REACHING & EMPOWERING THE DEAF IN
MEXICO AND BEYOND

November 2019

Dear friends,

As we reflect on this upcoming Thanksgiving, we want to pause for a time of gratitude: We are thankful for God's love; we are thankful for the privilege to serve Him, and we are **thankful for partners like you** who are an integral part of this ministry through your giving and praying. God is moving among the Deaf community here in Ensenada, and we are very excited to share with you how He is moving.

We are declaring and praying in faith that Ensenada will be the center of revival among the Deaf in Mexico, and we have begun to see glimpses of this through more and more opportunities for the Deaf to encounter God's love. Jose Antonio, one of the Deaf men from our housing ministry (ESM), has been seeking the Lord and has been hungry to understand more of His Word. **Jose Antonio** and I (Lucas) have begun to meet once a week for a one-on-one discipleship/Bible study, and it has been exciting to hear his heart for the salvation of the Deaf in Ensenada.

Pray that God continues to raise Deaf leaders to bring the gospel to their own community.

FIRES

Much like in California, Ensenada had a streak of destructive wildfires recently, which has destroyed 40+ homes in our community. **One of those homes belonged to a Deaf couple, Victor & Amy.** Victor's younger brother unfortunately did not survive. Pray for comfort as they continue to grieve their losses, and for us to minister to them in an effective way.

Frances Vázquez continues to do a fantastic job managing **CASA MARAVILLAS (the Deaf women's home)**. Karen is continuing her college studies and her practices as a future teacher. Her mother has returned from Oregon to visit for a few months, which has been good for Karen. Since Karen has a busy schedule and is out of the apartment most of the day, it has been a challenge to be

able to connect with her lately. **Pray that God sets Divine moments for us to minister to her and to manifest God's love for her.** On the other hand, Celeste and Frances have been growing more and more in their relationship. Celeste is still studying in middle school, and she recently has been presented with an internship opportunity to work three times a week with the local Deaf association. **Pray that God continues to provide finances** for our Deaf homes, and for wisdom/creativity in ministering God's love to the community here.

Deaf Bible Society™

Another way God has been moving has been through our newfound relationship with the *Deaf Bible Society* from the USA. They reached out to WBFGlobal in January of this year wondering about opportunities to come and do a workshop/event to teach the Deaf to engage in Scripture in a meaningful way. In conjunction with our local **Deaf pastor, Carlos Suarez**, and with the president of the Deaf association, **Daniel Lopez**, we will finally be **hosting our first Scripture Engagement Event at Rancho Sordo Mundo on November 15-18**. We have 25 Deaf people attending from different parts of Mexico. Pray for us like Paul prayed,

that the God of our Lord Jesus Christ, the Father of glory, may give us the Spirit of **wisdom** and of **revelation** in the knowledge of Him, having **the eyes of our hearts enlightened**, that we may **know what is the hope** to which He has called us, what are **the riches of His glorious inheritance in the saints**, and what is **the immeasurable greatness of His power** toward us who believe [...] Ephesians 1:17-19

We are an “as-you-go” ministry. What do I mean by that? It means that wherever we go, we minister God's love for people who desperately need a touch of God. It means that love looks like something. It means that wherever we go, we consciously know that we carry the presence of God into places like Costco, Starbucks or even at the gas station. It means that we should first **humble ourselves** to trust and **receive God's love** for us so we can **become God's love to others**.
