Highlights of our first Deaf women's retreat!

Hello friends,

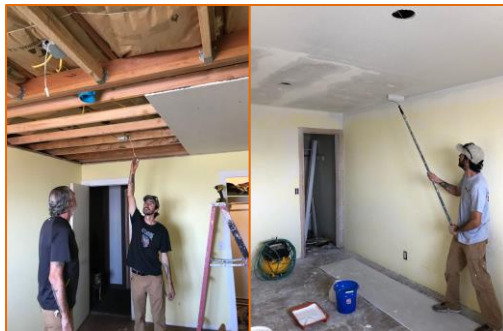

The past couple of months we have experienced many blessings, but also losses. In every situation, **we lift our hands and praise God for His goodness for we know that He is with us in every situation we face.** Thank you for walking alongside us in partnership. We feel your prayers and support. Here are the latest ministry developments:

Casa Josué

We have officially remodeled our second bedroom! Edgardo is very happy to be back in his new room after waiting several months while we worked on it. Joshua had a bit of help this time from Luke Everett and Lucas Everett.

In other news, **Noel has moved out of the program** after living in the home for seven plus years. He is excited for his next phase in life of learning to live independently.

Several of the guys living there will be wrapping up their studies this month, like **Edgardo, Miguel David and Pastor Carlos, who will be finishing up their education degree** soon. Meanwhile, Leonardo and

Luke & Joshua working at CJ

Alejandro recently graduated from the GED program. **We are extremely proud of them, and grateful for our givers,** who helped pay for Leonardo's tuition these past two years.

Keep praying for the Deaf men living there, who will soon be making big decisions for their next step in life this year.

Pray for Noel

Please continue to keep Noel in your prayers, as he moves out of CJ and into the world. We hope that he continues to come to church to the Deaf service, and for God to give him guidance in his life.

Deaf Women's Retreat

We hosted our first ever Deaf women's retreat! Everyone arrived on May 27th and was treated to dinner and a spa time. It was an evening of fellowship, relaxation, and fun.

Our second day was full of activities. **We started the morning with our first speaker, Amanda Miller**, a Deaf missionary from Michigan, to talk about the Father's love. Then we transitioned into our **Self-Defense Workshop**, which taught the women valuable life-saving techniques on getting away from an attacker. The Deaf women were able to ask questions and practice on the spot different moves. **This type of information is so important to teach, and Lucas Everett & Gaby Suarez had the honor of interpreting the class.**

Before dinner. We had our **second session with Linda Gehm**, who shared an encouraging message about the Sisterhood and unity.

On our last day, we had an amazing time of fellowship and encouragement during our **Prophetic Art Workshop**, where the Deaf women were encouraged to paint whatever was on their hearts. Then, as a group, **we looked at each painting and asked God to give us some words of encouragement for each individual.** It was a sweet time of God moving among the women, and seeing how they were touched by the Holy Spirit.

Ana Lidia Update

It's with a heavy heart we bring this news of the sudden passing of Baby Jessica.

Ana Lidia reached out to Frances on the morning that it happened for comfort and also to understand what the police and doctors were saying when they arrived at her house. Frances was able to pray with her and share words of encouragement. Ana Lidia explained that when they went to bed and woke up in the morning she found the baby unresponsive and not breathing. The doctors ruled it as a natural death due to her preexisting conditions.

We were shocked and saddened by this news, but also trusting that God has her in His hands now in heaven completely whole and better.

Thank you everyone who has supported her through your finances and prayers. We were able to help pay for the funeral with your donations. Please continue to pray for Ana Lidia as she goes through this time of mourning, and for us to know how best to support her.

We are deeply grateful for all our supporters and prayer warriors who keep us going!
