

16th Annual Minnesota Lions Diabetes Foundation Research Update **March 15, 2025**

Hosted by the Minnesota Lions Diabetes Foundation, Inc.

More than 29 million people in the United States are living with diabetes—a growing number that includes 340,000 people in Minnesota alone. Unfortunately, that number is on the rise.

Join us at the annual Minnesota Lions Diabetes Foundation *Research Update* to hear from University of Minnesota scientists, who are conducting leading-edge research aimed at both preventing and curing diabetes. Learn first hand how these scientists, funded by the Minnesota Lions Diabetes Foundation, are making a direct impact in our community, state, and beyond.

Following the research presentations, guests will have the chance to interact with the scientists one on one, learn more about their research, and ask questions. There will also be silent auction items where you will have the opportunity to support the Minnesota Lions Diabetes Foundation in their mission.

Saturday, March 15, 2025

11 a.m. Registration and Social
11:30 a.m. Lunch
12:30 p.m. Program
2:30 p.m. Meet n' Greet with Scientists
