

## **The End Times (Part 8)**

### **The Two Witnesses**

By Pastor Shane Vaughn, First Harvest Ministries

In this ministry, we believe that the Coming of the Lord is explained in three phases: that He has come, He is coming, and He will come. That's how we believe. He already came into our lives personally when we accepted Him into our life, and received the Holy Spirit. That was a Coming of the Lord. He came to us. However, there is a group of people who do not believe that He is physically coming again. They believe that He already came, and that He's not physically coming. I want to say to you tonight that it is, in my opinion, the spirit of the Antichrist. Because the Bible says that when He comes, *Every Eye* will see Him.

That as the lightning flashes from the east to the west, that's what His coming will be like; everyone will see that physical coming. There are signs before the Coming of the Lord that we are told to look for. One of the signs before the Coming of the Lord, will be the appearance of two witnesses. The things I'm going to teach tonight are going to maybe shock you, because I personally believe that we have gotten the Two Witnesses wrong; everyone I've ever heard teach about them. The reason is, they don't understand the Holy Days.

They don't understand that the book of Revelation is a spiritual book. It is not a carnal book. Do you know why the book of Revelation is written in symbols? Because symbols outlast language. A lion in every nation represents what? Strength. In every language, water represents cleanliness. In every language, fire represents purification. In every language, symbols remain the same. The reason everybody messes up the book of Revelation is because when they read a word, they take it literal. When you do that, you will turn the book of Revelation into a nightmare. I'm talking about a bad red beans and rice nightmare.

You will have grasshoppers with long hair and big teeth flying all over the land eating everybody up. You'll have the most horrendous things. You've got to understand, when John wrote the book of Revelation, he wrote it in signs and symbols, not words. The words are to point you to the signs and the symbols. I'll give you an example. On Mount Zion, stood a lamb. Do you believe that was a literal lamb standing on Mount Zion? No! Who was that? That was the Lord Jesus Christ, so why use a lamb? Because the Lord Jesus Christ's Name might change in other languages, but the purity of the lamb—the Lamb of God—would remain the same in the English language, the Spanish language.

When you see the lamb, you see innocence. Why do we have a dove represented in the heavens? Because as the lamb is to the earth, the dove is to the heavens. They're the same animal. What is the lamb? Pure and Innocent. What is the dove? Pure and Innocent. Follow your symbols and you'll quit misinterpreting the book of Revelation.

So, when we get to the Two Witnesses, this picture that you're looking at is how the Church teaches the Two Witnesses: two men breathing fire out of their mouths. Can I get an Amen if you've ever heard that? Now let's read Revelation 11:3, and we're

going to start tonight by exposing the Two Witnesses to you. I want this ministry to be not only first in the Spirit, but first in the truth. Amen.

**Revelation 11:3-5 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness. 4 There are, as it were, the two olive trees, and, as it were, the two lamps of the seven lamp lampstand, ministering for the Father in the earth. 5 And if any among them determines in his mind to commit sin, the every word of Yahweh; the Law and**

***the Prophets, like the two-edged sword of fire, proceeds out of the mouth of the spokesman of them, and he devours their enemies; and if any among them should continue to commit sin, in this manner it is binding for him to be destroyed.***

I want you to see in the picture above, how we have interpreted this verse. I've interpreted it that way my whole life, before I came to Truth. *Brother Vaughn, I don't believe that means a literal fire coming out of their mouths.* You're correct. So if you don't believe it's a literal fire coming out of their mouths, why do you believe it's literal men? Think about it. You don't believe that's real fire coming out of their mouths unless you believe in dragons. Do you believe there are human dragons? Then why do you believe they're literal men? Your mind won't let you go that next step because your religion has taught you that it's two men. You have no problem accepting that it may not be real fire, but you're determined that it's real men. Amen? Okay; stay with me.

The Church has taught that the Two Witnesses are several different options. Let's go through them: Moses and Elijah. We've been taught that these two men are going to be Moses and Elijah. Some have said it's Elijah and Enoch, because these men never died. That's a lie from hell. They're both dead, and I'll explain it to you tonight. Moses and Enoch, Christ and His Father, the Old and the New Testament maybe, or none of the above. The truth is, it's none of the above.

Remember this: these Two Witnesses do not show up in the Church, and I'm going to explain to you why I'm saying, *in the Church*, in a moment. The Two Witnesses do not come to the world. They come to the Church, and I'm going to prove it to you tonight. These Two Witnesses are coming just BEFORE the Seventh Day begins: the Coming of the Lord. They come at the very end of the Church Age that we're living in. When they show up, things are getting ready to change on our planet.

The main problem with these carnal scenarios, is that all these men are dead—every single one of them. They're in their graves. If you've ever been

told that Enoch went to heaven, or Elijah went to heaven, I don't have time to prove it tonight, but go watch my video: *What Happens to the Dead*. It's two parts and four hours long, but you need to go watch it.

**Acts 2:34 Now David did not ascend into the heavens, but he himself said: Yahweh said to my Ruler and King: Sit at My right hand,**

The Scripture just said that David has not gone to heaven, right? Do you think that if anybody should go there, he should? Then why do you think your mama is there? I'm not going there tonight, but we all love our funeral lies. All who have died, are asleep, right where the Bible said they are, waiting for the Coming of the Lord. The Bible said, *those who are asleep in Christ, waiting for the resurrection*. They're asleep! Let's think about this for a minute. If anyone is already in heaven, then what is the point of a resurrection? Why are we waiting for a trumpet to sound so the dead in Christ can rise, if they're already where you think they're going to go? It's tom foolery, and we have believed this our whole Christian lives.

But Yahweh is pulling back the curtain. He's used us to put the curtain back, not just on political lies, but on Church lies. Why? Because His people need to walk in freedom and in truth! We're all going to meet on that great morning when the dead in Christ shall rise! HalleluYah! When I'm walking in Truth, you can't stop me. The Word of Yahweh is more powerful than the word of a church. The Word of Yahweh is the FINAL authority in ALL matters of faith! If my word doesn't line up with Yahweh's Word, it amounts to nothing!

I feel that Spirit working now! Why? Because when we come out of Babylon, we come *all* the way out! *Brother Vaughn, you don't like Catholics*. I love Catholics! I love them as much as I do Baptists, but I preach against every Baptist doctrine that doesn't line up with the Word of Yahweh. I preach against every Pentecostal doctrine that doesn't line up with the Word of Yahweh. I preach against every Charismatic doctrine that doesn't line up with the Word of Yahweh. We're a WORD Church! We're a

Word Ministry! We preach the Word of Yahweh! You've got to *Walk* in the Word. Yahweh brought you here to learn Truth so you can be free tonight! How many want to be free from religion, and you want to walk in the Word? HalleluYah to Yahweh!

So tonight, we've got to learn how to pray, and we've got to learn that we're all dead, waiting for the Resurrection. Do you know when we get resurrected from the grave, those in the second resurrection have got to go before the Judgment Seat? It's in the Judgment where you're going to hear these words: *Well done, good and faithful servant. Enter in.* Why would you have to re-enter, if you're already there? That's the silliest stuff I've ever heard, and we believe it. The only human being who is in heaven is the Son of Yahweh, and He said, *I'm going to prepare a place for you that where I go, you will be also.*

Listen, when you understand the truth, the devil can never play in your mind. Never! These men—Moses, Enoch, Elijah—will all rise up in the Resurrection. If we're not getting up *until* the Resurrection, then Revelation 11:3 about the Two Witnesses, happens *before* the Resurrection. So, if these men are not getting up until the Resurrection, then how could they be the Two Witnesses, which happens *before* the Resurrection? I'm trying to build a case tonight in the Spirit. I'm in the courtroom of the Spirit right now. I want to help you. The Two Witnesses come *before* the Resurrection, so it cannot be Moses, Enoch or Elijah. I'm going to knock this one in the head.

*Brother Vaughn, Elijah rode a horse to heaven.* First of all, there's no horse going to heaven. *He took off in a chariot with horses.* If you don't understand Hebrew symbolism and euphemism, which are figures of speech; if you don't get that, you'll read the Bible wrong. Elijah did not go to heaven, because if he did, seven chapters later—ten years later—guess where Elijah is? According to 2 Chronicles 21, ten years later, he's at the post office. Yes he is. The King of Israel, King Jehoram, gets a letter from Elijah the Prophet of the Tishbite after he supposedly went to heaven. Go read your Bible. For three days fifty men searched for Elijah, because the sons of the prophets in the school of the prophets, knew he was still on the

earth. They looked for him for three days. I can also prove that Enoch wasn't dead. When we understand this, then we've got to figure out who these Two Witnesses are. Now we're getting somewhere.

We've got another spiritual meaning before we can understand the Two Witnesses. We've got to understand the lampstand in the book of Revelation. The first symbol you'll see in the book of Revelation is the lampstand. Do you know that was not a real lampstand in the book of Revelation? Matter of fact, the angel tells John that it's not a real lampstand. He says, "These are the seven churches." It's not lampstands. What you think is a lampstand has a spiritual meaning to it. This is not a lampstand. This is the Church, because the Church is the light of the world.

When we read that, we see a lampstand, but that's because you don't have the Holy Ghost yet. You're reading it from a carnal mind. But when the Spirit of Yahweh begins to teach you His Word, all of that carnality fades away. Then all of a sudden, instead of seeing a lampstand, you see a light, just like you just saw. You've probably never heard me teach this before, but when I walked this way, she looked at me, and said, "It's the light." That's the Holy Spirit revealing that to you, not me, the Holy Spirit.

So when you understand that the lampstand is the light of the world—the city set on a hill—when you understand that, you'll wind up being a hypocrite when we get to these Two Witnesses and you refuse to see that they may not be two men, because you've just said the lampstand is not really a lampstand. You just said fire coming out of the mouth is not really fire. You'll make a hypocrite out of yourself when you accept the other, but you refuse the truth that the Two Witnesses are not two men. Why do we do it? Religion has trained us in their way. So tonight, remember your symbols.

Tonight we're going to learn who they are, what they're going to do, who is going to come against them, and what the end of their ministry will be. Let's read John 4:23-24 and John 14:17. In these verses, Yahshua is making a

prophecy that you need to pay attention to. He's making a prophecy about the last day that you and I are living in today.

**Yahchanan 4:23-24 But the hour comes,**

The hour is coming! What does that mean? That's a prophecy about a certain hour. Notice that He didn't say a day. He didn't say a thousand-year day. There's a very specific part, a small part, of that thousand years that is coming. *The hour is coming.* In other words, it's not here yet. But He said, *I'm going to prophesy to you what that hour is going to look like.*

**and now is when the true worshipers will worship the Father in Spirit and in truth; for the Father seeks just such worshipers, to worship Him. 24 Yahweh is a Spirit Being; and those who worship Him must worship Him in Spirit and in truth.**

He said that the hour is coming when two things are going to come forth into My Church; two things. Not the whole thousand years, you're not going to see this. You'll see a little bit of Spirit, a little bit of truth working against each other. You'll see this church with all Spirit, making fun of the truth church, and you're going to have the truth church making fun of the wacky spiritual churches. You'll have them fighting against one another. They're going to be separate, but there's going to come an hour where two things are going to come forth: not just Spirit, not just truth, but Spirit and Truth!

We Pentecostal have had the Spirit for hundreds of years. Some of these other Sabbath Day churches have had the Truth for a hundred years. But He said, "THERE'S AN HOUR COMING where these two are going to get married and they're going to begin to flow together!!" Whoo Hoo! HalleluYah! I'm going slow to keep you calm tonight. That's what I'm doing, before you have a heart attack on me, and give me one in the process.

**Yahchanan 14:7 If you had known Me, you would have known My Father as well. From now on you know Him, and have seen Him.**

I want you to hear what He just said. The Spirit of truth is coming, and everybody can't receive it. Do you know who fights truth harder than anybody? The Church, because it doesn't fit in *their* truth. You better believe what I'm saying. It doesn't look like their truth. When I began to preach this truth seven years ago, I was turned against by everybody because, *We cannot receive this truth*. Why? Because religion is stronger than truth.

*Brother Vaughn, I don't believe that.* Then why when I said, "These are my two little old men," did your mind start to shut down on you for about thirty seconds? Because religion is more powerful than truth. Why if I go up to a good Catholic believer and tell him the Pope has no authority outside the Word of Yahweh, why do they hate me? Because religion is more powerful than truth. *Brother Vaughn, I don't believe that.* Well, do you believe what Jesus said? Let me give you His words. He told the church folk, "You have made the Word of God have no power because of your religion."

They thought they had good religion. They were Commandment Keepers, keeping the Sabbath, doing everything! They had religion, but they didn't have good spiritual religion. You can keep the Sabbath until you're blue in the face; if you don't have the Holy Ghost, you don't have anything! They keep holy. They wouldn't touch a piece of pork for anything, but they are DEAD in the Spirit. But there's coming a day when there will be some Holy Ghost people who LIVE for truth! When you bring those two together, you're looking at the End Time Revival!

*I won't touch any pork.* Well, you won't touch the altar either! *I'm not going to eat that.* And yet, you won't eat truth either! *I'm not going to receive that.* You don't receive the Holy Ghost either, because you've fallen into this Messianic movement that teaches us that Yahweh's done away with all of that. I tell you, the Messianic religion is as bad as the Catholic religion. It's as bad as the Baptist religion. It's all twisting the Word of Yahweh. We need TRUTH! We need men with backbone. If I lay hands on

you and ordain you, I pray Yahweh will give you a backbone to preach truth no matter who it offends.

I'm going to prove to you that religion is more powerful than truth. I read you scriptures tonight that said nobody is in heaven, and you still believe your mama's in heaven, and you don't think religion is powerful? I'm making a point. You have to admit that your own mind will fight against truth because of the way you were raised, or what you were taught. Listen to me. I want to give up everything that the Word of Yahweh does not endorse, and bring you closer to the Father. The question is not, WHO are the Two Witnesses? Get that question out of your mind; get rid of that question. The question really is: WHOSE are the Two Witnesses. Let's read Acts 1:8.

**Acts 1:8 But you will receive power after the Holy Spirit has come upon you; and you will be witnesses of Me, both in Yerusalem, and in all Yahdah, and in Samaria, and to the uttermost ends of the earth.**

So Yahweh said, "You are my witnesses," but not until something happens to you: until you're filled with the Holy Ghost. He says, "There's going to be a people who are filled with the Holy Ghost, and those people are going to be My witnesses to whom authority is granted, to seek what they have heard from the Holy Ghost." Here's something that will really rock your world. Let's go to Revelation 11:1-2. Now, tonight I'm going to prove to you where the witnesses come from. You are going to see something now that will show you who these Two Witnesses are. And you're not going to believe it, but it's in chapter eleven, the same chapter we already read, and just didn't read above it. First, we're going to read the last verse in chapter ten.

**Revelation 10:11 And he said to me: You must prophesy again before many peoples, and nations, and languages, and kings.**

**Revelation 11:1-3 And there was given me a reed like a measuring rod. And the malak stood, saying: Rise, and measure**

**the temple of Yahweh, and the altar, and its confines; where they worship within.**

Hold tight. Before we get to verse three, where we find the Two Witnesses, look at what is happening in verse one: the angel of Yahweh brings a revelation to the pastor of the Church in Smyrna—John—and he says, “I want you to take this measuring rod.” Now hold on. I just taught you that you can’t always believe what you see in the book of Revelation. Do you think he literally gave him a measuring rod? No.

What is our measuring rod? The Word of Yahweh. I know that because in the verses above, he gave him the little book and told him to eat that: the Word of Yahweh. He just got through eating the book in the verses right above that, and now he says, “I’ll take that same book, that same Bible that you ate, and now we’re going to use it as a measuring rod to see how the Church is doing with truth.” He said, “Take the Word, not your religion; take this Word, and go through the Church and see who is lining up with Truth.

**2 But the court which is outside the temple leave out, and measure it not; for it is given to the Gentiles. And the holy city they will tread under foot three and one-half years.**

In verse two he is saying, “Do not measure the sinners yet; we’re not worried about them. Their measurement comes in the second resurrection.” Don’t fool with the sinners, because the measuring rod doesn’t begin with them. The measuring rod is the judgment rod of the Word of Yahweh! He said, “Go into the Church and take Truth, and see who can buy the Truth and sell it not. See who can take Truth.”

And then he said, “Don’t even worry about the carnal church people. Don’t measure them” They were in the temple, but they were in the OUTER court. He said, “Don’t fool with the carnal church folk. They’re not going to like what you’re doing.” I’m getting ready to preach now! “Don’t fool with the

religion, but go into My dwelling place, which is My people; go and start measuring the Church.” Now we’ll read verse three.

### **3 And I will give to My Two Witnesses...**

Whoa! We’re talking about the Church in verses one and two, and all of a sudden after the measurement; *After* the Word has come into the Church—the measuring rod, the truth rod, the beating rod—He says, “I chastise those who I love.” That’s the whipping rod of the Word. He said, “When you get through whipping them with the Word, OUT of that measurement is going to come Two Witnesses out of the Church.

In verse one and verse two He is going into the Church to get rid of the tares. “Find Me the wheat; measure them, and when you’re done measuring them, from that measurement you are going to see two things in the Church that you’ve never seen before. You’re going to see Two Witnesses pop up after I get through with this last revival of the Word.”

The next revival that’s upon us now, is for the Bride. It is not a revival for the world. It’s a revival of perfecting glory. This is a revival of truth. This is a revival of perfecting the body of the Lord Jesus Christ. *And when I get done with that revival, something is going to pop out of the Church that’s never been there before: TWO WITNESSES!* They always had one or the other, but they never could get to two. HalleluYah to Yahweh!!

A hundred years ago, there were Pentecostal churches, Assemblies of God, Churches of God, they had the Spirit; you can’t deny that. But they didn’t come to the right baptism. They didn’t have truth, but they had Spirit. They could speak in tongues like we could, and our people couldn’t understand that. We had people who didn’t live holiness, but they were just as spiritual as we were. We didn’t understand that Yahweh was doing a calling. They can do the Spirit as much as they want to. On the other side, we had folks over there keeping the Sabbath and all that; all those who were dead as a doornail; no life in them, no Spirit, no anointing, but they’re keeping the

Sabbath. Bunch of dead knocks on a log, Amen? They're not praying in the Holy Ghost.

For these last few hundred years, you've got two of these churches on two sides of Yahweh's Church. But Yahweh said, "I'm going to raise up men in the last day who are going to find the Two Witnesses and bring them out." That's where we are right now. Remember, this happens just before the Coming of the Lord! Why do you think in the Jesus Name movement, why do you think our churches were so blessed, and all over the nations building buildings? Why do you think Yahweh blessed them? Because they walked in Spirit *and* in truth.

Now sadly, many of them stopped as truth marched on, and you see what's happening in their churches. They're turning into the Baptist church in town. I'm telling you what I know. I see that they're all losing their seal. Why? Because Truth is marching on, and they're staying where they were. Oh, but on this day and in this hour, Yahweh said, "Measure the Church, and watch what's going to come out of that measurement." That's where we are. I hope somebody's hearing in the Spirit tonight. Let's read Revelation 12:17 and Revelation 14:12. I'm getting ready to show you these Two Witnesses.

**Revelation 12:17 And the dragon was enraged with the woman, and went to make war with those who forsook her seed; *her seed being those who keep the Laws of Yahweh, and have the testimony of Yahshua Messiah.***

I just showed you the Two Witnesses. The Bible said that the dragon is going after two *specific* things in the Church. Who do you think the woman is who he's going to make war with? The Church at large. But he's not making war with the Church at large. He's making war with the SEED of the Church. Good God from Mount Zion! He's going after TWO things. Now you know why the Two Witnesses have got to have fire in their mouth: because the dragon has fire in his mouth. The dragon's coming after the seed of the Church at large. *What do you mean by the Church at large?* All

those people who love Jesus, but they don't love Truth. They're the Church; they're going to be in the second resurrection. They're not going to hell.

But Yahweh is looking for somebody deeper than salvation now. He said, "This dragon is not going to mess with the Church. He's going to mess with that little flock; the little flock, that one who says, "I want truth more than Mama's appraisal, I want truth more than my religious leaders' appraisal. I want Truth." Listen to what the Scripture just said: He's going to make war with the remnant. Then He tells you who the remnant of the seed is.

He says, "They're got two tattoos on them, two marks on them." Did I hear Him say, *TWO*? Are we talking about Two Witnesses? He said, "The remnant of the Church—the choice part—has got two tattoos on them, or two witnesses on their mind: two marks." What are those marks? You just read the first one. They don't teach the lie that says Yahweh's Law has been done away with. Read that verse. He said they are going to have two marks on them. They're going to be keeping the Laws, and they're going to have another mark. If it just was one mark, it would be the Jews, but they're keeping the Law. Those Two Witnesses are not the Jews! The Jews wish they could be a two-witness people! He said, "They're going to keep the Law, but they're also going to have the testimony of Jesus Christ, Yahshua Messiah. The Jews don't have that testimony.

*Brother Vaughn, the Christians do, right?* Yes, they have the testimony of Yahshua Messiah, but they don't have the Law. Yahweh's people are going to have two marks on them; *TWO* marks on them!! HalleluYah! Why didn't He say they were going to be just people who believe in Yahshua? Because that's one mark, and what's coming out of the measurement is two marks. My God from Mount Zion! Whoooo!!! The same Spirit that's preaching from me is preaching right back at you. Do you understand? Do you get that? Oh HalleluYah! When you're listening to the Spirit, you *feel* what's being said, even before it's said.

That's two marks: The Commandments of Yahweh, and the Testimony of Yahshua Messiah! Let me tell you something. I love all my Holiness

brethren, but if you go and preach how a woman's supposed to dress, and you don't go back to the Old Testament to tell them how to do it, and you ignore the Sabbath Day, you're messed up. I believe in holiness, and I believe in modesty, and a woman should dress like a woman, but the Sabbath Day and the Holy Days are the Commandments of Almighty Yahweh! Get it right or don't get it at all! The Sabbath Day is the SEAL of the people of Yahweh! It seals us into knowing we are set APART.

Listen to me tonight. The Two Witnesses are the TWO MARKS. *Brother Vaughn, I keep all of the Ten Commandments.* Really? Do you keep *Thou shall have no other gods before Me*? Do you really keep that one? What about church time, when you have every excuse in the book. Who's your god? I'm preaching now! *I'm a commandment keeper.* You don't even show up in the House of Yahweh. What commandments are you keeping? I'll read you one: *Forsake not the assembling of yourself together on the Sabbath.* Get it right! *I'm a commandment keeper.* Where's your tithe then? Some of you who keep the Sabbath, you mock everyone else who is picking and choosing, but you are just as much a picker as they are. Oh yeah: Have NO other gods before Me! *Well, my wife didn't feel like coming.* Listen to me: No other gods!

The Bible said, "Even more so as you see the Coming of the Lord approaching, gather together." Why do you think Covid 19 came? To keep us from gathering together against the commandments of Yahweh. Why do you think Tony Spell is facing thirty-three felony charges in a court of law? Because he refused to not gather. Do you know that that demon cracked judge has now said she's not going to drop the charges, and he may be looking at ten years in Baton Rouge prison because that man refused to not obey the Word of Yahweh. We raised a couple of thousand dollars to help him to go to the Supreme Court. Pray for Tony Spell. He went to court last week and it was bad. That judge is a certain lady of a certain party, and she's a demon-crat, is what she is. Anyway, keep him in prayer.

But if you're going to say you obey Yahweh, you have to obey *all* of Yahweh's Word, from the front to the back. Wives, obey your husbands.

Husbands, go to work and provide for your wife. *Brother Vaughn, I'm a commandment keeper.* Here's one for you: six days you should get your butt to work. I'm not talking about the disabled. I'm not talking about that, but don't say you're a commandment keeper if you send your wife to work. My wife's not allowed to work; I'm the man in my house! Take that you bunch of liberals or feminists. Let me tell you something. I take pride in the fact that my wife doesn't have to work. Why? I'm the provider! Now if she wants to, because she wants to buy some shoes, go on and work, but you're not going to have to work to eat.

I'm a man; a man who doesn't provide for his house, isn't a man. I don't care if you keep the Sabbath Day or the Holy Days. You need to go to work someday. A man who tells his wife, "You've got to obey me," and you don't provide for her, she doesn't have to do any such thing. Until you become a man, you can't expect her to become a woman. Obey Yahweh's Word. Obey ALL of it. I said, "Obey all of it! Obey it all!"

Let's talk about the number two real quick. What does the number two in the Bible mean? It's the number of what? One means unity. Two is always the number of witness. Remember, *out of the mouth of two or three witnesses?* Two is the number of witness. If you get married, you've got to have two witnesses. When you get married, you get married in the Spirit. What are we going to do with Yahshua? Marry Him in the Spirit. There's got to be two witnesses that you're really married. Did you get that? The Coming to the Lord is a Marriage, and it's got to have Two Witnesses so that you're really married. HalleluYah!

**Deuteronomy 19:15 One witness is not enough to convict a man accused of any crime or offense he may have committed. Only by the mouth of two or three witnesses may the matter be established.**

Nothing is established without two witnesses.

**John 8: 17-18 It is also written in your Law: that the testimony of two men is true. 18 I am One Who gives testimony on My behalf, and the Father Who sent Me gives testimony on My behalf.**

So for Jesus Christ to be the Son of God, there had to be how many witnesses? Two. For you to be proven the bride of Yahshua, there's going to have to be two witnesses in your life. If you're talking about being saved, there better be two witnesses. If you're talking about, *I'm the bride of Christ*, you better have two witnesses show up at your wedding. Did you hear that? There's about to be a wedding day, but if there's no witnesses, you're not getting married! You need two witnesses.

*Brother Vaughn, I've got the Holy Ghost.* Okay. I'm getting ready to show you how the two witnesses work. *Brother Vaughn, I remember when I spoke in tongues.* Well, the devil does too; congratulations. Hold on! Speaking in tongues is wonderful for you, the best thing to ever happen to you, trust me. But notice what the Holy Ghost is given for: to lead you and to guide you into all Truth. There's your two witnesses! The Spirit leads you to Truth! If you don't have Both, you don't have the Two Witnesses!

That's why when people tell me they've got the Holy Ghost and they hate my teaching and my preaching, I really have to wonder, "Do you really have the Holy Ghost?" Because I can defend this Truth against anybody anywhere, anytime. This is Truth! You've got to learn Truth, and if you've got the real Holy Ghost, you'll come to these services, and you'll love the movement of the Spirit, and you'll be like, *When is that preacher going to get started? Why? Because my spirit is begging for Truth!* Revelation: that is the Two Witnesses! We used to go to church hoping the preacher didn't preach. HalleluYah!

Yahweh has never left Himself without a witness in the earth who speaks on Yahweh's behalf: Noah, Enoch, Elijah, John the Baptist. Here in the book of Revelation, Yahweh has Two Witnesses. They are powerful, they are great, and they are important.

**Revelation 10:11 And he said to me: you must prophesy again before many peoples, and nations, and languages, and kings.**

This tells you what this church that has these two witnesses is going to do. Revelation 10:11 says that you must prophesy. It's what Yahweh told this church: You must prophesy! *Well Brother Vaughn, start prophesying.* You don't know what prophesying means do you? *Yes: Tell me my future.* That's not prophesying. Ninety percent of the time, that's prophe-lying. We had a bunch of them during the Trump campaign. HalleluYah. Riding on a dollar, trying to earn a dollar from people.

Let me tell you something. My message was *Trust the Constitution*. I never once told you that Yahweh said that he was going to be president. I told you the Constitution gave you different paths for him to become the president. But I heard men that said, "Thus saith the Lord." I can't judge him yet, because he may still be marching back in; so I'll keep my mouth shut. Who knows? There may be a two step return, so I'm not going to go there until four years from now, but in four years, you will hear me call him out, because we must prophesy. *Brother Vaughn, I want to go to a church where they prophesy.* You're sitting in one. Prophecy means to preach the Word.

The problem is when you go into those prophesying churches, you've left the Word. *Oh I see there's someone here tonight having problems. Someone here is having financial problems. Somebody here is worried about your children.* My point is, we don't need prophesying. We need *real* prophesying, which is the *Revelation* of the Word of Yahweh.

When I first came to this church seven years ago, the first service I ever walked in those doors, I remember calling three or four people out and prophesying to them. Sister Brenda Ford is here now. One sister, who is gone now, had a son on the West Coast. Yahweh showed me exactly where he lived. Sister Brenda Ford had a grandchild who was very sick. The doctors said one thing, and I said that the Lord said that what the doctor said is not true, and I told her exactly what the problem was with the

grandchild. I can go down the list. I'm not saying that to brag, I'm saying that to say this: that every one of my prophecies were... I better not go there.

Let me say it this way: Yahweh shut me down for five years in this church for prophesying, and I have the gift of prophecy. My wife would tell me all the time, "Honey, what happened? You used to prophesy over everybody." I said, "Yahweh shut me down from prophesying so that I could go into real prophecy, which is the revelation of the Word of Yahweh. I got tired of everybody loving my prophesying over them.

I told one brother who had a daughter, Sandy; I told him that she'd be back in his life again. He said I was a prophet that day, and now he says I'm a false prophet; but it happened just like the Lord said. Just like the Lord said, is how it happened. And I told him the color of his wife's hair, and told him she was a Jezebel witch, and we found out that was the truth. The point I'm making is the Lord has never failed in this church. Never. But Yahweh had to shut me down to bring in those who love TRUE prophecy, which is the preaching of the Word of Yahweh. HalleluYah!

He told the Church, "I want you to preach again, but this time I want you to preach exactly what I tell you to preach." Well, I did that. We wound up with two people. I did it. I said, "Okay Lord, we won't prophesy, we'll just preach." See how that's turned out for us! Somebody has heard that teaching, and here they come. Why? Because Yahweh is bringing in the WHEAT. Yahweh is bringing in the wheat, not the tares, because He said to keep preaching, keep preaching. He told John to keep preaching; preach again, and again, and again.

If you only knew how many times I told my wife I was quitting and never coming back. I didn't want to come back and preach to two people. You know why? It does something to your pride; exactly what Yahweh has to do to your pride so that He can use you for His purposes. Did you hear me? It's something when you're preaching here and it's only brother John and his wife, and brother Barnett. But I promise you, I still preached like the world

was on fire. Why? *Preach again. Preach Again. PREACH AGAIN! Never stop preaching!* The true Church will preach again. That's what we've been doing. Tonight we're seeing a great revival come forth in this ministry, because I preached again. He told John to preach again!

Now I'm going to show you from the Scripture, who the Two Witnesses are in Revelation and Zechariah. Remember, every Bible doctrine must have a double witness: New Testament and Old Testament.

**Revelation 11:4** *These are, as it were, the two olive trees, and, as it were, the two lamps of the seven lamp lampstand, ministering for the Father in the earth.*

*Brother Vaughn, who are the Two Witnesses?* You don't have to ask that question. Yahweh just told him who the Two Witnesses are. He says, "These are the two olive trees." Not only is it two olive trees, it's also two lamps, so why do you think it's actually two men when Yahweh said the total opposite? *Brother Vaughn, It's going to be two men.* Yahweh said it's going to be two trees, and then He said it's going to be two lamps. You better get out of the carnal mind, children.

Do you know that the most requested sermon on my YouTube channel is *Who Are The Two Witnesses?* It's right there in your Bible. They are the two olive trees, and the two lamps. How many lamps were there in the lampstand in Revelation chapter one? Seven. And only Two were found perfect before Yahweh. Do you remember? He had something against all seven churches except how many? Two. He said, "Only two are perfect before Me." One of those churches was pastored by John the Revelator: the SERMON church. These are the two lamps; the two perfect churches. But what makes them perfect? We're going to find out. As we go to Zechariah, I am going to show you the Two Witnesses because these are exact, identical prophecies.

**Zechariah 4:1-6** *And the malak who talked with me came again and wakened me, as a man who is wakened out of his sleep. 2*

**And said to me: What do you see? So I said: I see, and behold, a lampstand all of gold, with its *bowl for oil* on the top of it, with its seven lamps on it, and *there are seven pipes to the seven lamps*. 3 *And there are two olive trees by it, one upon the right side of the bowl, and the other upon the left side of it.***

*And there are two olive trees by it.* Hold on! Same vision! The angel is showing him the same thing that John saw. The first thing he saw was a lampstand with seven lamps on it. That's the seven churches. And he goes on and says, "I looked again, and this time I didn't see lamps, I saw olive trees." He said, "I saw the Church, and it was a dead Church; there was no life in these churches." But what comes out of olives? Oil. What were the five foolish virgins missing? Oil.

Hold on. My God from Mount Zion! It's getting so good, I'm going to lose weight when I finish out. Go ahead.

**4 So I spoke to the malak who talked with me, and I asked him: What are these, my ruler?**

What are these two olive trees? Remember in John and in Revelation? He said these Two Witnesses are the two olive trees. Now this prophet is saying, "Who are the two olive trees?" Here's your answer.

**5 And the malak who talked with me answered, and said to me: Do you not know what these are? And I said: No, my ruler.**

Do you think that's two real olive trees? Do you think that's two real men? Do you think that those are real two lamps? Do you not know what they are? *No Lord, just like the whole Church, we don't know who the Two Witnesses are. No Lord, we don't know who they are.* And He said, "You don't? Why don't you know who they are?" Yahweh will always answer with truth. I hope you're ready now. If you want to know, Yahweh will let you

know. The problem is, most don't want to know. They want to have *good church*.

**6 So he answered, and spoke to me, saying: This is the word of Yahweh to Zerubbabel, saying: Not by might, nor by power, but by My Spirit, says Yahweh of hosts!**

*This is the word.* Somebody say: Truth. That's all. The two olive trees: *this is the Word, and this is the Spirit.* This is the Truth, and this is the Spirit. The Two Witnesses that Zechariah saw, and John saw were not men, were not trees. They were not lamps. They are WHAT is going to take the Church through the end times: Spirit and Truth. HalleluYah to Yahweh! It's not by My power, but you're going to get the outpouring of My Spirit! Whooooo! The church that gets the truth, and the church that gets the Holy Ghost are going to be fire breathers! Their words are going to kill everything that comes against them on the last day. The dragon is going to make war with THOSE people.

How do dragons make war? How do they open their mouths and breathe what? FIRE. What comes out of the mouth? The fire comes out of his mouth. What comes out of the mouth, truth or lies? LIES! But guess who else has some fire coming out of their mouth? TRUTH is coming out of the Church: the Two Witnesses! The song *Breathe On Me* takes on a whole new meaning. That dragon's breathing lies. We are breathing truth. My God from Mount Zion! The problem is there's one dragon, but there are TWO witnesses!

Who's going to win that battle?! Who's going to win? The Spirit of my God from Heaven!!! Everytime the dragon tells a lie, if you don't have truth, if all you have is Spirit, that isn't enough. You'll open your mouth and try to speak in tongues, but he isn't scared of that. But when you open your mouth and say, *Thus saith the Word of God*, and the Holy Ghost comes behind that, that is a fire that he's not ready for. It's death to the devil. HalleluYah! Let him breathe his fire. Let him breathe fire. He doesn't understand that I wake up in the morning breathing fire. I walk through the day breathing

fire. Thus saith the Lord, what Yahweh said, what the Word of Yahweh said. My God, give me the means to learn how to breathe fire!

But there's a problem. There's a lot of people who can quote the Word. He's not scared of that either. But when it's backed up with the Holy Ghost life of prayer, and these two things meet up in the middle, he has met his match! He met it in Yahshua Messiah when He said, "Get behind Me, Satan." Yahshua was a fire breather. I don't know about all of you, but I just feel like breathing fire! I feel like speaking in tongues and talking truth all at the same time, and making him literally go crazy! That's a double witness!

When you come at the devil, in the Name of the Messiah, and what the Word of Yahweh says, you've got FIRE; you've got something that can move mountains. You've got something with those words that breathe fire from Heaven; words of Shutdown Fire from Heaven! The angel of Zechariah said, "You don't know what those trees are? That's where the oil of the Holy Ghost is going to come out of." Why were they trees and lamps? Those trees produce an oil, and the lamp produces the light. There's truth in the Word of Yahweh.

There's a ministry coming up and it's not just here. It's happening everywhere. We love Truth and Spirit. We're laughed at by our own forefathers. We are mocked by our own friends. We are ridiculed by the people we used to worship with. We are made fun of by the Church. But hear me: If we'll hold on, they'll join us. I hope you heard what I said. If we'll hold on, they'll join us. They will come with us. They will see what's happening. They will see what Yahweh is doing among His people: signs, wonders, miracles, healing of the mind, healing of the body, salvation of the soul.

When somebody asks who the Two Witnesses are, say *I am. I have both marks. I can speak in tongues and speak the Bible because I have both of them; I've got two witnesses.* These preachers aren't doing anything but talking nowadays. They want your best life now. Baby, you don't know about my best life. It's coming when the King comes, when He sets up His

kingdom. That's when it will be my best life. It's not now, but it's on the way. This lampstand, this candlestick, represents the Church that's supposed to be preaching the Word. But we can be preaching all day long. We can get on YouTube, and have Bible Studies with people all day long, but until some olive trees show up and start pouring in the oil with the vine, you don't have anything but a bunch of talking going on.

But when you bring those Two Witnesses together, it is going to mark the End Time Church. Yahshua said the hour is coming when there will be a people who will not just be worshippers. Do you know the difference between a worshiper and a true worshiper of Yahshua? Yahshua did. They were all worshippers, but He said, *My Father doesn't see worshippers. No. My Father is waiting for the hour when true worshippers will arise from the worshippers.* That is a Word. There is an hour coming where everybody will be worshiping, but there will be a people who will come out from among the worshipers, and they will open that Book, and say *Eat it again*, and they will eat that Book. And when they do, fire will come out of their mouths.

*Brother Vaughn, what about where it says nothing will harm them?* I'm going to give you a little testimony now. I have witnesses here. I stood here at this church with Mama and Dad, and my wife, while people literally stood up in the services against me. I could tell you things that if you weren't here, you wouldn't know what I was talking about. I could tell you of business owners who would come and lie about me. I could tell you story, after story, after story of people who have come against me, and I'm proud to tell you tonight, that I'm still standing, because truth is always left standing. Do you hear me? NOTHING shall harm them. Nothing! No lie that comes out of the mouth of the dragon. Nothing will harm them! The Bible said that they will open their mouths and their enemies will be ashamed. Just say it for Truth! You don't have to ever fight back.

I stood right there in the pulpit one time, and called a Jezebel out. She was sitting right there. I called that woman out and told her the trouble she was causing in the church. I literally called her out. I don't play. I'll call anyone

out. This is Yahweh's church and we don't play games here. If you came here to make trouble, you're in for a rude awakening. I called that woman out in front of the whole church, and that woman literally walked out, and from that day forward, the attacks started coming against me, and I'm telling you the truth before Yahweh, that I never once opened my mouth to defend myself.

I never one time fought back. I never even one time opened my mouth. Why? Because when you've got the Double Witness, you don't have to do anything. You stand for truth, and your enemies will be ashamed of what they have done. They stood outside this church and said, "We'll never come back." But when you stand for truth, people will drive in from Lafayette, Louisiana. They'll drive in from as far away as South Carolina. Why? Because Yahweh is defending you! Stand for Truth and watch what the Lord will do!!
