Role of Earthbound Expeditions: Earthbound Expeditions acts solely as an agent for the airlines and is bound by their respective policies. We do not control flight availability, seat assignments, or fare conditions set by the carrier.

Deadline Date: Group flight reservations must be booked by October 08, 2025. After this date, travelers will be responsible for booking their own flights independently.

Cancellation Policy: Cancellations must be submitted in writing no later than 60 days from the date of deposit or by October 8, 2025—whichever comes first. After this deadline, all flight costs and associated fees become 100% non-refundable, regardless of the reason for cancellation.

Passport Requirements: All travelers must enter their passport information to the guest portal no later than October 8, 2025. Passports must be current and valid for at least six months beyond the return date of travel. Failure to submit valid passport information by the deadline may result in the inability to ticket flights or participate in the trip.

Economy Class Restrictions: Group flights are booked in a special fare class that may carry significant restrictions. Mileage points may or may not be accrued, upgrades are limited or unavailable, and seats may be randomly assigned.

Baggage: Each guest is permitted to **BRING ONE CARRY-ON BAG (UNDER 50LBS) AND ONE PERSONAL ITEM**. Checked baggage is not included in the cost of the flight ticket and must be paid for separately at the airport during check-in.

- 1st checked bag (under 50 lbs): \$35
- 2nd checked bag (under 50 lbs): \$45

Luggage fees are subject to change by the airline.

Group Airfare Pricing: Prices listed are based on group contract availability. Taxes and fuel surcharges are subject to change until ticketed and are included in the air price quote.

Mileage Award Tickets: Earthbound Expeditions is unable to assist travelers booking flights with frequent flyer miles or mileage award tickets.

Group Flight Modifications: Requests to add or remove participation in the group flight must be submitted in writing no later than 91 days prior to departure.

Airline Policies and Liability: Earthbound Expeditions is not responsible for airline-imposed route changes, flight delays, or cancellations. Airline group contract rates may require payment by check and/or an additional deposit. Please carefully review the airline deposit schedule, as most payments are non-refundable.
