

What is the Birchwood Civic Association (BCA)?

Founded in 1956, the BCA is comprised of active residents who care about our neighborhood and who want to learn about Jericho news, potential issues, and proposed solutions. We would like to welcome new residents to our community.

How the BCA Gets Involved in Our Community

- **The BCA scholarship:** Given to two deserving graduating seniors at Jericho High School and Syosset High School.
- **Athletic associations in Jericho and Syosset:** We sponsor teams in both athletic associations. There are more than 700 children and families in these programs.
- **Provider of Information:** Come meet our guest speakers, including school superintendents, candidates for public office, and government officials.
