FEATURES

TWO-COAT FINISH CUSTOM COLORS

Choose your own color with our **CREATIV™** custom color program. **CERACLAD CREATIV™** panels are made with a color coat, followed by a clear coat to protect the panels from ultraviolet rays and to minimize discoloration on the building exterior. Other custom color products are made with just one color coat. This extra color protection reduces or eliminates the need for repainting and lowers maintenance costs.

Our proprietary colors and clear coatings are all applied in our factory during manufacturing to ensure quality. Two factory applied finish coats help prevent fading.

COLOR VARIETY

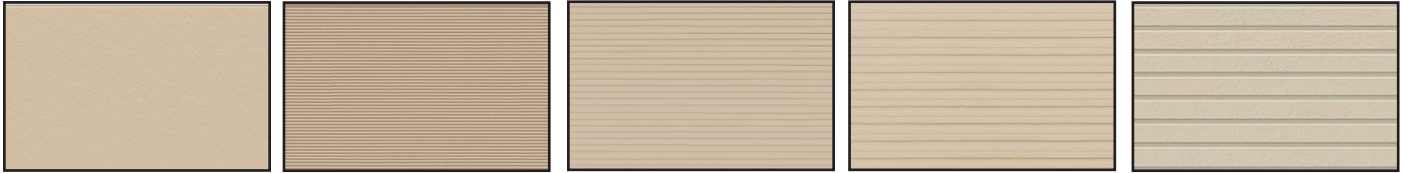

Endless color options, choose from any paint maker (Ex. Benjamin Moore or Sherwin Williams colors), send us the color number or color swatch and we will color match your selection for you.

BENEFITS

TEXTURE OPTIONS

Choose from our Cashmere Smooth, Zen Garden, Modern Stripe, Cast Stripe and 8Reveal textures.

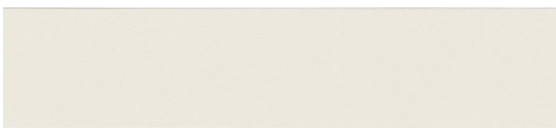

Cashmere Smooth: slight texture on smooth panel surface
Zen Garden: inspired by Japanese rock gardens with its raked texture
Modern Stripe: Approx. 0.3 inch stripe paneled pattern
Cast Stripe: Approx. 1 inch stripe paneled pattern
8Reveal: 1.5 inch stripe paneled pattern

RUNNING BOND OPTIONS

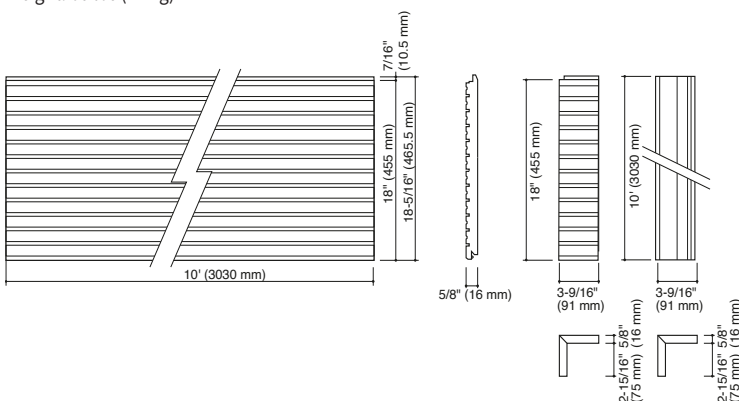

Choose your own length for your design. Cut Ceraclad panels to any size required for your project.

Regular panel size: 18" W (455mm) x 10'L (3030mm) x 5/8"T (16mm)

Panel Weight: 3lbs per Square Foot

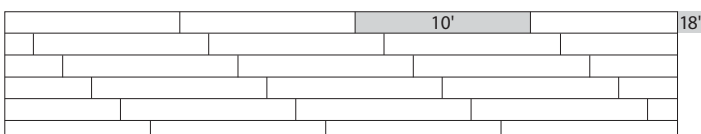

Cashmere Smooth
 Panel Dimensions: 10'L (3030mm) x 18"W (455mm) x 5/8"T (16mm)
 Weight: 60 lbs (27 kg)

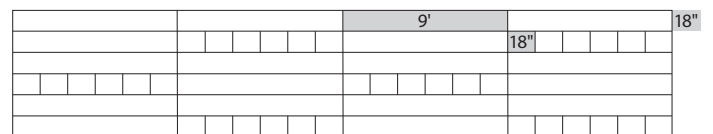

PANEL LAYOUT CASES

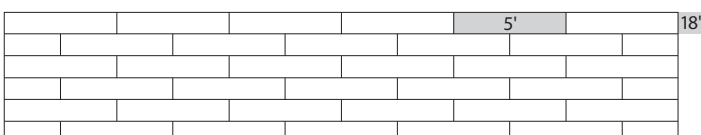

10' Horizontal Panel Layout

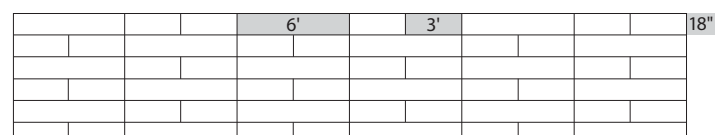

9' Horizontal Panel Band 18" Horizontal Panel Layout

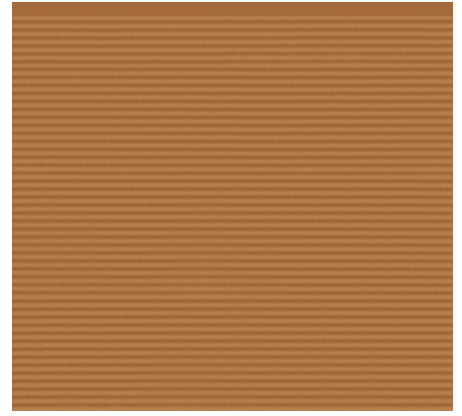

5' Horizontal Panel Layout

6' x 3' Horizontal Panel Layout
