The Field of Flags 2022

□ **Dedicate a Flag** \$50 donation

With your generous **\$50.00** donation to **the Field of Flags** we would like to give you a gift of a 3'x5' American flag (made in America) on an 8' PVC pole with an attached personalized tag from **the Field of Flags**

After the field closes, the assembly is yours to keep. It will serve in remembrance and honor of their service for our safety and freedoms.

The Flag assembly will be available for pick-up at the field on Mon, Sept. 12th 10:00am-6:00pm

If the Flag is not picked up and not tattered it will be put back into our inventory. If the Flag is tattered it will be moved to our **retired Flag project**.

□ If you are unable to pick the Flag assembly up in person and or you would like to have it sent to yourself or a recipient of your chosen. The cost is **\$10.00**. The flag will be properly folded and your personalized tag will be removed from the pole. Both will be packaged and shipped to the address on your order.
