

Welcome to Callihan Equine!

Callihan Equine (CE) is a family-oriented horseback riding program dedicated to students of all ages and skill levels. We believe in building strong, confident riders from the ground up—starting with the fundamentals of horse care and horsemanship. Our goal is to ensure students gain a deep understanding of horses, not just proper equitation.

Led by Brittany Callihan, who brings over 25 years of experience, CE offers personalized instruction in western, hunt seat, gaited pleasure, and performance riding. Every lesson is tailored to prioritize safety and align with each rider's individual goals—whether riding for recreation or preparing for the show arena.

Callihan Equine Instructors

Brittany Callihan holds a Bachelor's degree in Equine Science with a minor in Business and brings over 25 years of hands-on experience in the horse industry. Her teaching philosophy is simple: *she only teaches what she has personally done or competed in.*

With a strong foundation in both English and Western disciplines, Brittany focuses her lessons on building well-rounded horsemen and horsewomen—starting with solid fundamentals. Her instruction emphasizes proper riding position, body biomechanics, and horsemanship, ensuring each student not only rides well but truly understands their horse.

Brittany currently competes in ranch pleasure classes with her own ranch horse and also shows CE's gaited horses in pleasure classes. Her diverse experience allows her to connect with riders of all levels and goals, whether they're looking to ride recreationally or prepare for the show ring.

Justin Callihan brings years of hands-on experience starting and training horses of all breeds, with a special focus on gaited horses. At Callihan Equine, he specializes in working with CE's racking horses, both in their training and in helping riders refine their skills for the show ring.

Justin works closely with students competing in pleasure and performance racking classes, offering expert guidance to improve timing, feel, and ring presence. He is also an active competitor, regularly showing CE's racking horses in both performance and pleasure divisions.

His deep understanding of gaited horses and commitment to proper training make him a valuable part of the CE program

Kelsey Carrig is beginning her professional equine career by pursuing coursework and certifications in various equine rehabilitation modalities. Her passion for horses is matched by her love for teaching—especially young riders. Kelsey is dedicated to sharing the joy and responsibility of horse care, just as she experienced growing up in the saddle.

She focuses on teaching proper horsemanship, safe horse handling, and age-appropriate riding techniques. Her lessons often include fun, engaging games that reinforce foundational skills while keeping learning enjoyable for younger students.

At Callihan Equine, Kelsey also specializes in preparing CE Show Team members for in-hand classes, offering detailed instruction in showmanship and halter presentation. She currently competes with her two APHA horses at both local and rated shows in a wide range of classes including halter, showmanship, hunt seat, equitation, western pleasure, and horsemanship.

Callihan Equine operates on a monthly tuition based semester program.

Semester Riding Program

What is a Semester Riding Program? At Callihan Equine (CE), a semester riding program means riders commit to a defined period of lessons—called a semester—by paying a flat monthly fee and attending regularly scheduled sessions. This structure allows for a consistent and comprehensive learning experience, as opposed to one-off or sporadic lessons.

What Are the Benefits? A semester-based program allows instructors to teach using a progressive curriculum that builds skills over time and is tailored to both age and ability. Consistent attendance is crucial for improvement in equestrian sports, and this model encourages students to stay engaged and make steady progress.

It also helps us at CE honor one of our core values: putting our horses first. Our horses only teach four days a week to ensure their physical and mental well-being. A semester system allows us to plan ahead and balance the needs of both our students and our horses.

How Does It Work? We divide the calendar year into three riding semesters:

Summer Semester – 8 weeks (aligned with school summer break). A great way for families to try out lessons with a shorter commitment.

Fall/Winter Semester – Longer session that follows the school year calendar.

Winter/Spring Semester – Also follows the school year, continuing the rider's progress.

Each semester includes weekly lessons, which may be:

A 30-minute private lesson, or A 1-hour group or semi-private lesson.

Students may choose to ride more frequently (e.g., twice a week) or less often (every other week/twice a month), but riding less than every other week is not recommended for those wishing to progress in the program.

What If It's Not the Right Fit? We understand that every family's needs are different. If the semester program isn't the right fit, there is an opt-out option included in your contract. Please be sure to review that section carefully before enrolling.

Lesson Policies and Procedures

Trainer has the right to cancel lessons at any time, without notice (to include once the rider has already arrived) for reasons including, but not limited to: emergencies, safety for the rider/and or the horse, horse health, etc).

Rescheduling/Cancellation 24+ hour notice is required in order to receive a makeup lesson.

Cancellation Policy:

- If less than 24 notice is given
 - Those who are paying monthly, it will count as a lesson.
 - Those who are paying bi-weekly, will have to pay the rate for “pay as you go” before next lesson
 - Those who pay as you go, will have to pay for cancelled lessons in addition with a scheduled lesson to have another lesson scheduled.
- If the trainer cancels the lesson, a makeup lesson will be rescheduled within the same month.

No Show Policy:

- If you do not show up to a lesson
 - Those who are paying monthly, **it will count as a lesson.**
 - Those who are paying bi-weekly, will have to pay the rate for “pay as you go” and there is **no make-up lesson.**
 - Those who pay as you go, **will have to pay for no show lessons in addition to the next lesson,** if one is to be scheduled.

Make- up Lesson Policy:

- If 24+ notice is given CE will offer a make-up lesson within the same month. *The 5th week of the month will be utilized as make up lesson time.*
 - If the rider can not make the make-up day or cancels that lesson it becomes forfeited.
 - Make-up lessons **MUST** be done within the same month and will not carry over to the following month, unless there is a scheduling conflict with the instructor.
- If the lesson has to be cancelled due to trainer conflicts , you will be offered another spot during the month.
 - If the rider can not make the make-up day or cancels that lesson it becomes forfeited.

Months with 5 weeks:

- The 5th week will be used for makeup lessons.
- If a rider would like to use the 5th week as a regular lesson, it will be billed as a separate lesson on the next month's invoice.

Ground Lessons

- If lessons are inside due to bad weather, they could become a “ground lesson”
- Even though CE has the opportunity to ride inside, the trainer could decide to make it a ground lesson instead. This will still count as a lesson.

10% of being a rider is spent in the saddle, the other 90% is at the barn

Late Policy:

- Please contact your trainer immediately if you know you're running late.
 - The lesson will be cut short depending on the time left.
 - Any student that shows up 15 min or later to a lesson without proper warning will forfeit their lesson.
- Payment in full is still expected when running late.

Weather Policy:

- If the weather is unfavorable for riding, an unmounted lesson or barn lesson will take place. I have the ability to allow riders to have a mounted lesson on most bad weather days. We will ride in warm and cold weather. Please make sure your child is prepared with a drink for the warm months and appropriate outerwear for the cooler months.
 - *The only weather type cancellations will be if there are any type of watches, warnings or advisories that affect us.*

- If you cancel your lesson due to weather reasons when lessons are scheduled to be taught in the barn:
 - Those who are paying monthly, it will count as a lesson.
 - Those who are paying bi-weekly, will have to pay the rate for “pay as you go” before next lesson
 - Those who pay as you go, will have to pay for cancelled lesson in addition with a scheduled lesson to have another lesson scheduled

Lesson Hold Policy:

At Callihan Equine, we understand that unexpected situations may arise. In certain cases, students may place a temporary hold on their lesson schedule. If a situation occurs that may prevent you from riding, please notify your instructor **as soon as possible**.

Qualifying Situations for a Lesson Hold:

- Scheduled medical procedures or surgery
- Family emergencies
- Death in the immediate family

If your situation does not fall under one of these categories but you believe a hold is necessary, please contact CE directly to discuss your options.

Hold Details:

- A hold fee of **half the regular monthly tuition** will be charged to maintain the rider's spot in the program.
- While on hold, the rider **may not participate** in any CE activities, including:
 - Riding lessons
 - Shows
 - Barter rides
 - Events
 - Birthday parties or other CE-hosted activities

Reevaluation: Lesson holds are reviewed monthly to determine whether they should:

- Continue as is, resume regular lessons, result in the termination of the rider's contract

We appreciate your communication and understanding as we strive to maintain consistency for both our students and our horses.

Opt-Out Policy:

If you choose to discontinue lessons during a semester, Callihan Equine requires a **30-day written notice**. This ensures we can manage schedules, horse workload, and program planning effectively.

Notice Requirements:

- Notice must be submitted in writing via email to: Callihanequine@gmail.com
- If notice is not received 30 days in advance, tuition will continue to be billed as normal until the notice is officially received and the 30-day period begins.

- If an account remains unpaid for more than 60 days, Callihan Equine reserves the right to pursue collections through legal means.
