

YAHWEH'S (GOD) DREAM

**(based on the Prologue of "The Dream Team"
by Pastor Shane Vaughn)**

Yahweh has a dream,
a desire for His earth.
Spiritual sons and daughters
He plans to bring to birth.

With Him, they'd rule and reign
and live eternal lives.
They'd be working on the earth
restoring Paradise.

For Yahshua to reign as King of kings-
satan finally dethroned.
No one would be hurt again
or ever feel alone.

And everyone would follow
Yahweh's Holy Law
of liberty and love
and mercy for all.

No one would go hungry
or ever be abused.
Weapons turned to plowshares,
for farming to be used.

Deserts would bloom like roses,
there'd be no storms of destruction.
Pure water flowing everywhere
and beautiful homes under construction.

Everyone would be wealthy.
There'd be no cause for greed.
No one would be in debt
for anything they need.

There'd be no mental breakdowns,
no sickness or disease.
No body parts missing -
all minds would be at ease.

And all would keep the Sabbath
and the Holy Feast Days
to worship and to rest
and learn about His Ways.

Yahweh is seeking volunteers,
He's calling me and you.
The time is now, He'll show us how
to make His dream come true.
