2021 SUMMER NEWSLETTER

2021 Angels of Love, INC Board Members

Dear friends,

We hope that this newsletter finds you well as we all adjust to this new normal caused by the global pandemic. We thank God that his perfect love casts out all fear, and that wherever we go ministry happens when we are open to His moving. Thank you for participating in this ministry through your giving that has allowed us to manifest the love of Jesus towards the Deaf. Here are the latest updates:

Casa Josué

This is the third month with the new program implemented at Casa Josué. We have seen positive results like the top floor being cared for, and increased church attendance by the guys living there. There are a lot more needed improvements to be made, but we are taking this change one step at a time. In addition, we ask that you pray for one of the Deaf men living there, Leonardo, who recently was laid off from work. Pray that a job opens up quickly for him, and for him to have the

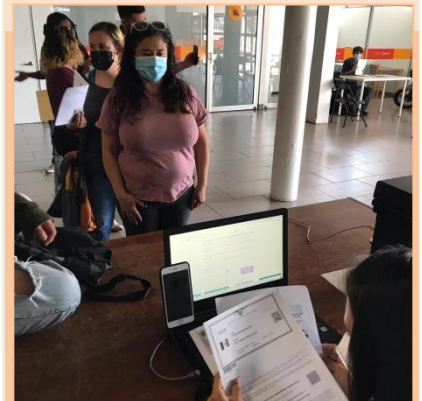

Leonardo

initiative to seek out jobs on his own. As Baja California loosens up its quarantine measures, we are praying that God sends more groups willing to take on one of the many projects we have at Casa Josué.

UPDATES

Helping register the Deaf for the vaccine

Transporting the Deaf to the vaccine site

PRAYER REQUEST

If you are a church or an individual with construction experience, and are looking for a place to serve, **we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué.**

Equal access to information & care

Unlike in the US, the COVID-19 vaccine is not a political issue at all here in Mexico. So we decided to partner with the local Deaf association to bring information and transportation to any Deaf person wanting to register and receive the vaccine here in Ensenada. It was a day full of interpreting and fellowship for each Deaf person that went to the vaccine site to get it. Through this, we got to build and further our relationship with the local Deaf community.

Empty lot by Casa Josué

Casa Maravillas

Praise report: our housing director, **Frances**, was able to find another apartment to move into and live in, which went smoothly. In the meantime, continue to pray for us as we search for a place for Casa Maravillas. It has been a challenge to find not only an affordable place but also a place close to downtown that is safe.

Also, Karen has returned from working in Oregon. We are hoping to house her as soon as we find a temporary place for the women's ministry.

We recently found a lot for sale on the same street that Casa Josué is on. We are praying that if it's God's will, he will provide the finances for a permanent place for Casa Maravillas. The lot we are looking at seems to be around \$25,000 to \$30,000 USD. We serve a big God, and this whole ministry has been carried by Him through our givers, so nothing is impossible at this point.

For this reason, ever since I heard about your faith in the Lord Jesus and your love for all God's people, I have not stopped giving thanks for you, remembering you in my prayers.

Noemi, a former RSM student, learning to cut hair

We had the opportunity to finance a cosmetology workshop to teach a group of Deaf women some skills in hopes of opening more job opportunities for the Deaf in the future. One of our goals is to be able to create jobs for the Deaf by teaching them different skills to open their own business. We are also in talks with a local coffee shop to have a barista class in sign -----

language for Deaf interested in the coffee business so that the local Deaf association can open their own shop. If you are interested in this project or have coffee business contacts, we are looking for coffee materials and items to help the Deaf get this project off the ground.

Final thoughts...

As we continue the food distribution for the relief packages, we are realizing that we have to adjust to the needs of the community and not impose what we believe they need. Food is a basic necessity and no one should have to be without food if it is in our power to make a difference. If you are interested in helping with the purchase of food items, donate through our Go Fund ME that is on our website, or reach out

to us for a list of needs.

Your giving is making a difference among the Deaf community here in Ensenada, and we are grateful that you are entrusting us with your donations so that we continue loving the Deaf community in different ways.
