A Sweet Little Guide of Insider Tips, Dreamy Ideas &
Planning Hacks to Make Your Honeymoon Extra Magical

💍 First Things First: Honeymoon Vibes Check

Before you start tossing swimsuits into a suitcase, take a moment to ask yourselves:

- Are we feeling adventure, relaxation, or a little bit of both?
- Do we want a big resort with tons to do, or a quiet hideaway with just the two of us?
- Are we early birds or sleep-in-and-slow-sip-coffee kind of travelers?

Knowing your vibe helps everything fall into place—and yep, I can help you figure it all out if you're feeling stuck!

🕶️ Don't Forget These Easy-to-Miss Items

You'd be surprised how many couples forget the little things that can make or break a trip.

✔️ A waterproof phone case (trust me—you'll want those beach pics)
✔️ Travel-size medicine kit for headaches, tummy trouble & bug bites
✔️ Something cozy to wear on the plane—you'll thank me later
✔️ Printed copy of your confirmation emails (or I offer a digital backup in your itinerary)
✔️ A special outfit for your "fancy night"—even if you don't have it planned yet

Bonus tip: Pack a mini Bluetooth speaker for beachy love songs in your room 💃🏝️

✨ Dreamy Extras That Are So Worth It

There are some little splurges that take your honeymoon from “nice” to next level romance:

💆‍♀️ A couples massage on the beach
🍓 Breakfast in bed at least once—just do it
📸 A honeymoon photoshoot with a local photographer
🌅 A sunset cruise or private dinner under the stars

These are the kinds of memories you'll never forget. And I've got alllll the connections to set them up for you.

🌴 Insta-Worthy Photo Ideas You'll Actually Want to Frame

No awkward poses, I promise. Here are a few simple-but-sweet photo ops:

📷 Holding hands walking into the ocean
📷 Your first cheers with tropical drinks
📷 A kiss with the sunset in the background
📷 Candid poolside laughs in sunglasses
📷 Your wedding bands in the sand

Don't worry—I can help you find the right resort photographer or suggest where to snap the best ones.

💡 PLANNING HACKS FOR MAXIMUM RELAXATION

HERE'S WHERE I SPRINKLE IN SOME HONEYMOON MAGIC:

🛬 FLY OUT A DAY OR TWO AFTER YOUR WEDDING – GIVE YOURSELVES TIME TO BREATHE AND RE-PACK WITHOUT STRESS.

🧳 SPLIT YOUR PACKING – PUT HALF OF EACH PERSON'S CLOTHES IN BOTH BAGS. IF ONE GETS LOST, YOU'RE BOTH COVERED.

📅 DON'T OVERSCHEDULE – LEAVE SPACE FOR NAPS, SWIMS, AND SPONTANEOUS MOMENTS. YOU DON'T NEED A FULL ITINERARY ON YOUR HONEYMOON.

📲 LET SOMEONE ELSE (ME!) HANDLE THE DETAILS – SERIOUSLY. THE BEST PLANNING HACK IS NOT DOING IT YOURSELF. 😉
