

15 APR 2021

14th April 2021

Dear Sir/Madam

My name is _____ I would like to
thank Prof Viswanath and all of the staff who cared for me during my recent admission to
Nuffield Tees Hospital.

I was admitted on the 25th February 2021 for an operation to repair an inguinal hernia and
the whole process from pre-op, through check in on the day, the operation and post-op care
was of the highest standard. All of the staff were very professional and efficient and the
care from Prof Viswanath, Nurses and Health Care Assistants post-op was excellent. I would
highly recommend Prof Viswanath as he is a very skilled surgeon.

Yours sincerely
