## Hello friends,

Here are the latest ministry developments:

### Casa Josué

All the Deaf men involved in the program are doing well. Edgardo and Miguel are wrapping up the semester at their university, where they are studying to become teachers. Besides working, Leonardo and Alejandro are also finishing up a semester of their GED program, which is taught in sign language.

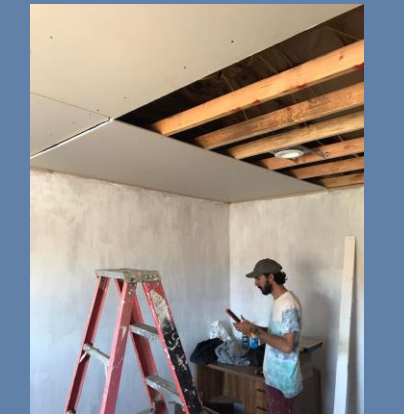

In addition, José Antonio and Noel are still working and saving money to be able to move out soon. Be praying for Noel as he plans to move out and find a house to purchase at the beginning of the New Year.

In other news, we have begun remodeling one of the six bedrooms on the second

floor. Joshua Everett has been very busy in leading that construction project. In fact, many times he is doing everything alone from installing the drop ceiling with insulation, texturing the walls to laying the new flooring. We are excited for the final result, and thankful for our supporters who make it easier for us to buy all the materials needed to get this finished.

### LOCAL DEAF NEWS

The **28th of November was National Day of the Deaf**, which is a day used to bring awareness about the Deaf, their rights, and their struggles in the country. **The first National School for the Deaf was inaugurated on this date back in 1867** by President Benito Juárez, who recognized the need of educating the Deaf. Sadly, the school no longer exists, and there has not been another public school for the Deaf since.

### PRAYER REQUEST

If you are a church or an individual looking for a place to serve, **we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué. Send us an email for our list of available projects.**

Frances & Miriam

## Casa Maravillas

We have a new Deaf woman living at Casa Maravillas. Miriam is the first Deaf woman to move into the new location. Please pray for her adjustment into the program and for God's love to touch and transform her life. Also, be praying for our housing director, Frances, who will be guiding Miriam through the process of independent and spirit-led living.

We are still praying for God to open the doors financially for us to be able to purchase a lot for Casa Maravillas and to begin building a permanent and safe place for the Deaf women's housing ministry. We estimate that the cost will be \$30,000 to \$40,000 for the land and paperwork. Pray with us!

Reina, Ana Lidia & Baby Yesica

## Ana Lidia Update

Ana Lidia is a Deaf woman who recently had a premature baby at a hospital in Ensenada. She was in great need of financial assistance and communication assistance. Her mother contacted Luke Everett who informed us that they were staying at a shelter while the baby had to be in the NICU for several weeks. We sprang into action and found the shelter in the hills of Ensenada bringing her warm clothes and some financial relief. We have been able to continue covering the ongoing hospital expenses and medicines needed for the baby. Frances has been instrumental in bridging the communication barriers that Ana Lidia experiences with the hospital staff and with her mother.

Ana Lidia's daughter is still in the NICU, so we are committed in walking alongside them until she can take her baby back home.

*"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."*

## Relief Packages

We have come to the realization that the food distribution ministry will be a permanent and ongoing thing that we do. It is a great need among low-income Deaf families and individuals.

Thanks to our generous supporters, we were able to purchase more food items to make 20 relief packages.

Continue to help us by sharing and giving to our Go Fund Me located on our webpage or by giving directly to our ministry. Thank you everyone who has supported our ministry which helps us to buy and distribute the food items alongside the local Deaf association. Your love is felt among the Deaf community here in Ensenada.
