

**DECLARATION OF RESTRICTIVE COVENANTS
SHILOH COVE SUBDIVISION, PHASE 2**

THIS DECLARATION OF RESTRICTIVE COVENANTS is made and entered into this 23rd day of June 2025, by LMP Development LLC., a Kentucky limited liability company, of 138 N. Keeneland Dr Suite E, Richmond, Madison County, Kentucky 40475;

WHEREAS, the undersigned, LMP Development LLC a Kentucky limited liability company, (hereafter "the Developer") is the owner of a certain tract of land situated in Madison County, Kentucky, which land is described as Shiloh Cove Subdivision, Phase 2 , comprised of Lots Numbers 44 through 67, and 72 through 78, inclusive, and more particularly described in the Final Plat of Shiloh Cove Subdivision, Phase 2 , recorded in Plat Cabinet 32, Slide 75, in the office of the Madison County Clerk; and

WHEREAS, the undersigned desires to impose upon said Shiloh Cove Subdivision, Phase 2, and each and every lot in said subdivision described in Plat Cabinet 32, Slide 75, restrictive covenants for the mutual protection of all persons or entities who may hereafter acquire such lots in said subdivision and other phases of Shiloh Cove Subdivision;

NOW, THEREFORE, these protective and restrictive covenants are hereby executed and recorded for the mutual protection of all persons or entities who shall hereafter own lots in said subdivision known as Shiloh Cove Subdivision, Phase 2, as shown in Plat Cabinet 32, Slide 75, and in all other phases of Shiloh Cove Subdivision. All lots in Shiloh Cove Subdivision, Phase 2 (Lots 44 through 67, and 72 through 78, inclusive) are expressly declared to be and are hereby made subject to the following restrictions and provisions as fully as if this instrument was incorporated in each deed of conveyance for said lots, whether referred to in said deeds or not, which restrictions and covenants shall run with the land and be binding on all owners of said lots, their heirs, personal representatives, successors and assigns, to wit:

All lots in Shiloh Cove Subdivision, Phase 2 are sold subject to the following restrictions and conditions which shall be considered as covenants running with the land:

1. Architectural Merit and Purpose of Restrictions: It is the intention of these restrictions that only residences of architectural merit, good design, and suitable material shall be erected in Shiloh Cove Subdivision, Phase 2, for the preservation of all property values.

2. Homeowners Association: There is in existence Shiloh Cove Homeowners Association, Inc., (which name may be modified by the Developer if necessary), a Kentucky nonprofit corporation, the Articles of Incorporation of which are recorded in Articles of Incorporation Book , Page , in the office of the Madison County Clerk.

The owner of each lot in Shiloh Cove Subdivision, Phase 2 shall be a member of said Homeowners' Association, and membership in said association shall be mandatory for the owner of each such lot. All such owners and members shall be required to abide by the Association's

articles, bylaws, rules and regulations, to pay all assessments levied by the Association when due, and to comply with all decisions of the Board of Directors of said Association.

The purposes of said Association shall be as set forth in its Articles of Incorporation and shall include the maintenance and repair of any common areas, storm drains and basins, common landscaping and entrances, and enforcement of these restrictions.

Any assessments levied by the Association shall be used only for purposes generally benefiting the Association and its members, and the Association shall have the right to impose a lien on any lot for which any assessments are not timely paid, which lien shall be evidenced by a lien statement to be recorded by the Association in such form as it may elect which shall be enforceable by way of foreclosure. Nothing herein shall create any lien on any lot in said subdivision, and the Association shall acquire a lien on any such lot only after recording a notice of said lien in the office of the Madison County Clerk.

Each lot owner of any lot conveyed by the Developer shall be required to pay to the Association an original annual assessment in such amount established by the Developer, subject to Bylaws and rules of the Association regarding such assessments, including specific rules defining the effective date for such assessments and the manner of allocation of assessments against multiple lot owners. Subsequent annual assessments shall be in such amounts and be assessed as established by the Association.

The Developer, LMP Development LLC, or its successor or affiliate in the development, shall not be required to pay any assessments or dues to the Association despite ownership of any lots in this subdivision.

3 Approval of Construction and Site Location Plans: All house plans and plans for any other improvements, including without limit any outbuildings, detached garages, swimming pools, and excavation, must include a specific depiction of the proposed location on said lot of the house and all improvements, and must be approved by the Developer or its successor prior to commencement of construction. One (1) complete set of such plans and specifications for improvements on each lot shall be delivered to and retained by the Developer or its successor. Construction plans shall include front, side, and rear views or as requested by the Developer or its successor, and shall also include specific depictions of the proposed locations of all improvements to be made. The plans and specifications shall include all details of construction, materials and styles of materials. All required approval or rejection shall be made by the Developer or its successor in writing within seven (7) days after receipt of the plans and other required information.

4. Single Family Residence Only: These lots shall be used for single family residential purposes only and no commercial, professional, trade or business activities shall be permitted on any lot.

5. Maintenance of Lot: All lots shall be kept clean and the grass mowed at all times prior to commencement of construction. The Developer, or its successor, or the Association may

have any offending lot mowed or cleared and collect the cost of such, plus 25 %, from the lot owner.

6. Minimum Square Footage: All residences shall be single family structures only and shall be either one story, one and one-half story, or two story single family structures and shall contain a minimum living area exclusive of porches, basements (whether finished or not), attics, carports and garages as follows:

Lots 44 through 67, and 72 through 78

- a. 1,400 square feet for 1st floor above ground for split foyers
- b. 1,400 square feet for one story structures.
- c. 1,500 square feet for one and one-half story structures.
- d. 1,600 square feet for two story structures.

Split Foyer designs are permitted but split foyer designs must be approved in advance in writing by the Developer or successor prior to a lot purchase. Approval of Split Foyer designs by the Developer or its successor and shall be in the Developer or its successor's sole discretion.

All home plans and specifications must be approved in writing by the Developer or its successor before commencement of construction. Regardless of square footage, the Developer or its successor shall have the right in its sole discretion to approve or not to approve any plans and specifications for homes or buildings which are deemed by it as suitable or unsuitable to the overall development plan.

7. Improvements: The following shall apply to all improvements constructed upon any lot in the subdivision:

- a. All residences must have a minimum two car garage attached or built-in to the main dwelling.
- b. All driveways and parking areas shall be constructed of concrete and completed before occupancy of residence.
- c. No continuous overnight parking is allowed on the streets of the subdivision. All homes must have adequate off street parking.
- d. Construction of the residence must be completed within twelve (12) months of commencement of construction.
- e. Occupancy of a residence under construction before total completion of construction is prohibited

f. Every house must have a continuous masonry or poured cement foundation and poured cement footer.

g. Every house must have a central heating and air conditioning system and no window or through the wall heating or air conditioning units shall be allowed.

h. The outside of any house, garage or outbuilding *or other structure* constructed in Shiloh Cove Subdivision, Phase 2 shall be brick veneer, natural stone, or cultured stone (which cultured stone must be approved in writing by the Developer or its successor), and shall extend entirely to the ground level. Vinyl siding, "Hardy Plank siding," cedar siding, and stucco ("dryvit") exteriors shall be permitted in combination with brick or stone, with brick or stone or combination of those covering no less than the front elevation of the exterior wall space and brick skirts of the foundations on the sides and rears of the structures on all lots in Shiloh Cove Subdivision, Phase 2.

i. Materials prohibited on the exterior of all structures include, without limitation, exposed concrete block (including exposed basement and retaining walls; provided that retaining walls may be constructed of decorative engineered retaining wall block), siding composed of fibers or asphalt, tar paper siding, asphalt or asbestos cement shingles, or any plywood or wood composite material. The Developer or its successor shall retain the right in its sole discretion to approve use of any modern materials which would otherwise be prohibited by this restriction if it determines that the use of said material would be suitable and consistent with the overall development plan of the subdivision.

j. All dwelling fronts must be properly landscaped, with a minimum of ten (10) shrubs and/or combination of trees. The yard area must be completely sodded or seeded and strawed as well as landscaped within 90 days after completion of construction. All yards shall be maintained in a mowed, clean and neat condition at all times. If a yard is not maintained, the Developer, its successor or the Association shall have the right to take action to maintain the yard and to collect the cost of doing so, plus 25 %, from the owner of such lot.

k. All unattached garages and outbuildings shall be located to the rear of the principal dwelling. The rear meaning: no closer to the street than the rear corner of the house, which, with regard to houses on corner lots, shall mean no closer to the street than the side rear corners of the house or in any other location which in the discretion of the Developer or its successor impairs the aesthetics and design of the subdivision. All unattached garages and outbuildings shall be constructed of the same materials and in the same architectural style as the main dwelling, and must be approved in writing by the Developer or its successor before construction. All required approval or rejection shall be made by the Developer in writing within seven (7) days after receipt of the plans and other required information. At the sole discretion of the Developer exceptions may be made for locations of detached garages due to the lay of the lot.

8. Set Back Building Lines: No building shall be constructed nearer than 25 feet from the front property line, or nearer than 10 feet from the rear property line unless the plat designates 25 ft from the rear property line, or nearer than 10 feet from any side property line.

9. Sidewalks: Each lot owner in Shiloh Cove Subdivision, Phase 2, other than the Developer or its successor, shall be responsible for constructing and maintaining a concrete sidewalk four inches thick by four feet in width for the entire street frontage of the lot. Sidewalks shall be constructed in accordance with all applicable building codes, laws, and regulations, including without limitation the Americans with Disabilities Act, as amended, and shall be located at a distance from the curb as determined by the Developer or its successor and before occupancy of a residence. Each sidewalk shall be placed in a manner so as to be compatible with existing curbs and driveways, and shall be compatible and uniform with adjoining sidewalks. In the event construction of a residence is not commenced within 12 months after conveyance of a lot by the Developer or its successor, the owner of such lot shall then install the sidewalk on said lot. If the owner fails to do so, the Developer, its successor, or the Association shall have the right to do so and collect its cost of doing so, plus 25%, from the owner of said lot.

10. Commencement of Construction: Construction of the residence on each lot must begin within 24 months from the date the Developer or its successor conveys the lot and completion of the residence must occur within 12 months after the commencement of construction. Occupancy of the residence is prohibited until completion of the residence, driveways, and sidewalks.

11. Manufactured Homes: Pre-fabricated, manufactured, pre-cut, or mobile homes are prohibited and all buildings shall be wholly site-built; provided that use of panel walls or preconstructed panels shall not constitute a violation of this restriction.

12. Street or Development Damage: Anyone cutting into or tunneling under or damaging in any manner the streets, curbs, sidewalks, or any road or street serving the development and anyone damaging or in any way altering or affecting any storm or sanitary sewer, shall repair and restore the sewer, streets, curbs, sidewalks, or roads to their original condition, all at such person's own risk and expense, including, without limitation, builders and owners. In the event such repairs are not made by such person within 10 days of receiving notice of such damage from the Developer, its successor, or the Association, the Developer or its successor shall have the right but not the obligation to make such repairs, and in such event shall be entitled to recover its cost in doing so, plus 50%, from the owner of the lot conducting the work which caused such damage.

13. Division of Lots: No lot may be further subdivided, nor may more than one residence be located on one lot, and no portion of a lot shall be sold, leased, used as an easement or otherwise dedicated or used for a street or access through and to adjoining farms or lands unless constructed and plated by the Developer or its successors.

14. Fences: No fence of any type or shrubbery wall or hedge shall be erected closer to the street than the front corner of the house, which, with regard to houses on corner lots, no closer to the street than the side rear corners of the house, or in any location which in the discretion of the Developer or its successor impairs the aesthetics and design of the subdivision. Chain link fences or animal runs or enclosures are prohibited. All types and locations of fences must be approved in writing by the Developer or its successor before beginning construction of

said fence. All required approval or rejection shall be made by the Developer in writing within seven (7) days after receipt of the plans and other required information.

15. Mailboxes: All mailboxes shall be either of two designs: 1. The Developer approved designated designed wrought iron mailbox or, each lot owner may construct a brick mailbox of the same brick as the residence.

16. Outdoor Devices: Outside clothes lines, citizens and short-wave or "ham" or other radio antennas and television antennas are prohibited. Television satellite dishes, reception devices, and playground or recreational equipment, including, without limitation basketball goals, are restricted to the rear of the dwelling, which shall mean no closer to the street than the rear corners of the house, and shall not be located in side yards, and, with regard to houses on corner lots, no closer to the street than the side rear corners of the house. Any satellite dish ground mounted shall be concealed from view with landscaping. No satellite dish shall be greater in diameter than 24 inches.

The placement of outdoor devices on corner lots must be approved in writing by the Developer or its successor before installation. All required approval or rejection shall be made by the Developer in writing within seven (7) days after receipt of the plans and other required information.

Plastic and fiberglass lawn ornaments are prohibited and all other outdoor ornaments shall be consistent with the architecture of the residence and shall be aesthetically pleasing.

17. Gardens: Vegetable gardens or other cultivation shall be permitted only after completion of a residence and shall be located to the rear of the residence and not facing any street. No vegetable gardens shall be allowed on corner lots

18. Junk and Materials: The storage of junk, scrap, inoperable motor vehicles and/or materials of any kind, other than firewood, is prohibited. Any material not prohibited must be kept to the rear of the residence, out of sight from any street, and in a clean and orderly manner.

19. Temporary Residences: No motor home, travel trailer, basement, tent, shack, garage, or mobile home shall be used at any time as a temporary or permanent residence.

20. Commercial Vehicles and RV 's: All motor homes, boats, travel trailers, utility trailers, and other such items must be kept in the rear of the residence in an inconspicuous area and out of sight from any street. If an inconspicuous area, meaning out of sight from any street, is not obtainable, then such items are prohibited or must be stored in a garage. The Developer or its successor shall have sole discretion to determine whether a particular storage location shall be considered inconspicuous, and the Developer's written approval for such storage must be obtained before storing any such item. All required approval or rejection shall be made by the Developer in writing within seven (7) days after receipt of the storage plans and other required information. The storage or parking of commercial vehicles on any lot is prohibited.

21. Signs: No signs, billboards, or advertising devices of any kind, except for signs advertising the sale of a home or lot or a model home of the Developer or such builders as may be approved by Developer or its successor shall be erected or maintained on any lot or building.

22. Animals: No animals, livestock and/or poultry of any kind shall be raised, bred or kept upon any lot. Dogs, cats, and household pets are permitted, provided that they do not constitute a disturbance or nuisance to others in the subdivision. All property owners are responsible for keeping their pets on their property, and owners with outdoor dogs at minimum must have underground invisible pet fences. No housing, walks, or pens for pets shall be erected or placed in the front yard or in the side yard of any residence, or in any location visible from any street.

23. Trash Disposal: Garbage cans or other refuse receptacles shall be stored in the rear of the residence and concealed so that the same will not be visible from any street or from adjoining properties.

24. Excavation: During construction, all dirt and rock excavated and not used on any lot shall be deposited on other lots in Shiloh Cove Subdivision as the Developer or its successor shall direct at lot owner's expense. However, the Developer shall have the right to refuse such fill, in which event the fill will be properly disposed of by the owner of said lot at the owner's expense.

25. Utilities: Utility connections to all residences and other structures, including without limitation telephone, cable television and electric power connections, and any other types of wire or cable, shall be placed underground from service lines and no overhead lines or poles are permitted.

26. Propane and Gas Tanks: Propane tanks or other gas tanks are prohibited due to natural gas is available.

27. Swimming Pools: Swimming pools shall be in-ground pools only, and shall be located to the rear of the building, which shall mean no closer to the street than the rear corners of the house, and shall not be located in side yards, which, with regard to houses on corner lots, no closer to the street than the side rear corners of the house, or in any location which in the discretion of the Developer or its successor impairs the aesthetics and design of the subdivision. The placement of a pool on any lot must be approved in writing by the Developer or its successor before commencement of construction. All required approval or rejection shall be made by the Developer in writing within seven (7) days after receipt of the plans and other required information.

28. Nuisances: No obnoxious or offensive activity shall be conducted on any lot or street and nothing shall be done which may become an annoyance or nuisance to the neighbors or the neighborhood.

29. Plat of Record: All lots are subject to any utility and other easements and restrictions shown on the plat of the subdivision found in the Madison County Court Clerk's Office. All restrictions contained herein shall run with the land and be binding upon and inure to the benefit of all owners of lots in all phases of Shiloh Cove Subdivision, and their heirs, successors and assigns.

30. Outdoor Burning: Due to the wooded nature of Shiloh Cove Subdivision, Phase 2, no lot owner or any other person other than the Developer shall at any time conduct outdoor burning of any type prior to completion and after occupancy of a residence on any lot.

31. Model Home: The Developer or its successor, or any builder authorized in writing by the Developer or its successor, shall be allowed to construct a model home or homes in the subdivision for the purpose of sales and promotion of the development.

32. Off Road Vehicles: No use of off road vehicles, such as all-terrain vehicles (ATVs) and off road motorcycles, shall be permitted anywhere in the subdivision, except by the Developer, its successor, or its contractors.

33. Nature Trails: In the event of the construction of any walking or nature trails in the subdivision by the Developer, the permitted uses of said trails shall be determined by the Developer, its successor, or the Homeowners' Association; provided, that any use of such trails by motorized vehicles shall be prohibited.

34. Enforcement: Either the Developer, its successor, the Homeowners' Association, or any lot owner in any phase of Shiloh Cove Subdivision, at any time, may enforce the restrictions and covenants herein contained by appropriate legal procedure. The purchaser of any lot agrees upon acceptance of the deed to abide by any and all of these restrictions. Invalidation of any provision of these restrictions shall not affect any other provision herein, all of which shall remain in full force and effect. Should enforcement of these restrictions result in the filing of a lien or result in litigation, the party enforcing the restrictions shall be entitled to recover its court costs, filing/recording fees and reasonable attorney fees from the party upon which the restrictions are being enforced.

35. Waiver: Any failure of the Developer, its successor, the Homeowners' Association, or any owner to enforce any covenants herein contained shall in no event be deemed a waiver of the right to do so thereafter, nor of the right to enforce any other restriction.

IN TESTIMONY WHEREOF, the undersigned, LMP Development LLC, a Kentucky limited liability company, being the sole owner of all lots located in Shiloh Cove Subdivision, Phase 2, has hereunto set its hand by and through its authorized officer, this the day and year first above written.
