

JPHomeopathy - Instalment Payment Guide

How to Make Instalment Payments

For your convenience, JPHomeopathy offers the option to pay in monthly instalments. Here's how the process works:

1. Choose Your Payment Plan

Select the package that suits your needs. Each package can be paid:

- In full (one-time payment)
- In monthly instalments (fixed payments over a set number of months)

2. Payment Method

Instalments are processed securely via PayPal or bank transfer. You will receive:

- A recurring payment link (PayPal), or
- A monthly invoice sent to your email with payment instructions

3. Payment Schedule

Payments are made on the same date each month, beginning from the date of your first payment. You will receive reminders before each due date.

Important Notes

- The instalment total may be slightly higher than the one-time payment to account for administrative processing.
- You are welcome to settle the remaining balance early if you choose.
- Late payments may pause session scheduling until resolved.

To Set Up Your Instalment Plan

Please email jphomeopathy@contact.com with your selected package. You will receive your first invoice or PayPal link within 24 hours.
