

COMBAT VETERANS MOTORCYCLE ASSOCIATION® VIRGINIA CHAPTER 27-1

The **Combat Veterans Motorcycle Association (CVMA®)** is an Association of Combat Veterans from all branches of the United States Armed Forces (active, prior service, Reserve and retired) who share a common interest in riding motorcycles as a hobby and supporting veteran initiatives and programs. Our mission is to support and defend those who have defended our country and our freedoms. Our focus is to help veteran care facilities provide a warm meal, clothing, shelter, and guidance, or simply to say "Thank You" and "Welcome Home" to those who have served.

We sponsor and participate in many motorcycle related charity events each year, and as a non-profit organization, donate to various veteran care facilities and veteran charities.

This year, we will be supporting the Boot Campaign - Santa Boots program, with our Ride To Remember 20 May 2023. The Santa Boots program coordinates Christmas gifts for families of deployed service members, and for families who are caring for a wounded or ill service member. More information about this organization can be found at <https://bootcampaign.org/santaboots/>.

We would be honored to have you stand with us in support of our veterans who have served in combat by choosing to make either a cash donation or by making a contribution in some other way. It would be most appreciated and it goes to support a great cause.

Our **CVMA®** chapter is a 501(c) (19) non-profit organization Federal Tax ID# 26-2750509 and your contribution toward our cause of Veterans Helping Veterans would go a long way into providing much needed assistance.

If you have any questions, please feel free to contact me directly.

Thank you
