

Higher Folds Estate shield

Mixed media mosaic sculpture
6m x 1.5m x 10cm

This commission was created in collaboration with the community of the Higher Folds Estate in Leigh, Wigan. A coat of arms was designed by residents local to the estate. These designs were then formed into mosaic signage, as a welcoming artwork upon arrival into the estate. The motifs of the design were also created by residents and selected on their relevancy to the local wildlife, socio-historical links and nearby community hub services.
