**Reaching & Empowering the Deaf in Mexico & Beyond**

## Dear friends of Angels of Love, Inc. (AOL),

Greetings & Merry Christmas, trusting God is blessing all of you this season! I have some exciting news about AOL and our ministries. First, we are excited to add Lucas Everett (my son) and Frances Vázquez to our board; they both have a heart for Deaf ministries and have big plans on expanding the influence of AOL within the Deaf community. Howard and Janet Grobstein asked to step down from the board to focus more on their ministries in other parts of Mexico, and Robert Ordway has also asked to step down after 22 years of faithful service; he will be overseeing the transition of paperwork to the new board members in order for everything to go over smoothly. The new AOL board is pictured above.

## Ensenada Silent Ministry (ESM)

Now for ministry news, ESM is doing great. Pastor Carlos Suarez and his sister, Gaby Suarez, live on the bottom floor and have been a big blessing in helping us maintain the home. We currently have five men living upstairs at ESM; four of those men plus Carlos are studying at a local university to become certified teachers for the Deaf.

There are approximately 360 million deaf people in the world and only 2% of those people receive an education in their native sign language. In Mexico, only 0.02% of Deaf people ever make it to higher education. We thank you for your prayers and giving that makes this possible for the guys living at ESM.

Carlos continues to pastor the Deaf at Horizonte Calvary Chapel Ensenada. Carlos and his two children, Leilani and Jeremias, are pictured above.

## PRAISE REPORT!

In August, WBFG raised over \$2,600 dollars to help a class of 10 Deaf high school students pay off their last month of tuition, graduation fees, and any student debt they had accumulated. Many of these students are now studying in college to become certified teachers for the Deaf.

## ESM NEEDS

After many years of usage, the men's house is in need of some serious repairs and remodeling. Pray that we continue to receive financial partnerships in order to make the necessary upgrades to the house. We

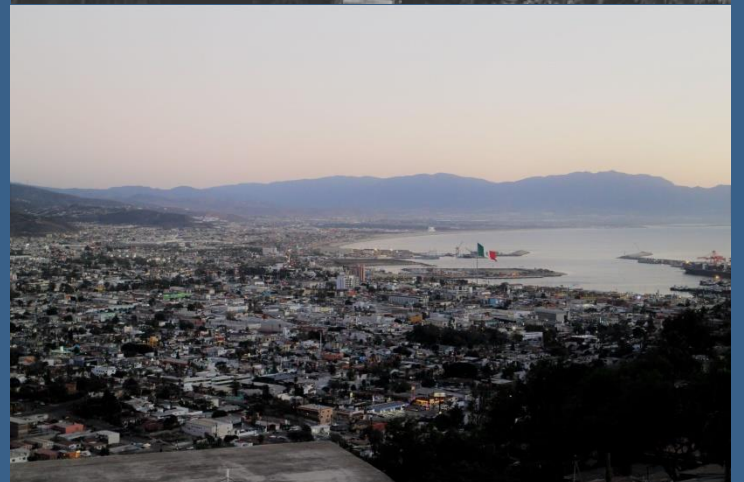

have been recently praying for volunteers and church groups to come and help in repairing the house, and it looks like we will be receiving a church group in the winter to help us with ESM repairs. Praise God!

Besides fixing up the backyard, other projects include remodeling the kitchen, living room, and all bathrooms on the top & bottom floor. Pictured above is the front of ESM and the backyard. For more info, go to our website [www.wbfglobal.org](http://www.wbfglobal.org)

## New partnership!

The other exciting news is that Lucas and Frances are starting a new ministry under the umbrella of AOL, Inc. called **Word Became Flesh Global (WBFG)**. Their mission is to manifest the love of Jesus through empowering the Deaf to build flourishing communities around the globe. Love looks like something, whether it's a hug, a helping hand, or housing, love will always be determined by our actions. Since AOL, Inc. and WBFG share the same values and love towards the Deaf community, they will be helping us expand our reach in order for us to have lasting impact and to be a bigger blessing to the Deaf community, starting here in Mexico and beyond. One way they are expanding our reach is by creating an accessible website where all of AOL's ministries will be hosted under the WBFG website. Now we will have a way for people to give online. ## Word Became Flesh Global (WBFGlobal)

WBFGlobal's first project is to establish a house for Deaf women in Ensenada, Mexico. The concept is similar to the men's house; **we want to train up strong, independent, spirit-lead, Deaf women by providing opportunities to continue their education, to have access to jobs with livable wages, and to grow spiritually within a Christian community at our local church.** In November, Frances was able to find a two bedroom apartment in a safe area for \$500 a month including utilities; we hope to house two Deaf women soon. Pray for Lucas and Frances as they raise financial support to sustain the ministry. The ultimate goal for this project is to expand and own a house instead of paying rent long-term. This may seem ambitious, but we serve a big God, and nothing is impossible as we continue to seek His guidance and leading.

**"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."**

## Final thoughts...

We leave you with this final Word as we are meditating through what it looks like to love people effectively in Christ: In 1 John 3:17 it says, *"But if anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him?"* How can we be loving when we tell our Deaf brothers and sisters that God loves them, but leave them in their impoverished conditions both physically and spiritually? If

we have it in our power to provide housing, jobs, education, and access to the gospel in sign language, why not do everything in our power to make it so! Thank you for not only loving us with your words & prayers, but also with your action and partnership.

As you can see we are very excited where God is leading us, and we ask for your continued prayers and financial support as we make a difference in the lives of the Deaf in Mexico and beyond.
