 - INTERPRETING FOR ACCESS
 - MEDICAL OUTREACH PARTNERSHIP

Hello friends,

As we reflect on these past couple of months, we are reminded of the many ways God has blessed our ministry and the lives of those we serve. We are excited to share some of these stories with you in this season's newsletter. Starting out the year, we are reminded of the words of Hebrews 11:1, 'Now faith is confidence in what we hope for and assurance about what we do not see.' **We trust in God's timing for the many plans we want to achieve in blessing the Deaf community of Ensenada.** Here are the following stories:

Casa Josué

Our first big announcement for Casa Josué is that **Pastor Carlos has stepped down as director of the Deaf men's home** at the beginning year. Carlos wants to focus more on his family as a father, on his church as a pastor, and as a new teacher, who recently just graduated with a teaching degree.

Meanwhile, **Lucas Everett has stepped in as interim director** until God leads us to a suitable replacement. Pray that God provides wisdom for Lucas as he becomes more involved with the Deaf men at Casa Josué and how to best lead like Jesus would lead.

In other good news, **Leonardo has officially received his high school diploma** and has moved out of Casa Josué to his next phase of life of independent living.

After getting off of the streets and living with us for a few months, **Carlos S. was able to become financially stable and move out of the men's home** and rent his own place in the city. We are very grateful to be able to show these acts of love to people in need like Carlos S., and to watch their lives improve

because of **donors and supporters like you that help us keep the ministry going.**

Finally, we have begun working on our first big project of the year: the large back porch. **Our desire is to show our love to the residents of the ministry by being able to improve and remodel different parts of the house.** Pray that we receive groups this year that have a passion for construction and showing Christ's love to the Deaf.

PRAYER REQUEST

If you are a church or an individual looking for a place to serve, **we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué. Send us an email for our list of available projects.**

Frances and Marisol

Casa Maravillas

We are still building our savings to purchase a permanent place for the women's Deaf ministry. **Pray that God leads us to the correct plot of land and for God to provide all the finances we need to reach our goal.**

In the meantime, **Frances has further stepped into her role in providing interpreting services to Deaf women** in need around the community.

Recently, Frances was put in touch with Marisol, a Deaf woman in the community, who was nearing her time to give birth, but **she never had any doctors appointment with an interpreter** so she had no idea what to expect. For the past week, Frances accompanied Marisol to her last few doctors appointments and then to the delivery room to be that important bridge of communication between the doctor and Marisol. Due to some labor complications, early in morning on April 15, the doctors performed a c-section to deliver baby Jennifer.

Frances met Marisol at the hospital for the last time before she was discharged to continue her interpreting services and to see how Marisol was recovering from the c-section. **Marisol and baby Jennifer were discharged from the hospital and returned to their home.**

We want to thank our donors and supporters who financially give to our missionaries like Frances. Your giving allows us to be able to freely give our interpreting services so that the Deaf in need have access to valuable information like knowing what the doctor is saying during labor.

"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."

Medical Outreach

Lucas & Frances interpreting

One of our core values is partnership with other ministries by helping them meet their goals. With this in mind, we had the privilege in partnering with Horizonte Deaf Ministry and RHCCC United as sign language interpreters at their medical and dental outreach for the Deaf in Ensenada.

RHCCC brought down a team of dentist and doctors to provide these services to the Deaf. We are very grateful for churches like them for

extending God's love and grace towards one of the most unreached people groups in the world.

We want to thank everyone who makes this ministry possible with your prayers and support. Your partnership has allowed us to minister the love of God to the Deaf in many different ways. We are excited to see how God will move among the Deaf community this year.
