W B F G

Hello friends,

We hope you are doing well this season, and we pray that this Christmas season you feel the peace of God that surpasses all understanding. Thanks to our Lord Jesus Christ, we have peace with God, according to Romans 5:1, and we just encourage you to declare that truth out loud: **"I have peace with God"**. God is good, and here is what he has been doing among the Deaf in Ensenada:

Casa Josué

After working for a season in the US, Joshua Everett has returned and **has resumed helping us do much needed repairs around the Deaf men's ministry home.**

Joshua and Lucas have been busy doing repairs of not only the normal wear and tear of things, but also fixing plumbing problems on the first floor and in the second-floor bathrooms, repairing screens for all the windows, and figuring out the needed material to start remodeling Jose Antonio's bedroom.

This new year we are updating our program again to continue to meet the physical, emotional, and spiritual needs of the Deaf men in the program. **We ask that you pray for Lucas to continually receive wisdom from God** in leading not only the men in the program but of all the residents of the building.

Last year, we were able to completely remodel two bedrooms and two bathrooms, and **our goal for this coming year is to not only finish the rest of the four bedrooms, but to start remodeling the living space and kitchen.**

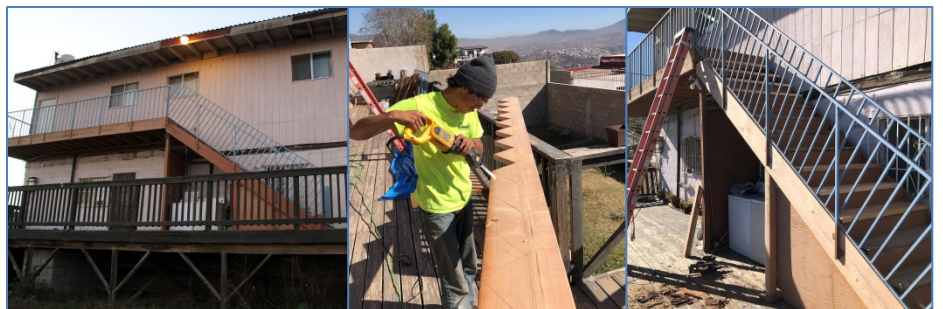

We also might be receiving three new Deaf men at the start of the new year into the program. We pray that everyone at Casa Josué receive a deeper revelation of God's love for them.

PRAYER REQUEST

If you are a church or an individual looking for a place to serve, **we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué. Send us an email for our list of available projects.**

Frances & Rocio's Family

Love Looks Like Generosity

As we wait for God's leading and provision in building our Deaf women's ministry, Casa Maravillas, **we have been presented with many opportunities to love on Deaf women and their families** through different means. This aspect of our ministry allows us to build meaningful relationships with other Deaf people, where **we can minister to them with comfort, prayers, and provisions.**

Over a year ago, Rocio (a Deaf mother) suffered a major stroke that she is still recovering from. After meeting her and her family, we discovered that they also lived in poverty. **Thanks to our donors and partners,** Frances reached out to Rocio and was able to take groceries and small presents for her and her family. The grandmother could not stop thanking God for the provisions, and in that moment, God's love was ministered to her.

Marisol and baby Jennifer

José and Edith's family

Additionally, God put it on our hearts to reach out the other families that we knew were struggling financially this year like **Marisol who just became a new mother and needed baby supplies and groceries.** Furthermore, we contacted José and Edith (Deaf parents) to deliver school supplies and some presents for their children. **God is generous, and we want to imitate our Father in all ways!** Thank you for helping us be generous.

"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."

Self-Defense Class for Deaf Women

In the month of November, we were able to organize and carry out, alongside the local Deaf association, a self-defense workshop for Deaf women. This is something we want to regularly repeat. If women in general are vulnerable in our city, Deaf women are even more likely to be taken advantage of. We believe that classes like this in sign language are a very important part in protecting Deaf women in Ensenada.

We are deeply grateful for all our supporters and prayer warriors who keep us going! Ministry is not complicated. **It's simply loving the one in front of you as you carry the presence of God.** We pray that God opens our eyes to see the ONE in front of us that we can minister the love of Jesus to.
