W B F G

Dear friends,

We are excited to announce that **Word Became Flesh Global** is officially the **DBA of Angels of Love, INC.** As we merge these two ministries, we hope to further our mission: **To manifest the love of Jesus through empowering the Deaf to build flourishing communities around the globe.** Here are the latest ways we are loving the Deaf community in Ensenada:

Casa Josué

At the moment, Casa Josué has five Deaf men: **Alejandro, Leonardo, Jose, Noel, and Edgardo.** Pray for them as we recently implemented the new housing ministry program in hopes to push and encourage our men towards the house's mission: **To train up strong, independent, spirit-led Deaf men by providing opportunities to continue their education, to have access to jobs with livable wages, and to grow spiritually within a Christian community at our local church.**

In other news, after being

Lucas presenting the new program

laid off and unemployed for 6 months due to the pandemic, **Jose Antonio** recently got hired to a full time job. Praise!

Also, we finally have a new bathroom, and the second bathroom is currently being rebuilt, thanks to the hard work of **Joshua and Samuel Everett** and to all our givers, who have funded this project. Every bit helps.

Casa Josué Leaders

Carlos has officially been named director of Casa Josué, alongside the new assistant director, Gaby Suarez, who will be the accountant for the ministry and sign language interpreter for the men living there.

PRAYER REQUEST

If you are a church or an individual with construction experience, and are looking for a place to serve, **we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué.**

Karen & Celeste

Casa Maravillas

Our housing director, **Frances, will be moving to a different apartment in May**, as we end our lease with the current place, which was becoming increasingly unaffordable. **Pray that the move for Frances goes smoothly**, and that we also find another place for Casa Maravillas that can house the women we have on our waitlist.

Meanwhile, **Karen is still working in Oregon** with her family, since her college studies have been put on hold due to the pandemic. She will hopefully be returning this summer. Also, **we ask that you keep Celeste and her family in your prayers**. We recently were able to contact her aunt who had helped them travel to Ensenada back in November. Unfortunately, we have learned that the mother did indeed return to her abusive partner, and has now been cut off of all communication with the rest of the family. We are praying for a miracle at this point.

“Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world.”

Buying and delivering the food items

We are very grateful to be able to continue the COVID-19 Relief Packages for the Deaf community in Ensenada. Our goal was to provide for 30-40 Deaf individuals or families this time around. We could not have done this without our generous supporters. We want to continue this project this year, so help us spread the word or go to our Go Fund Me on our webpage to give directly.

Final thoughts...

Back in February, we had our first board meeting of the year to not only discuss the future but also recount everything God has done in 2020 through our ministry. **We were blown away! God is still moving, and we just have to open up our hearts to choose if he is going to move through us or through another vessel.**

This would not all be possible if it was not for all our supporters.

To everyone else who is

receiving this and is interested in partnering with us, **we would like to invite you to invest in this mission** of manifesting the love of Jesus to one of the most unreached people groups in the world.

We pray that every day this year we wake up and say “YES!” to allow ourselves to be conduits of the Spirit of God for people who are hungry and dying for a touch of His presence. Amen!
