

Bervie Crown

Mixed media mosaic sculpture
5m x 6m x 1.4m

A commission to create a site-specific public art piece, in response to the historical events of the 'Royal Burgh' of Inverbervie. The commission was designed and created with a variety of residents, schools and community groups. Including an artist residency within the town. To create the first of three feature commissions integrating a community arts engagement programme, public design consultation and educational programme with Bervie Primary School. The site is open to all visitors at Inverbervie Beach, Scotland.

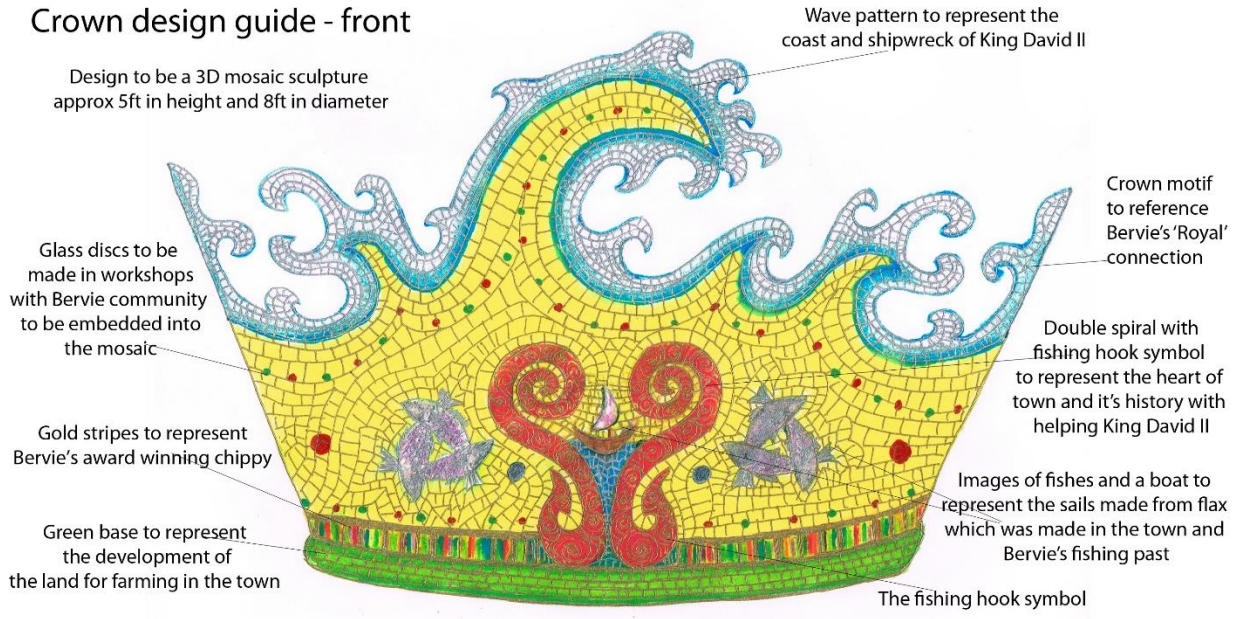

Glass artwork made during artist residency community participant workshops

Final sculpture design showing redesign for safety, and glass inserts from community workshop sessions

Crown design guide - front

Design to be a 3D mosaic sculpture
approx 5ft in height and 8ft in diameter

Initial sculpture design based on feedback during community consultation
