REACHING & EMPOWERING THE DEAF IN  
MEXICO AND BEYOND

*For this reason, because I have heard of your faith in the Lord Jesus and your love toward all the saints, I do not cease to give thanks for you, remembering you in my prayers [...] Ephesians 1:15-16*

## Dear friends,

We are excited! Excited for Jesus; excited for new seasons; excited that we have this everlasting love and hope that carries us through life in Christ, and excited to see **Deaf lives transformed by the power of the gospel.** We are nearing our one year anniversary since Frances and I joined Angels of Love, INC to begin a new phase

of Deaf ministry in Ensenada. We are extremely thankful for your faithful prayers, giving, and partnerships with us to create an impact in the Deaf community for Jesus. Our heart in this newsletter is that you see the people you are ministering to by your partnership with us here in Mexico. **You are all part of this ministry as much as we are a part of it!**

## Ensenada Silent Ministry

These are the Deaf men that are living in ESM. Some are in college studying to be

teachers, and others are working. Our hope is to see these men grow up in all things in Jesus and become independent, spirit-lead, citizens of Mexico. We are currently revamping the program to fit new needs of Deaf men here in Mexico. Besides changing the program, we are in process of remodeling and repairing the building. **Pray for us as we create a program that allows these Deaf men to thrive and to become like Jesus. This is a team effort, and we still need your help!** For more information on what our needs are at ESM, Check Out Our Ministry Needs

**Loving our Deaf teachers!** As the new school year approaches in August, we want to be able to bless the teachers that are working with Deaf students in the public school system in Ensenada. Teacher supplies are a huge need. If you are interested in helping us bless teachers, contact us for a list of needs:

## **Casa Maravillas**

The need for safe housing for Deaf women is important to us. We are happy to be able to house Celeste (16) and Karen (18); they are currently going to school to further their education. Karen is still studying college to be a teacher, and has started her TA

training in a kindergarten. Celeste has returned home for the summer. Even though she is excited to see her family again, she asked us to pray for her as she returns to a dysfunctional family environment. **We want to be able to house more Deaf women, who are seeking to improve their lives by having more opportunities in furthering their education, finding jobs with livable wages, and gaining independence.** Pray for us as we seek a bigger place!

Thank you to everyone who is currently partnered with Frances and is giving to the women's housing ministry to keep thing going. Our monthly expenses to run the house have ranged from \$1,500 to \$2,000 dollars. **We are still seeking 17 more people to prayerfully partner with us with a monthly \$25 to cover rising expenses.** We are very grateful to those who have

already pledged to join us in that challenge. Pray that God continues to provide for us each month as with every woman that arrives, the expenses will become higher. We ask that you prayerfully consider giving to our women's ministry. For updates on our needs, visit our page <https://wbfglobal.org/casa-maravillas>

## PARTNER WITH US

*July 5th, Deaf prayer night*

### Final thoughts

People are hungry for a touch of God! We are seeing this at our monthly Deaf prayer night. On July 5th, we had the honor of praying for a couple, who are prominent leaders of the Deaf community in Ensenada, Daniel & Rosalba. Several Deaf people joined us in lifting this family up as they worked tirelessly to

defend the rights of the Deaf in society. Many people jumped in and prayed for them, and the Holy Spirit descended into that place. **The Deaf community is**

**hungry for a touch of God, and we all carry His presence. Let's be that touch of God for others, and let's be filled so we never run tired or weary.** Pray for us as we learn to effectively minister the gospel and be that touch of God to the Deaf in Ensenada.

We are eternally grateful for your prayers, partnerships, and donations!

### **Support us by purchasing one of our WBF Global shirts!**

Our Word Became Flesh shirts are definitely conversation starters. The double meaning of our shirt represents our core mission: To become like the Jesus and manifest Him here on earth towards others; the second meaning has to do with the nature of sign language and the words coming from our hands (flesh).
