FILMING FOR CHARITY

WOULD YOU HOST A PARTY WITH PURPOSE?

This year, we have the daunting task of raising funds for 60 wells to be drilled by Wells 4 Wellness and the cost of 6 films to be produced by Filming for Charity.

Would you be willing to host a fun charcuterie night in your home?

I am sure you thought of some people that you thought would have really enjoyed the other night.

Hosting a night where you invite your friends over for a purpose is a fun way to spread the word. I would be very appreciative and the people we are trying to love and serve will also be forever changed by you and your friends.

Transform a lovely night with friends & family into an evening of profound impact.

When you host a charcuterie night, you are providing an intimate film screening, and a private Q&A where your friends/family will see how clean water and cinematic storytelling is a **Donation Multiplier** for charities that are loving people well.

I would love to **brainstorm with you** about what your charcuterie night could look like!
