[Wekiwa Springs State Park](#) - A state park that features hiking trails, swimming areas and picnic spots.

[The Charles Hosmer Morse Museum of American Art](#) - A museum that features exhibits of American art and decorative art.

[Orlando Museum of Art](#) - A museum that features exhibits of American art and international art.

[The Orlando Eye](#) - An observation wheel that offers views of the city.

[Florida Southern College - Lakeland](#) - The campus features 13 buildings designed by American Architect Frank Lloyd Wright, the largest collection of his work in the world. You can do a tour on your own with a walking tour map for a nominal fee, but won't get access to as many places as you will with a guided tour by a docent.

[Busch Gardens - Tampa](#) - Tourist attraction featuring rides and wildlife.

[Bok Tower Gardens](#) - Lake Wales

[Silver Springs State Park](#) - A state park that features glass-bottom boat tours, hiking trails and wildlife exhibits.

[Ocala National Forest](#) - A national forest that features hiking trails, swimming areas and picnic spots.

[Appleton Museum of Art](#) - A museum that features exhibits of American art and international art.

[Don Garlits Museum of Drag Racing](#) - A museum that features exhibits of drag racing history.

[Wild Waters](#) - A water park that features water slides, a wave pool and a lazy river.

[Amelia Island](#) - A place to soak up some sun with 13 miles of pristine, white sandy beaches.

[Salt Springs](#) - A swimming area that is shallow enough for waders and deep enough for snorkelers.

[St. Augustine](#) - The oldest city in the country with a European-style ambiance and landmarks like Castillo de San Marcos National Monument and Ponce De Leon's Fountain of Youth.

[Ginnie Springs](#) - A paradise for open water and cave divers with cool, crystal-clear waters and extensive caverns.
