

Solon Sportsmen's Association

Monthly Newsletter

Updates

Please see updates for March below. As we get closer to getting out to the range more, please be mindful of some important dates that are upcoming. Hope to see all of you soon!

- Pistol, silhouette and KYL dates have been tentatively set and will be released soon
- Summer picnic date to also be released soon as we are working to confirm the date
- John Valencic has created a flyer to handout at upcoming gun shows to help promote the club
- Highpower range prep work party and 600 yd orientation dates are coming up soon. If interested, please contact Tim McGrattan

Open Committee Chairmen Positions
 The following positions are open.
 Please contact a trustee member if
 you are able to volunteer.

Treasurer’s Monthly Summary

Going forward, the treasurer’s report and financial summary will only be given at the members monthly meeting.

For additional information, please see the trustees after a members meeting.

Guest Policy

Guests may visit the club up to three (3) times in their lifetime before they must either:

1. Apply for an SSA membership or:
2. Be prohibited from visiting the SSA club property ever again.

There are no exceptions!

SIGN IN BOOK - Please **PRINT LEGIBLY** the entire name of your guest when entering them into the sign-in book located in the pole barn. Do not use “GUEST” in the book. **Members, family members and guest(s) must always sign-in and sign-out when using the club property. Guest must have a Release From Liability completed.** The form is available in the Pole Barn next to the sign-in book.

Member Spotlight-

Membership

Chairperson: John Valencic, 440 668 7179

Membership Meeting Attendance

Each member should attend at least three (3) meetings per year.

The March members

meeting was held on March 18th. Total attendance was 16 members, which included 5 trustees. We encourage all members to attend the monthly meetings to be up to date on all elements of the Solon Sportsmen's Association.

2026 Dues and Fees

Annual dues will be: \$240.19 (\$225 plus \$15.19 tax).

The Work Party Assessment is \$200 and is prorated at \$25 per hour. Anyone over the age of 70 is exempt from work party time. There is a one time Initiation Fee of \$100 (no tax).

The club is instituting a \$25 late fee starting in 2026. If you have a valid reason that you cannot pay by the due date, please contact the Board of Trustees.

NRA Membership

Membership in the NRA is required for all members. When you join or renew through the club, you will receive a discount on your membership and the club will receive a \$5.00 rebate from the NRA.

New Members - Prospective new members shall introduce themselves at the beginning of the members meeting at 7:15 p.m. New members are required to be a member of the NRA and will be on a one year probation. New members will pay fees and dues and sign-off on safety training after the meeting.

Membership Communication -

Members need to communicate with each other and especially with the Trustees. Please feel free to contact us with any questions or concerns.

Details (alphabetical order)

A.C.W.C.L. - SSA is a member of the Ashtabula County Wildlife Conservation League. This gives SSA more political influence, both at the local and state level. Being a member also gives our hunters more land to hunt on in Ashtabula County and our club benefits financially by being a member. Ask for details on hunting land available, Jack Burlingame is our representative.

Archery Range - Please use field points ONLY. Broadheads are prohibited!

Christmas Dinner - More details to come

Civilian Marksmanship Program- Our club's CMP affiliation number is C24221.

****Commercial ammo available from CMP if anyone is interested****

Clam Bake - Committee Chairperson position is open. Please volunteer!

Club Access - The 2026 combination is posted on the back of your membership card. Gate, pole barn and target shed codes have been changed. Be sure to lock the gate behind you when you enter or leave the property. We have a new door and keyless entry doorknob and it uses the same code as used for the front gate. Simply press the "C" button to clear the lock and enter the code and push down on the handle to open the door. The door is "self-locking", but opens easy from the inside without the code. If the new lock on the pole barn doesn't work after the correct code has been entered, press the "C" button to clear the lock, then re-enter the correct code again.

Dog Training Area - Contact Mike Siebert with questions. See his letter regarding this on the website under Files Viewer. Rules can also be found in the folder at the club.

Details

Fishing and Ponds - Fishing rules are posted in the pole barn along with the logbook to record your catches. Please use the logbook to report all of your catches in 2026.

Gun Raffle - We will be having a gun raffle for 2026 and the drawing will be held at the Christmas Dinner. More details to come

High Power - ONLY certified “card holders” may use the 600 yard range. There is a “one time” qualification card required. Results of the High-Power matches are posted on the SSA website under High - Power. The High-Power group also has a page on Facebook! 2026 High-Power schedule has been posted to the website.

Marking Property Boundaries- The SSA eastern property lines, heading south from the 600 yard range impact mound as well as the southern boundary from the southeast corner going west to the big swamp, are going to be marked with purple spray paint on trees.

NEWSLETTER - Newsletters will be emailed by Steve Tolodzieski to members who have signed up to receive them. All newsletters for the year are posted on the website for download. Please email Steve T. or Johnny V. for any updates or information that needs to be added to upcoming newsletters.

Pistol/PCC & .22lr Rifle Silhouette Shoots - Please see the website for the list of requirements, rules and regulations for each event. Dates for 2026 will be listed on the website once finalized. The fee for guests to participate in these events will be \$25 this year. Any updates will be on the website.

Range Closures - As a reminder, all ranges except the 600 yard range will be closed during all Pistol/PCC & .22lr Rifle Silhouette Shoots. Any additional closures will be posted on the website..

Details

Range Etiquette - When you finish shooting, please pick up your brass, dispose of trash into the dumpster and put away equipment in an orderly manner. **NO ALCOHOL IS PERMITTED ON THE RANGES AT ANY TIME!**

Recording of our meetings - Please note, audio or video recording of our meetings is prohibited.

Scouting and Range Safety Officers - Bill Ponikvar is available to act as a RSO for Scout Troops in case the troop does not have a certified RSO. If you are connected to a Scout group, SSA property and ranges can be made available to them.

Summer Picnic - Date tentative for August, more details to come. Doug Miller to manage work hours and rsvp's. Prior to the start of the picnic, the August trustees/members meeting will be held.

Website - The website is active and up to date with events listed as they come in. Any problems logging in or instruction on creating an account, please contact John Valencic.

Work Parties - High Power Range Prep - Apr 18th

Work Party Time - Members participating in scheduled work parties at the club will be credited for their work party assessment based upon the actual hours worked. Work time will not be honored unless it is approved by a committee chairman or the person running the work party. Eight hours of time is required. To ensure you receive credit for your work time, make sure the committee chairperson or the person running the work party has you listed on the work party sheet and turned in to John Valencic for recording. This aids in calculating your dues for 2026.

Youth Pheasant Hunt - Contact Mike Simons if you are interested in helping out in this year's youth pheasant hunt.

Zero Tolerance for Gun Fails - Trustees are reminding SSA members that SSA has a "zero tolerance" policy regarding gun safety issues and incidents!
