

'St. Columba's Sports Hall Commission

Mixed media mosaics
2m x 2m

The 'Active Schools' commission was to create a wall-based mosaic mural with the entire school to be featured in the new sports hall entrance. Artwork was made in collaboration with primary school children, from St. Columba's Primary School in Huyton, Liverpool. Additionally, a series of creative workshops were held as part of a broader art week across the school.
