FILMING FOR CHARITY

The Gallery Night was a Success!

Thank you to everyone who was able to make it to the Wells 4 Wellness gallery night, it was a huge success!

It was so nice to see folks mingling about while taking in the photo series I took called [THE JOY OF WATER](#).

These are portraits from our last trip to visit wells we have drilled in remote villages in Niger, Africa.

We then watched the Wells 4 Wellness documentary [BOTTOM OF THE LIST](#) and had a Q&A.

Joey & I just returned from filming our latest documentary in Samachique, Mexico about a free hospital dedicated to loving the indigenous Tarahumara people of the Sierra Madre mountains.

We played a short teaser of the new film that highlighted an amazing nurse at the hospital named Brent Miller. [WATCH HERE](#)

WE NEED YOUR HELP!

This year, we have the daunting task of raising funds for 60 wells to be drilled by Wells 4 Wellness and the cost of 6 films to be produced by Filming for Charity.

Would you be willing to host a fun charcuterie night in your home?

I am sure you thought of some people that you thought would have really enjoyed the other night.

Hosting a night where you invite your friends over for a purpose is a fun way to spread the word. I would be very appreciative and the people we are trying to love and serve will also be forever changed by you and your friends.

Transform a lovely night with friends & family into an evening of profound impact.

When you host a charcuterie night, you are providing an intimate film screening, and a private Q&A where your friends/family will see how clean water and cinematic storytelling is a **Donation Multiplier** for charities that are loving people well.

Send me a text or en email, I would love to brainstorm with you about what your charcuterie night could look like!
