A ministry of Angels of Love, INC.

Alas Christian Camp at Agua Viva where we sponsored 20 Deaf individuals

## Hello friends,

We are excited to share how and where God has been leading us in ministering to the Deaf community of Ensenada. As we go out, we have carried this verse on our minds: "Let love be your greatest aim.." (1 Corinthians 14:1a). The following updates are where Jesus' love has led us:

## Casa Josué

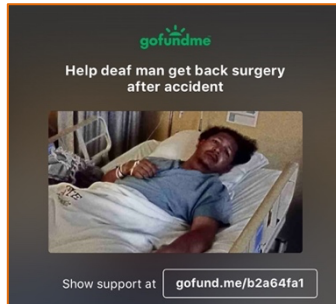

There is still much work to do at Casa Josué! We are grateful for God's provision through our supporters that allow us to make important renovations at the ministry. Joshua Everett has been doing handyman work at the home, but we will soon begin remodeling our third bedroom. Each bedroom remodel generally will cost us \$1,000 USD plus labor.

We recently received a new member at Casa Josué: Benjamin. We currently now have four men living there: Jose Antonio, Miguel David, Edgardo, and Benjamin, who moved up from Mexico City to pursue a better quality of life.

Unfortunately, during one of his construction jobs, Benjamin fell off a high ladder and fell in manner that left one of his vertebrae crushed. Since he was uninsured, the surgery alone is going to cost \$5,300 USD.

WBF G was able to cover a little over half of the surgery, and we are still raising the rest and more to be able cover post-op recovery and possible therapy.

Benjamin has been in the hospital for almost three weeks, he had his surgery on Friday the 21<sup>st</sup> of June, and he is currently still in the hospital recovering. Pray that God provides the rest of the funds and for a quick recovery for Benjamin.

## PRAYER REQUEST

If you are a church or an individual looking for a place to serve, we ask that you prayerfully consider funding/working on our most urgent construction projects down here at Casa Josué. Send us an email for our list of available projects.

### Shoe Day!

In January, Joe Preston and his team from LifeBridge Church traveled down to Ensenada to bless the Deaf community of Ensenada with another Shoe Day! Thirty one Deaf individuals received new shoes.

These types of tangible acts of love allow us to foster a deeper relationship with the Deaf community. During the time that they are in the store trying on different pairs of shoes, we are looking for opportunities to connect, pray, and further bless each Deaf individual.

### Alas Camp at Agua Viva

During the last weekend of May, Frances and Lucas had the privilege of not only attending but also sponsoring 20 Deaf campers to attend the Christian camp geared for people with disabilities at Agua Viva in Ensenada.

It was a sweet time of fellowship and fun! God moved among the Deaf in a beautiful way. All we did was plant the seeds of God's love. Now we ask you to join us in prayer for God to bring increase to the seeds that were planted and that many individuals would continue to encounter God's presence and be transformed.

### Illustrated Bibles for the Deaf

Access to the Word of God is essential for spiritual growth and transformation. Unfortunately, due to the lack of educational access for the Deaf in Mexico, many Deaf have a hard time connecting to God through the Bible due to the language barrier of Spanish. Illustrated Bibles are a great way for the Deaf to connect to God's story visually. We are grateful for the donations of illustrated Bibles we have received so far.

As we continue to pray for God's leading in finding a permanent affordable plot of land for Casa Maravillas (Deaf women's ministry home), we have been led to different families who have great need: physical and spiritual. Pray for God to show us how to minister to these families in a meaningful way. Thank you for being an essential part of this ministry through your prayers and support!
