Hello friends,

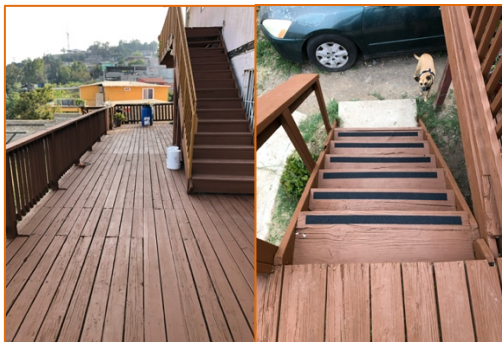

We cannot believe that 2024 is coming upon us at the speed of light! Our summer has been **a time of rest with periods of intense ministry**. Because our model for ministry is an as-you-go model, meaning that our focus is loving the person in front of us, God has been leading us on these **ministry adventures to bless others**. These are the following God adventures:

Casa Josué

Operations have been going smoothly at Casa Josué with everybody still adjusting to the new interim director: Lucas Everett. New leadership means a change from the top down, which can be difficult if a ministry was run one way for a long time. Old habits can be hard to break, but we ask that you **join us in prayer for a fresh Spirit of service and humility to fall on Lucas and on the residents of Casa Josué**.

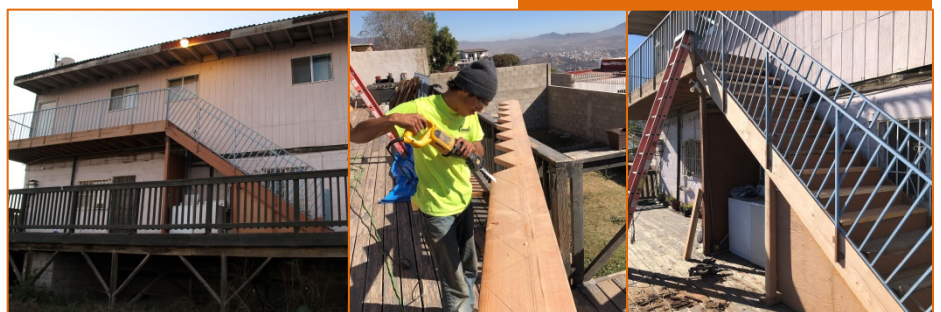

We completed the painting and temporary renovation of the porch area. As we were fixing and painting the porch, we noticed considerable wood rot and termites. We replaced as many boards as we could but eventually the whole porch will need to be torn down and redone.

In other news, **Severo moved back with his family**, which leaves us with Edgardo, José Antonio, Miguel David, and Carlos S.

In the beginning of August, **José Antonio and Carlos S. were able to attend a Christian men's conference** at the famous Agua Viva camp outside Ensenada for two days. Lucas had the opportunity in attending as an interpreter, and we hired a second local interpreter to assist him for those two days. **The Deaf men felt immensely blessed and touched by the attention of the leaders there.**

PRAYER REQUEST

If you are a church or an individual looking for a place to serve, we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué. Send us an email for our list of available projects.

Frances and friends at Marisol's baby shower

Casa Maravillas

During the month of June, we had the privilege of planning and putting together a small **baby shower for Marisol.**

Frances had been helping her with sign language interpreting at the hospital while she was in labor, and now, alongside Amanda, a local Deaf missionary, **they wanted to encourage Marisol in her journey as a new mother by throwing a baby shower.**

Our heart behind this was to come walk with Marisol in this new season of motherhood by having other Deaf mothers come and share their experiences and wisdom. **We also were able to purchase essential baby supplies for Marisol in this process.**

Alas Camp

At the start of June, we joined a special Christian camp designed for people with disabilities and their families.

Frances and Lucas had the opportunity to collaborate as sign language interpreters alongside other local interpreters.

Around 35-40 Deaf individuals attended from all around the state, and as an organization, **we helped pay 50% of each Deaf individual's ticket,** and helped pay off completely for ten other tickets for Deaf individuals so that they could freely attend and receive what God had in store for them.

It was a joyful but exhausting time! We felt that this is what heaven will look like: all individuals partaking in the glory of God with no obstacles nor discrimination.

"Ministry is simply loving the person in front of you. It's about stopping for the one and being the very fragrance of Jesus to a lost and dying world."
