### Hello friends,

As we enter this winter and Christmas season, we give thanks for God's faithfulness and the many ways He has blessed our Deaf ministry. In this edition, we celebrate moments of service, generosity, and growth, highlighting how the Lord continues to work through our community in Ensenada and beyond. We also want to extend our heartfelt gratitude to our faithful supporters and prayer warriors. Your love, prayers, and generosity make this ministry possible, and we thank God for each one of you. May this season bring joy, peace, and renewed hope. **Merry Christmas and Happy New Year!**

### Shoe Day

This season, we were blessed to host another successful **Shoe Day for the Deaf**, made possible by the generosity and servant hearts of our friends from **LifeBridge Church**. Thanks to their support, **34 pairs of shoes** were given to Deaf adults and children in our community—each pair a reminder of God's care and provision.

The team also brought joy to the younger ones by sharing **Jesus coloring books** and **Chick tracts in Spanish**, sowing seeds of faith and encouragement. A very special thank-you goes to **Vasti**, who gave her time and interpreting skills to make the entire process smoother and more accessible for everyone.

Shoe Day was more than an event: it was a beautiful expression of the Body of Christ coming together to serve, love, and uplift the Deaf community in Ensenada.

### Casa Josué

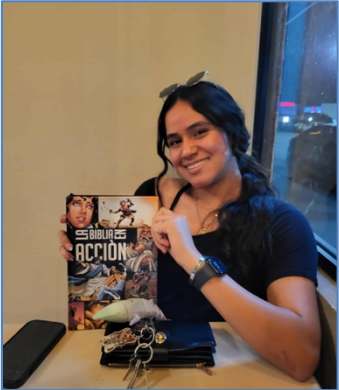

Casa Josué, our Deaf men's housing ministry, continues to grow and improve thanks to God's provision and the dedication of those who serve alongside us. This season, we were able to complete several much-needed repairs—most notably the **new staircase leading to the back entrance**, skillfully built by **Joshua Everett**. His hard work has greatly improved safety and accessibility for the men who call Casa Josué home.

While we celebrate these accomplishments, there is still much to be done. Casa Josué needs ongoing repairs and improvements to ensure a secure, supportive environment for the Deaf men we serve. We kindly ask for your **continued prayers**, as well as for **support and project groups** who feel called to partner with us in this vital ministry.

### Update: Josefina

It has now been a year since Josefina suffered her stroke, and we are grateful to share that there have been visible improvements in her mobility, small but encouraging steps forward. Although she is still unable to walk on her own, these signs of progress give us hope. The greatest challenges the family now faces are emotional and spiritual endurance for **Luke Everett**, who continues to serve as her main caregiver, as well as **the growing expenses for her part-time caregiver and in-home physical therapist**. We ask for your prayers as we also seek a doctor who can help support Josefina's cognitive recovery and guide the next steps in her healing journey.

School supplies

## Blessing the Deaf kindergarten class

This season, we were able to provide much-needed school supplies for the local Deaf kindergarten class, ensuring each child has the tools they need to learn, create, and grow. **Frances also enjoyed a sweet time of fellowship with Karen**, the Deaf teacher, and former RSM student, who lovingly pours into these young learners each day. Moments like these remind us that **love is manifested through education**, as we invest in young Deaf lives and support their journey toward a brighter future.

We invite you to join us in prayer as we dream big and seek God's direction for the future of Deaf education in Ensenada. We feel a growing burden and calling to **build and establish a Deaf Christian school**, a place where Deaf children can receive quality education, language access, and spiritual formation from the very beginning. Access to education is life-changing, opening doors, shaping identity, and giving every child the opportunity to thrive. **Please pray that the Lord guides our steps, provides the resources, and brings the right people alongside us as we explore this vision.**

## Building relationships with the Deaf

This month, we were blessed to help fund transportation for the local Deaf basketball team so they could travel to Tijuana for their games. Before they left early in the morning, we had a special moment to share with them about how deeply God cares for each of them, and we prayed over their trip.

**Opportunities like this allow us to build genuine relationships within the Deaf community**, showing up, supporting their goals, and being present in meaningful ways. Through simple acts of service, we continue learning about their needs while demonstrating the love of Christ in both word and action.

We are currently searching for a **passenger van** for our Deaf ministry. Having a reliable vehicle would greatly bless our work, making it possible to transport Deaf individuals to Christian retreats, conferences, church events, and educational opportunities with ease and safety. Please pray with us for the Lord's **provision**, and if you are interested in donating one or towards this need, please reach out.

*"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."*

### We need more Spanish illustrated Bibles!

The good news is, we gave away all the illustrated Spanish Bibles for the Deaf that were donated last year! These Bibles help the Deaf engage with God's Word in a more visual and meaningful way. The not so good news...we are out now! Would you consider partnering with us to help restock our Bible supply and continue bringing God's Word to Deaf individuals across Baja and beyond?

**Available on Amazon as: "La Biblia en acción: The Action Bible Spanish Edition (Action Bible Series)"**

As we look back on this season, our hearts are filled with gratitude for all that God is doing in and through the Deaf community here in Ensenada. **Every prayer, every act of service, every donation, and every moment of fellowship has helped strengthen this ministry and touch lives in meaningful ways.** Thank you for standing with us, believing with us, and sharing in the mission of bringing the hope and love of Christ to the Deaf.
