again"*

And there's a reason for it. What is the purpose of these fallen angels in the last days? Because they would be released at the beginning of the days of judgement. God's going to use this army of fallen angels, of dark lords to bring judgement upon the world by influencing the world leaders and the cabal, the elites of this age and causing them to make decisions based on these evil and ungodly angels influence upon their spirit minds. Yahweh has need of them to do it with. He's going to use them to bring rebellion.

Folks, turn on your television sets, look at your phones news alerts. The entire world has lost their minds seemingly overnight. Go look in Hong Kong. Go look in Brazil. Go look all over the world. Go look in England right now. Did anybody see parliament this week when they were like a bunch of animals at each other, crossing the aisles. And now the whole country's about to fall apart.

There's something in the minds of men that says...REBEL AGAINST AUTHORITY !!! The Kindness and the genteelness of society is gone. The respect of every institution of law and order is eroding. Children now rule parents, the wives rule their husbands, the saints rule the Pastors; from the church, to the job, to the government. Do you remember when I taught you on the government of God? YAHWEH HATES REBELLION !!! Perversion is here on every hand. Because this dark army has been released from their confinement.

That boy in Texas last week shot all them people in Walmart. Let's take a man. Have you ever heard of a man you thought was a wonderful man, and you found out he molested children. And you're like—how?? HOW?? And these young people taking their lives. Shooting and killing themselves. And teenagers taking their lives right now.

That's the day we're living in. There's something in their minds that's never been there before. When did you start to see all of our children addicted to drugs? It wasn't 35 years ago when I was a boy. When did all these mental health issues start coming? It wasn't there when I was a boy. Something's happening!! When did humans begin to castrate their own-selves to change their sexuality? There has never been more confusion in the minds of men. Can you not see something's been released upon the earth!

Now, when Yahweh created Adam, he told Adam to take control from these fallen angels. That is our destiny to stand ready

for the removal of this hierarchy of hell upon the earth because presently fallen angels have authority over humans. They have authority over every nation on earth, except for one, the nation of Israel. No, I am not talking about that parcel of land in the Judean desert but rather the scattered seed of Israel across the entire world.

Daniel 10:5-6, Daniel 10:12-13. Now, this story in Daniel talks about an angel that was bringing a message to the prophet Daniel, a powerful revelation was coming to him about Israel. This particular angel wasn't Michael. No. Actually it was another angel that was coming. Michael would later come to help this angel in warfare for Israel.

Over every city. Over every state. Over every nation there are ruling angels that have every right to be there. And they are not godly angels. They are rebellious angels. That's why this current administration of fallen angels, this current kosmos, this fallen order is not our home, we are of a heavenly kingdom of obedience and the fruit of the Spirit, we do not fit in this rebellious world order.

Now, what happened when Daniel prayed? An angel wanted to give him a revelation. And what happened? The dark fallen angel, the prince of Persia came into the heavenlies and stopped the angel of Yahweh from coming down to Daniel. Now remember, these fallen angels are not the Nephilim, the Nephilim are The Watchers, a specific group of fallen angels who have been separated from the other fallen angels who currently rule the world. That group of angels is unique in their rebellion and in their perversness.

How long did that battle last? Three weeks (21 days). Daniel kept praying and as he prayed the heavenly and the fallen angel were fighting in spiritual war. Why? Because those fallen angels had a legal right to stop the angel of Yahweh and attempt to keep it from delivering the revelation to Daniel of

Yahweh's end time plans for mankind, especially the children of Israel. Even Yahweh honors authority.

What did the angel do that was bringing the message to Daniel? He called to Michael to come and help him. Because Michael is the prince of Israel and he came and helped him.

Once Michael joined in the battle then another fallen angel or the prince of Greece which is the governing fallen angel over Greece, when the angels of Yahweh began to fly over Greece, the fallen angel of Greece said No, you can't come through here.

Why was there a fight to begin with? Because there was going to be a revelation to Daniel about his people Israel about end time events that would reveal to all mankind, Yahweh's plan of the ages in the statue of the vision Daniel is about to interpret.

Listen to me carefully. If you understand that you are Israel... the angel that's over your city, The angel over Waveland Mississippi, he's there now, in full authority over the cities of the world. That governing angel is somewhere in this community influencing the minds of men to rebel against Yahweh. You ask me where in this community are these governing angels? They are in the pulpits of this community as "*angels of light*" convincing Yahweh's people that there is no more need for obedience, as a matter of fact, these angels have renamed obedience into a new word, LEGALISM and they teach Christians to avoid LEGALISM at all cost.

This is their community. They were legally given the right to rule until another group of sons will arise and put these fallen angels under their feet! In our little town of Waveland, all you need to do is come across the Bay bridge, and look to your left as you enter Waveland, and you will see 12 pagan gods, statues of them with their altars, erected not by the Church of Satan but rather the "*Holy*" Catholic Church.

The kingdoms of this world have not become the kingdoms of our Lord yet, that will happen on the 7th day.

When you know that you're an Israelite, you have become the enemy of the angel over Waveland Mississippi. When they hear your shofar interrupting the noise of their voices, their heads turn and give you their full attention. There's an angel over this city. It's his city! And he found out there's somebody who's an Israelite living here. And no Israelite is welcome among the other nations of the world. That's why we were scattered. That's why they were scattered! They hate Israel!

That's why, if you go look when God separated the nations at the tower of Babel the Bible said he separated the nations according to the angels, the number of angels that would govern those places. And look what happened. He said except for Abraham seed, they would have no governing angel!! Because these fallen angels have authority over every nation of the world except... EXCEPT!

They have no authority over Israel !!! Oh Hallelujah!! Why? Because Israel is governed by Yahweh Himself through His proxy angel, Michael. *(For a greater understanding of this subject please go to www.FHTV.tv and search for our video lesson entitled "**Who Was The Angel of Yahweh**")*

Fallen angels have legitimate authority until they're replaced but as of yet, there is no one to replace them. Why? Yahweh will never replace rebellion with rebellion. Until He has created one new man that walks in the very same obedience that Yahshua did, there will be no transfer of power. Yahshua came and conquered His rebellion, but since Yahshua does not plan to rule the earth by himself, he also doesn't plan to conquer by himself either. He came and conquered their power, but he's waiting for you to do the same thing He did so that you can rule over those angels with him.

Ephesian 6:12

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Now why do we battles those angels on a daily basis? The answer is simple: If something has been conquered, there's no need for battle. But, upon the face of the earth today and sleeping the graves is a church Triumphant that would not surrender to the rebellion of these angels and therefore we remain unconquered! Therefore, there remains a need for them to battle our minds and wear us down.

Israel is not conquered. Israel above is free. We have no angelic ruler except Michael as he governs Israel on behalf of Yahweh Himself.

So, therefore, we fight against these evil principalities because we've not been conquered. We don't belong to them. They hate us. They cause war with us! As long as we hold true to the Word of Yahweh, we remain a threat to their strongholds. The wonderful news is that TO DATE, we remain unconquered by sin. If and when we fall, we repent so quickly that their voices cannot condemn us. WE ARE THE ROYAL ARMY OF YAHWEH AND THIS TRUTH IS MARCHING ON!!!
