

*****Pricing Disclaimer*****

The pricing listed is intended to be a general guideline to help estimate costs for our services. Actual pricing may vary based on specific factors such as provider volume, specialty requirements, EHR integration needs, additional customizations, etc. Final pricing will be determined after a consultation to assess your practice's unique documentation workflow. For a personalized quote, please contact us directly.

Estimated pricing is listed below for Emergency Departments and Outpatient Practices. Inpatient and surgical services will require a custom quote.
