Dear friends of Angels of Love, Inc. (AOL),

We hope this newsletter finds you well, and filled with great joy this Christmas season remembering that Jesus was born to destroy the works of the devil, and to bring us into His family by His blood. We are wanted by God as beloved children. He wants us to be a part of His family. What a great joy! We are excited to share how God is moving among the Deaf in Ensenada and through our ministry. **All of this could not be possible without our faithful friends, family and supporters like you, who are the backbone of this ministry!** Here are the latest ministry developments:

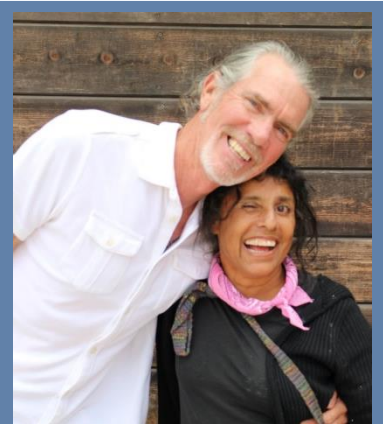

Ensenada Silent Ministry

The Deaf men's home is gearing up not only for a physical remodeling, but we are also updating the program to make it a more efficient one. **This way, the men will not only thrive in every aspect of their lives, but will also move forward in their independence.** José Antonio (middle left) has increasingly been seeking the Lord through His Word. This is an answer to our prayers as we have been praying for God to raise up Christian Deaf leaders

in the community.

We also received a new young Deaf man in the home. **His name is Leonardo, 18, he arrived from Mexico City in November looking for a new life and a future.** Pray that we have the wisdom to counsel him in the right ways, and to encourage him to pursue Jesus for peace in his heart.

Season's greetings from
Luke & Josefina Everett

Pastor Carlos and his two
kids, Leilani & Jeremias

LOCAL DEAF NEWS

Back in October, Ensenada suffered a streak of terrible wildfires, which affected many homes. **One of those homes belonged to a Deaf couple, Victor & Amy.** The Deaf and church community have rallied alongside them and has started the process of rebuilding. If you feel led to be a part of this process, you can donate at their **Go Fund Me: HOME FOR VICTOR & AMY.** Or **message us for the link.**

PRAISE REPORT!

We hosted our first Deaf Bible training event with over 20 Deaf leaders from around Mexico. This was possible thanks to the Deaf Bible Society, Horizonte Deaf Ministry, our local Deaf association, Rancho Sordo Mundo and supporters like you that made this all possible. (Continued on pg.2)

Karen & Celeste

Word Became Flesh Global

Frances continues to oversee the day-to-day operations at the Deaf women's apartment. **Pray that God sets Divine moments for us during the everyday mundane activities to minister to Karen & Celeste and to manifest God's love for them.** Karen is set to graduate from college in a year, and she has been keeping busy being a TA for Deaf students at a public school, which is awesome! Celeste is still working through middle school, and is now doing an internship with the local Deaf association in the area of graphic design for products that the association sells. **Pray that God continues to provide finances for our Deaf homes, and for wisdom/creativity in ministering God's love to the community here.** Lately, we have been getting several petitions from other Deaf women to join the program; pray for us as we look for another apartment or house to rent.

"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."

-Heidi Baker

The Deaf Bible training was a two day event where Deaf leaders gathered at Rancho Sordo Mundo to learn how to share the Bible in their native language, Sign Language. It was a sweet time of fellowship and growing in the Lord together.

Final thoughts...

One of the challenges of receiving more Deaf women at our housing ministry is the hike in expenses we experience. We are extremely thankful for our current givers, and we want to encourage those who are considering in partnering with us financially to do so. Our goal and challenge is to raise an extra \$500 dollars a month for Casa Maravillas. In order to do that, we are asking for **15 individuals to commit to \$25 dollars a month** to partner with us as we minister and provide for the Deaf women in our home with a better future and to grow spiritually in all things. We are excited and expectantly looking to the future in how God is going to use us (missionaries and partners) to have an impact on one of the most unreached people groups in the world. **But first, let's learn to do the little things with love, and as we go, we pray His Kingdom come into our lives so we can carry His presence into everybody else's lives.**
