

Player Improvement Packages

These Individualized Instructional Programs are geared towards those striving to play their absolute best by taking a holistic view of your game from tee to green! In doing so, we can better identify your specific strengths and weaknesses and tailor a personal Road Map to Success for your game before taking your first lesson!!

Each package will begin with a TPI Physical Assessment to determine your Body/Swing Connection, a Full-Game Assessment- where you will utilize our practice facility to work through every shot in the bag and a 3-Hole On-Course Assessment to see your game in action. Armed with this information, we will quickly turn your weaknesses into strengths, allowing your to maximize your practice time, and get you and your game where you want it to be, FASTER!!
