

Birchwood Civic Association

2025 Membership Form

What is the Birchwood Civic Association (BCA)?

Founded in 1956, the BCA is comprised of active residents who care about our neighborhood and who want to learn about Jericho news, potential issues, and proposed solutions. We would like to welcome new residents to our community.

How the BCA Gets Involved in Our Community:

- **Proposed License Plate Readers (LPRs) Project:** The BCA is working with groups to install LPRs to help deter crime.
- **Beautification:** Every year the BCA spends thousands of dollars maintaining the entrances to our community by planting flowers.
- **Free Tree Program:** In 2021, we paid for the planting of trees in front of BCA member's homes.
- **Police and Fire Departments:** The BCA provides annual support to the local first responders through donations or joint events.
- **The BCA Scholarship:** Given to two deserving graduating seniors at Jericho High School and Syosset High School.
- **Athletic Associations in Jericho and Syosset:** We sponsor teams in both athletic associations. There are more than 700 children and families in these programs.
- **Provider of Information:** Come meet our guest speakers, including school superintendents, candidates for public office, and government officials.

Benefits of Being a Meenan Customer:

- Meenan Oil's 2-hour response time, available around the clock 24 / 7.
- Free annual tune up for your heating system.
- Pick either the **BCA Premium Service Plan** (our plan for many years) with a fixed price of \$3.589 OR ceiling price per gallon of \$3.699, or the **BCA Standard Service Plan** with a fixed price of \$3.439 OR ceiling price per gallon is \$3.549 for the December 2024 to November 2025 contract, giving our members flexibility.
- Optional free subscription to the *Syosset-Jericho Tribune* newspaper.
- Paid BCA membership.
