

# **The Mazzaroth**

(Pastor Vaughn, Part 3 – fhtv.tv #1954)

Yahweh used pictures  
so they cannot be changed.  
In every language and culture,  
the meaning stays the same.

Four living creatures  
are there to protect it.  
When evil comes near,  
they can always detect it.

The 12 tribes of Israel  
encamp in a certain order.  
They line up with the Mazzaroth  
all around the border!

The first house is Virgo,  
a young woman with a Seed.  
She would bring forth the Christ  
to meet mankind's need.

Next to her is Libra, where  
man's sins have been weighed.  
Signifying there is a debt  
that somehow must be paid.

The third house is Scorpio,  
man fighting with a snake.  
There's a scorpion under his foot,  
his very life at stake.

That glorious day is coming -  
Satan crushed under our feet!  
Death will lose its sting  
and our victory will be complete!
